## FRESHMEN BUSILY ENGAGED IN ROUND OF ACTIVITIES

Banquet, Trip to Valley Forge, and Vesper Service Included in Full Week-End

### PROGRAM TO-NIGHT

#### Freshman Banquet

Approximately one hundred and seventy members of the class of 1936 assembled in the upper dining room for the annual freshman orientation dinner last Saturday evening. This occasion marked the beginning of the pre-matriculation program.

Dr. George L. Omwake, president of the College, acted as toastmaster and introduced members of the administrative staff and the faculty. He spoke of the history of Ursinus from the time of Todd's School, over one hundred years ago, until the founding of the college. Dr. Omwake challenged the college youth of today to meet the problems of the complex civilization that are confronting them.

He spoke of the difference between school and college and defined "student" as one who studies. Explaining the counsellor system, Dr. Omwake drew attention to the purpose and advantages of the plan in helping the incoming student to become adapted to college life.

The Y. M. and Y. W. C. A. took charge of the social side of the evening. Louis Mitchell, '34; Martha Moore, '34; and Ralph Sumpman, '33 helped with the group singing. The Campus Song marked the close of the affair.

#### Valley Forge Trip

The annual pilgrimage to Valley Forge was made by the Freshman class, Sunday afternoon. A patriotic service was conducted in the Washington Memorial Chapel by Rev. W. Herbert Burk, D. D.

Dr. Burk took as his text, "Study to Show Thyself Approved Unto God." He pointed out the responsibilities of college students and compared the Freshman efforts in a new environment with the work of pioneers in the time of George Washington. Dr. Burk concluded, "All are undergoing certain tasks, ever reaching upward with guiding hand and mind."

The Collegeville Lions' Club furnished the transportation to the national shrine.

#### Vesper Service

Dr. John Lentz, College pastor, conducted a short vesper service for the freshman class yesterday evening in Bomberger Hall. It consisted mainly of a song service with some special music. Louis Mitchell, '34 conducted the singing. Alfred C. Alspach, '33 played "Berceuse" from "Jocelyn" (Godard) and "Venetian Love Song" (Nevin) on the organ. Floyd E. Heller '33 sang "Let Not Your Heart Be Troubled" (Speaks).

Dr. Lentz spoke of his affiliation with the student work. Stressing the value of personal contact, he expressed the desire to know every new student personally and to discuss his individual problems.

### DONALD G. BAKER Ph. D. ASST. PROF. OF GREEK, LATIN

With the opening of the College year, Dr. Donald G. Baker of Haverford, Pa., will assume his duties as Assistant Professor of Greek and Latin.

Prof. Baker was graduated from Haverford College in 1926 and later taught at St. George's School, Newport, R. I. He studied at Harvard University and last June received his doctor's degree.

While at Haverford, Prof. Baker was active in all student activities. He was a member of the varsity soccer team and was chosen for the All-American team of that sport. He will assist the soccer coaching staff at Ursinus.

Paul Wagner, '32, Tamaqua, Penna., has been appointed a Biology laboratory assistant.

## Half-Million Dollar Science Building Completed at Ursinus

GEORGE L. OMWAKE

CYRUS H. K. CURTIS

COLLEGEVILLE, Pa. — President George L. Omwake of Ursinus College has announced the completion of the new science building which has been under construction here for the past eighteen months. When the college year opens on September 14, more than a score of modernly equipped laboratories and class-

rooms will be available for students in biology, chemistry, mathematics and physics.

The science building, which was erected and equipped at a cost of \$500,000, was made possible through the generosity of Cyrus H. K. Curtis of Philadelphia. The four-story structure is of Chestnut Hill lime-

stone and is furnished throughout with all-steel equipment. An astronomical observatory is provided on the roof of the building.

Frank R. Watson, Edkins and Thompson, architects, of Philadelphia, planned the structure and F. L. Hoover and Sons, of Philadelphia, were the general contractors.

### NEW SCIENCE BUILDING READY FOR OCCUPANCY

With the beginning of the present academic year, the College enjoys the enlarged facilities provided in the new Science Building. This structure which has been eighteen months in building, is now practically completed. During the summer the equipment for the various laboratories was installed, contracts were let for office and conference-room furnishings which have now been placed, window-shades were installed, the floors treated, lighting fixtures put up, classrooms equipped with black boards, tablet arm chairs and teacher's tables, and many details attended to, making the entire building fit and ready for the opening of the new year.

