Excellent Program for Founder's Day

Felix Schelling Will Speak At
Exercises; Recital By
Phila. Artists

DEGREES TO BE CONFERRED

The Founder's Day program for Thursday, March 8, promises to be one of the most worthwhile programs which has ever been offered to Ursinus students, faculty, and friends. The College has been most fortunate in securing as guest speaker, Dr. Felix E. Schelling, famous authority on Elizabethan literature. Dr. Schelling, in addition to numerous degrees which have been conferred upon him has the honor of having been the John Welsh Centennial professor of English literature at the University of Pennsylvania for the past forty-one years. He has been universally acclaimed as one of the most outstanding scholars in his field and he has written several literary histories and criticisms of the Elizabethan period. The subject of Dr. Schelling's address at the Founder's Day exercises will be "The Land the Puritans Put Behind Them". His extensive knowledge of conditions in England at the beginning of the seventeenth century will enable him to give us a clear cut idea of the life which our forefathers renounced when they sailed for America and landed on that memorable "Founder's Day" which began the life of a great nation.

After Dr. Schelling's address the College will confer a number of honorary degrees. The degree of Bachelor of Science, will be presented to Donald Housenick Wasley who has completed his course of study at Ursinus College.

Following these exercises the annual Founder's Day "Family Dinner" (Continued on Page 6)

MEN'S NEGATIVE TEAM

DEBATES ON AWAY TRIP

The second of the series of debating trips scheduled for the Men's Debating Club was completed last week when the negative banking team returned, after having met Susquehanna, Shippensburg Teachers' College, and Muhlenberg. The team, which was composed of Paul Shelly '36, Thomas Beddow '36, and Abe Lipkin '37, won at Susquehanna by a 2-1 decision, and lost at Muhlenberg, 3-0. The third debate was a no-decision contest.

In the first debate, held at Susquehanna College on February 28, Thomas Beddow '36 gave the constructive speech and answered questions, while Paul Shelly '36, cross-questioned and summed up. Messrs. Kerschner and (Continued on Page 6)

Women Debaters Win and Lose In Dual Contest With W. Md.

Debating the possible permanency of the N. I. R. A., the women's affirmative team from Western Maryland met the women's negative team from Ursinus on Friday evening, March 2 in Bomberger hall. The decision was 2-1 in favor of the home college coeds, two votes having been given by judges Mrs. Cordry and Mr. Gensler, and the third by the audience.

The question for debate was: Resolved that the essential features of the N. I. R. A. should be adopted as the permanent policy of the United States government. The affirmative side of the question was upheld by Misses Witcraft, Chell, and Riley. The Ursinus negative debaters were Dora Evans '36, Alice Richard '35, and Thelma Smith '36. Professor Harvey L. Carter acted as chairman for the evening.

While this debate was being held at home the negative team of Ursinus, having traveled to Westminster, debated the same question with Western Maryland's affirmative team. The decision by vote of the judges and audience was awarded to the affirmative team composed of Katherine Simmons, Eleanor Lines, and Mary Parks. The Ursinus team consisted of Elizabeth Kassab '36, Agnes Baker '36, and Sylvia Liverant '34.

AID NEEDED FROM ALUMNI

Ursinus students are this year sponsoring a literary publication, *The Lantern*, which appears three times during the college year. There are two issues yet to be produced, one during this month, and one in May. The purpose of the magazine is to provide opportunity for the literary expression of the students.

It is expected that "The Lantern" will become self-supporting within a few years but at present the cooperation of interested Alumni is essential to its success.

The remaining two issues may be secured for fifty cents. Alumni are urged to communicate with Edward Ellis, Business Manager, Stine Hall, at once.

Seniors Plan Dance and Play Mar. 16-17

Frank Winegar's Orchestra Will
Furnish Dance Music
For The Ball

SENIOR PLAY SAT. NIGHT

Senior Dance

Charlton H. Bonham, chairman of the Senior Ball Committee, recently announced that Frank Winegar's orchestra has been selected to play for the ball on Friday, March 16. This orchestra which has just returned from an engagement abroad formerly broadcasted over the Columbia net-work twice a week. They have also played at the Village Barn and at Young's Chinese-American restaurant in New York.

The gymnasium will be decorated in green and white in observance of St. Patrick's day.

Tickets will be on sale Wednesday, March 7. The tax will be \$3.00.

Senior Play

Light mystery is the predominant characteristic of "The Donovan Affair," the play by Owen Davis which the senior class will present on Saturday, March 17.

The play centers on the murder of Jack Donovan, and all the scenes are staged in the library of Peter Rankin where the murder has occurred. The play begins immediately with the questioning of the characters who were in the room at the time of the murder. Incident upon incident involves nearly all of them until the guilty one is finally found.

