Dear brother John

Yours of late date  
gladly rec'd. Very sorry the  
grippe has got you again,  
glad to know by late reports  
from the Valley that you are  
much better. Thanks for  
Frank Abbatto's letter I've  
written to him. I have also  
rec'd letter from Brad Brown  
saying he would be here in  
March. I anticipate a  
grand visit with him.

We are all thank-  
-ful that Helen is doing  
so nicely, & sincerely hope  
she may entirely recover.

We are all well here.  
Savate is here again.

as smart as ever, she was  
very sick with bowel trouble  
would not take medicine  
nor have a doctor &  
ate nothing we were very  
much alarmed, but after  
weeks she began to mend.

The coast has been  
very stormy all winter,  
we've had a good deal  
of nice weather & lots  
of damp & chilly days.

I'm getting so well  
that I want to do some-  
thing & can't find a  
thing to do, not much  
business here.

I sincerely hope this  
will find you well.  
Long may your lum rest.

Yours as ever

We are all thankful that Helen is doing so nicely, and sincerely hope she may entirely recover. We are all well here. Sarah is herself again, as smart as ever. She was very sick with bowel trouble -- would not take medicine nor have a doctor, and ate nothing. We were very much alarmed, but after weeks she began to mend.
