National Curriculum Assessment and Public Examination Results in Wales 2005

School Standards

Introduction

This book presents for Isle of Anglesey, and for Wales the 2005 results of 7, 11 and 14-year-olds taught and assessed to National Curriculum standards; the GCSE/GNVQ results of 15-year-olds; and the A/AS and GNVQ results of 17-year-olds.

The results of 7-year-olds (Key Stage 1) were derived from returns submitted by Directors of Education. The results of 11 and 14-year-olds (Key Stages 2 and 3 respectively) were derived from the marksheets and Optical Mark Reader forms returned to the Welsh Joint Education Committee (WJEC) which is the external marking and data collection agency in Wales. The GCSE, GNVQ, A/AS and AVCE/ASVCE results were provided by the WJEC under contract to the National Assembly. Schools were given the opportunity to check all data before they were collated to form the tables and charts in this book.

Access to Information

This is the fourth year that LEA-specific books containing the results for each Key Stage have been produced. They are designed to provide a comprehensive picture of standards attained in each LEA area and to place those standards within an all-Wales context. Information on individual schools is available from each school via its prospectus and Governors' Annual Report. Both documents contain the latest aggregate school results for a range of indicators as well as the national (all-Wales) results.

Totals may not necessarily agree with the sum of their components due to rounding.

Contents

The book comprises five sections - one for each set of results. Each section contains the LEA's results as well as the relevant national results for that particular Key Stage or examinations.