PROF. F. I. SHEEDER SPEAKS

TO YORK ALUMNI MEMBERS

York:—Prof. Franklin I. Sheeder '22, registrar of Ursinus College, was the speaker at the annual dinner meeting of alumni and friends of Ursinus College in York county held Friday evening, February 23, in the social rooms of Zion Reformed church. Nearly fifty persons were in attendance.

In his address Prof. Sheeder pointed out that the need for educated and highly trained persons will be far greater in the future than in the past. The longer school life resulting from child labor laws demands more talented educators, and the shortening of work hours and increased time for recreation demands more and greater trained leaders.

He announced that during this year Ursinus college will give aid to needy students to the amount of \$40,000, and that the number of graduates from 1925 to 1933 far exceeds the number who graduated from the years 1873 to 1924.

Dr. George Leslie Omwake '98, president of the College, and Dr. Whorten A. Kline '93, who had planned to attend the dinner meeting, were absent on account of illness.

Andrew R. Brodbeck, Hanover, and T. E. Brooks, Red Lion, directors of the College, were present and delivered brief addresses. Rev. Dr. J. Kern McKee '98, retiring president of the association, was the toastmaster.

During the business session the following officers were elected for the ensuing year: President, Gilbert A. Deitz '18; vice-president, Rev. Walter E. Garrett '99, Hallam, and secretary, Miss Helen Ort '28. S. S. Laucks of Red Lion, was reelected treasurer.

"Jack" Hart Talks to Ursinus Groups

Lecturer and Writer Addresses

and Chapel

SPONSORED BY Y. M.-Y. W.

Tuesday Evening

"Health, Life, and Religion" was the subject of Dr. John ("Jack") Hart's talk Tuesday evening, February 27, at the opening meeting of the Week of Prayer.

Speaking from the wide and accumulated experience of an outstanding athlete, lecturer, minister, and writer, "Jack" Hart developed his theme with particular vividness and enthusiasm. He emphasized the value of health, which he interpreted as an outstanding factor in the life process.

Perhaps the following statement best epitomizes Dr. Hart's talk: "The person who possesses life at its fullest has a continued growth or unfolding of physical, mental, and spiritual possibilities throughout the years."

Dr. Hart attributed a great amount of importance to the word "life" and quoted the following statement: "Life is the sum total of all the forces that resist death."

FEDERAL AID GRANTED TO NEEDY COLLEGE STUDENTS

President Omwake received announcement from the Federal Emergency Relief Administration that Ursinus College had been allotted for the month of March \$420 for the employment of thirty students in part time jobs. Eighteen students were put to work during the past week and others will be added as new projects get under way. At the present time eight men are employed in removing snow from campus walks, two men are employed in the men's dormitories, two women are supplementing the kitchen staff and six women are assisting Miss Barnes in mending and classifying books in the Library. David Stephenson has been appointed time keeper and will have charge of the accounting procedure.

Early announcements from the federal government indicated that twenty-five percent of the students employed must be new students admitted at the opening of the second semester. This provision has been changed and President Omwake has been informed that in the future the College may (Continued on Page 6)

Shaw-Bernard Collection On Display In College Library

The Shaw-Bernard Collection of art objects, curios, etc., which were collected by Miss Shaw and Mrs. Bernard on their extensive travels in all countries of the world, and were later given to the College by Mr. J. Maxwell Bernard, is housed in the large room on the second floor, east, of the Memorial Library. Now and then it has been remarked that there was no opportunity to see this interesting and valuable collection. Provision has been made to have the collection open to students and visitors. For the remainder of this year the collection may be seen on Saturdays from 10 to 12 and on Sunday afternoons from 2 to 4.

NOTICE TREASURERS!

At the last meeting of the Finance Committee the following two motions were passed. Each organization is now responsible for strict observance of these two rules:

First, that a complete and satisfactory report must be submitted to the Finance Committee within two weeks after any affair which entails a financial report is held.

Second, that no organization is allowed to make any personal loans under any circumstances.

MAY DAY NEWS

Margaret Jenkins '34 has been chosen as manager of the May Day pageant, which will be presented May 12.

Dolores Quay '34 was elected May Queen at an election held Friday noon. The courtiers and attendants chosen by the various classes are: senior courtier, Betty Luther; attendant, Sara Mary Ouderkirk; junior courtier, Frieda Schindler; attendant, Troupiere Sipe; sophomore courtier, Elizabeth Kassab; attendant, Betty Evans; freshman courtier, Virginia Fenton; attendant, Ida Trout.

Mrs. Ogden has requested that all girls desiring to sign up for participation in the May Day dances do so as soon as possible. At the present time rehearsals will be held only during class periods on Tuesday at 9:00, 10:00, 11:00, 1:00, and 2:00 o'clock. All girls who are interested in dancing and who have a free period during any one of these hours should report to Mrs. Ogden at that time.

Dean Kline Guest of Honor at Phila. Dinner

of Phila.

ELECTION OF OFFICERS

Dean Whorten A. Kline was the guest of honor at the annual dinner of the Philadelphia Alumni Club, held at the Benjamin Franklin Hotel on Friday evening last. Eighty-five alumni and friends were in attendance, representing practically every college generation.

