JOINT RESOLUTION relating to the preservation and publication of portions of the early state and provincial records, and other state papers of New Hampshire.

Resolved by the Senate and House of Representatives in General Court convened:

That His Excellency the Governor be hereby authorized and empowered, with the advice and consent of the Council, to employ some suitable person—and fix his compensation, to be paid out of any money in the treasury not otherwise appropriated—to collect, arrange, transcribe, and superintend the publication of such portions of the early state and provincial records and other state papers of New Hampshire as the Governor may deem proper; and that eight hundred copies of each volume of the same be printed by the state printer, and distributed as follows: namely, one copy to each city and town in the state, one copy to such of the public libraries in the state as the Governor may designate, fifty copies to the New Hampshire Historical Society, and the remainder placed in the custody of the state librarian, who is hereby authorized to exchange the same for similar publications by other states.

Approved August 4, 1881.

PREFACE.

This volume completes the presentation of the text of the original township charters emanating from New Hampshire province authority, from grants by Massachusetts, and from the Masonian proprietary. The New Hampshire grants of townships west of the Connecticut River occupy, with the notes relating to them, a separate volume. The charter series consists of five volumes, viz., 24, 25, 26, 27, and 28. This arrangement brings this class of documents into consecutive volumes and into the most serviceable classification that is practicable. It necessitates the postponement of the presentation and treatment of the Masonian papers of a more general nature to a subsequent volume. The slight change of the logical order, wherein these papers might have preceded the subsidiary Masonian charters, will doubtless be considered of little moment when considered with reference to the desirability of bringing the Masonian township grants into immediate sequence with the province grants of a similar character.

The methods of administration which prevailed in the business of the Masonian proprietary in the period in which they were actively engaged in disposing of the lands which had been conceded to be subject to the Masonian title after more than a hundred years of controversy, are deserving of special consideration. It was suggested in our preface to Vol. 27 that this would receive attention in this connection. The observations which follow, therefore, should be read in reference to the editor's preliminary note to the preceding volume.

The lands included within the Masonian Patent were conveyed to the twelve original associates by deed of Robert Tufton Mason, January 30, 1746. The consideration paid was fifteen hundred pounds, and the purchase was held in fifteen shares. Theodore Atkinson held three, Mark Hunking Wentworth two, and the ten others one share each.

At the first meeting of the members of this proprietary the original purchasers were the only persons in interest, but, previous to the disposal of any of the lands within their purchase, a further distribution or allotment was made, so that no associate owned more than one share, and four of these fifteenth parts were subdivided. Mark Hunking Wentworth sold one of his two shares to John Rindge June 2, 1750; Theodore Atkinson, two of his three to John Tufton Mason,

August 1, 1746; and Mason, one of his two in equal interest to Samuel Solly and Clement March, May 26, 1748; he also sold one half of his remaining share to John Thomlinson, June 9, 1749. On various dates Nathaniel Meserve sold fractional interests in his share. Col. Samuel Moore having died, his share was held by his widow, Mary Moore, and her brother, Daniel Peirce. Although in several instances, the original purchaser died before the dissolution of the association, the shares appear in the records accredited to the several owners as follows:

1. Theodore Atkinson.
2. Mark Hunking Wentworth.
3. Richard Wibird.
4. John Wentworth.
5. George Jaffrey.
6. Nathaniel Meserve and others [Joseph Blanchard, Joseph Green, and Paul March].
7. Thomas Packer.
8. Thomas Wallingford.
9. Jotham Odiorne.
10. Joshua Peirce.
11. Daniel Peirce and Mary Moore.
12. John Moffatt.
13. John Rindge.
14. John Tufton Mason and John Thomlinson.
15. Samuel Solly and Clement March.

The deed of Mason to the associates conveyed the towns, as well as the ungranted lands, within the patent. The conveyance, says Belknap, "raised a great ferment among the people." As an act of justice, as well as a measure of prudence, and to quiet the people, the associates immediately quitclaimed all the lands and improvements within the organized towns of the province. Having satisfied and placated the residents within the towns, they encountered a serious problem in another direction, and frequent contentions arose in their dealings with the grantees of several towns granted by Massachusetts, and which, on account of their isolation and weakness, were not included in the general deed of quitclaim.

Many of the persons claiming under the Massachusetts charters were admitted among the grantees in the Masonian grant of the same town, or were given equivalent privileges in some other township. A few of the settlers who had made improvements under the Massachusetts title resisted all overtures. Several lawsuits ensued, but these always ended in verdicts for the purchasers from Mason. Several settlers in Rindge, New Ipswich, and other towns of this class certainly suffered serious losses and possibly injustice. As a rule, however, the Masonians were ever ready to hear complaints and to grant redress; and they generally succeeded in allaying the contentions that were incident to the existing conditions.

Nothing in the nature of quit-rents, which were characteristic of the province charters, were reserved in these Masonian grants. A prudential stipulation was incorporated to the effect that none of the lands reserved to the fifteen proprietors' shares should be taxed until improved by the owners or some person holding title under them.

In the administration of the business of the association, their methods and plans were simple, and probably more in harmony with the usages of that time than of the present. If the proprietors had existed a century later they would have formed a corporation. Following the custom of the day they were an association, governed only by the dictates of a common interest. For many years the association did not have a common treasury. In the grant of a township a certain quantity of land was reserved to each shareholder, and the division was made as nearly as practicable in equal shares. In the distribution which accompanied the partition of a township or grant, each grantee and each of the fifteen shares was accorded an original title to one of these sections, all of which were supposed to be equal, generally about three hundred acres. The association paid the common charges in equal shares, and each associate sold the land thus acquired on his own account. The measure of profit or loss of a shareholder in any particular case depended upon the result of the sales made by individual members of the association.

Upon the division of a township, one of the equal shares or lots was reserved for schools, one for the ministry and one for the first settled minister.

Anticipating expenses of a legal nature in maintaining and defending suits at law, the association reserved two additional shares in a majority of the towns and styled them "law lots." These were granted to Matthew Livermore and William Parker, the attorneys of the association by vote of July 25, 1750. Whenever the names of these two appear in the lists of grantees, it is on account of their legal services. They were not, as sometimes inferred, members of the association.

The tract of land known for many years as Society Land, the towns of Alton and Allenstown, several small tracts or gores, and the islands in Winnepesaukee Lake were not granted as townships according to the general rule, but were divided into fifteen equal parts and one part drawn to each share. The subsequent sale of the individual interests thus acquired and the creation of titles in severalty opened the way to settlements. In a few instances before the division of a tract of land with a view to the customary distribution among the proprietors, a lot might be set aside to compensate a surveyor or some other person who had charges against them; and, in general, so far as it was possible, the Masonian proprietors paid the expenses of the association with land.

In a very few cases, in the disposal of small gores that did not admit of easy division and partition, a sale was made. The money received was not suffered to lie in a treasury but was immediately divided. Whenever there was a necessity for

money to be used for the association it was raised by an assessment on the several shares.

The political status of the townships granted under Masonian authority was not necessarily like that which marked the province grants. The grantees under the latter were sometimes vested with political privileges by the terms of the charter, similar to those contemplated by the ordinary act of incorporation. This was not the invariable rule and possibly not the general custom in the granting of townships by the provincial government (see preface to Vol. 24). The Masonian proprietary could not invest the grantees of their towns with political or municipal privileges or powers. For this investiture recourse was had to the assembly in the ordinary course of events. Not infrequently, however, the inhabitants assumed the functions of municipal government and procedure, and regarded themselves as invested with the ordinary municipal prerogatives without invoking the aid of legislation. Long exercise of corporate powers by a town without objection has been recognized by our courts as evidence on which an act of incorporation would be presumed. (*Bow vs. Allenstown*, 34, N. H. Reports, 351.)

In added reference to the tracts afterwards known as Alton and Allenstown, and that formerly designated as Society Land, it may be stated that the demarkation of town boundaries and the adoption of town names were occurrences subsequent to the conversion of the lands to ownership in severalty and actual settlement, and the result of after-consideration by the inhabitants. In these particular incidents, a variation from the custom of the proprietary is observable. It will be found that it was their usual method to designate town boundaries at the outset, and settlement was a subsequent affair.

The substantial character and commanding influence of the persons associated in the Masonian purchase is sustained by the annals of the state. The ties of kinship that held them in close relations are worthy of mention.

Mark Hunking Wentworth and John Wentworth were brothers. They were sons of Lieut. Governor John Wentworth, and brothers of Governor Benning Wentworth. Mark Hunking Wentworth was the father of Governor John Wentworth, and was a member of the governor's council from 1759 to 1775.

Theodore Atkinson married a sister of Mark Hunking and John Wentworth.

Jotham Odiorne was an uncle, and Jotham Jr., was a cousin of the wife of Mark Hunking Wentworth. Ann Odiorne, a sister of Jotham, senior, was the mother of John Rindge, and after the death of Mr. Rindge, her husband, became the wife of Nathaniel Meserve.

George Jaffrey was a son of a sister of Mark Hunking and John Wentworth; and Samuel Solly married Jaffrey's sister.

Richard Wibird's sister married a brother of the two Wentworths.

Thomas Packer married a sister of the two Wentworths. His second wife was the mother of John Rindge and a sister of Jotham Odiorne, senior.

John Rindge was the brother of the wife of Mark Hunking Wentworth.

Joshua and Daniel Peirce were brothers. Daniel married Ann Rindge, sister to John Rindge.

Samuel Moore was the colonel of the New Hampshire regiment at Louisburg. He married a sister of Joshua and Daniel Peirce.

Clement March was a relative of the Peirce family.

John Moffatt and Thomas Wallingford, so far as known, were not connected by blood or marriage to each other or to the other proprietors.

The interest in the propriety acquired later by John Tufton Mason and John Thomlinson was the natural sequence of their early connection with the patent.

The Masonian proprietors, closely allied among themselves, were also firmly identified with, and were an important factor of the provincial government of New Hampshire. Mark Hunking Wentworth, Theodore Atkinson, Richard Wibird, Samuel Solly, George Jaffrey, Daniel Peirce, and Jotham Odiorne were members of the council.

The editor acknowledges himself specially indebted to Hon. Ezra S. Stearns, Secretary of State, for the statement of facts which he has incorporated in this chapter. No living student of the Masonian element in New Hampshire history has a more accurate or extensive knowledge of the subject and its literature than Mr. Stearns. His good offices in aid of the work have contributed materially to its value. It is a privilege to renew the expressions of an obligation of which we have not been unmindful in the past.

The continued interest of His Excellency, Charles A. Busiel, and the Honorable Council, and their efficient coöperation will enable the editor at an early date to complete the publication of the series of Masonian papers, and to place a most important part of the archives of our state before the public in a form for general use and special examination.

Mr. Otis G. Hammond continues as our office assistant, and is deserving of commendation for the painstaking industry and special fitness which he brings to the performance of his duties.

[Granted by the Masonian Proprietors as *Monadnock No. 6*, May 10, 1752, to John Hutchinson and others. The grant was renewed Sept. 30, 1767, and again Feb. 23, 1774. Incorporated as *Packersfield* Feb. 22, 1774, and named in honor of Thomas Packer. The present name was adopted June 14, 1814, to take effect Oct. 1, 1814. In 1777 an unsuccessful attempt was made to change the name to Sullivan. The north-west part of the town, combined with other territory, was incorporated as Sullivan Sept. 27, 1787. The southwest corner was combined with other territory to form the town of Roxbury Dec. 9, 1812. The line between Nelson and Roxbury was changed June 15, 1820, by which Nelson lost a small tract. A small piece of land was severed from Stoddard and annexed to Nelson June 25, 1835.

[*Petition of Inhabitants to Governor, 1773.*]

[Masonian Papers, Vol. 1, p. 9.]

