Dear Author

Thank you very much for having submitted the final version of your paper.

It is a great pleasure to accept your manuscript entitled "The Undermining Effect Revisited: The Saliency of Everyday Verbal Rewards and Self-Determined Motivation" in its current form for publication in Journal of Organizational Behavior.

Thank you for your contribution. I am sure that your paper will have an impact on future research on verbal rewards. Thank you for having submitted your work to JOB!

Sincerely,

Prof. Sabine Sonnentag