A distinctly newspaper flavor was given the gathering by the presence of T. A. (Tom) Daly, of the Evening Bulletin, and E. S. (Dad) Moser, veteran editor and proprietor of the Collegeville Independent. Mr. Daly, whose reputation as a poet and humorist and as a sympathetic interpreter of the Irish-American and Italian-American people is nation wide, delivered a lively and entertaining address, in the course of which he introduced a number of the verses of what he demurely referred to as his favorite poet—Tom Daly. Mr. Moser, who established his paper in Collegeville but five years after the College was founded, gave an interesting summary of the impressions gleaned through almost sixty years of continuous contact with faculty and students.

Dean Kline who is rounding out forty consecutive years as a member of the faculty and a quarter century as Dean, delivered a most eloquent address. He prefaced his remarks by (Continued on Page 6)

MATMEN CLOSE SEASON WITH 17-11 VICTORY OVER RUTGERS

The Ursinus matmen closed the 1933-34 mat season on Saturday evening with a brilliant victory over Rutgers University, 17-11. Coach Wieneke's men captured four matches by time advantages and one via the fall route. Rutgers, coached by "Bill" Cann, former Olympic coach, was the pre-meet favorite.

Reynolds and Siegel started the hostilities of the evening. Siegel had little trouble, winning with a seven minute time advantage. "Tiger" Turner, wrestling in great form, knotted the score at 3 all when he took Sam Burnett in hand. "Ed" Dannehower drew the able Capt. Ackerman as his opponent in the 135 pound class and gave the visiting captain a fine battle before he was pinned in 4:40.

Capt. Shollenberger gained a two minute time advantage over Herb Seaman in a close match and Gene Bradford put Ursinus in front when he defeated Harry Barski on time. Red Bassman, undefeated in the current season, clamped Ed Schwarg to the canvas in 4:30. "Sam" Levin won his initial victory of the season when he gained a long time advantage over "Charley" Van Houten. Alex Kravitz and Geo. Bonder tangled in the unlimited class. Borden succeeded in gaining a two minute time advantage.

Courtmen Win One; Lose Two

Down Dragons by 32-30 Count

and Gettysburg

LEBANON VALLEY HERE WED.

The Drexel Game

With Polly Breisch in the stellar role, Ursinus edged out a 32-30 decision over Drexel in an Eastern Pa. Conference court battle that wasn't decided until the final whistle left the Bears hanging grimly on the lead by the margin of a single basket. The win brought the Chasemen out of the loop cellar for the first time this season, and it was their second straight triumph after a prolonged losing streak of nine in a row.

With the Dragons in the van, 30-29, and about a minute to play, Cliff Calvert drew a foul. With the game practically hinging on his effort, he converted the try to knot the count at 30-30.

Roy Johnson, star center of the Bears, won the ensuing tip-off, and Ursinus passed the ball into scoring territory where Breisch came through with his winning goal, grabbing the pumpkin in a mad scramble under his basket, and splitting the cords on a bark shot.

The Gettysburg Game

The Grizzlies' hopes of emerging from the cellar position in the Eastern Pennsylvania Inter-Collegiate Conference were shattered by Hen Bream's Bullet quintet when they trounced the Bears by a 24-37 count on their home floor Friday evening.

The Battlefield boys got away to an early lead and held the upper hand (Continued on Page 6)

GIRLS LOSE TO DREXEL AND TIE BEAVER 20-20

Last Tuesday Drexel sprang a surprise in Ursinus basketball circles by an unexpected 22-11 victory. The Ursinus squad didn't seem to be able to function properly at any time and trailed throughout the game. However, Drexel made the most of their opportunities and deserved their welcome victory. Mid Godshall scored all of the eleven points for Ursinus.

After losing the drab game to Drexel the girls basketball varsity tried hard to redeem themselves on Friday when they tackled Beaver. However Beaver, also smarting under a one-margin defeat by Ursinus in a previous game this season, determined to give a good account of themselves. Consequently after a fast, hard fought contest both were satisfied and both were disappointed as the final whistle blew with a 20-20 deadlock. (Continued on Page 6)

FROSH BEAT DREXEL

Coach Paul's Cubs annexed their fourth straight victory at the expense of Drexel Frosh at Philadelphia, last Wednesday night. The score was tied at half time 19 all, but with the start of the next period, Ursinus pushed in goals from all angles and found themselves in possession of a wide 49-35 margin at the final whistle.

Editorial Comment

EVENTS WHICH MERIT OUR SUPPORT

There are several events which have been scheduled for this semester which we feel are worthy of the attention of all the students. The most important of these might be listed as follows:

On Thursday afternoon of Founder's Day, March 8, Dr. Felix E. Schelling, professor of English literature at the University of Pennsylvania, some of whose achievements were listed in a previous issue of the Weekly, will speak to the students and faculty during the academic exercises. The reputation of this professor and the esteem in which he is held would seem to be an indication of the large audience which this speaker merits. The appearance of two members of the Philadelphia orchestra in a string recital on the evening of Founder's Day is also worthy of our support.

