Activity 9.1. Majora Carter: Greening the Ghetto

You will be watching a video of a presentation given by Majora Carter, an environmental and community activist from the South Bronx in New York City. While watching the video, keep these questions in mind:

What kind of information is she presenting and what stories is she telling? How did she follow through and make things happen?

After watching the video, recall some of the information and stories she presented and connect the information with appropriate Action Plan step. Use the table below to write down your observations and notes.
