COLLEGES WILL DEBATE ON

N. R. A. QUESTION THIS YEAR

Professor Harvey L. Carter Elected
By Association As Member
of Advisory Board

CONFERENCE AT HARRISBURG

Ursinus was one of twenty-one colleges represented at the twelfth annual meeting of the Debating Association of Pennsylvania Colleges, held at Harrisburg, last Saturday, October 7. From the many questions suggested for use in the debating season, starting next January, the one resolving that "the essential features of the N. R. A. should be adopted as the permanent policy of the United States Government," was selected.

Prof. H. L. Carter, men's debating coach, was elected by the association to membership on the advisory board, which will put out the organization's semi-yearly bulletin. Ursinus was represented at the meeting by Prof. Carter, Nadine Jones '34, Sara Brown '34, and Jesse Heiges '35.

Four Pennsylvania colleges requested membership in the debating association: The Drexel Institute, of Philadelphia; St. Joseph's, of Philadelphia; St. Thomas, of Scranton; and St. Francis, of Loretto. The granting of these requests raised the total number of colleges in the organization to thirty-two. At the meeting this year, eighteen faculty members and twenty-nine students were present, representing twenty-one colleges.

Dr. John H. Frissel of Penn State,

NEW SECTION "FAIR URSINUS"

PLANNED FOR 1934 RUBY

Perhaps one of the most colorful innovations planned for the 1934 Ruby is that division in the Graphic Review section to be known as "Fair Ursinus." This section is to be made up of young ladies representative of their respective classes. There will be five coeds in all: two seniors, one junior, one sophomore, and one freshman. These will be full length pictures and will be taken in formal attire. A full page will be devoted to each picture.

The Ruby will not try to restrict the voting to narrow limits by limiting the basis of the voting to pulchritude, popularity, scholastic ability, or such. The students need only to bear in mind their voting that they are choosing that young lady in their class who shall represent that class in the "Fair Ursinus" division of the 1934 Ruby.

INTERESTED STUDENTS HEAR

ARTIST EXPLAIN NEW COURSE

To broaden the field of liberal education, Ursinus College is making definite plans for initiating an art course, which has not been offered heretofore. The course was explained to the students on Tuesday evening, Oct. 3, when the chosen leader, Mr. Taylor, spoke to those who are interested in art work.

With a presentation of the methods of determining beauty, Mr. Taylor opened a new pathway for the students. He considered beauty as coming from a mind that notices in ordinary material a colorful background. He stated that the secret of art lies in the artists estimation and portrayal of shades, shadows, and tints.

In order to satisfy all students interested, Mr. Taylor is making a special offer by planning to give, as nearly as possible, instruction in the particular field of art that each student desires. Mr. Taylor is using his own studio in Paoli on Friday afternoons.

STUDENT COUNCIL PLANS

OLD TIMERS' DAY DANCE

The Student Council has been given permission to sponsor a dance in the Thompson-Gay gymnasium Saturday evening, October 14. This is the date of the Dickinson game and is called "Old Timers' Day".

The committee which has been chosen to make all arrangements for the dance includes the following: William O'Donnell '34, chairman, Robert Cunningham '34, Maurice Shuman '34, Martha Moore '34, Sara Mary Ouderkirk '34, Mildred Gring '36.

"SOUR GRAPES"

The following item has been taken from the Dickinsonian, of Thursday, October 5: "Ursinus has been lucky in winning their Conference championships for the past two years. Two years ago they won three games by one point. Last year the margin of a safety beat out F. and M. This year they are playing safe in running pre-season practice in the form of a football school in which all their players participate."

This flagrant misstatement of facts surely needs to be refuted. In the first place the Ursinus victory over F. and M. was not the result of a safety, for the final score was 16-6, and the only F. and M. score of the game was made in the latter part of the fourth period against the second string men. Furthermore the demonstrators at the Coaching School consisted of seven Villanova and five Ursinus men, and three of the latter five were graduates of Ursinus. The two remaining demonstrators were the only two undergraduates attending the School, and Ursinus secured permission from the Conference to use them.

We hope that the above quotation is not an example of Dickinson sportsmanship but, until amends are made, we can only consider it as an excellent example of the "sour grapes" idea.

INTERFRATERNITY COUNCIL

AMENDS BIDDING METHODS

Changes Must Be Ratified By All
Fraternities Before They Will
Become Effective

OTHER PLANS SUGGESTED

A radical change in the method of giving out formal bids to new men, and certain other slight changes in the rushing rules were agreed on, at the meeting of the Interfraternity Council, held last Monday evening, October 2, in the Seminar room of the library.

These proposed amendments to the present rules were drawn up in the form of a new agreement, which all the fraternities must ratify, before it becomes effective. It will be fully understood according to the suggested agreement "that no fraternity man shall be allowed to participate in any communication with a new man "relative to his becoming a member of or associated with any fraternity."