Another event which should be of particular interest to all students because it is a student project is the All-Ursinus Conference which will be held the first week-end in April. Plans to extend the conference from Friday night to Sunday noon are being considered. The subject and speakers (Ursinus professors) will be announced next week. Last year was the first time a conference of this kind had been attempted on the campus, and it will be remembered that it was supported with a great deal of enthusiasm by a large number of students.

Besides these events announcement has been made of two chapel speakers who have been scheduled for the month of April and May. Dr. Victor Monod, the eminent French lecturer, will address the student body April 23. On May 11, there will be an opportunity to hear Dr. Archibald Rutledge, the distinguished naturalist.

Let's support these events, students. A great deal of trouble is involved in arranging such programs and each one of them is a part of college which none of us can afford to miss.

D. E. H. '35

SPORTSMANSHIP AND URSINUS STUDENTS

The sportsmanship displayed by some members of our student body at home basketball games is worthy of a word of comment

It seems that many of us have forgotten that there is more to intercollegiate athletics than merely winning games. No college or any other institution for that matter can afford to tolerate the unsportsman-like attitude that is obvious at most of our home basketball games. Support of the team is desired but riding the referee and the opposing players certainly is a poor means of support.

We admit that the referee may make mistakes occasionally but it hardly seems possible that an individual in the back part of the gallery is in a position to call him wrong on every foul he calls on Ursinus. Although our team has very few victories to its credit there is no excuse for the actions of some of our rooters.

Undoubtedly, this comment can be directed to only a small percentage of Ursinus Students, but if that minority group can show no better sportsmanship at future games than they have in the past it might be better for all concerned if they remained away from the gymnasium when home encounters are scheduled.

Only one basketball game remains to be played this season and that is scheduled for next Saturday night. It is hoped that the unsportsman-like attitude may be changed not only for this game but for all future athletic contests at Ursinus.

FRESHMAN DEBATING TEAM LOSES TO NORTH COVENTRY

The freshman girls' debating team representing the affirmative side of the question, "Resolved, that the essential features of the English broadcasting company should be adopted by the United States government", lost to the negative team of North Coventry high school by a 2-1 decision. However, the freshman team were awarded all the points for delivery of speech.

Charlotte Tyson, Mildred Olp, and Florence Roberts debated for Ursinus, while Fay Wilson, Alice Kulp, Merle Fisher, and Jacob Dick, alternate, debated for North Coventry. Jane Stephen '35, has been coaching the affirmative team.

The judges were Rev. Hinson V. Howlett from West Chester, Dr. Charles Selzer from West Chester State Teachers College, and Mr. Maurice Stratton, principal of the West Pottsgrove high school.

"THE SHRINE OF DREAMS" TO BE PRESENTED IN NORRISTOWN

"The Shrine of Dreams" is the name of the pageant which Margaret Jenkins '34, submitted for presentation on May Day. The pageant can be summarized thus:

"It is May Day and all the people have gathered for their celebration. As is the custom, the prince presents a play for his queen. This one is especially colorful. It dramatizes the search of man for the worth while things in life. He comes, with fruits of realized dreams to seek a large vision, dreams yet to be achieved, and finds Inspiration at the Shrine of Dreams. The coronation ceremony follows and with the usual gay recessional, the folk return to their homes".

"The Shrine of Dreams" will be presented in Norristown by the Girl Reserves and the Tri-Hi-Y Club. The tentative date for the presentation of the pageant is Saturday, April 28.

GAFF from the GRIZZLY

From the appearance of 213 Derr, either O'Donnell has gone in for cutting out paper dolls or Mr. Rosenberger has been brushing the dandruff out of his hair again.

The status of No. 4 has changed from first seeded suitor to errand boy.

"Jean" Shafto, Ursinus playboy and eminent biologist, has been requested (by one of the profs.) to take his repast in the dining room hereafter.

Since last week's bit of publicity, "Nan", indefatigable custodian of the western dormitories, has been forced to down offers to endorse Hoover and Airway vacuum cleaners.

Upon being interviewed upon the sudden burst of class cutting by Curtis hall residents, Hunter and Pole stated: "Our 'Big Ben' alarm clock (never whispers—always shouts) has been silenced for the first time in three years."

Mike Hunter: Please pay that one cent you owe me, old deah, or perhaps I'll be forced to use drastic measures. Sincerely yours Donald De La Koshay

"Right Reverend" Mitchell sets another world's record. His average was exactly 100 per cent in missing the basket in the local foul-shooting contest.

There has been a moratorium declared on putting Craig Johnston in Gaff since he complains that his past frequent appearances in aforesaid column spoiled his chances for a Lorelei bid.