For those not fully acquainted with the history of this building it will not be out of place to state that the first gift toward a fund for the erection of a science building at Ursinus was made in 1917 by C. Edward Bell, a graduate of that year, who sent the College \$2,000 in appreciation of what Ursinus had meant for him and as an expression of his interest in the science departments. What made the building really possible, however, was the gift of Cyrus H. K. Curtis, LL. D., in the amount of \$333,000.

Ground was broken for the structure on Founders' Day, February 19, 1931. The cornerstone was laid on commencement day of the same year. Extended study and expert opinion by scientists and laboratory directors were applied in elaborating the plans. The architects were Frank R. Watson, Edkins and Thompson who retained Isaac Hathaway Francis as engineering consultant. The builders were F. L. Hoover and Sons. The laboratories, offices and conference rooms were fitted out with all steel equipment by the General Fireproof-

(Continued on page 4)

### ORIENTATION PROGRAM

Monday Evening, 7.30  
Orientation Program, Professor Franklin I. Sheeder, Jr., A. M., presiding.  
Dormitory and Campus Life: John Reese, '33, President, Men's Student Council.  
Rena B. Grim, '33, President, Women's Student Government Association.  
Talk on Athletics: Russell C. Johnson, Director of Athletics.  
Tuesday Forenoon, 8.30  
Bomberger Memorial Hall.  
Language Test, A-K, Room 2; L-Z, Room 7.  
Tuesday Forenoon, 10.00  
Confer with Counselors on selection of studies. (For places of meeting, see Bulletin Board in Bomberger Hall.)  
Tuesday Afternoon, 1.00  
Bomberger Memorial Hall.  
All Freshmen will matriculate.  
a. Register at Dean's Office.  
b. Make settlement at Treasurer's Office.  
c. Meet Group Advisers for arranging schedules.  
d. File schedules at Dean's Office.  
Tuesday Afternoon, 4.00  
Recreation.  
Tuesday Evening, 8.00  
Thompson-Gay Gymnasium.  
Reception, Young Men's and Young Women's Christian Associations.  
Wednesday Forenoon, 9.00 to 12.00  
Give attention to any unfinished details of Matriculation.  
Women students call at office of Dean of Women, Shreiner Hall.  
Wednesday Afternoon  
No set program. Fix up rooms. Get acquainted. Secure books and supplies. Rest.  
Wednesday Evening  
Thompson-Gay Gymnasium.  
Reception by Men's Student Council and Women's Student Government Association.

### EXTENSIVE CHANGES MADE IN BOMBERGER HALL

During the summer extensive changes have been made in Bomberger Hall. Room 12, the one-time chemistry laboratory but in recent years a lecture hall, has been made into conference rooms, five in number, each of sufficient size to accommodate two professors. A good-sized lobby which is surrounded by the conference rooms, is equipped for seminar purposes. The physics and biology laboratories have each been made into two fine class-rooms. The laboratories adjoining the women's day study have been removed, and the entire space fitted up for student use. Most of the class-rooms and the corridors of the building have been freshly painted. A conference room for two professors has been built into Room 7. The president's office has been moved to the second floor of the Science Building, the Treasurer occupies newly equipped quarters on the east side of Bomberger, second floor. The rooms formerly occupied by the President and Treasurer on the second floor, west, are now the offices of the Dean. The room on the first floor formerly used as a dean's office now becomes a conference room. It will be occupied in part by Professor Michael, head of the Student Teaching and Placement Service. Here will also be stenographer service for professors who work in this building.

(Continued on page 4)

### OPENING EXERCISES IN BOMBERGER THUR. EVE.

The exercises incident to the opening of the new academic year will be held in Bomberger Hall, Thursday evening at 8 o'clock. As is customary, Dr. George L. Omwake will deliver the address. The college choir will also take part in the program.

### GRID PRACTICE BEGUN BY McAVOV'S CHAMPION BEARS

Thirty-Two Candidates Being Drilled By McAvoy, Chase, and Hanley. Eighteen Veterans on Hand

#### "SWEDE" PAUL, CAPTAIN

Preliminary work for Ursinus's 1932 football campaign was begun on Wednesday when 32 candidates reported to Coach Jack McAvoy. Among this group were 18 veterans of last year's conference champions, headed by Captain "Swede" Paul. In addition to this nucleus, 14 members of the late yearling team graduated to varsity rank. As yet several players have not put in their appearance but are expected at any time.

"Dartmouth Jack" again has "Horse" Chase, elephantine All-American from Pitt, as his assistant. To supplement his work he had also secured "Mike" Hanley of Northwestern fame for the balance of the week's workouts after which the latter assumes his duties as assistant to Harvey Harman at Penn.

The squad indulged in the usual routine of early season drill for the first semi-daily practices but jumped into conscientious drill in fundamentals early. The coaches have decided to change the style of offensive this year, jumping to a Warner double-wing back basis.