To his Excellency John wentworth Esq^r Captain General Govonor & Commander in Cheif in and over his majestys Province of New Hampshire & Vice admeral of the Same &C—

The Subscribers Inhabetants of a Place Known by the Name of Monadnock Number Six Beg Leave Humbly to Shew to your Excellency, that whareas, a Petition or Remonstrance, has been Prefferd to your Excellency by Sundry of the Settlers of Said Number Six Setting forth there Desire, not to have Said Number Six Incorporated, and also a Complaint against Breed Batcheller for not fulfilling his obligations with Regard of Settling Said Number Six and making Roads & C. which has Occasioned Several Families to Leave the Town, and that by the Original Grant the Grantees where obliged to Settle Said Township within a Certain Limeted time with Sixty Families and that there was not but Twenty Families in said Township, Eleven of which are on Land Called Blanchards Quarter, and also an oppertunity to Chuse another Clerk & Treasurer, with an Insinuation that no Votes Can be obtained with out Said Batchellers Consent

your Petitioners Beg Leave to make the Following answers to the Premises, and with Regard to an Incorporation of said Township your Petitioners Beg Leave to Shew to your Excellency that there was a proprietors meeting Last march (Leagally held as your Petitioners apprehend) when a majorrety of Votes was obtained to have Said Number Six Incorporated, though Said Batcheller Did not Vote but Publicly Say in open meeting before Said Vote Passed, that if Said Township Should be Incorporated the Burden would Lie on the Inhabetants and Desired that they would Consider well on the matter But your Petitioners are not anxciuous wheather it is Incorporated or not but would be Glad to Leave it to your Excellencys wise Determination—

your Petitioners would Shew to your Excellency there is Dwelling in Said Township Twenty one Families Besides thirty or forty other

Persons that have began and made Considerable Improvements, and your Petitioners are of opinion that there would have been Settled in Said Township, many more Families or Persons had it not been for the Scarsety of Provisions, for Several years Past, which Scarsety occasioned the Removel of Several Families or Settlers and not the Bad Roads as mentioned in the Remonstrance—and your Petitionrs Trust that your Excellency will Excense them if they Shew to your Excellency that Said Township was to be Settled within a Certain Limeted time with Fifty Families or Persons, and not Sixty Families as mentioned in Said Remonstrance, and as to the Eleven Families on Blanchards Quarter your Petitioners trust your Excellency will Pardon them if they Shew to your Excellency that they are Settled in that Part of the Town where Blanchards Lands Lies, and are on other Lands, three Families only Excepted which are the only Settlers that are on the the Seven Rights Belonging to the Heirs of the Late Coll. Blanchard and also an Insinuation that no Votes Could be obtained with out Said Batchellers Consent, we trust your Excellency will pardon us if we Shew to your Excellency that we have Generally attended the Proprietors meetings and Dont Remember that m^r Batcheller Ever Exersised any othorrety Lawful or unLawful, or that he Ever Voted Except in three or four Instances, some of which we Beg Leave to Shew to your Excellency when the first meeting was Called by a Justice who Moderated Said meeting Some of the Proprietors where Desirious of having said meeting adjorned, but Said Batcheller Voted to have it Go on to Save the Cost of the Justices Coming again—the Second was that M^r Batcheller Voted that the Proprietors Should have Leave to work out there Taxes in Stid of paying the money—the Third was Said Batcheller Voted one hapeney per acre Laid on Each Right for Repairing the Roads, and as to an oppertunity to Chuse another Treasurer & Clerk, your Petitioners suggest that your Petitioners are Fully Convinced that your Excellency will not Interfer in that affair, but Leave them to Chuse there Treasurer and Clerk as Directed by Law—the Present Treasurer and Clerk we have no objections to tho he him Self is not fond of the office and your Petitioners would Beg Leave to Inform your Excellency that y^e Roades are well made for the time Said town has been Settled and that M^r Batcheller Never was Surveyor in the East half of the Town where Said Remonstrance was taken—and your Petitioners Beg Leave to Suggest to your Excellency that they are of opinion that Said Batcheller has Done all he Could to Bring Forward the Settlement of Said Township and what he thought Best, for the Interest of the Proprietors and Settlers, and your petitioners

Imagain that there has been as good Progress made in Settling said Township as any other New Town in the County Notwithstanding Said Batcheller has Laboured under Great Disadvangages on account of his Ill State of helth which Obliged him to Leave the Town one Sumer your Petitioners are Very Sorry that any Disputes Should Happen with Regard to Settling said Township, and are Sorry to make mention of what they Immagain to be the occasion of said Remonstrance, but Justice at this time seems to Require it—we therefore hope your Excellency will not take it a miss if they Inform your Excellency that the Before mentioned Remonstrance was Procured by the Influence and at the Request of Some of Coll. Blanchards Heirs, Because Said Batcheller as Collector had Disposed of Some of there Land at Vandue for payment of there Taxes, after Being Due Several years—your Petitioners therefore Humbly pray that the Settlement and peace of Said Number Six may not be Disturbed by Privet animosetys, and that your Excellency would take the Premises into Consideration, and Do that which your Excellency in your Great wisdom Shall See fit all which is most Humbly Submitted by your Excellencys most Humb. [Masonian Papers, Vol. 7, p. 11.]

To his Excellency John Wentworth Esq^r Cap^t General and Governour in Chieff in and Over his Majesties Province of New Hampshire and Vice admiral of the Same &c—

May it Please Your Excellency I the Subscriber beg Your Excellencys Favour and Clemency while I Relate a Few facts Relating to the affairs of Monadnock N^o 6 Whereas a Petition has bin Presented to Your Excellency against the Proprietors of Said N^o 6 & in Particular Seems to be Mainly Pointed against Ensⁿ Breed Batcheller to Do Justice to the Proprietors and M^r Batchellor I would Inform Your Excellency that I was with M^r Batcheller In Laying Out the township when I Moved into town Was the Seacond family that was in it which is Just Five Years this Month and Believe Kuow as Much as any or More of the affairs of S^d town I think the town is as forward as any & as Good Roads or Better for the time it has bin Setling the Scarcity of Provisions I believe is the Reason that hath hindred Some from Comeing in and Caused Others to Move Out of the town & Not bad Roads as has bin Represented Likewise great Numbers have had Lands Given them and Others have bought in Order to Settle and above Sixty Lots to My Certain Knowledge have Considerable Cleared & Some Others a Little & Many are Preparing now to Move into the town Soon as Possible M^r Batcheller has Sold land to None but Such as Promised him to settle it tho to My Knowledge Many have fel back and he hath Done all that he thought Was best to forward the Settlement of the township & Never sued any that Lived in the town but helped them what he Could to live I Believe No One has Just Reason to Complain of him as Treasurer or Clerk and he Never was & is Not now a Surveyor for the East half of the town where Chief of the Setlers and all the Complainers live if the town was In-

incorporated I believe it would Very Much forward the Settlement of the town and the Gospel in it as it will Put us in a way to Do it as to M^r James Blanchard (the first time I Ever Saw him we Travelling alone) he told Me that he Would Do M^r Batcheller what Ingury he Could if he would Not Give up the Vendue Land, which I think he m^r Bacheller Justly Sold (and he has told Me he would Return on their setling all & Paying Lawful Charge and he has Returned the Land to several) & I believe is the only Reason that he James Blanchard & M^r James Bancroft got those People who I believe were Mostly Innocent to sign against the Incorporation and M^r Batchellor which has a Tendency to Destroy and Hurt the Settlement of Said township and Break Up the Harmony that hath Conspicuously subsisted amongst the setlers but a few that Signed against M^r Batcheller have bin long in the town or Known what has bin Done to forward the settlement of it as I was the Proprietors Moderator at the Meeting last March when Vote Was Obtained to have the town Incorporated & Can Certifie Your Excellency that those People that Signed the Petition against the Incorporation and Proprietors were those that Voted for it M^r Batchellor & Others advised them at the Meeting to think well Over what they Did & told then the Consequence it shews their Unconstancy I beg Leave Humbly to beseech Your Excellencies favour to the Proprietors and Inhabitants as We begin to live and take Courage Much More Might be Said but fear to Incur Your Displeasure and tire Your Patience beg Leave to Subscribe Your Excellencies Most Obedient Most Obliged & Humble serv^t and well wisher

[*Petition of Breed Batchellor, 1773.*]

[*Masonian Papers, Vol. 7, p. 21.*]

May it Please your Excellency.

The many and great favours I have already Reciev'd from your Excellency, and your Excellencys Known desire to have All men Rewarded according to their demerits, And your Excellencys wonted disposition to Investigate the Truth in All matters & more Especially in those that Concerns your Excellency, Emboldens me at this Time to trouble your Excellency with this letter Respecting Number Six. for it Appears to me the Blanchards are Endeavouring by Every Sinister method they Can Invent to destroy my Property and Reputation, for it now Appears that M^r Jaffrey at the Request of Mes^{rs} Blanchard^s, (which I Knew nothing of when I was at Portsmouth last,) had wrote to Major Willard of Keene, the Blanchards near Kinsman and an Inverate Enemy of mine to make a survey of What had been Actually done in N^o 6. I wou'd not be understood by your Excellency, to impeats M^r Jaffrey of any unfair dealing for I dont suppose that M^r Jaffrey Knew any thing of the Affinity before mention'd or Major Willards unfriendlyness to me. In Consequence of which letter Major Willard with M^r James Blanchard and M^r Justice Blodgett to take Depositions Repaired to Number Six while I was with your Excellency at Portsmouth & made such a survey & Report as they thot proper a Copy of Which I have Inclosed to your Excellency & Beg leave to suggest to your Excell^y that this Account was taken Exparte & by Maj Willard Riding thro the Town only as

I am inform'd. They have also taken sundry depositions to prove my unfair dealings with the People that Sign'd the Recantation with Regard to the Remonstrance that was some time since prefer'd to your Excell^y and also some Depositions to prove that y^e Taxes granted by the Proprietors were work'd out on my farm, with Respect to my unfair dealing with the People I Can procure sundry depositions to prove the Contrary from Men of Reputable Characters and I imagine from the People themselves who sign'd the Recantation tho' I have not seen any of them Since my Return. And I Can likewise procure Depositions from Reputable Men to prove that James Blanchard offer'd them large sums of money to pay me what they Respectively owed me so as to Induce them not to sign a Petition in my favour.—and also, I Can procure sundry depositions to prove that when Maj Willard & M^r Blanchard were upon the afores^d Survey Sundry Persons Came to Number Six to purchase Lands of me and in my Absence they Discouraged them telling them that I had no Right to the Lands & that they wou'd all Revert to the Proprietors which Induced them to leave the Town & purchase Elsewhere — And with Regard to the Proprietors money being Expended on my Farm, I beg leave to make this Answer the Witnesses that have deposed in this Particular are Abijah Brown and Nathaniel Breed who have not deposed all they Know but only part, because M^r Blanchard Refused to have any thing wrote Except what wou'd make for him. the Witnesses aforesaid Refused to depose for a long time unless all they had to say with Regard to the Affair Cou'd be wrote, but the Justice told them that unless they would depose as they Requested he wou'd make Report of their Conduct to your Excellency & Rather than be Complained of to your Excellency as Obstinate & bad Inhabitants as they Supposed they should be Represented they were Induced to depose only what they did which will Appear by their Depositions the said Brown & Breed stand ready to make Oath to the Truth of what is above written and also that the Occasion of their working on my land was because they were unable to pay their taxes in money and that out of Pity to them I suffer'd them to pay their Taxes in Labour, for if y^e Taxes had been paid in money, it was to have Come to me to have paid me for my Service in laying out the Town —

I now pray your Excellency to Entertain of me the Same favourable Opinion that your Excell^y Seem'd to manifest when I was at Portsmouth last til I Can have Opportunity to Appear before your Excellency to Exculpate myself of those charges that will probably be laid before Your Excellency, and in the Mean time I will Endeavour to procure two or more disinterested Persons Men of Rep-

utation within the County & Well Known to Your Excell^y to Repair to Number Six take a survey thereof Enquire Concerning the Premisses in Every Particular & Report to your Excell^y as they shall think Right or do anything Else that your Excellency shall direct.—

S^r I am with the greatest Respect
Your Excellency most
Devoted Hum^{le} Servant.