Prof. Stoney Burhans has issued the following statement: "A wonderful change has come over me this year. I am inspired to greater heights in my work and I do not have far to look for the course of this change. You may quote me as saying that all I am I owe to the W. C. T. U." (Women's Christian—you know the rest).

Springer, the famous economist, claims there is no depression. He has just spent \$52.50 for a new tom-tom and takes his femme to the cinema twice a week. When interviewed his excellency vehemently exclaimed "Jeebers Cripes."

GRIZZLY GLEANINGS

A Nit-Wit Ditty

Not over six short weeks ago Ursinus saw a spectre pass its way; The torture only we could know Who suffered from his potent sway.

Through eight excruciating days He slowly took his heavy toll; He led us through a misty maze, And in his toils, he held each soul.

When those dread days had really passed, Relieved were we, exhausted, too; And when we once again were massed, Our friends were minus by a few.

Today, nearby, and coming fast, The shadow of this spectre looms; We wonder if again we'll last, To see a few more vacant rooms.

Disease, and famine, and dread war May get our elders' brainy slams, But youth is made so sick and sore By the approach of tough exams.

"Little Round Top" Freas recently wrestled the W. H. E. C. (the World's Hamburger Eating Championship) from "Wimpy" Lauer. Unfortunately, after the match "Osc" lost all ten of the hamburgers he consumed in taking the championship. "This accident," says his manager "Big Round Top" Worster, "was undoubtedly caused as he entered the match before he had fully recovered from his recent haircut."

"Flat on the Back" Gill issues a warning that two weeks hence he will attempt to wrestle the jeweled belt (they will have to add more links) from the grasp of the "twin tops" and take it to Derr hall. Gill expects to go into training this week and next and break all former records by cleaning the steps of Derr at least once a week. This he claims will increase his appetite while at the same time it will decrease his girth thus

saving the N. H. E. C. (National Hamburger Eating Commission) considerable expense when they have the jeweled belt altered.

THE MAIL BOX

To the Editor of the Weekly:

It is with extreme satisfaction that the Music Club announces the artist recital to be given on Founder's Day by Mr. Zimmerman and Mr. Feher who have so kindly offered to play before an Ursinus audience.

Concerts of this type are all too infrequent, and the news of the coming string recital will be a delight to all music lovers on the campus. No one should miss the opportunity to hear these accomplished musicians. Their program is one of unusual merit, one which assures an evening of pleasure to all who attend.

**GIRLS SECOND TEAM WINS
OVER DREXEL AND BEAVER**

Drexel Game

Not to be totally disgraced by Drexel, the Ursinus second team managed to succeed where their varsity mates failed, when they overcame a lead at half-time to win out 24-19. The first three quarters were duplicates of the varsity game but the final period was fast and exciting. Alice Richard, substitute forward, proved to be the girl of the hour as she dropped three baskets in succession in the last few minutes.

Beaver Game

The Beaver second team was served its first defeat of the season by the Ursinus subs by a 19-13 score. The game was close through-out and at the third quarter Beaver was ahead 13-11. However, during the last quarter the U. forwards made their efforts count while the Ursinus defense held their opponents scoreless.

**SHREINER AND FIRCCROFT
VICTORS IN DORM GAMES**

In the two inter-dorm games of the week, Shreiner upset South and Fircroft proved too much for the Lynnewood-Sprinkle team. The Shreiner-South game supplied plenty of thrills and the victor was not decided until the last minute of the contest when Seitz dropped the basket to give Shreiner the 7-5 victory. The second game was also close until the very end when Fircroft increased their scant 8-7 lead to a 12-7 victory.

Modern Language Group

The Modern Language group will hold a short meeting Tuesday night, at which Dr. Yost will discuss his travels in Europe during the past summer. His talk will be supplemented by snapshots which he obtained while traveling.

Y. W. C. A.

The World Fellowship Committee of the Y. W. C. A. is planning to have an American student as a speaker for the "Y" meeting on March 14. Unfortunately, due to a change in the date, the Chinese speaker previously scheduled will not be able to attend. No definite program has been announced but it is believed that the subject of the talk will be "The United States."

Hall-Chem. Society

Mr. William S. Pettit will speak about "The Chemistry of Photography" next Monday evening, March 5, at the meeting of the Hall Chemical Society. The meeting has been scheduled for 8:00 p. m. in the Science building.

Every member is requested to attend because several important business matters will be discussed.

for Pipe Smokers

the pipe tobacco that's **MILD**
the pipe tobacco that's **COOL**

The method of preparing Granger Tobacco for pipe smoking is not like any other method now in use.

So far as we know, it is the best way ever found of taking out of tobaccos the oils that don't smoke right or taste right in a pipe.

Granger owes its extra

fragrance and mildness to Wellman's Method.

The way Granger Tobacco is cut—in big flakes—helps it to smoke cool and last longer. Try it.

