My Dear Professor Bade:-

I thank you for your letter of the 30th. I have just made arrangements with Mr. James B. Reynolds for him to write us some Canal Zone articles, but still that does not hinder me from taking some from you. But I could not order the articles, I would have to wait until I see them.

There is no aspect of the work that I would want in particular, but as long as you are going to write articles anyway, I would like to have you submit a few of them to us.

I enclose herewith the clippings you sent me about "The Hetch-Hetchy Valley". I have sent your article to the printer, and if everything goes well it will appear in next week's issue of THE INDEPENDENT.

Very truly yours,

Hamilton Holt

Managing Editor.