To the Proprietors of Mason patent—These are to Certify That on the twelveth day of november Last Samuel Bloget and m^r James Blanchard Came to the town of Monadnock N^o Six and Said they were Sent by the Gouverneur and the Lords Proprietors to Give my oath with others relating to what I Knew Conserving Monadnock N^o 6, and Ensign Breed Batcheler. But as Esq^r Bloget was a Strainger to me and m^r Blanchard no friend to the town Ship I was not free to Make oath as they produced no authorithy from the Lords Proprietors, but I freely told them what I Knew—But m^r Bloget Said he would make Return to the Gouverneur that I Despised authority and Said that I was Likly that bee Imprisoned or pay a Large fine or Both, I told him I was Ready at his Excellency request to go to Portsmouth and Make oath to what I Knew Relating the affair—But when I inquired of m^r Bloget of his orders that he owned that he Came on m^r Blanchard Desire, But m^r Blanchard Said that the Lords proprietors Sent him, on with m^r Blanchard Set Down and wrote two question the Purport as follows first whether I Ever worked out my Tax or Ever Knew of any others that Did work out their Tax on m^r Batcheller Land, and weather I Ever heard any person Say that they whare uneasy with m^r Batcheller for not filling up the town, or Mention any thing of Petioning to the Lords Proprietors before m^r James Blanchard got the people to Sign a petition of Complent against the propititors of Said N^o 6, and Ensign Batcheller on wich the Said Bloget adminestread to me an ooth to the above Questions to the first

I ansured four Dolars was Due to me from m^r Batcheller for work, which was of Set towards the Taxes that was Due to him for Laying out the town Ship as to the Second Question I ansured according to the Best of my Remembrance I had heard of Sums mentioning of Complaining but by them that Did not intend it as I immagin and I have no Reason to think that any was unesay about it till mowed by m^r Blanchard—M^r Bloget Said the ansewers where Reather yea then nay and So Set them Down yes under the Questions and I Desired Esq^r Bloget to Set the ansewers Down under the Questions as I Gave them he Said he had Minuted them and Should Draw them when he had time

The Same day maj^r willard of Keen Came into the town Ship of Monadnock N^o 6, and he Said that he was requested by the Lords Proprietors to take accounts of the Setlements and the people that were in the town witch Surweay he took Cheafly as he pased by in the Road through the town, and he Refused to go over the forms of Seaveral of the Inhabitants when Desired to my Certain Nolege, and as to those that where at Distance from the Road he Inquired of me and others and Set them Down as he thought fit Sum of them much under what I Judge them to be—also Several persons and houses and Sundry pieces of Land wich there is no mention made to George Juffrey Esq^r in his Return and Several of the persons have been in the town for Seaveral years that is not to be found in maj^r willard Return

further more I was with m^r Batcheller when Sundry of those that had Signed the petition against the proprietors of Monadnock N^o 6, and m^r Batcheller when they Signed a Recentation of what they had before Signed to his Excellency and I never heard m^r Batcheller threten them in the Least but Said that he did not want them to Sign unless they where Convinced that they had Don wrong in Signg Said petition

[*Deposition of James Baneroft.*]

[Masonian Papers, Vol. 7, p. 31.]

I James Baneroft of Monadnock N^o Six Do Testify and Say that I have been Well Knowing to its being the General Complaint from the Settlers in s^t N^o 6 against M^r Breed Batchelor for Carying the major vote & voting the m^o for his own Services & the Road not made & they said they wou'd be Glad to Complain to the Gov^r for Relief if they Could (for this two Years past) & I Requested of M^r Batcheller (who Protended to be the Surveyor) to work out my Taxes on the Roads and m^r Batcheller said (I Sware none of Blanchards men Shall have the liberty but they shall pay the M^o & I will Make the Roads my Self) & I paid my Taxes ☿ James Blanchard) and Sometime in Octo^r Last M^r Batcheller Came to me and said I had Signed a Paper Contrary to Law and the Proprietors had a Good Right to Send for any one y^t had signed & Take them Singularly & make them pay the Cost & it wou'd Cost them a Great Deal; & if the People woud Recant & Sign he woud Give them a Barrel of rum & I was well Knowing to its being Generally said that the Settlers Were Threatened by m^r Batchellor and that was the Reason they Signed the Recantation & I have been Will Knowing to all the Work Done on the Road & I am very Certain that it has not Cost £12.. 0.. L^l M^o at a Reasonable Rate for Laying out and Clearing all the Roads in the South East Quarter and I heard (W^m Follet Say) M^r Batchellor Requested him to Make Oath that the Day he Signed the Recantation he m^r Batchellor Did not Threatten him but that M^r Batchellor had before said that Unless he

may it pleas your Honour & the Gentlemen of masons Grant. the Last time I had the Pleasure of Being in your Company was not Long Sense. which was when I was making my Defence against m^r Blanchard In Regard of the Complaint against the Proprietors of monadnock N^o 6, and my Self—for not fullfilling the Conditions of Settlement as was Reperented by m^r Blanchard.—and Knowing that your Desire is to have all men Rewarded according to there Demerit and your Honours wonted Disposition to Investigate the truth in all matters and more Especcally in those that Conserns your Honour and the Gentlemen of masons Proprietors—Emboldens me at this time to Trouble your Honour and the Proprietors afore said with this Letter Respecting monadnock N^o 6, for it appears to me the Blanchards are Endeavoring by Every sinister methord they Can Invent to Destroy

my Property and Reputation for it appears now that m^r Jaffrey at the Request of mes^{rs} Blanchards which I knew nothing of to be Certain when I was at Portsmouth had wrote to maj^r willard of Keene the Blanchards Near Kinsman and an Inverate Enemy of mine to make a survey of what had been actually Done in N^o 6. I would not be understood by your Honour and the Gentlemen of masons Patent to Impeach m^r Jaffrey of any unfair Dealings for I Dont Suppose that m^r Jaffrey Knew any thing of the affinity before mentioned or maj^r willards unfriendlyness to me —

In Consequence of which Letter maj^r willard with m^r James Blanchard and m^r Justice Blodget to Take Depositions Repared to N^o 6 while I was at Portsmouth and made such a Survey and Report as they Thought Proper. which Depositions taken by m^r Justice Blodget and maj^r willards Return of the Settlements of Said N^o 6. I Sopose you have Received before now. which S^{rs} I think was Very ungenerous in taking it in my absence in the form they Proceeded—I have here Inclosed Sundry Depositions to Shew the Proseedings of m^r Justice Blodget maj^r willard & m^r Blanchard on the affair above mentioned. I therefore Humbly pray that your Honour and the Gentlemen afores^d would take the Depositions on the affair into your wise Consideration—and When you have Vewed them with maj^r willards Return I Doubt not but your Honour & Gentlemen will think with me that there Proseedings are Errrigular—and that the Survey of No. 6, is not taken as it ought to have been taken, and the Depositions Shews m^r Blanchards Spite and malice on the affair—and Likewise m^r Justice Blodgets New Fashioned way of Takeing Depositions I therefore now pray your Honour & the Gentlemen afore said, that the affairs of s^d Number Six may be put of till the Spring of the year, as it is to Late for a Committee Properly to take a Survey of N^o 6, this wenter and then I will Endeavor to Procure two or more Desinterested Persons men of Reputation Viz, maj^r Benj^a Bellows of walpole and Leiu^t Benj^a Hoit Representitive for Keene, or any other that you Shall Judge Proper to Repare to N^o 6, take a Survey thereof Inquireing Concerning the Premises in Every Particular, and Report to your Honour and the Gentlemen aforesaid as they Shall think Right, or Do any thing Else that your Honour Shall Direct.

m^r Blanchard has Reported that he will Return the Right of Sampson French Delinquent and Git a Grant to him Self of S^d Right—I would Beg the Favor of your Honour and the Gentleme afore Said that there may not be any Grant made of it to him—for the Greater part of S^d Right is my Property by Deed—

I therefore Humbly pray that your Honour would be So Kind as to Lay this Letter with the Depositions before the Gentlemen Proprietors, at your Next meeting—

which Kindness I Shall Esteem as a Great Favor
 S^r I am with the Greatest your Honours most Devoted Humb.

Boston Nov^r 24th 1759—

Genⁿ

We Receiv'd yours of the 29th Septem^r but Yesterday, About James Calwells forfeitd Rights in New Boston, by which find he has Impos'd on you, as he has on us, by false Misrepresentations from time to time & only trifled with us all to Avoid the forfeiture of his Lands, which in Justice Should been two, for want of Duty done on both which Misrepresentations we have and Can Confront him in being well know'n to all the Inhabitance, there, who thought us too favourable in the Affair & was his own fault and owing to his Negligence as having always Notice years before by which might prevented it.—

We have proceeded in every Step Agreeable to Law and our Charter—and Blam'd by the Inhabitance for Shew^s too much Lenity. After 2 or 3 years time, for Returning the Duty done on Each Lot, we Advertised and Chose a Committee—Viz^t John Hill & Rob^t Boyce Esq^{rs} Rob^t Jenkins & Tho^s Cochran who proceeded over Each Lot throughout the Town, A Twell Month After: given Notice for their view, (In order for the Accomplishment of Duty omitt^d on the view, found Calwell had 3 Rights in the 45 to perform Duty of Settlement, one of which found Agreeable, the other two nothing preform'd Except one or Two Acres of Trees Cut Down and there Lay without Houses Built or any other Improvement at all, Accordingly on the Return we forfeitd only one in full Meeting, who Insisted on both but through Lenity we gave Six Months Longer to Compleat them and Stade near 12 Months after, Still found nothing done, then we Advertis'd at sundry times the forfeitd Lots & Numbers to be Sold, which a Considerable time After Sold at Vandue to the highest bidder with some others to the Satisfaction of the Inhabitance for the Benifet of the whole Consern'd—

He pretended by Selling John Cassen a Right in the New Addision some Years ago which he now Lives on, by which one of his Lotts was to Answer, the Duty done and Said he Sold it and Agreed it Accordingly, on which we pointed it and Agreed to Refer it to Cassen an be Govern'd by the Bargin made with him and Likewise Leave it to M^r Atkenson and the Proprietors, on Cassens Appearance he Declar'd there was nothing in it, but bought it of him at a high Price without any taulk thought or Agreement of Covering any Lott but what then bou^t which he now Lives on, by which may perceive his Trifeling on all Sides So Genⁿ as we have no Sinister Views, but to Act for the good of the whole, As your Interest is Equally Consern'd

—hope you wont Interfear, If you Should It might Lead Us into many Illconvenances so as to Discourage in our Duty—As to what is Done is to the Satisfaction of the present Settlers, whom in Generall we meet a few weeks ago in Chelmsford and all Agreeable & mostly Condem'nd Calwells proceedings as Acting only with a View of Stockjobing y^e Land and thought both Lotts Should have been forfeited as all Three belongs to the 45 to be Returnd—

We Shall forward the Settlement as fast as Possible & Agreed to Build a Meeting House and Cut Conveanant Roads through all Parts of The Town which will Make it very Valueable Soon & may Depend Shall not be wanting in our Duty to forward it, though with much time & Trouble on Us from the begining, the Lott Cant be Recall'd as farely Sold with Others and Recorded, and warranted by the Proprietors to be made good, M^r Boyce Cochran & many others Can Inform more Particulars, which we now Omit & Air—

S^r I Greatfully Acknowledg Your favour of the tenth Instant it Gave me Great satisfaction to find my Grant of Hillbrough to be five year before the Vote Impowering Col^o Blanchard to Make the Grant to Baldwin of the farm I mentioned—S^r please to present my Complents to the Gentlemen proprietors of Masons Clame—I think it my Duty to Inform them—that some time ago as I was Journeing to New Boston I man unknown to me stopt me on the Road and told me he had a mind to Go & Setle on some of the Lands between New Boston & Hillbrough he ask;d my advice if he did wither they Could amove him or put him to trouble—I advised him by No means to do it, If he did he would sertanly bring himself into Difecultys—since which about a week ago one of the setlers of Hillbrough was at my House in Boston and Told me one Garret Rowen of New-Boston had Cutt the Medows that Lie;s between New-Boston & Hillbrough that my setleres had Cutt Several times before and was a great servis to them in there first going on—

when they Inquired of him the said Rowen upon what Account he Cut them—he told them he had got a grant of five hundred Acres of s^d Land from the proprietors by my means & my Recommending him to the Gentlemen—which they must be sensible is Absolutly false—for I Never say the said Rowen in my life to my Knowledg Except he be the man I mentioned above that mett me on the Road—as the above affare of Rowen Semes to be fall;s and without foundation—and as the said Meddows will be servisable to the setlers of Hillbrough in there first settlement until there Lands are more bro;t to English grass—I Humble begg the favour of the Gentlemen Proprietors if they have not allready made a grant of s^d Medows—that they would make me a grant of Said medows—for the Use of the setlers of Hillbrough and for the more forwarding the Settlement—until they otherways dispose of them or Improve them for there own Use and as in duty bound shall Ever pray

S^r please to present this to the Gentlemen proprietors—and you; Greatly Oblige Your Very Humble Servent

[*Plan of New Boston and Addition.*][*Proprietors' Reservations in Addition, 1772.*]

[Masonian Papers, Vol. 7, p. 52.]