ONLY THE
CENTER LEAVES FOR

Luckies

1 Luckies do not use the top leaves . . . because top leaves are under-developed . . . they are not ripe . . . They would give a harsh smoke.

2 Luckies use only the center leaves of the finest tobacco plants . . . because the center leaves are the mildest, tenderest, smoothest.

3 Luckies do not use the bottom leaves, because bottom leaves are inferior in quality. They grow close to the ground, and are tough, coarse and always sandy.

This picture tells better than words the merit of your Lucky Strike. Luckies use only the center leaves. Not the top leaves, because those are under-developed—not ripe. Not the bottom leaves, because those are inferior in quality—they grow close to the ground and are tough, coarse and always sandy. The center leaves are the mildest leaves, the

finest in quality. These center leaves are cut into long, even strands and are fully packed into each and every Lucky—giving you a cigarette that is always round, firm, completely filled—no loose ends. Is it any wonder that Luckies are so truly mild and smooth? And in addition, you know, "It's toasted"—for throat protection, for finer taste.

The Tower Window

RECENTLY there was held in the ancient sea-port town of Amoy in southern China, the third Triennial General Assembly of the Church of Christ in China. In this city was built the oldest protestant church in China in 1842. One by one the independent denominational missions within the Empire are yielding their peculiar character and identifying themselves with this nationwide body. The Church of Christ in China is a great union movement designed to bring into one more influential and effective agency, the diversified churches resulting from foreign missionary enterprise. It embraces 16 synods, 86 distinct associations, and over 800 organized churches. In the South Fu-Kien Synod alone, in which Amoy is situated, there are some 10,000 communicants.

The business of the Assembly was conducted entirely in the new national language known as "Kuo-yu," although the dialect of Amoy is as different as that of any part of China. The topics subject to discussion and resolutions were such as would appear on the docket of a Western church gathering: Evangelism, Christianizing the Home, Religious Education, Youth in the Church, Finances, Self-support, Social Betterment, Publications, Formulas for Marriage, Burial of the Dead, Ordination, Baptism, etc. Throughout the spirit of nationalism was apparently tempered by the universal character of the Christian Religion.

The following paragraph from the Report on Youth in the Church will be interesting to Americans:

"Modern youth, whether student or non-students, have many internal conflicts: They are filled with resentment because of repression; their minds are scarred with melancholy; they are in secret pain because of self-knowledge; they sigh for lost hopes; they experience emotional thrills from mystic experiences; they rejoice in love; they rebel fiercely against a mechanized life; their faith burns within them like fire; they make heroic plans to remake society; they are sadly pessimistic over the emptiness of life; they cry out at the destruction of life; they are in a tumultuous struggle between reality and reason. There is nothing in heaven or hell that is not included in the area of their thinking. Lost in myriads of phenomena; they are unconscious of the ancient men of the past and have no thought for those who may come after them. As the Church sees youth lost in this intricate web of problems, it surely with a heart full of love and faith and hope, must go along with youth to find together a way out, crying aloud to God, "Thy Kingdom come on earth as in Heaven."

The report of this oriental church gathering is culled from a most interesting letter sent me by my esteemed classmate, the Rev. Asher R. Kepler, D. D., executive secretary of the Church of Christ in China since its beginning. In June, Dr. Kepler will move his headquarters from Shanghai to Peiping in order to be nearer the northern synods to which the secretariat is to devote special attention for a period of years.

Hail Kepler, and continued success to his noble work on the other side of the world.

MISS TAKACS PRESIDES AT MEETING OF FRENCH CLUB

Irene Takacs '34, who has been elected president of Le Cercle Francais, presided at its first meeting Wednesday night, February 28.

Martha Moore '34, read a report on "Monuments of French literature". Ruth Levengood '35, entertained the group with a piano solo consisting of excerpts from Schumann's "Papillon". This was followed by some amusing anecdotes told by Professor Reginald Sibbald, who also directed a number of lively games.

The second Wednesday of each month has been chosen as the date for the regular meeting of the organization. The meetings will be held after the Y. W. C. A. meetings so that there may be no conflict.

"BELGIUM" SUBJECT OF DISCUSSION AT I. R. C.

Members Report On Foreign Policy, Treaties, King Albert, etc.

The International Relations Club held its bi-monthly meeting on Tuesday, February 27, at 8 o'clock in Shreiner hall. Margaret Shively '35, led the discussion on Belgium, which was the topic for the meeting. She told how Belgium has recently been brought into the lime-light by the death of King Albert, and how there has been quite a bit of dissension concerning Leopold III, the new king, who seems very well fitted for his position by his political education and who will probably live a life as simple as did his father, King Albert.

The next speaker was Esther Lightner '34, who said that Belgium is divided into two parts—a northern and a southern section, one of which is industrial, the other agricultural. On account of this division, there is no distinct Belgium tongue, but rather a combination of French and German dialect. In relation to her foreign policy, Belgium had formerly been neutral, but now neutrality is an impossibility since she joined the League of Nations. Ione Hausman '35, then described the personality of the late King Albert. He was courageous, friendly, and dearly beloved by his countrymen, the Belgians.