In addition to each fraternity's holding a party on a separate night during the first week of the second semester, for the entertaining of new men, the last night before formal bidding shall be set aside for all fraternities to hold smokers. New men may
(Continued on page 4)

William Evans President of Hall Chemical Society

Will Ask Dr. H. S. Lukens To Speak
On "Electrical Chemistry"

The Hall Chemical Society was formally organized for the coming year at the business meeting held in the Science Building last Monday night, October 2. The officers who were elected are: William Evans '35, president; Theodore Boysen '36, vice president; and Margaret Paxson '35, secretary-treasurer. Albert Stewart '35, was chosen to represent the group in the Council on Student Activities.

Following the election, some revisions to the constitution and the by-laws were made regarding membership and dues. The dues for the year were set at one dollar.

After the appointment of a program committee, consisting of Albert Stewart '35, George Fiss '34, and Theodore Boysen '36, a tentative program for the next few meetings was outlined. Among the lecturers sought is Dr. H. S. Lukens who will present a program dealing with electrical chemistry. Each program will be supplemented by student demonstrations. Dr. Beardwood, Mr. Pettit, and Dr. Mauchley will also be invited to speak at some future meeting.

The next meeting of the society was set for the evening of Monday, October 16.

FROSH DISCUSSION GROUPS

ARE PART OF Y. M. PROGRAM

Will Meet Once A Week Under
Supervision Of Advisers
Chosen From Faculty

INTERESTING TOPICS CHOSEN

Programs have been planned for the freshman discussion groups under the supervision of the Y. M. C. A. These groups will meet once a week during the first semester. Each freshman may choose the group in which he is most interested.

The following is a list of the groups, their topics, and advisers:

Group 1—Professor Bone will meet this group every Thursday evening at 7:00 o'clock in room 8 in Bomberger. The questions for consideration are:

1. What effect has the N. R. A. on our economic situation?
2. Will there be another great war?
3. Is unemployment preventable?
4. Is religion necessary for the progress of civilization?
5. Can industry be made democratic?

Group 2—Professor Witmer will meet this group in the lobby of the conference rooms in Bomberger every Thursday evening at 6:45 o'clock. The topics to be discussed by this group are:

1. What and where is God?
2. Can one be Christian without being a missionary?
3. Is there ample time for extra-curricular activities in college life?
4. Does science conflict with religion?
5. Is "world brotherhood" possible?

Group 3—Professor Sheeder will meet this group at his home every Tuesday evening at 6:45 o'clock. He will discuss with his group the following questions:

1. Why pray?
2. Are Sunday sports wrong?
3. What changes should be made in the modern church?
4. What is the meaning of a Triune God?
5. Why should I be compelled to attend chapel, where Christian songs are sung and prayers offered, if I do not believe in Christianity?

JAMES WHARTON PRESIDES

OVER PEP MEETING FRIDAY

James Wharton '34, introduced the following speakers at a pep meeting held Friday evening, October 6, in Bomberger hall, previous to the St. Joseph's game.

"Wally" Tropp '34, the captain of this year's aggregation, guaranteed the Ursinus spirit in Saturday's game with St. Joseph's College.

"Jing" Johnson, Director of Athletics, spoke on the surprising game with Villanova, congratulating the team and assuring everyone that the Ursinus eleven can show real fighting. He stressed to the team, as well as to the student body, that we must maintain the reputation we have won and he requested that everyone support the "fighting Grizzlies" not only in the game with St. Joseph's College on Saturday, but in all future games as well.

Following his words, "Mickey" Shuman '34, spoke on behalf of the team, expressing a very hopeful attitude for the coming game.

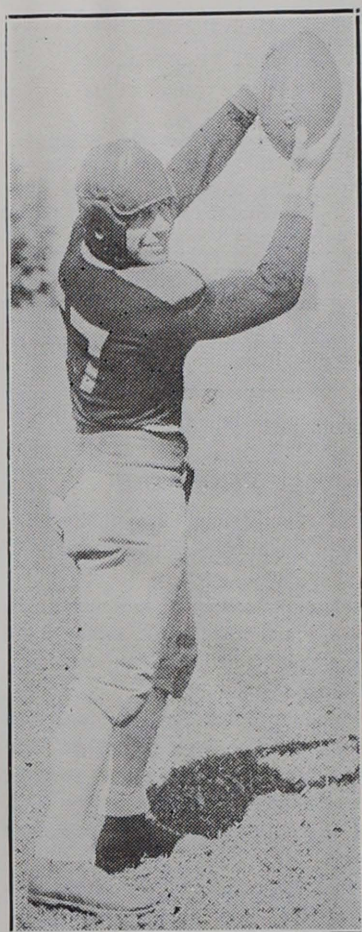

The meeting broke up after the singing of the Campus Song.