The prospects for the team are unusually bright as only four regular faces from the '31 machine are missing through graduation. The main problem for the coaches is the development of ends and quarterbacks. At the former position Captain Paul is the only letter man. His wing will be covered perfectly. It is the other terminus that is vacant and is causing quite a bit of anxiety on the part of the coaches. At present the candidates are Taylor, a transformed backfield man of Sterner's aggregation, Sumpman, Petroski, Johnson and O'Donnell, the latter a newcomer in grid warfare at Ursinus.

(Continued on page 4)

### FACULTY MEMBERS SPEND INTERESTING VACATIONS

Members of the College faculty have returned to Collegeville after spending pleasant and profitable summer vacations. Dr. G. L. Omwake supervised the completion of the new Science Building.

Dr. Donald Baker spent the summer in New Hampshire.

Dr. W. W. Bancroft passed the summer at his cottage at Cape May, N. J. Prof. Maurice O. Bone worked on his courses for the coming year while visiting his home at Aurora, Ill.

Prof. James L. Boswell spent his vacation at Collegeville in study. He also went to New Hampshire to view the eclipse.

Prof. Harry Bretz is convalescing at his home in Ithaca, N. Y.

Prof. and Mrs. J. Harold Brownback visited at Ocean City and Prof. Brownback divided his time between deep sea fishing and working on the Science Building.

Prof. Charles A. Carleton spent the summer "roughing it" in Eagleville, near Collegeville, Pa.

Prof. and Mrs. Harvey L. Carter attended summer school at the University of Wisconsin.

Mr. Ralph Chase attended summer school at Temple University.

Dr. John W. Clawson took a trip to Canada and was one of the many who viewed the eclipse of the sun.

Prof. Oscar Gerney directed Camp Happy, the Philadelphia camp for underprivileged children.

Miss Jeanette Douglas Hartenstine spent the summer at her home in Pottstown.

Mr. Russell Conwell Johnson pursued horticultural work at Highland

## Editorial Comment

### MID-SEPTEMBER

Again it is our happy privilege to re-enter college halls, to live a normal protected life for another academic year. How high a privilege this is, it is difficult to estimate. Again we occupy the dorms, again we linger on the campus, again we greet old friends and meet new ones, again we engage in intellectual pursuits and again we rejoice in recreational activities. We are happy people in a wholesome atmosphere.

Last spring, we looked forward to three months of relaxation and of holiday. We are carrying into this year's college activities the stimulation, the joy and the inspiration of our vacations. On memory's walls are painted lasting pictures. Our summer's experiences have become a vital part of us. We feel brisk winds, we smell pine scents, we vision snow-clad mountains, wrapped in moonlight, sun and shadows, we hear the voice of waters in deep and haunted chasms. Beauty, glory and enchantment are our eternal possessions. With glad hearts we return to college to pursue further education.

Believing that it is a high privilege to be enrolled a student at Ursinus "The Weekly" greets the class of '36. You are entering upon a new life. Ursinus will do everything possible to help you to make a successful adjustment to your new environment. It is your responsibility to do your share in striving to make your four years in college a happy and satisfying period of time. Maxims of success do not apply to the individual. Utilize your native abilities in becoming a true son or daughter of Ursinus. The Weekly welcomes you to the classic halls of old Ursinus and to the genuine friendships and true fellowships to be had for the asking and the earning. To old and to new students we extend greetings.

E. H. M. '33

### A GOOD OMEN

It is certainly most gratifying to note the increase in the student body for the coming College year. In this period of "depression", the fact that so many are going to schools of higher education is indicative of the pioneer spirit. With so many nearby institutions complaining because of lack of students, it is truly a high compliment to Ursinus that we will probably have the largest enrolment in history.

The freshman class is to be congratulated on the high caliber of scholarship of its members. One fourth of the members were among the first five of their respective high school classes. This puts the administration of the College in a very favorable light in connection with scholastic standing. Much will be expected from the incoming class of 1936.

With the opening of the Science Hall, and all other renovations, this year is seeing the beginning of a truly "greater Ursinus".

A. C. A. '33

### FRESHMAN CLASS RATES HIGH SCHOLASTICALLY

The incoming freshman class contains more than its share of brains, according to a survey compiled from office records. Eighty-three new students were in the upper third of their graduating class in high school. Of this number, thirty-eight were among the first five.

