Contribution of microRNA to pathological fibrosis in cardio-renal syndrome: impact of uremic toxins

Indrajeetsinh Rana, Andrew R. Kompa, Joanna Skommer, Bing H. Wang, Suree Lekawanvijit, Darren J. Kelly, Henry Krum & Fadi J. Charchar

In Rana et al. (2015), the following errors were published in the Results, Discussion and Figures 2 and 6:

The authors used the terms “microRNA-21 mRNA” and “microRNA-29b mRNA,” which are scientifically incorrect. The correct terms are “microRNA-21” and “microRNA-29b.”

The authors apologise for the errors.