WILL ELECT CO-EDS

The co-eds who will be photographed for that section of the 1934 Ruby known as "Fair Ursinus" will be selected by the various classes Thursday, October 12, between 12:30 and 1:00 p. m. The seniors will vote for two representatives while the other classes will each select one. The classes will meet in the following rooms: seniors, room 2; juniors, room 3; sophomores, room 5; freshmen, room 7.

All students are invited and requested to vote. No vote will be accepted after 1:00 p. m. Thursday.

St. Joseph's Bow to Ursinus Bears by 20-0 Score in Opening Fray Here

Quarterback Shuman Who Scored
Twice Against the Hawks

TENNIS TOURNAMENT ENDS WITH DANEHWOR AS VICTOR

Worster and Fenimore Arrive At
Semi-Finals But Fail
Against Varsity

COURTS IN GOOD CONDITION

Ev Danehower emerged as the victor in the Men's Fall Tennis Tournament, after a three-set battle to the finish against Jess Heiges, the scores being 6-4, 2-6, 6-4.

Both finalists, members of last spring's team, were on their toes, as the last match of the tournament resolved itself into an endurance contest. The first set was all Danehower's, as Heiges' with the score 5-2 against him staged a rally which fell short. In the second stage of the battle Jess became more accurate in his shots, while Ev let up slightly, which made the crucial deciding set necessary.

It was anybody's victory as the
(Continued on page 4)

Freshmen Football Men

Prepare For First Battle

Competition Is Strong For Several
Positions On Team

Under the guiding hand of Coach "Swede" Paul, captain and stellar end of the 1932 Grizzlies, the freshman grid squad has gradually been rounded into shape for the current season. During scrimmages last week the Frosh have shown marked improvement both offensively and defensively and Coach Paul is becoming more optimistic every day.

As yet no probable lineup has been given out but the cubs are fairly strong in every position and each man will have to battle if he is to hold a regular position on the 1933 outfit. At the present time the chief concern seems to be over guards because of the injuries that have been sustained so far this season. Costello and Schuld are both on the injured list but they are expected to be around again for the first game next week. The hardest fight for positions on the starting lineup is being waged by the ends; there are six of them and, right now, all seem to be on a par.

The Grizzly cubs open their season against Perkiomen Prep this Saturday. Especially well drilled in the fundamentals and already feeling the traditional Ursinus spirit, they will be a hard bunch to beat.

Shuman Races 52 Yards For Second Touchdown; Tropp Scores in Third Period

BASSMAN OUTSTANDING

Victory No. 1 of the 1933 season was officially recorded on Saturday afternoon by the Ursinus College football machine when it clawed St. Joseph's of Philadelphia to the ground with a 20 to 0 score. The Bears had little trouble with the City Line clan, gaining almost at will, and notched a touchdown in each of the first three quarters to sew up the contest.

Shuman and Tropp Lead Offensive

Playing both brilliant and mediocre ball, the Grizzlies inaugurated the home season in an auspicious manner before a fair-sized crowd on Patterson Field. Led by Mickey Shuman and Captain Wally Tropp on the offense, the McAvoymen staged three noteworthy drives that culminated in touchdowns. After the opening kickoff, the Philadelphians failed to make any headway against the hard charging Ursinus line, and straightway punted. Gaining possession of the pigskin in midfield, the Bears immediately opened up with an attack of tackle plays, reverses, and spinners, and in a short time had driven to a touchdown. Tropp, Seiple, and Shuman did the ball toting, with the latter going over the final stripe for the score on a spinner play. The former Wenonah player also place-kicked the extra point.

Shuman Races 52 Yards

The second touchdown came midway through the second quarter and was the most spectacular of the three the Bears piled up during the contest. Shuman again, on a sizzling spinner, galloped 52 yards to the goal line, aided by perfect interference. This time his try for the seventh point was unsuccessful. Most of the Ursinus second stringers were in the
(Continued on page 4)

"U" HOCKEY TEAM SCORES

6-2 VICTORY OVER DREXEL

Goals Made By "Bups" Francis And
"Mid" Godshall

The Ursinus hockey team invaded the Drexel Dragons on Saturday morning and returned with another victory, 6-2. The Bears opened with a determined attack which soon netted them their first goal. However, Drexel wasn't to be so easily repulsed and repeatedly worked the ball down the field to the striking circle, but quick stick work by the 'U' backs and the reliable toe of goalkeeper, Janet Bardsley, kept the ball out of the goal. Then a pretty dribble from mid-field followed by a drive by Mid Godshall gave Ursinus its second point. Drexel soon retaliated with a counter and the half ended with a 2-1 score.

During the second half the Ursinus forward line started to click. The whole line was working well together, with pretty passing as well as clever dribbling. They soon accounted for four more points with Bups Francis and Mid Godshall scoring the goals.

Editorial Comment

THE FRESHMAN PSYCHOLOGICAL EXAMINATION

What is the value of the psychological examination in predicting the scholarship of a class of students entering college from a wide variety of high schools?