There are fifteen valedictorians listed. They are: Mary Helen Alspach, M. Adelaide Beck, Thomas J. Beddow, J. Philip Berman, Elsie M. Eachus, Lydia E. Gauser, Thomas W. Garrett, Pauline Heffleger, Sarah Helen Keyser, Alma E. Ludwig, Wilhelmina Meinhardt, Harry Newcomb, Donald G. Ohl, Thelma V. Smith, and Leon Spohn.

This trend, according to Prof. Franklin I. Sheeder, shows an increase in the scholarship of the college and is indicative of the high standard which is maintained in the admittance of freshmen. Only seventeen of the total number entering college were in the lower third of their high school class and they were accepted only after examination. These figures are correct insofar as it is possible to be determined at present and are subject to change as new students enroll.

### URSINUS IS HOST TO SUMMER CONFERENCES

During the vacation period students to various conferences were active on the campus. The Missionary Conference of the Reformed Church was held July 23-30.

August 1-7, the twenty-fifth Summer Assembly took place. Among the speakers at this conference were: Rev. James S. Vance, D. D., Nashville, Tenn.; Rev. Walter L. Lingle, D. D., president, Davidson College, N. C.; and Rev. William Shergold, D. D., London, England.

The conference of the Epworth League of the Methodist Episcopal Church, August 8-15, concluded the summer program.

### CROSS-COUNTRY PRACTICE TO BE STARTED SOON

"Running over hill and dale in the fall of the year holds a fascination all its own," writes Thomas E. Jones, an athletic director at the University of Wisconsin. However, cross country at Ursinus has earned more than that immediate end for participants. Under the capable Dr. Rubin, local medico, cross country has become one of the most successful sports on the campus.

Cross country running at Ursinus, as a competitive sport, was inaugurated in 1927. One year later an Ursinus cross country team won the Conference championship. In 1931 the Ursinus harriers not only gained a second leg on the Conference cup, but also went through their schedule undefeated in duel competition. Drexel, Johns Hopkins, F. and M., and Dickinson were defeated by the Bear hill and dalers last season.

Prospects for a successful season this year appear bright. The greater part of the 1931 championship team is expected to be available. Clark Sautter, one of most consistent runners for the past two years, has been elected to captain the harriers for the current campaign. Other letter winners of last year include: Sutin, '34, Cotteta, '34, Gregory, '34, Gible, '33, and Heck, '35.

All prospective candidates are requested to watch for a notice the latter part of this week or early next week. As there is no representative Freshman team in this sport, Frosh are eligible for the Varsity Team. No previous experience is necessary in order to try out for the team. Equipment will be issued to all candidates at the first practice.

**The Tower Window**

**S**TUDENTS assembling in a single place for the pursuit of learning constitutes an interesting social phenomenon. The four years of human life that are devoted to college are years of natural growth and development. Within these years young people make exceptional progress toward adult life through the regular contacts of their social environment. The only reason for their gathering together in any one place is that by so doing they can make the greater progress. This is especially the case when the place at which they gather has been organized and equipped with a view to furthering human development. A college is such a place.

The advantages offered by colleges must make a profound appeal, for we see hundreds of thousands of American youth, at an enormous aggregate expense, flocking to these centers. Some hundreds of such eager young persons are gathering at Ursinus this week. It would be interesting if we could read the minds of all these young people and find out what the hopes, purposes and expectations of each one are. Here is a beautiful spot. The very surroundings make one feel like bracing up. Certainly nothing crude will be appropriate in a place like this. Here is an elaborate physical equipment designed and constructed for the purpose of facilitating the quest upon which the student is bent. It will be somewhat a task in itself just to learn how to use this equipment—these tools of learning.

Here too is a large group of old people who are here from year to year and whose business it is to help the youth who come to make the gains they have set out to achieve. What need there is of understanding. The small college has been advocated because there is much better chance, when the numbers are not so great, for getting acquainted. Surely between teachers and students there ought to exist the most intimate of friendships. How much such persons must have in common, and how helpful for the younger and less experienced person when these matters common to both professor and student can be talked over freely and without restraint.

In our conference rooms, Ursinus now has more than a score of places where just such happy and helpful talks may be had.

G. L. O.

**"Y" HANDBOOK PUBLISHED; VALUABLE AID TO FRESHMEN**

The latest edition of the "Y" handbook has come off the press and deserves much commendation. Eveline B. Omwake, '33 was the editor, assisted by Mary Francis, '33; Marian Garrett, '34; Martha Moore, '34; Norman Shollenberger, '34; and Helene Myers, '35. Alfred L. Creager, '33 was the business manager. He was assisted by William Tempest, '35.

The handbook is published annually by the Christian associations of the College to assist the freshmen in getting acquainted with the College and its institutions. It contains words of greeting from the various departmental heads, organizations, and publications.