Amherst New Hampshire September 9th 1772

We the Subscribers, comt^{ee} for the management of the prudential affairs of New Boston, mett this day, and as the grantors, Viz^t the proprietors of Masons clame, have not as yet had there reservation of a quarter part of the new addition land of New Boston set of to them; We have, and do sett of to the said Grantors the following Lots, Viz^t Lot N^o two, Lot N^o five, Lot N^o fourteen, Lot N^o seyenteen, each containing one hundred Acres, as laid out, and may be seen on the Plan of said Town. Allso N^o one, N^o two, N^o three, and N^o four, being the farm that lieth in the south west corner of the said new addition; being one hundred Acres each, which contains the whole of said farm. Allso N^o five, N^o six, N^o seven, N^o eight, each of said Lots containing one hundred and seven Acres, and three fourths of an Acre, which lieth in, and is contained in the farm, and is one quarter of said

farms lying in the south east corner of the said additional Land, as laid out in the Plan of said town. Also N^o nine, N^o ten, N^o eleven, containing one hundred Acres each; and N^o twelve containing fifty Acres, as by the Plan herewith inclosed. This whole plan, as it is laid out by M^r Clarke, the surveyor, contains twelve Acres more, than three hundred and fifty Acres. And as you will draw Lots for them, each proprietor has his chance for the Lots, be the same more or less. Perhaps the Grantors may conjecter there may be some design, that the Lot N^o six which was one of the Lots, that was agreed for, the reservation was not in this return, the reason is, it was unknown to John Hill Esq^r when he agreed that, to be one of the Lots. He did not then know that it was set of to the Minister of the town, the Rev^d M^r Moor, for his part of the addition land. And the hundred Acres, now contained in the Plan, in the room of N^o six, is much better than that, as M^r Clarke the surveyor will acquaint you.

Gentlemen. We the Com^{tee} have undertakin to do this, without calling the proprietors together, for these reasons. first, it would have been attended with considerable trouble and expence; and if they had met, & we could not have got a vote, as is possible, by reason of diferant Minds you must have had your remedy in the Law: which would have been expensive to both. And as the Com^{tee} have now laid them out and you take possession; Nobody can ever disturb you. Besides wee think that sufficient power lyeth with the committee to do what we have done.

To the Hon^{ble} the Proprietors of Mason's Patent

That some time in the Year 1755 Your Memorialists obt^d a Grant under said Patent of a Township in Menadnoc N^o 9. known by the name of Hereford under certain Limitations & reservations which by reason of the War in the first part of the time, & the Inaccessibility of Roads in the Latter Your Memorialists have not hitherto been able to comply with, and conclude the said Grant forfeited.

Note. The reason why it took 3 days to run this land was; we had to run and measure other lots, before we could find the right corners, besides we had some interruption by foul weather.

Note. 2nd. The Chainmen's bill will be 6 dollars, that is 3 dollars each, and the bill of the axe man or spotter will, I suppose, be 3 dollars also, that being the customary price in such cases.

Note 3rd. Samuel Wille Esq. was with us the greater part of the time; he also found me, and part of the rest of the company, while engaged in the business.

Sir

Doubless you remember the frequent Applications I have made to the Proprietors for the Hundred Acre Lot numberd One adjoining Tuftonborough which Lot I had engaged (If obtaind) to the Bearer M^r Joseph Garland, who is a steady Young Man, & is likely to make a good Settler—I was the more earnest to obtain that Lot for him because he had fancied that Lot & no other on Account of an old Neighbour, & I was unwilling that he should leave the Place—The Lot is no more than midling for Quality—the Bearer has assisted M^r Hersey in his Surveys 5 or 6 Weeks this Spring exclusive of his Labour last Fall—& I suppose will ever stand ready for your Service—any Favour the Proprietors may shew him in the Sale of that Lot, I dare venture to engage a Suitable Conduct on his part—

You likewise Sir no Doubt remember that I have often mentiond the Case of Cap^t Brown to the Prop^{rs} but I woud once more beg Leave to mention that Matter—He at first ventured to lay out a large Interest in the Town without any Encouragent of the Proprietors, & what has been unfortunate for him he has not got upon the first Rate Land—however his Enterprising Genius has overcome the many Obstacles in his Way—his Proficiency in Clearing Land has been great for the Time & his Buildings are large & commodious, & carried on through almost every Inconveniency—& he has ever through great Expence kept best Entertainment for Travellers—he still Labours under great Discouragements; the Low Circumstances of the Settlers round him often call for his Assistance which he readily affords he has Two Mills upon his own Bottom now in Building—& in short the Business he carries on there give Life & Spring to the Settlements of the Place & will still greatly tend to promote the Interest of the Propriety—& give me Leave Sir to add that his whole Conduct is

worthy the Notice of the Propriet^r & any Favours they may shew him I humbly conceive woud be for the Interest of the Town—

I am Sir Your most Ob^t hble S^t

The bearer M^r Samuel Hide has some claim to a Settling lot in ossipee part of Number five which Munsey first undertook to fulfil and says that he has a family on it and in other Respects has complied with the usual terms Required & that no person has any claim to it except one Garlands who has felld about one Acre & half trees on it which he is ready to pay him for, If these things are all true and you will certify it in a Letter under your hand, It's my opinion the Committee will give him a Deed without further trouble—

Your Hum^l Serv
John Peirce

We are of opinion and agree that M^r Hide or any Person holding under him may have the one hundred Acres within mentioned laying

in the following manner being at the southerly corner of N° 12 and bounding on s¹ Lot one hundred Rods and laying one hundred and Sixty Rods bounding on Lot N° Six instead of the form & manner in which said Lot was to lay by an Agreement with Solomon Munsey as specified in said Munseys bond, Provided General Whipple who owns the residue of Lot Number five should not object to this alteration But if it should not be agreeable to him in that Case M^r Hide must take it as originally designed by Munsey—Not intending by this writing to authorise Samuel Hide to hold this Lot on other or stronger terms than he has already a right to by General Whipples Letter to John Dudley

John Penhallow
John Peirce

It is also to be understood that the land to be laid out must cover the improvements already maid one said Sittling Lot by Munsey or any other person under him—and that the Bond given by the Committee to Munsey must first be returned before a Deed can be given—

Years Since they Settled upon a Tract of Land under the right of Suncoke lying on the Eastward Side of Merrimack River in the whole not Exceeding three hundred & twenty Acres & have made Considerable Improvements there—That Lately the Proprietors of Chester have Sued Your Petitioners & have Extended their bounds much as your Petit^{ors} Conceive to Comprehend the said Settlements within the Township of Chester But as they have run the Lines even giving Large Measure the Seven Miles from the head of Exeter Bounds mentiond in the Charter of Chester falls Short of the old Markd Line which runs Westward to the river afores^d fifty Eight rods, whereby they leave a Strip of Land of that width all the way to the river. That the Said Suit is now Depending & if they the Pla^{ts} prevail they will take away your Petitioners Improvements afores^d & all y^e buildings and so gain the whole Substance of your Petitioners which they think hard of because the Proprietors of Chester knew of their Settling there never Claim'd the Land but on y^e Contrary Some of them have often Said they did not think they were within Said Township—

To their Hon^{ts} Lord Proprietors In Portsmouth & Elsewhere

The Petition of the Inhabitents & settlers of Petersborough; Humbly Sheweth. That being obliged to address y^r Hon^{ts} hitherto, Shewing our desire to make Application to you for ratifying some mistakes & fears from our Proprietors with respect to the fatigue, we have had in settling here, least a part of our Labours Should be lost; & our Title to a small Inheritance or settlem^t frustrated. Further the obligation they required of us upon reception of the Deeds they have given; occasions our suspicion of their Treatment to us so much the more as may be seen under their hands.

And as to our Encouragment at the beginning we were to have Sixty Settlers Twenty four of which was to have, one hundred & fifty acres, fifty of a Home Lott & one hundred out, & the rest one hundred, lying together and a min^{ts} Lot, a school Lott, & a Personage, & they also to pay to the first Settled Miu^r Two hundred Pounds £ annum, for four years.

Now with the Premisses, be further Inform'd, that notwithstanding, we Several times address'd our Grantees for Deeds, we never could obtain them, & when we did, that is, some that took them, were not Satisfy'd with them because of their lameness & insufficiency, as we suppos'd.

Further being Inform'd by a Copy of their Grant, that they had not perform'd their Conditions themselves, we scrupled them so much the more; Especially when so much is Conveyed away, as fourteen hundred Acres Quantity & Quality to be drawn in Equal draughts to one mon, & no mention where it lyes, that we know not, but it

may be Some of ours; that we have toil'd very much for. Not to be Tedious to yo^r Hon^{rs} we leave these & all our other Grievances not mention'd to be by our Committee Elected for that Purpose to yo^r Hon^{rs} serious Consideration and yo^r Petitioners as bound in duty shall ever Pray.

[*Petition of Hale and Bridges, 1759.*]

[Masonian Papers, Vol. 7, p. 147.]

To the Gentlemen Proprietors of Lands purchased of John Tufton Mason Esq^r in the Province of New Hampshire—

The Memorial of John Hale & Moody Bridges Agents for the Proprietors of a Township Called Rowly Cannada Humbly Sheweth

That A. D. 1738 The great & General Court of his Majesty's Province of the Massachusetts Bay in New England made a Grant of a Tract of Land of the Contents of Six Miles Square to Cap^t John Tyler Joseph Pike & others Officers & Soldiers in the Expedition to Cannada A D 1690 Lying Scituate to the Southward of Grand monadnock Mountain as a Gratuity for their Service in s^d Expedition

That before the time Limmited by s^d Court for the Settlement of s^d Township was Expired s^d proprietors began to bring forwards Settlements Pursuant to Court Act but were Retarded by the Commencement of a War with the French & Indians & as Soon as the War was Over they Entred upon the premises Again & were at Great Labour & Expencc in Clearing Roads Building of Mills & Dwelling Houses & in bringing forward Settlements to the Amount of Forty pounds Sterling to those who brought forward Settlements & to the Delinquents the Taxes Amounted to upwards of Ten pounds Sterling

That A. D. 1749 The Hon^{ble} Joseph Blanchard Esq^r Signified to our proprietors That s^d Township was Claimed by the afores^d proprietors of the Lands purchased of the s^d John Tufton Mason Esq^r & Desired a Conference with our prop^{rs} in the affair which was Comply'd with by way of Com^{tee} who Reported that if the prop^{rs} of Rowly Cannada would measure from the Sea Sixty Miles west & Should find that Rowly Cannada Lay to the west of the Sixty Miles End he the s^d Joseph Blanchard Esq^r had no pretentions to s^d Township which line being measured as Afores^d Did not go into s^d Township So as to take off any Considerable part thereof but would only take off a Gore at one Coner of the Township which was So Trifeling that the prop^{rs} were willing to Relinquish & Disclaim it provided they Could Enjoy the rest of the Township peaceably & Acquainted Col^o Blanchard Accordingly & So Rested Easie not Expecting any further trouble or Difficulty. But So it was s^d Township was Granted by Col^o Blanchard to People who were not of the prop^{rs} of s^d Rowly Cannada Neither had we an offer of takeing the Township Under the afores^d Prop^{rs} of Masons Patent after s^d Com^{tee} had Treated with Col^o Blanchard & Reported as afores^d—

That Soon After Col^o Blanchard made the Afores^d Grant An

Action was Commenced by one of the prop^{rs} of s^d New Grant Against one of our Settlers in s^d Rowly Cannada in which Action Judgment went Against us & Execution Terminated in the Imprisonment of s^d proprietor which put a Stop to the Settlement of Rowly Cannada and it hath not been in our power to Recover any Consideration of the New Grantees For our Labour in bringing forward Settlements as afores^d. But they begin to Enter into the Houses we have built & Improve the Lands we have Clear'd Notwithstanding they Neglected Settling till years after the Time Limitted for Settling was Expired which Circumstance of their Neglect we would beg Leave to take Encouragement from—

Therefore Gentlemen we Now lay our Selves at your Clemency & Justice Praying that you would take our Case & Circumstances into your wise Consideration & Let us have a Grant or Charter of Monadnock Number one (Seeing it Now Reverts to you) Agreeable to the Grant thereof made by Col^o Blanchard Afores^d That So we may Enjoy the Benefit of our Labour as Also what Seems Dearer to us the Gratuity intended as a Reward for the Services our Ancestors Did in Defence of our Country A. D. 1690 And may it please the Gentlement Proprietors of s^d Patent your Memorialists as in Duty Bound Shall Ever Pray—

[*Petition of John Hale, 1766.*]

[Masonian Papers, Vol. 7, p. 148.]

To the Honourable Theodore Atkinson Esq^r And Others Grantees to John Tuften Mason Esq^r

Whereas Your Memorialist about 24 Years ago Purchas'd of Nath^l Fellows of Portsmouth a Proprietors Share in the Township called Rowley Canada Granted 1738 by the Prov^{ce} of the Massachusetts Bay To Joseph Pike and others—And Entred upon it Built a House and Cleared about 30 or 40 Acres of the Land and Paid the Taxes on it And possess'd it for Some Years Not Doubting but he had a Legal Title to Said Lands and that on your Extending M^r Masons Claim to those Lands he gave them up whereby He Suffered Great Loss Having Expended more then An Hundred Pounds Lawful Money on

them: And others Under Your Grant Rec^d the Benefit of his Cost & Labours He Therefore Prays Gent: that you^l take the matter under Consideration (his Loss and Interest on it Amounting to More then Two Hundred Pounds Lawfull money) And According to your wonted Goodness make him a Grant of Some Tract of your Lands forfeited for not Settling according to Grant in a place called the middle menadnick N^o 2 or Else where or Grant him a Propriety in Some Lands who by Your Clemency may in Some measure have And obtain for his Great Loss—and as in Duty Bound Ever Pray

[*Petition of Richard Peabody, 1767.*]

[Masonian Papers, Vol. 7, p. 149.]