These exams have become widely used as a means of measuring the mental alertness of the student. It is certainly a much quicker, easier, more efficient and less embarrassing method than interviewing the student personally, or exposing him to an old-type examination.

The examination does not measure the mentality of the individual with any great degree of accuracy, but has been proved to be a safer guide in judging the ability of the freshmen than the individual high school records. This is especially true in cases where the scholarship ratings of the high schools vary to a considerable extent and this situation is usually present when a new class of students enters college.

From former records it was observed that the results of the psychological examination and the grades obtained by the same students in college subjects had a correlation of about .50. This is a large enough correlation to prove the validity of the psychological examination.

In classifying the student his percentile rank is obtained by comparing his score with an average score for a certain year, and ranking him according to the percentile of that standard year. The 50 percentile rank is, of course, the average grade. In the class of 1937 at Ursinus College 68 per cent of the students were average percentile or above. Of this group 38 per cent were in the upper quarter rank and 30 per cent were between the 50 and 75 percentile. There were only 32 per cent of the class below average, of which 14 per cent were between the 25 and 50 percentile, while 18 per cent remained in the lower quarter rank.

The frequency curve obtained from this data would be almost bell-shaped, which is another means of expressing an average record grade.

These observations of examiners would tend to prove that the psychological examination has a definite and valuable place as a method of measurement for college freshmen.

D. E. H. '35

WANTED — WEEKLY CANDIDATES

The ever-widening scope of extra-curricular activities in the modern college necessitates a selection on the part of the student that deserves much consideration. We have reached the stage today where we no longer question the value of the great majority of these activities; we readily admit that they are a vital factor in the modern concepts of education. But the choice of these activities to meet the individual needs of each student is the problem that confronts the individual alone.

We of our Weekly staff believe that our publication has much to recommend itself to you as an important outside activity. The Bell Telephone Co. recently made a survey of the College graduates in their employ and found that invariably those who had taken an active part in literary work were more successful than others.

We quote this information to show that large corporations are not unaware of the value to be derived from "pushing the pen." The ability to express oneself clearly and accurately will never come amiss no matter what line of work he may engage in.

The Weekly at the present time is taking on new candidates and welcomes all those who are interested. Be sure, then, to consider this publication seriously when comparing the relative merits of the various activities that are open to you.

D. L. G. '34

COUNCIL TREASURER TO BE ELECTED AT MASS MEETING

At the meeting of the Women's Student Government Association held last Monday, October 2, it was decided that a compulsory mass meeting for all women students will be held on Thursday, October 15, at 5 o'clock in Bomberger. The purpose of this meeting is to elect a treasurer to the council. Candidates for this office are: Miriam McFadden '34 and Helen Eisenberg '34.

Members for the Women's Dormitory committee includes: Violet Wintersteen '34, chairman, Dorothy Patterson '35, Ruth Hamma '35, Lillian Barnett '35, Dorothy Horne '35, Helen Lewis '34, Betty Neast '34 and Ione Hausmann '35.

Y. M.-Y. W. DOGGIE ROAST HELD WEDNESDAY EVENING

After several unsuccessful attempts to have a Doggie Roast last year, the Y. M. and Y. W. met success last Wednesday evening.

A group of almost 80 students met in front of Freeland hall at 7:00 p. m. and then hiked to Lost Lake. There, most of the evening was spent in roasting "hot dogs" and marshmallows around a council fire, and in singing camp songs led by Gilbert Bartholomew '35. At the close of the evening a Friendship circle was formed by the group.

The committee in charge of the affair was composed of Betty Luther, '34 and Gilbert Bartholomew, '35. The chaperones were Mrs. Grace Cordry, adviser of the Y. W., and Dr. and Mrs. James Boswell.

THE MAIL BOX

To the Editor of the Weekly:

The close of summer finds most of the Ursinus students back on the campus, to which the college authorities have done all in their power to welcome us. New methods and changes are now in effect, and I am sure that most of them have met with student approval. However, there is one new rule that has caused much discussion and dissension. Why have the requirements for watts in the dormitories been changed, and is this change going to be profitable to the school authorities and the student body? We think it is not.

Last year students were allowed 150-watts in their rooms. These were allowed to be distributed in any way the students desired. The main light in the ceiling could be taken out and others substituted for it. The other 100-watts could be broken up into smaller wattage if the student so desired. This enabled the students to have two lamps each—a small reading lamp and a bridge lamp. Students could very conveniently study at their desks or in chairs with plenty of light. Rooms could be made much more attractive by placing lamps on tables.

This year each student is allowed only one 50-watt lamp which cannot be broken up into any smaller wattage. The ceiling lamp can not be removed. The reason for this, I believe, is that some students have taken lamps from school property and used them for their own needs. This, I do not believe, was practiced by every student, but just a few to a small degree. It, indeed, shows poor school spirit, but why should all of us suffer for the mistakes of a few.