Nadine Jones '34, discussed Belgium's position in Europe, giving special attention to the treaties which she signed concerning neutrality.

Belgium's medical achievement was treated by Edwin Frey '36. He stated that the most gratifying results of the success in the field of medicine is the decrease in the number of deaths.

A short informal discussion followed each speech and after several announcements by the president, Jesse Heiges '35, the meeting adjourned.

Dr. Philip Goepp Addresses Group of Women Students

"Go in for music in an active way." On this rests the future of music in America as expressed by Dr. Philip H. Goepp in a brief but interesting talk which he delivered to the women students in Bomberger on Wednesday afternoon as part of the program of the Junior Advisory Committee.

"The people", said Dr. Goepp, "are interested listeners, but they must also be participants or else a one-sided function will result. This means a standstill in the art and progress of music. We must touch the strings ourselves, for in music we have the highest expression of human emotions in that real music and true music comes from the heart and it must go to the heart, 'not tickle the ears.'"

Dr. Goepp stated that the results of music cannot be measured in terms of the number of composers or the number of compositions but that they are dependent upon the heights to which those composers reach. "A player is more of a creator than the composer himself for he expresses his entire being by what he plays into the music." "The art of music is only realized when it is appreciated and it cannot be appreciated until it becomes an active part of us rather than a passive part."

In conclusion, Dr. Goepp exemplified his talk by playing the slow movement of MacDowell's "Heroic Sonata" in addition to one of his own compositions.

"QUAKER" VESPER SERVICE LED BY SHOLLENBERGER

Norman Shollenberger '34 led a Quaker "Service of Silence" at Vespers, Sunday evening, March 4. Besides the responsive readings of the leader and audience, the service consisted of the Scripture reading by Richard Shaffer '34, a poem by Eugene Shelley '37, a hymn and a five-minute period of meditation by the entire group.

'33—Under the direction of Louella Mullin, Goldsmith's play, "She Stoops to Conquer", was presented at a meeting of the Dramatic Club of the Y. W. C. A. in Norristown on Thursday night, March 1. Miss Mullin is an instructor in the Norristown Y.

"WEEK OF PRAYER" SPEAKER IS GUEST OF BROTHERHOOD

"Jack" Hart was the guest of the Brotherhood of St. Paul, at the meeting held Wednesday evening, Feb. 28, at which many phases of religious and social life were discussed.

Dr. Hart developed an interesting discussion on questions submitted by the members. His advice, coming as it does out of a deep experience with young ministers and others, is of great value to those who are looking forward to the Christian ministry as a profession.

The regular meeting of the Brotherhood will be held at Hendrick's Memorial on Tuesday evening, March 6th, at 7:30 p. m.

THE WHOLE WEEK'S BRIGHTER If You Telephone Home!

WHEN the skies fall (as they fall on all of us) . . . when college life palls (as it will at times) . . . "talk it out" with the Home Folks by telephone. To hear their voice is next best to seeing them.

How quickly you'll snap back to normal! A telephone "voice visit" can brighten your whole week. That's why so many college students telephone Home as a regular practice, once a week at least.

FOR LOWEST COST and GREATEST EASE . . .

Use the inexpensive Station to Station service when you telephone Home. (By making a "date" the Family is sure to be there.) Call after 8:30 P.M., when the low Night Rates are in effect.

Just give the Operator your home telephone number and "hold the line." Charges may be reversed.

VARSITY BASKETBALL GAMES

during most of the fray. Showing flashy form and fine floor work, Dracha, diminutive forward, led the title holders with nine points. Breisch held scoring honors for the Bears with seven tallies. Roy Johnson, Grizzly center, lost ground in his chances for first place among the league scorers by annexing only six tallies.

The F. and M. Game

Ursinus wound up a dismal week-end road trip at Lancaster, sustaining a 49-27 shellacking at the hands of the F. and M. quintet. The victory assured the Nevonians of at least second place in the loop, and put Ursinus in the race for the cellar once more.

Red Jacobs, ace forward of the home five, ran wild to tally 21 points for the Lancaster Collegians, on 9 field goals and 3 charity shots. Cliff Calvert, substitute center, led the Bears with 9 markers.

Rough action featured the one-sided fray, thirty-eight fouls being detected by referee Boyer. F. and M. converted 11 out of 18, while the visitors could drop but 7 out of 20.

F. and M. opened fast and ran up a big lead, never to be headed. They led at the intermission, 27-11, and coasted throughout the final chapter.

GIRLS BASKETBALL GAMES

(Continued from page 1)

Ursinus was definitely on the defensive throughout the first half which ended with Beaver leading 7-3.

The team lost no time in getting started in the second half and with Mid Godshall dropping the baskets with unflinching accuracy the lead was soon overcome so that by the third quarter Ursinus was out in front 18-14.

