MONDAY

Hi Family,

How's everything now that the flu has run its course. I'm fine with only my winter sniffle - I guess my nose doesn't realize we are in the land of eternal summer - Played golf on Saturday and I'm so better but its fun anyway. Since I got to Monterey I've lost 12 lbs so don't be shocked when you see me, just feed me

fast and after. No mostly it's because I'm
exercising more here than I did on the ship. I
feel better so I guess I'm supposed to be slim and
Trim.

Really great about Ubeza and I what?
What a gang you'll have around if Joan + her
brood are there to join ps. I guess you won't
mind though for awhile anyway.

Ubeza has said that you have

already written a very nice letter so I
will give you her address just to fill up space.

I wrote to Grandma right after I told you and
I have also alerted Jean and Jack so I guess the
word is out.

I can't wait to get home and see you

all. The Christmas season has gotten me
all excited because I'll be home this time. On
top of all that I'm in love so I will be a real
problem when I get there.

How is the boat coming Chris? Haven't
heard any more from you on it so haven't done
any designing.

School is fine but not as good as first
term grade wise. Other things on my mind.
Love, Les