I should think that the new way would tend to be more expensive as the student must burn a 50-watt lamp while if he were allowed to use 25-watts he could cut down wattage. I am sure the student body will appreciate it and do their best to cooperate in every way, if the school authorities will rescind.

Yours truly,
 A student

DR. STURGIS CHOSEN FACULTY ADVISER BY BROTHERHOOD

At a preliminary business meeting of the Brotherhood of Saint Paul held in Bomberger hall on Tuesday, October 5th, Dr. Russell D. Sturgis, professor of chemistry, was elected to the position of faculty adviser of the Brotherhood.

It was decided that regular meetings will be held on the first Thursday evening of every month in the Hendrick's Memorial Building. Dues were fixed at 50 cents a semester. Among those appointed to serve on committees were: Program committee, William Solly, '36, chairman, Elmer Schmitt, '36, and Allen Cooper, '35; Membership committee, Edwin Frey, '36, chairman, Louis Mitchell, '34, Pearce Smith, '35; Deputation committee; George Carvel, '36, chairman, Elmer Schmitt, '36, and Charles Ehly, '36.

It was decided by the members that prominent persons and alumni of Ursinus who are interested in work of the Brotherhood should be made honorable members. Dr. Henry T. Spangler, former president of the college, was the first to be named. Others will be added later.

A meeting will be held next Thursday evening, October 12th, to which all ministerial students, including freshmen, are cordially invited.

ACTIVITIES COUNCIL GRANTS REQUEST FOR SENIOR DANCE

Several requests were granted and a few business matters attended to at a meeting of the Council on Student Activities, Tuesday evening, October 3, in Bomberger hall.

Professor Brownback, President of the Council, mentioned that the floor of the Rec. hall would be waxed sometime in the near future.

Requests were granted to the Brotherhood of St. Paul and to the English Club for a specific time to hold their meetings. The Brotherhood was granted the first Thursday evening of every month, while the English Club will hold its meetings the second and fourth Monday nights of every month.

BURDAN'S

ICE CREAM

Phone—Pottstown 816.

The senior class was given permission to sponsor a dance on November 11, the night after the game with Muhlenberg College.

The president also stressed the fact that a notice of all programs which are held in the gymnasium and for which admission is charged should be given to Russel Johnson at least a week or ten days before the scheduled date, so that they will not be assessed more than the minimum amusement tax for the presentation.

CAMPUS FRATERNITY MEMBERS

The Inter-Fraternity Council wishes to publish at this time, for the benefit of the freshmen and new men, a list of the respective members of the five fraternities on our campus. This list along with the letter that was published in the Freshman Handbook will give sufficient information for the time being concerning fraternities at Ursinus. A special meeting will be called for freshmen later on and rushing rules and regulations will be explained at that time. Members of the five fraternities are as follows:

Alpha Pi Epsilon

E. B. Hershey, R. H. Henschel, H. S. Detwiler, W. Tropp, H. E. Seiple, W. S. Springer, J. S. Shade, R. E. Bennett, J. M. Wharton, T. R. Price, W. S. Price, C. E. Harvey, R. L. Carr, E. J. Bradford, C. D. Calvert, J. E. Davison, W. R. Hyland, A. R. Gaumer, C. L. Trumbore, J. S. Grimm.

The Tower Window

AMERICA has about decided that she will no longer attempt to regulate the manufacture and use of intoxicating liquors by national prohibition. As a nation it appears she will not do anything about it except to get all the revenue from the traffic that can be squeezed out of it. It remains for the several states to make such regulations as they will. The apparent lack of interest on the part of citizens is disheartening. The editorial pages of newspapers comment, with undisguised satisfaction, on the overwhelming vote with which prohibition is being set aside in state after state. Here and there one reads a comment to the effect that something will have to be done in the direction of state control, but no editorials that I have seen have come forward with a plan. Here is something regarding which a lot of constructive thinking needs to be done and this should not be left alone to the Law and Order committees of state legislatures.

About a year ago John D. Rockefeller, Jr., commissioned a few experts to study liquor control in the United States, Canada and European countries. The report will be published shortly and will be read with interest, and no doubt with profit by those enthused with the responsibility of framing the new liquor laws.

A little advance information regarding the report reveals a few findings that should be taken up at once. Among them are these:

"Liquor taxation should be regarded primarily as a helpful factor in promoting temperance and only incidentally as a means of producing income.

"Laws for control must have sufficient public support to secure their enforcement. Law must always be the articulate organ of the desires of living men.

"Only as the profit motive is eliminated is there any hope of controlling the liquor traffic in the interest of decent society."

We shall look with eagerness for more pronouncements from the Rockefeller commission.

G. L. O.

WOMEN'S ATHLETIC ASSOC. MAKES AWARDS TO STUDENTS

A cordial welcome was extended to the freshmen girls by Marion Blew '34, president of the Womens Athletic Association, at the first meeting of the association last Monday evening, October 2.

