This Article contains a typographical error in the Methods section under subheading ‘Selenium fertilizers’ where,

‘For the treatment with the soil-applied selenate only, a Na₂SeO₄ solution containing 0.042 mg Se L⁻¹ was applied to the soil as 3 × 26 μL droplets, in the same position as the granular fertilizers.’

should read:

‘For the treatment with the soil-applied selenate only, a Na₂SeO₄ solution containing 0.042 g Se L⁻¹ was applied to the soil as 3 × 26 μL droplets, in the same position as the granular fertilizers.’
