Students should arrive on time and remain until class is over. Cell phones must be turned off and put away. Students may use laptop computers to take notes. Students should not text while in class, and internet use should be limited to topics related to class. 1st offense = tardy, 2nd offense = absence

Academic misconduct is defined as all forms of academic dishonesty, including but not limited to:

1. **Plagiarism:** Representing another person's words, ideas, data, or materials as one's own. [...]
2. Submitting work previously presented in another course: Knowingly making such submission in violation of stated course requirements.
3. Using a **translation program** for your essay assignments constitutes **plagiarism**.

### Equal Opportunity/ Accessibility

UM assures equal access to instruction through collaboration between students with disabilities, instructors, and Disability Services for Students. If you think you may have a disability adversely affecting your academic performance, and you have not already registered with Disability Services, please contact Disability Services in Lommasson Center 154 or 406-243-2243. I will work with you and Disability Services to provide an appropriate modification.

### E-mail Policy

University policy requires that all electronic correspondence between instructor and students be done from official university addresses. Messages from other sources (Yahoo, Gmail, etc.) may go into junk mail. I will respond to emails within 24 hours, during regular work hours (8am to 5pm).