However, Ursinus experienced a break in fortune when in the beginning of the fourth quarter Mid Godshall fell, spraining her ankle. After she left the game the team ceased to function at the third quarter level so that Beaver was able to overtake them to earn a 20-20 decision.

ALUMNI HONOR DEAN KLINE

feelingly expressing his gratitude to the alumni for the honor that had been shown him, stating that after all he had only tried to do his duty as best he could. His talk was a brief but thorough summary of forty years of progress in higher education as he had witnessed at first hand.

Between the addresses several soprano solos were sung by Grace Kauffman '27, accompanied by Nellie Messinger Ashenfelter. At the conclusion of the gathering Dr. Omwake and Miss Florence Brooks '12, president of

the General Alumni Association, were introduced.

Election of officers for the coming year resulted as follows: president, Leighton K. Smith '16; vice-president, Evelyn M. Cook '30; secretary, Lloyd Myers '31; treasurer, D. L. Helffrich '21.

"JACK" HART SPEAKS AT "Y"

(Continued from page 1)

constantly in mind in order to maintain a balance between them." This was the theme of Dr. John R. Hart's speech on "Economics and Religion", which he delivered in chapel Wednesday morning, February 28.

A union of both the spiritual and material sides is needed, the speaker thought, in order to secure a better life in both respects. "The body is not the enemy of the soul," he said, "but is its instrument, its means of securing action." In emphasizing this, Dr. Hart quoted the late Henry Van Dyke, who said that the true religion was that one which puts the soul on top without minimizing the importance of the body. The address was brought to a close by the reminder that today we can really believe in worship and in God more intelligently than ever before.

Wednesday Evening

"Personal Relationships" was the theme of the third of the series of talks given by Dr. "Jack" Hart to the students of Ursinus College during the observance of Prayer Week.

He stressed the idea that "the art of personal relationships is the greatest art in the world," and that, "Religion is the aid to the building of good re-

lation; for the real life is related to God as well as to human beings."

With the following definition of religion, Dr. Hart concluded his inspiring message: "Religion is the art and science of establishing personal relationships both human and Divine."

Thursday Evening

With the subject "Religion: the inescapable and indispensable," Dr. Hart brought to a close the Week of Prayer. On Thursday evening in Bomberger hall he explained to a group of Ursinus students that the most satisfying and lasting objects in life are secured through spiritual living.

Appealing to the future generation to meet situations with open eyes, Dr. Hart unfolded the necessities of religion. He painted a picture of the dread times in life, namely, poverty, death, loneliness, and thwarted ambitions, and gave religion as the answer to these formidable occurrences.

NEGATIVE TEAM DEBATES

(Continued from page 1)

Geiger upheld the affirmative for Suezquehanna.

At Shippensburg on the following evening, the prospective teachers were represented by the Misses Lee Faylor and Martha Sleichter. All three Ursinus men took part in this contest at which no decision was rendered.

The final debate of the trip took place at Allentown on the evening of Friday, March 2. Here Abe Lipkin '37, gave the constructive speech while Shelly again did the cross-questioning and the summarizing. The decision was unanimously in favor of the home team.

FOUNDER'S DAY EXERCISES

(Continued from page 1)

will be held. The entire student body, both resident and day students, are invited to attend. The speakers will include those who will have received honorary degrees at the afternoon's academic exercises. In the evening a concert will be given in Bomberger hall under the auspices of the Music Clubs.

The entire day's program will be arranged according to the following schedule: Board of Directors meeting in the faculty room of the library at 1:15 p. m.; program in the gymnasium under supervision of the Sophomore Rules committee at 2:00 p. m.; "Family Dinner" at 5:00 p. m.; concert under auspices of Music Clubs at 8:00 p. m.

String Recital At 8:00 P. M.

Milton Feher, violinist, and Oscar Zimmerman, contra-bass, members of the Philadelphia Orchestra, will appear in an artist recital sponsored by the Music Club on the evening of Founder's Day, Thursday, March 8.

Mr. Feher is an artist graduate of the Juillard School of Music, the Budapest Royal Academy of Music, and the Fontainebleau Conservatoire de Musique. Mr. Zimmerman studied for seven years under Anton Torelli at the Curtis Institute. Both musicians have played with the Philadelphia Orchestra for the past four years. They will be accompanied by Miss Margaret Conover, of Denver, Colorado.

The recital, to which the public is invited, will begin at 8 o'clock. No admission charge will be made.

Why — Men and women say *They Satisfy*

FOR SOMETHING to "satisfy"
F you, means that it pleases you—that it's what you want. This applies to cigarettes or anything.

A cigarette has to taste right—not raw or too sweet. For a cigarette to "satisfy" it has to be mild—not strong, not harsh.

You can prove for yourself whether a cigarette is milder—whether a cigarette tastes better.

And it's because smokers can prove these things about Chesterfield that so many men and women say they satisfy. Try them.