To the Honourable Theodore Atkinson Esq^r and others Grantees to John Tuften Mason Esq^r

The Memorial of Richard Peabody of Boxford in the Province of the Massachusetts Bay Humbly Sheweth

Whereas Your Memorialist was formerly a Grantee in a tract of Land Granted by the Province of the Massachusetts Bay Called Rowley Canada And had 2 Contiguous 80 Acre Lotts in it by allotment and purchase of which he has had the Quiet possession for more then 20 Years And has made large improvements on it by clearing More then 60 Acres of the Land and by Building a Good House And Barn on it—

Which Land on Settlement of the Province Line fell within the Province of New Hampshire and Masons Grant: and at the Laying out the Menadnocks N^o 1 and N^o 2 fell within the Grants of those Towns—

Your Memorialist further Shews that he has purchased part of his Said Lotts of a Proprietor of Said N^o 1 and the remainder of them is Contained in a Lott of Land of 100 Acres Allotted for the Ministry in Said N^o 2—And that Considering the great costs he had been at on Said 100 Acres he has often apply'd to the Proprietors of said N^o 2 to take other lands for the Ministry in lieu of Said 100 Acres And let him enjoy his Improvements on it, who gave him Encouragem^t they would do it but have Since Utterly refused—Gent: You may remember your letter to them Some time Since which was faithfully Delivered—They called a Meeting to take the Exchange of Lands under Consideration Agreeable to your Proposal but would Not at the Meeting make the Exchanges—Your Memorialist therefore Prays that You^l take the matter Under Consideration And According to Your wonted

clemency, and the Encouragem^t he had when last with you Provide that he may be Secured in his Possession of said Lands by Exchange or otherwise or grant him relief Some other way And he as in duty bound will Ever Pray

[*Petition of Inhabitants, 1754.*]

[Masonian Papers, Vol. 7, p. 158.]

To the Hon^{ble} Theodore Atkinson Esq & Associates in the purchase of Masons Right (so Calld)

The Petition of the Grantees of that tract of Land Granted to the Hon^{ble} Maj^r Stevens & Associates, Now Called Stevens Town Humbly shews :

Whereas your Hon^{rs} Grant to Us was on Terms & Conditions and Limitations; & among others this (viz) : That in Case any of the Grantees shall Neglect fail or omit to make & perfect the Settlement according to the Terms & Conditions of the Grant, that then every such share to be forfeited to the Grantors, Now we Humbly pray that your Hon^{rs} will be pleas'd to Invest the Grantees with power & authority to Dispose of the shares of such Delinquents which we Humbly Conceive would Conduce more to the Settlement of s^d Tract of Land, than as it now stands, for—

1st Your Hon^{rs} Interest is now in s^d Tract of Land so Connected together with the Grantees that the One Cannot be sought without the other & so the Grantees Cannot seek their own Interest in this Case separate & distinct from the Grantors, And if the Grantees have power to Dispose of such Rights or shares, by their Majority voting, then that would save the Grantees A great deal of Trouble & Cost in Coming to Portsmouth, and also save your Hon^{rs} the trouble of hearing us, and disposing of the Rights, And further

As the Case now Stands If any person shall fail tho but in a small Article there is but one decree for him (viz^t) then his whole Right Must be forfeited, whereas if it were in the power of the Grantees then at their Discretion, the Right might be disposed of Either the whole or in part according to the Deficiency of the Grantee or owner, again

The Grantees Liveing in the Country have a greater advantage of Judging who is Likely to settle, and so would do their utmost in all such Disposals to sell such shares or parts thereof to such persons as would be Likely to Settle, And so we Humbly submit this Case to your Hon^{rs} Consideration praying that we may be heard & answerd— and this we Humbly Apprehend would greatly promote the settlement and so we are sincerely desirous of promoting the same under, and with your Hon^{rs}

at the adjournment the above Committee made a Report to the Meeting which is as follows (Viz) This may Certify the Gentlemen Proprietors of Salisbury that Col.l Gerrish Came to us with a Power of attourney that we Esteem Sufficient to settle the Bounderies at the western End of the Township of Salisbury and as it appeareth to us that there is a mistake in the Grantors in the Charters of Salisbury and Andover Interfering one upon the other and also a mistake in the Grantees in Laying out their Lots beyond the Limits of Nine Miles from Meremack River, we think it best to Give up our Claims to the Land North of the Seventeen Degrees upon the North side upon their Confirming to us as far westerly as to take in all our Lands that is Lotted which we have Encouragement from s^d Gerrish upon a straight line

Province of } Portsmouth November 29th 1763 Tuesday five

Stoodly Innholder the Proprietors meet according to Adjournment—

Whereas the Grantees of that Tract of Land Granted by said Proprietors to John Sandborn & others on the 31st day of December 1748, have Represented that by the Charter, or vote made to them of said Tract the rights of such of the Grantees as shoud neglect to do their Duty with Regard to carrying on the Settlement agreeable to said Charter or Grant is forfeited to the said Proprietors or Grantors, which is found to be very Inconvenient for by the Death of many of the Grantees their Respective Shares, are Claim'd by many Coheirs who will Seldom agree to pay their Proportion of the Charge & Sometimes Minors by that means are Interested who Cannot & Guardians will not pay the same which much retards the Settlement, And Whereas by Reason of the Late War the said Tract of Land is not yet Settled according to the Terms of said Grant but the Grantees are now proceeding with considerable Expedition, and as the Granting of said forfeitures to the other Grantees, would much Expedite the said Settlement, therefore they Earnestly Requested the said Proprietors to Grant to them the said Grantees all of such forfeited Rights as are already Incurd, & Likewise all such of them as shall hereafter be forfeited & as the said Proprietors, have in many Instances by the Original Grant given such forfeited Rights to the other Grantees, which is found by experience best to answer the Design of the said

Agreement I made with Maj^r Folsom, I suppose, theres no Necessity of my being present, if it shou'd I beg the Meeting may be adjourn'd, again, for a Week or as long as may best suit the proprietors, which Time I will endeavour to attend—As for my Part I am very willing & content, that Sandwich Line shou'd be confirmed agreeable to my Agreement with them, provided that Masons Proprietors make an Allowance to me agreeable to their Promise, & am Gentlemen y^r most Obedient &

[Masonian Papers, Vol. 7, p. 174.]

Province of) To the Proprietors of Mason's Patent (So
New Hampshire) called) in said Province—

Humbly Shews Nathaniel Folsom of Exeter in said Province Esq^r Agent for the Proprietors of Sandwich in said Province, That, a Grant of said Sandwich from his Majesty Some Years past, was made to Your Petitioner and others (as by their Charter appears) That, they have caus'd Said Sandwich to be laid out, allotted and Settled more than twenty families thereon; who have made large Improvements (presuming that said Grant did not interfere with said Patent) But by a more accurate Survey of the Curve Line of said Patent than was heretofore done, lately made by Robert Flesher Esq^r and others a Plan whereof has been return'd; it appears by comparing the Same with Your Petit^{rs} former Grant, that a considerable Part of said Sandwich falls within Said Patent and that the King was deceiv'd In his said Grant. Your Petitioner therefore in behalf of the Proprietors of Sandwich aforesaid Humby prays that they may be quieted in their Possessions in Consideration of the Industry and Expencc in improving said Land And that a Grant of all that Part of Said Sandwich included within said Patent, (agreable to the Lines that have lately Settled between Said Sandwich and Moultonborough) may be made by your Propriet^{rs} to Your Petitioner and others, upon Such Terms & Conditions of Settlement as you have usually done, but without any Reservation of Land And Your Petitioner as in Duty bound shall ever pray &c—

Joseph Frye Junior.

N. B—Where you see the lines between drawn whole, there is

allowance of land for a Road four rods wide; likiwise there is allowance of land for a Road up and down the River on each side where it may be found most convenient thro' the Lots—

SOCIETY LAND.

[This tract of land originally comprised all the territory now included in the towns of Deering, Antrim, Hancock, Bennington, Francestown, and the north part of Greenfield. The name probably arose from the fact that this territory was not granted in townships, but was reserved and divided equally among the members of the "society" or syndicate of proprietors of the Masonian Patent. The name *Cumberland* was also sometimes applied to it.

Francestown was the first town in the Society Land district to be incorporated. This was done June 8, 1772, and New Boston Addition was included within its lines. Then followed Deering, Jan. 17, 1774; Antrim, March 22, 1777; and Hancock, Nov. 5, 1779. These towns covered the entire tract except a small piece in the southern part, and this was combined with Lyndeborough Gore and enough of Peterborough and Lyndeborough to make a small township, and incorporated as Greenfield June 15, 1791. Bennington was composed of parts of Greenfield, Francestown, Deering, and Hancock, and was incorporated Dec. 15, 1842. It lies nearly in the centre of the original Society Land.]

Honored Sr—

After Compliments &c.—At the Request of y^e Grantees of Manadnock N^o: 7 We Set out for this place y^e 25th of July Last To View y^e Situation and Circumstances of y^e Settlements & Roads in this Town. & to Examin into y^e Necessity & Conveniancy of Laying out any more or Further Roads here for the Benefit of the publick. Notwithstanding y^e Extreem Heat We arived on y^e 26th aplyed Closly to Business vewed the New Road that We Laid out Last fall from the Great Road In Limrick Called King Street (which We then Laid) through the South Easter Corner of Limrick and in the Land Called Society Lands around the Great and Dificult mountain Called Roleston mountain and found the Same to be an Excellent Road When

Compared With that that Went over the Top of s^d Mountain & also found that Mitchel whom We Hired to Cut s^d Road had Cleared the Same much Better then We Expected, We accepted Said Road & paid mitchel to Content for his Cleareing S^d Road (found that he had acted upon Honer therein) beleve that about Forty or Fifty Dollars more Laid out In Bridging and Causseing S^d Road Will make it an Excellent Traveling Road and Will Remove the Great Difficulty of the Grand Role Stone Intirely out of Sight, whose Height Seemed almost to Reach the Clouds & hath been a Great Imbarrismment to y^e Settlements whose Inhabitants was obliged (as our Roads Lay Before We Serched out & Cut this New Road) To ascend With panting & Descend with Trembling the Mighty Loft of Roleston Which hath been Constantly asserted Could not be avoided. We have also viewed the Road by us Laid out In September Last from the Center of Manadnock N^o: 7 Towards Keen Which S^d Road Leads out Near the South West Corner of N^o: 7: & Extends through the North Westerly part of N^o: 6: & through part of Gilsom & thenc to Keen and is an Exceeding Good Road & Runs through a Tract of Excellant Good Land We have Caused the Same to be Exceeding Well Cut till it Comes to y^e South Borders of our s^d Town. We aplied to y^e Inhabitants of N^o: 6 to be So Kind as to open that part of s^d Road that Leads through s^d N^o: 6: but Without Success! Have therefore Contracted With M^r Jos: Dodge one of our Settler to Cut y^e Same through S^d N^o: 6: at y^e Expencc of y^e Grantees of N^o 7. As We have been always Generously Leading the Way In opening & Clearing Roads in this Wilderness for the publick Utility We Resolved Not to Springe in So Noble a Work—: & as the Same Was Left With us to manage & Determin for S^d Grantees. We aplied to y^e Inhabitants of Gilson & Keen To open a Road through their Respective Town In y^e Best Way and Maner for the Good of the publick til it Cums to y^e Great Road that Leads to y^e Center of Keen & they Generously promis to meet With us With pleasure In the best Way and maner Imagineing That it Will be a Great Road & that it Will be Greatly Servicible to y^e publick. We also Laid out a Road from the Northerly part of s^d Limrick (viz) from the Road Called Marlow Road to s^d Road that Lead to Keen Which S^d Road Extends about Two miles Through a Beautyfull Tract of Land in S^d Limrick Which s^d Last mentioned Road We Called Beautifull Street & have Contracted With m^r Dodge to Cleare the same in the Best Way and maner at y^e Cost of s^d Grantees: Which s^d street Will Greatly accomidate Camden and Marlow & all to y^e Northward as Well as our own Inhabitants.—We have the Roads (tho at Great Expencc) So Well Calculated and Cut that Invy it Selfe must Stop her mouth & one that We have out Strip all

that have Gone before us in the new plantations In Cleareing Roads for the Good of the publick: The Inhabitants of Keen and Gillsom Rejoyce in our progress and prospect of prosperity:—Some of our Neighbors Envy us and are Constantly Spreading Evil Repors & Say that y^e Grantors are Determined to oust us & have promist the Town to others &c. And by that means have Discouraged many: But Notwithstanding the adversarys Craft We find We have the following Settlers now In the Town & are at Labour In Bringing forward Settlements therein: (excepting Some that are Gon out of Town for provisions Which are Returning without Delay): as Follows (viz) James Mitchel on the 3^d Lot in the 5th Range With his Wife and family—