Miss Eleanor F. Snell, coach of women's athletics, also greeted the freshmen briefly and promised that both she and her assistant, Miss Anne Ulrich '32, would aid the freshmen as much as possible.

Miss Blew mentioned the desire of the Athletic Council to introduce a system by which the office of manager of any major sport might be applied for and obtained on the basis of the candidate's efficiency.

Letters and numerals were awarded to:

Tennis U's

Ruth Roth, '34; Bertha Francis, '35; Lillian Barnett, '35; Lydia Ganser, '36; Marion Blew, '34, Mgr.

Sportsmanship U's

Alice Richard, '35; Doris Roach, '36; Prudence Dedrich, '35; Helen Eisenberg, '34; Janet Bardsley, '35; Lou Rensberg, '34; Lillian Barnett, '35; Ruth Rothenberger, '36.

Hiking (100 miles)

Bertha Francis, '35; Dora Evans, '36; Helen Caldwell, '36; Mildred Gring, '36; Freda Schindler, '35; Adelaide Beck, '36; Beth McBride, '36; Sarah Helen Keyser, '36; Emma Kirkpatrick, '36.

Hiking (200 miles)

Lyndell Reber, '36, Ruth Burrowe, '35; Dot Barr, '35; Maude Funk, '35, Janet Bardsley, '35; Maude Funk, '35, Janet Bardsley, '35; Evelyn Hoover, '35.

Hiking (300 miles)

Lou Rensberg, '34; Catherine Prizer, '34; Nadine Jones, '34.

Before closing the meeting, Miss Snell announced the names of the two most outstanding students who will receive first and second honor awards. Marion Blew, '34, will be awarded a blazer signifying highest rating and Sara Pfahler, '34, a gold medal for second rating.

ALUMNI NOTES

'98—Dr. William Martin Ripe, Carlisle, Pennsylvania, has been serving his country by the delivery of an informative and inspiring speech on the National Recovery Administration before service clubs in his home town. The speech was also broadcast from Station W. H. P., Harrisburg.

ex-'06—Rev. John L. Guth, son of the late Rev. F. A. Guth, '82, whom he succeeded a decade ago as pastor of a number of five congregations lying northwest of Allentown in a prosperous section of Lehigh county, recently conducted a largely attended homecoming and anniversary celebration in Jordan Reformed Church at Walberts. Dr. E. M. Fogel, '94, a director of Ursinus College, was in attendance, and President George L. Omwake of the College was the principal speaker. Dr. H. E. Guth, brother of the pastor, both of whom secured the preparation for their professions at Ursinus, is a physician in the community with a large practice, and is an active member of the Jordan church.

'07—William E. Shunk of Philadelphia, Pa. passed away at his home on September 2. Mr. Shunk was born on August 19, 1882, and during his lifetime in and about Philadelphia, enjoyed a wide circle of friends. He was employed by the United States Government from 1917 to 1919 in the Ordinance Department in Washington, D. C., and from 1919 to the time of his death he served as Internal Revenue Agent in Philadelphia. Mr. Shunk was buried in Arlington Cemetery, Drexel Hill. He is survived by his wife, Bernice S. Shunk.

'16—Ronald C. Kichline, former football coach at Ursinus, is a regular contributor to the athletic department of the Philadelphia Record. The Record's report of the St. Joseph-Ursinus game was from his pen.

'16—D. O. Kerr, United States Army, stationed at Manila, P. I. sent a radiogram to president Omwake, congratulating the College on the Villanova-Ursinus football game. That tie score was evidently world news.

'28—Announcement has been made of the engagement of Miss Elsie Knibbs, of Virginia, to Joel Francis of Collegeville, Pa. The wedding will take place in November.

'31—Donald Sterner is teaching health in Woodbury, N. J., High School, and will assist in coaching football and basketball. Clarence Paine, '22, is head coach of football.

'31—Announcement has been made of the engagement of Anne Connor Wildrood, N. J., to Ray Gething ex '34, Sharon, Pa.

'32—Dorothy L. Geiser of Philadelphia, was married to Mr. Henry C. Loper of Ocean City, N. J., at her home in Ocean City on September 9, 1933. Miss Katharine Hand, '32, was maid of honor. Mrs. Loper had recently returned from spending seven weeks in Europe. Mr. Loper is employed in the First National Bank.

'32—Thelma Cooper is employed as a school teacher in Williamstown High School. In addition to teaching English, Miss Cooper is coach of dramatics and senior class adviser.

'33—Tamar Gilfert entered the Nurses Training School in Philadelphia General Hospital in September.

'33—Mary Francis is teaching English in the Collegeville High school. Among the visitors to the campus this week-end are: Eleanor Usinger '31, Ida Jaggard '31, Grace Williams '31, Alfred Creager '33, Jeannette Baker '33, Walter Welsh '33, Katherine Dimler '33, Rhea Wheatley '33, Philip Citta '33, Eugene Simmers '33, Louella Mullin '33, Naaman Barr '33, Elmer Diskan ex-'34, Evelyn Glazier '32, Dorothy Kehs '33, Huldah Myers '33, Mr. and Mrs. (ex-'33, '31) John Frick.

