CONFERENCE—Ohio Valley

Head Coach Steve Hamilton

Former MSU basketball and baseball standout Steve Hamilton is entering his sixth season at the helm of the Eagle baseball program, after guiding the Eagles to a record of 28-18 in his initial 6 campaigns.

In those 6 years, MSU has won 2 eastern division titles and 1 OVC championship, with Hamilton being named as league "Coach of the Year" in 1977.

Hamilton earned All-American honors in basketball at MSU in 1957. He twice was named to the All-Ohio Valley Conference team.

He distinguished his basketball career by setting all of MSU's rebounding marks. He currently holds the marks for rebounds in a game (38), rebounds in a season (543), rebounds in a 4-year career (1,675), best rebounding average in a season (20.1) and best rebounding average in a career (16.4). He also is the No. 4 all-time scorer at MSU with 1,829 points.

But the slender native of Charlestown, Indiana, will probably be remembered most for his professional baseball days.

Hamilton spent 11 seasons in the majors and played for the Cleveland Indians, Washington Senators, New York Yankees, Chicago White Sox, San Francisco Giants and Chicago Cubs.

He stayed with the Yankees for 7½ seasons and played in 2 World Series.

He retired from the major leagues following the 1972 season and managed the Johnson City (Tenn.) franchise in the Appalachian League in 1973.

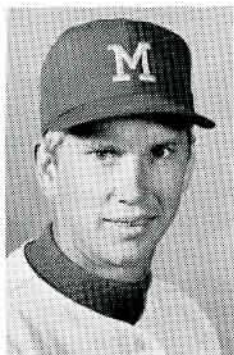

Hamilton returned to the majors as pitching coach of the Detroit Tigers in 1975 under his long-time friend and former manager, Ralph Houk, but returned to MSU in 1976.

"In baseball, I left home for seven months out of the year and could see my family for only a day at a time," said Hamilton. "I decided I wanted to stay closer to home."

Hamilton was appointed the Eagle field boss when John (Sonny) Allen was elevated to assistant athletic director. Allen served as head coach for 14 seasons.

Hamilton received his bachelor's degree from MSU in 1958 and his master's degree in 1963.

Jody Hamilton **Graduate Assistant Coach**

Serving as graduate assistant coach with MSU this season will be former Eagle star Jody Hamilton of Ashland.

A four-year starter in the outfield for MSU, Hamilton set virtually all MSU hitting records for power in his career, hitting 49 home runs, driving in 155 runs, and accounting for 376 total bases.

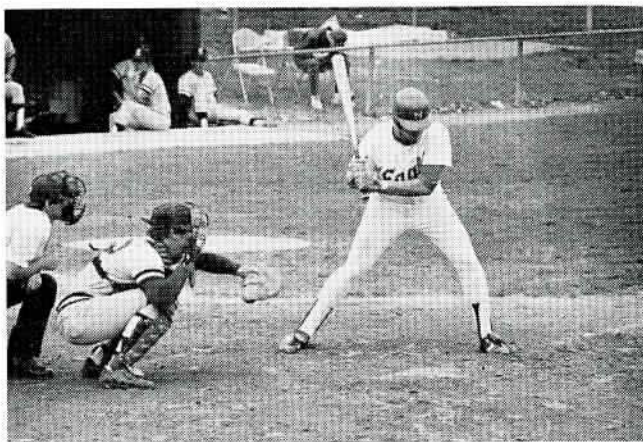

Even more impressive were Hamilton's totals for 1979, when he hammered 19 home runs, drove in 60 runs, and hit .425, winning the Ohio Valley Conference's "Triple Crown" and earning league "Player of the Year" honors.

"Jody should give our program a big boost as he is an outstanding hitter and student of hitting," stated Steve Hamilton. "Hopefully, some of you younger players will pick up some of Jody's expertise in that area."

Outlook

Morehead State University's baseball Eagles will employ a "new look" this spring, and MSU head coach Steve Hamilton hopes that look will carry his charges to the OVC championship series.

Speed and defense will be the keys for MSU, replacing former Eagle squads that lived and died by the long ball.

The question Hamilton must have the answer to is, can his young pitching staff, the key to a strong defensive team, hold up under the pressure?

"I really feel we have some good arms on the mound this season," Hamilton stated. "But you never know about pitching in the early spring as to what injuries could do to your staff."

He continued:

"This should be one of the better defensive infields we have had in the past few years, and we'll be scoring our runs by the stolen base and the hit and run, rather than waiting around for the long ball."

Leading the pitching staff for the upcoming season is senior Mike Mattox, who should reclaim the position of top starter on the staff if he can avoid the injuries that plagued him last season.

Teaming with Mattox will be another senior, Glenn Napier, who will join the mound corps after the close of MSU's basketball season. Napier had an off year in 1981, and must revert to his freshman and sophomore form to be effective.

Two sophomores who will be counted on heavily are Ricky Layne and David Armentrout, both righthanders. Last year, both were impressive in spots, and Hamilton hopes they can continue to improve and gain consistency.

Other returnees who will see action this season are junior Scott Haynes and sophomores Ted Carter and David Michael. All three of these players could see duty as starters or in the bull pen.

Newcomers on the Eagles' pitching staff for 1982 include junior Kevin Sturgill and freshman Tim Cornett, Drew Hall, Ray Hornback, and Robbie Williams.

"For us to be a winner with our schedule, we'll have to get help from the new people on the staff," Hamilton said. "We have too many games scheduled for just a few people to carry the load."

As for the speed and defense, two newcomers to MSU will provide their share of both.

Junior college transfers Steve Heatherly and Frank Spaniol will get the starting nod at second base and shortstop, respectively, and will hit in the No. 1 and 2 positions in the batting order.

"We feel these players will add a new dimension to our game, as they both are excellent all-around players who can do many things to help you."

Another top returnee in the infield is third baseman Joe Mitchell, who hit 15 home runs in his freshman season last year.

Senior Don Allen rounds out the infield at first base, while sophomore Chris Hail and freshman John Miller will provide the back-up support.

In the outfield, returnees Alan Steele in center field and Mark Davis in right appear to be leading candidates for positions. The remaining slot should go to a trio of players including sophomore John Bennett and freshman Charles Clifton and Shawn Johnson.

The catching chores should be divided between two sophomores, as Mark Swartz and Tom Rastani will battle for the start until opening day.

The designated hitter slot should go to senior Jamey Bennett, who has displayed power and speed all through his varsity career.

"We have the potential for a team with excellent balance in both pitching and defense and speed and power," Hamilton said. "We have to go out and execute from the first pitch to be a winner."