S^r/ I intended before this time to have waited on The Gent^l the
Prop^{rs} of masons Right to 'ave Given an acc^t of the actual Settlements
of the Grantees in Monad^k N^o 7—an unlucky accident has hap-

Your Lordships, & give an honest acc^t (& which will be) of a very
Considerable improvement in that Town—

You'll please to make my Compliments to y^e Prop^{rs}; and Let them know that at my own Expence and Agreeable to my promise made to them I have Caused the Eastern Boundaries of that Town to be made certain (saving small matter) which Cannot be Completed at this season of the Year by reason of the water, which the Surveyor made known to me in August last—You may depend upon my hon^r that the same shall be perfected as soon as possible I am with my Compliments to Your Lady (S^r) Your very Humb^l Serv^t—

To the Hono^{ble} Theodore Atkinson Esq^r and the rest of the Noble Grantors of y^e Masonian Lands in his Majestys Province of New Hampshire Greeting

The Memorial of Ephraim Butterfield of Wilton in the Province afores^d humbly Sheweth That your Memorialist in the Year 1768 Undertook to Settle Two Lots of Land in a Township called Monadnock N^o 7. One under Sam^l Stevens of Chelmsford one of the original Grantees of s^d N^o 7 And one under Sam^l Stevens Jun^r and proceeded to do the Duty of Settlement on the Premises. But after Two Years when I had made considerable Improvement I requested a Title to the Lands but was refused and the Land taken from Me, together with my Labour under Pretence that I did not proceed fast enough in the Settlement, (which I leave to the better Information of M^r Jn^o Tagart by whom I Send.). And altho. they dealt So hardly with me, yet the Settlement of s^d Township is neglected, greatly to the Discouragement & Damage of the Settlers, who are but about 11 or 12 at most in Number, and are Some of them moving off wholly thro^t the Neglect of the Proprietors or Grantees.—

And as it is in your Hon^{rs} Power, Your Memorialist humbly begs to be put in a Way to obtain Some Redress And y^r Memorst as in Duty bound Shall ever Pray.—

[*John Taggart's Complaint, 1771.*]

[Masonian Papers, Vol. 8, p. 15.]

To the Hono^{ble} Theodore Atkinson Esq^r and the rest of the Worthy Grantors of the Masonian Lands in the Province of New Hampshire Greeting

The Complaint of John Taggart of Lymerick in the Province of New Hampshire humbly Sheweth

That your Complain^t Some Time in the Year 1768 enterd into Covenant or Agreement with Sampson Stoddard Esq^r of Chelmsford in the Province of the Massachusetts Bay to Settle and do the Duty of one Right in the s^d Township of Lymerick; for which y^r Complain^t was to have his choice of Two Lotts of all the Lotts in s^d Township. (the Masonian Grantors Lotts excepted.) And y^r Complain^t choose y^e Lotts, N^o 16 in y^e 10 Range & N^o 22 in y^e 9. Range, and in a few Months after choice, s^d Stoddard, Sold y^e Lott N^o 16 in y^e 10 Range for 100. £ Silv^r old Ten^r And y^r Complain^t requested said Stoddard, to recompence me for the Lot he sold, with Qualifying other Lands; But he wholly refused doing any thing but my Pitching on Some one Lot not pitch'd on by others.

Further y^r Complain^t informs that at the Time of my entering into s^d Town I was unable to build me a House and went to reside in a Cottage between the Lotts N^o 15 & 16 in the 8 Range claim'd by s^d Stoddard and s^d Stoddard disinherited s^d Bartlett and promised Me I Should have the Improvement of s^d Farm or Two Lotts, during my Life Time and Accordingly have Spent my Labour on s^d Farm for three Years past, and brought the Same to profit, but can git no Security—And many other Articles of Covenant too tedious to be related, are broken and not performed by s^d Stoddard

Therefore y^r Complain^t Prays that y^r Hon^{rs} would put me in Some Way or Method to procure a Title to s^d Two Lots I first pitchd on and also pay for my Labour on the Farm so call'd or a Title to the Same, and y^r Complain^t as in Duty bound Shall ever pray.—

Lymerick Octo^r 29 1771.

[*James Mitchell's Complaint, 1772.*]

[Masonian Papers, Vol. 8, p. 20.]

To the Honor^{ble} Theodore Atkinson Esq^r and the rest of the worthy and Honor^{ble} Masonian Proprietors. Gentlemen—

The Memorial of Me the Subscriber of Limerick Humbly Sheweth, that Coll^l Stoddard of Chelmsford Several Years Since gave Two Lots of Land in Monadnock N^o 7, or Lymerick to Nathaniel Bartlet, the one Duty free and the other to have the Duty done thereon viz the Lot N^o 2 in the 5. Range but never gave s^d Bartlet any Title to the Same.

And your Memorialist bought s^d Lot N^o 2 in the 5. Range of s^d Bartlet at 50 Dollars and had a Promise of a Title from Coll^l Stoddard and Since that s^d Bartlet is gone off, and I have no Title to s^d Lot, altho', the Duty is considerably forward, neither can I obtain any

Therefore y^r Memorialist Prays your Hon^{rs} to take my Case under y^r wise Consideration, (under whose Protection I thro' my Self) and Set me in Some Way to Procure a Title to s^d Lot of Land: and Your Memorialist as in Duty bound Shall ever Pray

[*Petition of Inhabitants, 1773.*]

[Masonian Papers, Vol. 8, p. 24.]

To the Hon^{ble} Theodore Atkinson Esq^r and the rest of the Hon^{ble} Masonian Proprietors,

Humbly Sheweth, the Petition of us the Subscribers being Residents or Inhabitants of Monadnock N^o 7, who were encouraged to become Settlers on s^t Land by Sampson Stoddard Esq^r and others the Grantees of said Tract of Land; but notwithstanding we have agreable to our Bargain with s^t Grantees gone on and Settled s^d Land and according to our Ability have done all in our Power to forward and encourage the Settlement by every Means, considering the almost unsurmountable Difficulties we meet with on Account of bad Roads in Summer & long & tedious Winters with great Scarcity of Provisions, Yet we meet with another Difficulty more terrible then all the rest, (viz) Want of a good Tittle to our Lands which We by no Means can obtain of the afores^d Grantees. And unless we are by Some Way or Means redress'd, must move our Selves and Families off s^d Lands. We being Sensible that s^d Grantees have forfeited and refofieted s^d Lands, into your Hon^{rs} Hands and So have no Right to the Same; Earnestly Pray that your Hon^{rs} would take into Consideration the distressing Circumstances of your humble Petitioners and do for us as your Hon^{rs} in Wisdom think proper.

And We as in Duty bound Shall ever pray.—

[*Jonathan Nesmith's Report on Lots in Stoddard, 1816.*]

[Masonian Papers, Vol. 8, p. 25.]

Antrim Oct^r 11th 1816 To Mark W Peirce Portsmouth Sir I Rec^d your letter by Samuel Barker one week later then you expected by reason of my being from home on the next day I aplied to John Clark Esq^r of Hancock to assist in the survey and we atended to the busniss on the following Monday and found it a difequal mater to find the right information we got a sight of the Town Plane and then we had to go to Esq^r Matesons which was the Town Clerk and lives on the line of Marlow to sertch The Town records and found him verey oblidging to us and give us all the information he Could and we found that there was sold of lot No 9 in the 8th range for taxes year 1792 for 1790 tax 79 acers to Gardner Towns and of No 15 in the 4th range 39 acers To William Pitcher year 1800 of these we found deads from the Collectors and that ther was another seal of 7 acers of No 15 and one 5 acers of No 27 in the 4th range of these two we thought that there was a Probability that they were redeemed, as you were Peticquler in your letter to me of the lay of the land its growth and how much will do to Plow, in answer I think I may say ther is but little Plow land—

of lote No 9 in the 8 range I think you will hold 15 or 16 acers of the west end of the lot as the lot holds out 95 acers of wood land of a havey groweth land rockey worth two dollars P^r acre—

N^o 12 in the 3^d range his about 12 acers Clear^d and under Improvement by a M^r Bernet who Purtehased a M^r Morison's labour about ten or 12 years ago the 12 acers is of a drayish soil and rockey in the north east Corner of the lot south of it is low madow land under watter a good Part of the year south of the madow is a groweth of spruce and hamlock the westerly Part of the lot is a mixture of timber of a havey groweth and land rockey worth 2 dollars P^r acre

No 15 in the 4th range his 39 acers layed of the East end and the remaning 41 acers is verey rockey but little live timber standing. I inquired of John Stephens who is in Possession of the East 39 acers what he would give for the remaning 41 acers he told me that he Cared but little about it but if he Could get a deed of it without mutch expence he would give 25 dollars

N^o 27 in the 4th range lays in the northeasterly Part of Stodard and the inhabitants of that Part of the town his but little connection with the middle of the town by reason of the worst ground for a road that I ever travled but is Conected with the north Part of windsor and about three mils from the Washington turnepick this lot is of a mid-

ling qualety lays to the west & north havey timbered not verrey rocky westerly Part lowest worth 2 dollars & 50 Cents P^r acre

we were inform^d by the inhabitants of Stodard that lot No 17 in the 7th range is Caled a Peirce lot ther is 20 acres Sold for taxes of the east end the other 60 acrs is Poor land

it apeered on the Plane of Stodard that lotes No 19 and 20 is marked to Esq^r Peirce in the 5th range and lot No 5 in the 6th range to Peirce and Moor this information may be of no use. these are the remark that I have to make on the Stodard Busniss and wher I have don wrong I wish you to write to me, you may think our Charge is high when you see it but be asured I found it more of a fatagueing job then I expected from your friend and Humble Servent—

SUNAPEE.

[Originally known as *Corey's-town*. Granted Nov. 7, 1768, to Oliver Corey and others, and named *Saville*. Incorporated as *Wendell* April 4, 1781, and named in honor of John Wendell, of Portsmouth, one of the grantees. The south part of the town was combined with portions of Newport, Newbury, Lempster, and Unity, to constitute the town of Goshen, Dec. 27, 1791. Small tracts were severed and annexed to New London Dec. 11, 1804, and June 19, 1817. The name of the town was changed to Sunapee, July 12, 1850.

[*Petition of Vere Royse.*]

[Masonian Papers, Vol. 8, p. 30.]

To the Hon^{ble} Proprietors of Mason's Patent

The Petition of Vere Royse in behalf of Zephaniah Clarke of Hereford in the County of Cheshire in the Province of New Hampshire Gentleman humbly shews—

That the said Zephaniah was first encouraged to take up a Hundred Acres of Land on condition of settling it in the Township of Saville which he accordingly did & took possession thereof agreeable to the Plan herewith delivered afterwards upon the running of the Curve Line his said hundred Acres fell within the Bounds of Hereford, which gave him great uneasiness till he received a Letter from Maj^r Price to pursue his said Settlement and as he was the Proprietor of Hereford (which said Clarke also understood) he would quiet him in his possession of said Tract agreeable thereto, he said Clarke removed with his family on said Land and has built him a large House and got his land under good Improvements and purposes to keep a public House for the benefit of Travellers and has expended all his Capital for the bringing forward said Farm which if taken from him will so distress him as to prove his ruin wherefore he prays from the Hon^{ble} Proprietors a Confirmation of his said Hundred Acres to be reserved for him in Case the Prop^{rs} of s^d Patent should make a Grant of Hereford And as in duty bound he shall ever pray

[*Report of Committee on Forfeitures, 1771.*]

[Masonian Papers, Vol. 8, p. 38.]

In pursuance of a Vote passed the 17th July last we have examined into the state of the Townships of Parrys Town New Britton and Alexandria and do make the following Report thereupon

That it appears to us the said Towns are all and each of them forfeited for non compliance with the Conditions of their respective Grants and are rezeized by the Attorney of the Proprietors in pursuance of the Proviso's made in the Grants And we are of opinion the said Townships of Parry's town New Britton and Alexandria be appropriated to the Use and Benefit of the Proprietors reserving to certain Persons inhabiting and improving in each of the said Towns as follows.

In the Township of Parry's town as appears by the Return of Jonas Minot Attorney and Agent to the Proprietors

Seven Houses with Families resident in the said Town the whole Rights belonging to the Lots on which such houses are now built and Improvements made be reserved and confirmed to the Proprietors of such Rights.