The alumni editor wishes to correct an error which appeared in the last issue. Elsa Garrett is teaching in Schwenksville high school and not Collegeville high school as stated.

NEW METHODS TO BE USED IN CURTAIN CLUB TRYOUTS

The Curtain Club will hold tryouts for membership this week. Freshmen and upperclass students are invited to attend the tryouts. The time and place will be announced later.

Students desiring to apply for membership will perform before the club and judges. Readings or recitations will be accepted.

This is a new method of application. Formerly one-act plays were presented and it was necessary to participate in one of these plays before becoming a member. It is hoped that under the new system new talent will be discovered.

GAFF from the GRIZZLY

Once upon a time there was a freshman who tipped his dink.

* * * * *

Take off them false whiskers, Evans. We know you.

* * * * *

"Darn these freshman rules," gurgled Price (the sheep in wolf's clothing) tearing violently at the South hall hedge. "Aw, come on out anyhow, Sylvia."

* * * * *

We hope that Glassmoyer's sweater doesn't wear out before it changes color again.

* * * * *

Wanted: Someone who likes to play house. Applicant must bring his own dolls.

Apply—Spencer H. Lower dining-room.

* * * * *

Have you heard Scheile play "Tiger Rag" on the B flat Umpha horn? He almost blew out what little hair he has.

* * * * *

The first of a series of weekly concerts at the "Robin Hood Dell" was endured Thursday night with Geoffrey Von Bassman, eminent German composer, conducting.

* * * * *

We wonder who Johnston goes to see in Haddon Heights? Father or daughter.

* * * * *

The big tank and seat man from St. Clair wishes to announce that he has relinquished the reins of the Campus Owls to Mr. Leman.

DR. E. B. WHITE TO COACH WOMEN'S DEBATING CLUB

A short business meeting of the Women's Debating Club was held in Maples Hall on Monday evening, October 2. After a brief discussion concerning the constitution, the members voted for Elizabeth B. White as official coach and faculty advisor of the club. They also informally considered plans and programs for an interesting club this year.

The present officers of the club are: president, Sara Brown '34, vice-president, Jane Evans '34, and secretary-treasurer, Mildred Fox '35.

INT. REL. CLUB TO DISCUSS "IMPORTANT PERSONALITIES"

A special program on "Important Personalities" will be the feature of the next meeting of the International Relations Club which will be held tomorrow evening at 8 o'clock in Shreiner hall. The club has issued invitations to attend this meeting to approximately thirteen members from the sophomore, junior, and senior classes.

The program is of a nature designed to show the usual activities of the club members. Four speakers will present studies of the personalities of men who have been important or are important at the present time in their respective countries. The outline of the program for the evening is as follows: "Former King Feisal of Irak" presented by Martha Moore '34; "Gomez, Dictator of Venezuela" by Nadine Jones '34; "Pilsudski of Poland", Eugene Shafto '35, "Prime Minister Manuel Azana of Spain", Margaret Shively '35.

The guests invited for the evening were selected by the club from the names of candidates for membership submitted to the secretary.

BEARS DEFEAT ST. JOE'S

(Continued from page 1)

contest when the first half came to a close. Meanwhile the backs were holding the Drexel offense scoreless. Fullbacks Monty Blew and Alice Richard played especially well on the defense. close with the Red, Old Gold and Black in the van, 13-0.

Tropp Scores for Bears

The second half was much like the start of the first half. After the Hawks failed to gain, they again punted, and the Bears started another touchdown drive. Straight football was again used on this drive, and it ended with Captain Tropp steaming across from the two yard mark on a reverse play. Shuman made it an even 20 points when he converted the try for the extra point.

Following this, Coach McAvoy inserted his second and third teams which played throughout the remainder of the game. Against them the Hawks netted several first downs mainly via the air route, but the visitors never really threatened.

Little can be said of the Grizzlies' aerial play for not a pass was completed in five attempts. The offense clicked smoothly on several occasions, but raggedly on others. The Bears' forward wall again locked plenty powerful, and gave those who did not see the Villanova game a chance to see its strength. Those who played best defensively for the Grizzlies were Bassman, who was tackling with deadly accuracy, Rinehart at center, and Bradford, who showed some classy tackling at end. Knudsen exhibited some excellent blocking. For the visitors, halfback McGonegal was the big gun.

Dickinson Next

With the Villanova game tied, and the St. Joe game safely tucked under their belts, the Bears will attempt to maintain their undefeated record when they open up their Conference campaign against Dickinson this Saturday on Patterson Field. The Red Devils will be stronger this year according to all reports, and the Grizzlies will have their hands full.