Also Eight Persons having begun improving on certain Lots in said Town but are not resident there, the said Lots should be confirmed to the Persons improving the same on Condition that they continue progressively improving said Lots and building a Dewelling House on each of the said Lots respectively within one Year—

In the Township of New Britton as appears by the Return of Jonas Minot aforesaid

Fourteen Houses with Families resident in the s^d Town the whole Rights belonging to the said Houses and Improvements to be reserved to the Proprietors of the said Rights as abovemention'd in the Case of Perry's town

Also Eight Persons have begun improving on certain Lots but are not resident in said Town the said Lots to be confirmed to the Improvers on the Conditions mentioned above in the Case of Perrys town

In the Township of Alexandria as appears by the Return of Jonas Minot aforesaid

Three Houses with Families resident in the said Town the whole Rights belonging to the said Houses and Improvements to be reserved to the Proprietors of the said Rights as aforementioned in the Case of Perrys town

Also Six Persons have begun improving on certain Lots but are not resident in said Town the said Lots to be confirmed to the Improvers on the Conditions mentioned above in the Case of Perrys town

Also nine Persons have fell'd some few Trees but made no actual improvement on certain to be left to the Consideration of the Proprietors. *

[*Complaint about Road, 1771.*]

[Masonian Papers, Vol. 8, p. 39.]

Merrimack Sept^r 23^d 1771

Sir There is a piece of land belonging to Mason's proprietors, lying between Parrystown & Almsbury, commonly called the Gore, through which the road from Boscawen to Charlestown passes. You being usually the Moderator of s^d proprietors meetings, I have taken the liberty of applying to you, to inform that the Com^{tee} appointed to see that road completed, employed people last Fall to cut Trees out of the way, that Horses & Sleds might pass, & it must be completed very soon, all the rest of road, except through Hereford (w^{ch} M^r Fisher engages shall be done immediately) is fit for Teams to pass. It wou'd be a great hardship, and is what the proprietors, we presume, do not desire, that those people who at a great expence, have made a good Road thirty or forty miles, should be deprived of the benefit of it, thro the want of abo^t a mile & an half, it being not more than that thro' the Gore. We have tried several persons & their price is near Eighteen pounds L m^y p mile this may appear an extravagant demand but the difficulties that attend making a Road there, owing to its being very Rocky, uneven & so soft in many place as to require Causeying, & several bridges to build, must necessarily make it expensive. We expect an answer very soon from some of them what will be their Lowest price w^{ch} we do not expect will be much short of the sum mention'd. If the proprietors can do it cheaper, we shal rejoice at it & be glad to be eased of the trouble

Merrimack Dec^r 2^d 1771

Sir

I thought the Road, thro' the Gore, was near compleated: and your favor of the 22^d w^{ch} came to hand the 30th, did not a little perplex me, w^{ch} I was relieved from last night, by receiving information that the person I had agreed with to finish it, when he view'd the Road was discourag^d from undertaking it, at twelve pounds $\frac{7}{8}$ Mile. The Season is so far advanced, it is now, next to impossible to compleat it 'till next Spring, so that necessity supplies the place of inclination, to comply with your request, in behalf of the proprietors.

The Road is, to be sure, very bad to make, & I made enquiry if that was the best place for a Road, & rec^d information it was; It seems they could have found a place less Rocky but more Hilly, w^{ch} would not so well accomodate the public. The Com^{tee} you will easily see, have no Authority to Lay out a road, but were to see one made where it was mark'd: Yet we have alter'd it in several places, & should have done the same in the Gore, if we could have seen any advantage that would have resulted from it. We shall nevertheless rejoice if a better can be found. There was something done on that Road, by our ord^r, to enable horses to pass last Fall; the expence of w^{ch} I will Lay before you soon.

The Com^{tee} flatter themselves that the public spiritness of the proprietors, will induce them to take the earliest opportunity in the Spring, to have the Road finish'd, as the new settlements Suffer many inconveniencs for want of it, & they in a great measure lose the benefit of the expence of making a Road from Charlestown

It will at all times give me pleasure to evince my respect for the proprietors & to convince you how much I am

[*Letter from Town Committee, 1772.*]

[Masonian Papers, Vol. 8, p. 44.]

To the Com^{tee} of Masons Propriety Gent :

Your proposals of the 29th of May was laid before the proprietors of Perrys Town in their Meeting on the 8th of June instant when it was Voted that we As a Com^{tee} Should apply to the Masonian Proprietors and fully Settle terms as we might think proper, But as it was a thin Meeting and Not qualified for Such vote and many of the Greatest Proprietors do object to the Proceedings or to any application at present therefore we cannot pretend to fully adjust and Settle the affair—

The terms proposed are Such that it does Amount to Ten dollars on Each right those that are Setled included, which Are far harder then we expected or yet hope for For by them not only the rights of many may be forfeited but their Bonds also, and they who pay the money if but 40 or 50 in Number will be obliged to defray the whole Charge as a Town for highways Preaching &c which would put those who incline to go forward into a perplex'd Situation

There can be no application regularly made by a Com^{tee} with power to close the affair till a meeting is called for that purpose

As Some of the principal Proprietors are averse to making proposals we do conclude that it would be best for all Such of the delinquent Proprietors as are willing to Join in a Petition To request of the

Masonian Proprietors, that they may on reasonable terms with Proper Conditions be quieted in their rights by a Grant Made to them of their Respective rights by the former grant and of all the Remainder of the 60 rights in S^d Town (those which are adjudg'd Setled Excepted) with a reserve that Said Remainder not Setled Shall be for the petitioners associated, they for Some Months giving preference to those who were proprietors of them by the former grant and after that term of months to Such persons as they may admit on reasonable terms

We would propose that if every other Proprietor on admission or at the making the grant give Bond for a due Settlem^t it may also be injoined on those who have Setled there And Not compleated their Settlements—And considering the advantage the Masonian Prop^{rs} may expect by forfeited rights and on the forfeiture of Bonds we conclude that they will be content with four or five dollars for the reinstating each delinquent—And we pray that they will consider And State the terms And Conditions they would Make with Such Petitioners and it will Oblige a Considerable Number of Said Proprietors—and y^r Humb^e Serv^{ts}—

[*Surveyor's Report on Three Lots, 1808.*]

[Masonian Papers, Vol. 8, p. 48.]

Suton August 30th 1808—

Sir at your request we the Subscribers have been to Sutton and after Surveying and New Spotting tthe lines round the lots N^o 5 & 7 we thought it best to Divide them into Small lots which we have done as you may See by the plan of the Same—agreeable to your request we inform that Ninety Acres has been Sold off of N^o 5 by M^r Samuel Peasley Cunstable for Peristown in the year 1777 for taxes and other Due charges to Peter Peasley, and fifty acers of s^d land by s^d Peter conveyed to Caleb Kimbal who now lives on s^d premises the remainder forty acres was by s^d Peter conveyed to James Taylor & by James Taylor, to Joseph Town who now ocopies s^d land—

We further State that M^r Caleb Kimbal has made Some improvements on A part of the remainder of N^o five

We also have Surveyed N^o 7 and divided it into three lots as you may See by the plan but as to its Quality we must give it but an indiferant recommendation

It appears there is two men by the Name of John and William Palmer's who Say they had incuragement from you for the Sale of s^d land and on that incuragement they have ventured to make Some improvements and are now living on s^d premises, who wishes Still to purches if s^d land can be had on Reasonable terms

As to N^o Six we are unable to give you a full Discription thereof but by what we have Seen by going round s^d land it appears there is Some good land thereon and A man by the Name of Chase has cut down 2 or 3 acers on s^d lot and left it as it is—

You will find by the plan at the Easterly Eend of s^d lots there is A line Sixty Rods from the line of s^d lots marked fully with the pen (which appears by information from the inhabitants and other Record of the town called the Gore) to be the town line of Sutton, if that be true s^d lots will hold out largely in measure and may Still be Surveyed, But we could not See our way Clear to Survey said land without further information which mus be attended with Some Expence as s^d information cannot be had without Runing the town line from corner to corner, Except the town of Sutton and the Gore so called Shall Establish the Same—

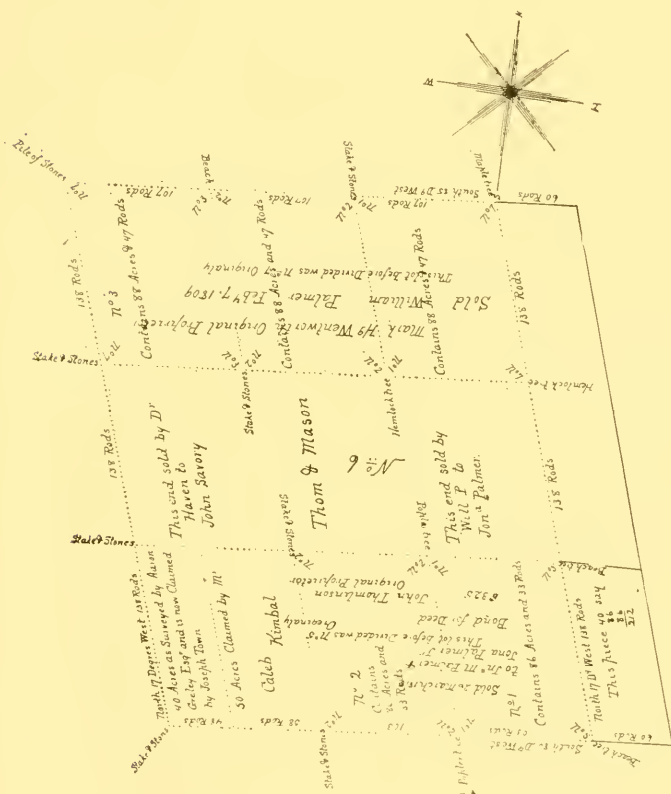

As to the land which we Surveyed for you in the town of Washington the Sumer past we are not capasiated to give you A Just Estimate thereof, as we only traversed the outlines of s^d land, but if you would wis to have our Estimate the Expence will be but trifling as we could in the cource of two Dayes inspect the whole of s^d land

If you wold wish to have s^d Business Done pleas to inform us by the Barer hereof

Aplication is made for A part of the above mentioned land in Washington

We Subscribe ourselves your cencear friends, &c—

To the Proprietors Purchasers of John Tufton Mason Esq^{rs} Claim in New Hampshire—

The Petition of the Subscribers Inhabitants of Sandwich Tamworth & places adjacent. Humbly shew, that a good & proper Waggon Road from Tamworth through your Land to Wolfborough is much wanted: the present Road for that Purpose made by Cap^t Dudley & others, wanting great Repairs, & is in every Respect unfit for passing with any kind of Carriages & exclusive of the Necessary Repairs of the Road Two considerable Bridges on the same Road are of absolute Necessity to render said Road useful, the one of said Bridges over Lovels River & the other over Beach River: the want of which has put the Publick in this Quarter to great Inconvenience in carrying on their Business—Wherefore your Petitioners pray that you woud erect said Bridges & make said Road fit for passing with Waggon as soon as may be & your Petitioners shall pray.