LOOKING 'EM OVER

St. Joseph's here trying to show that Villanova just had an off day... And that's all we want to know... Giants 2-Washington 2 after ten minutes... Way ahead of 'em gang, Ursinus 7, St. Joe's 0... Pipe the ump with the lid... A regular track man... Kravitz broke a long losing streak to crash into the game and near his letter... Mancauskas at end for the Hawks... Enough letters there to choke a horse...

Horse Chase out there on the field with the officials, showing off his broken finger... It didn't take the Bears long to make up their mind... Shuman sliced off tackle for eleven yards for a touchdown after only two minutes of action... St. Joe folded up like a kite, and it was just a ques-

tion of what the score would be...

Mass play thru center in second period... Shuman comes out of the mob like a shot from a gun and gallops 52 yards for a score to prove he wasn't fooling the first time... Tropp adds another in the third quarter on a dash around end in the third quarter, and the game ends with St. Joe trying to score on our third team

MISS WINDER TO ADDRESS

COMMUNITY MASS MEETING

The citizens of Collegeville, Trappe and neighboring communities will hold a mass meeting in Bomberger hall on Thursday, October 12, at 8 p. m., to consider the World Limitation of Armaments.

The meeting is to be addressed by Mary Ida Winder, associate secretary of the National Council for the Prevention of War, Washington, D. C. Miss Winder graduated from Nebraska Central College and has done graduate work in the field of international relations and is well-known as a speaker on international problems. During 1928 she studied and traveled in Europe and this past summer was again abroad where she met prominent political leaders and discussed world affairs with them.

It is planned to forward the view of the meeting to the Geneva Conference which will reconvene on October 14. Students and faculty are cordially invited to attend the meeting along with the townspeople.

FRATERNITY RULES CHANGE

(Continued from page 1)

accept invitations to attend any or all of these smokers, all of which will take place on the college grounds.

Under the present rules, three hours elapse between the time a new man receives a bid and the time it must be returned. In order to prevent any "high pressure salesmanship", each freshman will receive his bid or bids in the presence of the Interfraternity Council, and will accept or reject them in writing immediately.

COLLEGE DEBATING MEETING

(Continued from page 1)

the retiring president was elected to the office of secretary-treasurer for the ensuing year, and will assume the newly-delegated powers of executive-secretary. He is succeeded in the presidency by Professor Crittenden of Temple University.

The debaters representing colleges from all parts of the state had the opportunity of getting together to discuss problems in connection with the selection of judges, the Oregon plan, the direct-clash plan, and the arrangement of debating schedules. following the report of the committee on the selection of a question, of which Prof. H. L. Carter was a member, a vote was taken, which resulted in the approval of these five questions, in the order given:

1. Resolved, that the essential features of the N. R. A. should be adopted as the permanent policy of the United States government.
2. Resolved, that the federal government should own and operate all banking institutions in the United States.
3. Resolved, that Pennsylvania should adopt a system of socialized medicine.
4. Resolved, that the United States should recognize Soviet Russia.
5. Resolved, that the extraordinary powers granted by the last Congress to the president should be made permanent

BETA SIGMA LAMBDA

PLEDGES NEW MEMBERS

The Beta Sigma Lambda fraternity, of which Lawrence V. Shear is president, announces the pledging of five men. These men are: Daniel F. Little '34, George P. Stoudt '35, Richard B. Pierce '36, Robert R. Deen '36, and Charles L. Cubberly, Jr., '36. The pledges were inducted into the organization at the regular meeting Wednesday night, October 4th.

TENNIS TOURNAMENT ENDS

(Continued from page 1)

third set drew to a close with the score knotted up at four all. Danehower came through with some pretty shots to win the ninth game after trailing in it 15-40 on his own service. He ran out the last game to clinch the tournament, by breaking through his opponents service. Throughout the match Danehower played a volleying game at the net with great effect, while Heiges, playing consistently, ably covered the court.

Two freshmen, Worster and Fenimore, reached the semi-finals, but could not quite make the grade against the varsity men. Danehower, after trailing 4-2 in the first set against Worster, rallied to win 7-5 and ran out the second set 6-1.

Heiges had more trouble with Fenimore, winning in a hard three-set match. It was a game of consistency vs. consistency, the result of which was doubtful until Fenimore drove the last one into the net. The scores favored Heiges 6-4, 3-6, 6-3.

The tournament served its purpose in bringing to the fore new talent, which will be of use in organizing the men's tennis team next spring. Cam Kurtz and Bob Cunningham, varsity men, were eliminated after putting up hard fights in the earlier rounds of the tourney.

Do you remember

... all of the claims that have been made about smoking tobacco—how it was that one was this and that one was that?

After all, what you want to know when you get a thing for a certain purpose is . . .

"Was it made for that?"

Granger is made of White Burley—the kind of leaf tobacco that's best for pipes.

And old man Wellman, who taught us how to make Granger, knew how.

Granger is made to smoke in a pipe—and folks seem to like it.

*a sensible package
10 cents*

Granger Rough Cut