Sir Your Propriety have Repeatedly Requested and urged Reuben Kidder Esqr who Obtained the Grant of the Township of Cambden to Comply with the Conditions of his Grant, One of which is to Divide off all the Grantors Shares at his Own Expence under My care and Inspection. and there are a Considerable number of Famallys waiting for Nothing but the said Division to be made, that they may Know where to work and Compleate the Settlement next sum^r, it is Necessesary also on Esq^r Kidders Acct in Order to save the Forfiture of his Grant—It will be of More Consequence to Your Propriety for me to attend that service this spring than any Other—and it will take so much time to Compleat the Division with any tolerable Equety. (and Must be done after the snow is Off.) that it will be Impossible for Me to attend the Proposed Survey at Tuftonbor^o this season—Cap^t Isaac Rindge Esq^r or Cap^t Royce can Recom^{end} to You Some Honest & Capable surveyor to do that work—I did not Recolect my Ingagement when I saw You last or should have Excused my Self on that acc^t and Saved You any further Trouble, and my Self the Mortification of asking Your Pardon for in advertantly Promising what is not in my Power to comply with. Without Injuring Your Intrest as a Proprietor more by neglecting my ingagement to attend the Division of Your Intrests at Cambden, than any other of my services can Possably compensate or Repair. I must therefore Beg You to Excuse my Past inadvertance while I subscribe myself as I Really am Most Respectfully Your Hm^{le} Serv^t

S^r Co^{ll} Blanchard call'd upon me As he returnd from Portsmouth And by his Advice, I take it upon me to write A few lines I Need not tell you that Country Ministers Are generally pretty poor, And their Small Saleries forbid them ever thinking to lay up Anything for their Children that way; this is *So obvious*—Therefore I took this Scheme that my Children After me might Not be Beggars or Idle, but to get An honest living with the Sweat of their faces, Obtained five Rights in Hales Town the Duty of which Rights I proposed to perform According to y^e Gen^l Courts Act. But now I find that the property belongs to *Yours^f* & Some other Gentlemen (a good Providence this) for As y^e Co^{ll} tells me you Are disposed to continue Such in their Rights which they purchased Upon honourable Terms: I have Already Expended considerable Money & have a Sawmill fit for Business, A house not quite fit to live in And have cleard About Eight or ten Acres of land And to loose all this must be hurtful to me & my children Therefore I Intreat your favour that I might yet hold those Rights, complying with your Terms of Settlement which I Am Ready to do: And that you would Use Your Interest In my behalf with y^e honourable Gen^l^m Your Associates. You'l greatly oblige your humble Servant

P. S. I wrote a few lines to Co^{ll} Atkinson relating to y^e Same Affair—And if you Could find A leasure Space And would write two or three words I Shall take it As A futher favour

Portsmouth October 22^d 1759—

S^r M^r Packer informs the Proprietors of the lands Purchas'd of John Tufton Mason Esq^r that he had conferred with you about laying out and planning a tract land between Hales Town and New Boston for said Proprietors who desire you will proceed on the buisness as soon as may be, and divide the whole Tract between Hales Town, as granted by said proprietors, and New Boston, to be equally divided into Quantity & Quality as near as may be into fifteen equal shares & return a Plan of the same. You must be very carefull that no Gore or space be left Between the two tracts mentioned, and let mountains, rocks and Ponds be particularly described in your plan & if the Quality of the land is such, that an equal division cannot be made in fifteen equal Lotts for Quantity & Quality, then do it, into thirty Lotts to be coupled so as to render an equal division of the whole into fifteen shares—In behalf of the Proprietors

Feb^{ry} 16th 1761—

To Dan^l Pierce Esq^r and Others Grantees to Tuften Mason Esq^r
 And Tim^o Clement a Tract of Land of which the Title has been Suspected—I being Attorney to S^d Clement and at the Request of S^d M^cHard have In Some Measure Examined the affair, And am fully of opinion that you had good right to Sell or grant Such a Quantity of Land Between Robies Town (So Called) and the line of Towns—For in A D: 1748 you Granted the Town to Col Goff and others with it's west line of five Miles and Starks Town (So Called) Adjoining on it's North line with it's West line of 5 Miles & 180 Rods—in the whole 10 Miles & 180 Rods—I have Sent up Men and Made An Admeasure^t from Souhegan North West Corner—And find that on the Course of s^d Towns West line which is North Two Deg: West it is Eleven Miles And 199 Rods to the line of Towns—by which it appears that Starks Town North west Corner A D: 1749 when Robies or Wiers town was Granted, was one Mile & 19 Rods to the Southward of the line of Towns—Robies Town was to begin at Starks Town N: W: Corner and Run South 85 Deg West and thence Southerly which cannot make them Contiguous to the line of Towns but leaves as much land as You Granted us if Not in the like form as § Grant—The Alteration And Settlem^t Made A D: 1752 (of which You May be Inform^d by Col: Goff) will Not alter the N: line of Robies Town—and tho you then Consented that Goffs Town Should Extend half a Mile or More further Northward—And that Starks Town on their forfeiture And Surrender Should have their full Measure 5 Miles & 180 Rods to the Northward of Goffs Town as then bounded it Cannot Enlarge or Alter the Grant Made three years before—I Desire that the Quantity of land between Robies Town

and line of Towns may be ascertain^d and I Stand Ready on the part of my Constituent to pay what shall be due let the land be more or Less—I Employ^d Men toe Measure S^d line who Certify Under their Hands that they Measured it Impartially as they will Evidence on Oath—I Don't Expect You^l act Much on the affair from My Relation without further Enquiry—And Doubt Not but you^l find it to your Advantage—

I Desire Gentlemen You^l take the affair Under Consideratⁿ and doubt not of finding more lands than You Granted Us—and Also desire the favour of you (after being Met together) that You^l leave Your Resolve thereon with Dan^l Peirce Esq^r that from him we May know how to proceed—and if you think it Needful I by myself or together with M^r M^cHard will wait on you when Met

[Masonian Papers, Vol. 8, p. 120.]

Portsmouth Nov^r 16th 1764

To the Honourable Theodor Atkinson Esq^r And others Grantees of Tufton Mason Esq^r

Whereas You in September 1758 made Your Grant of Land by Estimation 2500 Acres, To James M^cHard Esq^r And Tim^o Clement adjoining Starks Town which appears to be Lands laid out by the Proprietors of Robies Town (So Called)—And Said Clement after a Considerable Charge is Sued in an action now depending As a Trespasser on Said Lands

It Appearing that there was a Mistake or Error Somewhere in the affair Suppos^d to Arise from missinformation, and the matter to be Determined in the Action is whether the Proprietors of Robies Town had any right by Grant to those Lands—It is objected that their grant was made in September 1749 and to be begin for laying out at the North west Corner of Starks Town when Starks town was by Grant only without other Confirmation Extended but 10 Miles and 180 rods North 2 Deg West from the N. West Corner of Souhegan East And therefore could Not reach the Line of Towns, which Appears by

a late Admeasure^t to be 11 miles & 199 rods on Said Course from Souhegan East—from which it is Said there is more then to the Quantity of 2500 acres between Robies Town and the Line of Towns and it is also Said that Starks Town was Extended to the Line of Towns by Said Grantees Accepting their Plan in December 1749 by its being inserted therein that it adjoynd the Line of Towns—

But as those Lands have been Considered as part of Said Robies Town and the Dispute is Aresen from a Mistake And will be Costly— It having been propos^d that Said grantees, grant to S^d M^cHard And Clement other Lands in Some Measure Equivalent to 2500 Acres there on their Releasing those lands—I therefore the Subscriber having full power to Agree And release in behalf of Said Clement Do hereby Certify that I am Ready to Accept An Equivalent in lands Else where with a Discharge of Said Action on Said Clements part (and Doubt Not but S^d M^cHard will also on his) And will give Any Proper Release of S^d Grant and Lands on the making a Grant of Said Equivalent Lands or Any Resolve or agreement that it Shall be made—

To the Honourable Theodore Atkinson Esq^r

S^r I last week gave You Some proposals with respect to Tim^o Clements affair, and it was Agreed that I with M^r M^cHard Should be at Portsmouth on Monday Next, but As he is oblig^d to be there this week, I write to you by him And perhaps the affair May be Setled in Some Measure without our attending Next week, if you (the Grantees) Agree with M^r M^cHard as I propos^d or otherwise I think the Action Against Clement May Stand Continued till we can fully Settle the affair, it will take up Some time to Settle with respect to the Equivalent lands however I Shall Abide My Writtne proposals if M^r M^cHard will come into the like, or perhaps I may take up Clements Bond for Money without paying it And take a piece of land you may be willing to grant him for his Charges Trouble And Disappointments if it is yet Necessary

I Shall Attend Next week as agreed but I Expect to know by M^r M^cHard whether it will be Expected or not

We the Subscribers, being a Committee of the Proprietors of Masons Patent at the desire of Enoch Bartlett Esq^r have met & fully heard him respecting his Claim, as Attorney to Timothy Clements, After Maturely Considering the Matter, are fully of Opinion, that said Bartlett has no just demand on the Propriety, on acco^t of said Clements, he the s^d Clements having deceiv'd the Proprietors, in order to obtain a grant of Land, & never paid any Consideration for the same. But we recommend to the consideration of the Proprietors whether they will Grant a Tract of Land to M^r Bartlett on such terms as they may agree—

Your humble Petitioner informeth you that he has purchased a Lot of land of M^r Varnum Esq—Proprietor of a tract of Land called Limbrick, which lot was then supposed to come within s^d Township and accordingly obliged myself to do a Duty, which Duty I have done for Limbrick But since by running the lines, s^d lot fall into s^d Camels Gore, and I have lived upon the land two years, with my family; and now I humbly desire that the Lord Proprietors of s^d Land would inform me whither I shall hold s^d lot under them, & what Duty I shall be oblieged to do for s^d Lot; which contains 128 Acres. and I likewise inform you, that there are a Number of persons that pretend to hold the Land of s^d Gore, under one M^r Camel to whom they say, s^d land was granted: who threaten to remove me from s^d Lot as an intruder; and I humbly desire that you would inform me whither you will give me any title to s^d Lot, if I should come for it.—I have been Verbally informed several times, from your Honours, that I should never be hurt, by taking up s^d Lot in the manner I did and therefore I have presumed to tarry upon the Lot. and I likewise desire that you would write by the bearer hereof whither your Honours proposes to settle s^d Gore soon for there are several men that would take up Land here if they knew upon what terms they migh have it;—

The Scale of Proportion 200 rods to an Inch —

N B. We were oblinded to alter that part of your orders to us respecting the numbering of the lots, by reason of our not being able to ascertain Antrim line, and other contingencies that happen'd us, and instead of numbering 1, 2, 3, &c throughout the whole, we numbered N^o 1 N^o 2 of y^e first Range N^o 1 N^o 2 of y^e 2^d Range &c

Note also there is allowed to each hundred Acre lot 3 Acres nearly for highway land—

All those lots not marked to contain a certain Quantity contains 103 acres highway land being reckon'd

The Pricked or Shady places represents large tracts of Morass or Cedar Swamp land not fit to be inhabited

Note every that is nearly Square is 160 rods in length, and 103 rods in Breadth the other Lots that has Water or otherwise cut has also the number of rods marked on the plan that was required to make the needed Compliment—

To the Proprietors of the Lands purchased of John Tufton Mason Esq^r—In New-Hampshire

The Memorial & Petition of John Gordon Resident on Cambell's Gore, So called, Sheweth

That on September 2^d 1775. I purchased of Nathan Taylor, now resident in Antrim, a certain Lot or tract of Land, in Cambell's Gore, contain^s one hundred twenty eight Acres having thereon an house ab^t 26 f^t in length, and ab^t 18 f^t wide, and about 4 Acres cleared, and trees fallen on ab^t 3 Acres more, the Consideration I gave, was the Sum of two hundred pounds, lawfull money, which was estimated and paid in one hundred Acres of land, in the Society (so called) in the great Lot N^o 7. on which I had resided five years, and on which I had an house ab^t the Dimensions of that before mentioned, and had 21 Acres of land cleared and improved—and that I have resided more than four years on the Lot in Cambells Gore, I purchased of Said Taylor, & have made Considerable Improvements on the Lot so purchased for which I have his deed of Warrantee—but being informed the Land I purchased of Said Taylor, is the Property of the Proprietors of Masons Right—and lays chiefly, except 5 Acres, in Lot N^o 3, as laid out in a Plan of Campbells Gore by James Nesmith Jun^r in June 1779. Therefore I request and pray Said Proprietors that they would Sell to me Said Lot N^o 3 and Lot N^o 2 also in Said Gore, for Such Sum of paper money as they shall think reasonable, or for such Articles in Specie of Country Produce, as they shall think equivalent to the Value of Said Lot N^o 3—and also of N^o 2. and favour me with advice of their Determination on the Premises, as Soon as may be when concludèd—your favour in granting the above Petition will greatly oblige your most

your patitioners have been at considerable expence in surveying and laying out said Grant, and have procured a setler for each five hundred Acres, with a grant to each Setler of one hundred Acres, as an encouragment for his seteling, so that there now remains to your Patitioners only four hundred Acres each, more than one half of which will be unimprovable, that your patitioners are determined to settle and improve their rights equal too any of the Wolfborough Grantees, provided their grants are mad as large & good as theirs, the least of which in the uper range of Lotts is six hundred Acres. To the Proprietors of Mason's Patent so called

The Petition of the Proprietors of the Tract of Land called Wolfborough humbly shews—

That the Surveyor employed by your Petitioners to survey & lay out said Township took it for granted that a Neck of Land in Winnipisiokee Pond adjoining to s^d Township contained as many Acres of Land as were equivalent to the several ponds of Water within said Township whereas upon an actual Survey of said Neck it is found to contain no more than five hundred & forty Seven Acres and Smiths Pond is Supposed to contain at least three thousand Acres & Middle Pond near one thousand Acres more not to Mention several other smaller Ponds—Therefore your Petitioners humbly pray you would take this Matter into your Consideration & grant them as many Acres of Land adjoining to said Township of Wolfborough as in your Wisdom you may think they are deprived of thro' the Inadvertence not to say Chicanery of the Surveyor—and your Petitioners as in Duty bound shall ever pray &c—