Much general information is included, such as frosh regulations, songs and cheers, "Who's Who at Ursinus," churches, bus schedule, and College calendar. This book is designed to help the freshmen to successfully bridge the gap between high school and college.

**NEW COLLEGE PHONE SYSTEM**

An entirely new telephone system is being installed for the College by the American Telephone Company. All wires are underground. An exchange will be established in the office of Miss Jaggard in the Science Building from which all phones on the campus may be reached.

I da V. Jaggard, '31, of Pitman, New Jersey, has been appointed secretary for the Science Building with an office adjoining the library and reading room on the main floor.

Word has been received of the recent marriage of the following alumni—Wallace C. Savage, '19, William D. Reimert, '24, Arthur C. Faust, '27. The Weekly would appreciate further details.

**ALUMNI NOTES**

'72 (Theol.) '10—Mrs. Francis S. Lindaman died at her home in Littlestown, Pa., on June 11, after a brief illness. She was in her 83rd year. Her husband, Rev. Francis S. Lindaman, D. D., and a foster-son, Francis L. Lindaman, survive. Funeral services were conducted by Rev. H. H. Hartman, D. D., '94, assisted by Rev. Marsby J. Roth, D. D. '18 (Hon.), and Rev. E. M. Sando, D. D., '04.

'88—Rev. J. Lewis Fluck, D. D., has been elected Burgess of Myerstown to serve 16 months of the unexpired term of the late Henry S. Gockley. Dr. Fluck is professor of Psychology in Albright College, and also serves as stated clerk of Lebanon Classis of the Reformed Church in the U. S.

'91—Mrs. Calvin D. Yost died at her home in Collegeville, July 13, after an illness of several years. Her husband, Prof. Calvin D. Yost, a brother, Rev. Irvin F. Wagner, '91 and three children, Rev. E. B. Yost, '21, Margaret A. Yost, '24, and Calvin D. Yost, Jr., '30 survive. Services were held in Trinity Reformed Church in charge of Rev. John Lentz, D. D., '02.

'07—Special services commemorating the two hundredth anniversary of the founding of the Old Goshenhoppen Reformed Church, near Salford, are being held this week. Rev. Charles H. Brown is the pastor. Alumni taking part in the exercises include Rev. William O. Wolford, '21, Rev. Morris D. Slifer, '26 and Rev. Freeman H. Swartz, '30.

'18—Mr. and Mrs. Robert D. Evans announce the birth of a daughter in July.

'19—Mrs. Elizabeth Lattell Roudenbush is a member of the staff of the Pensauken (N. J.) High School.

'20 (Hon.)—Mrs. Andrew R. Brodbeck, wife of Hon. Andrew R. Brodbeck, LL. D., for many years a director and benefactor of the College, died on Monday, June 27. Although Mrs. Brodbeck had been in failing health for the past few years, her final illness extended only over five days. Services were conducted by Rev. Marsby J. Roth, D. D., '18 (Hon.), at the Brodbeck home in Hanover.

'27-'28—Morton J. Oppenheimer and Frederick M. Cornelius were graduated as Doctors of Medicine from the Medical School of Temple University in June.

'28-'29—Ruth Adele VonSteuben and David Moody Harrison were married August 12 in Grace Church, Shippensburg, Pa., by Rev. Clair E. Blum, '27.

'29—Walter Buchert underwent a painful operation for the removal of diseased bone from his leg during the summer. He is a student in the University of Pennsylvania Medical School.

'30—Nelson M. Bortz has been appointed to the faculty of the Worcester Polytechnic Institute, Worcester, Mass., for the coming year.

'31—The marriage of Marguerite Reimert to Albert Hellwig was solemnized in Trinity Reformed Church, Collegeville, on June 19, by Rev. John Lentz, D. D., '02.

'31—Friends of Blair Egge will regret to learn that he was stricken with diabetes early in the summer. At the last report, his condition was considerably improved.

'31—Grace Williams has secured a position as teacher in the High School at Penn's Grove, N. J.

'31—Rev. K. N. Alexander is in charge of the Methodist Episcopal Church at Charlestown, Pa. "George" took time off from his duties to visit the campus several times during the summer. He is entering his second year in the Theological Seminary of Drew University.

'32—Carolyn Everingham will teach in the Paulsboro (N. J.) Schools during the coming year.

'32—The following 1932 graduates have been admitted to medical school: University of Pennsylvania—Clarence Livingood and J. Boyd Coates; Jefferson Medical College—Edward C. Kottecamp; Hahnemann Medical College—W. C. Thoroughgood; Temple University—Scott V. Covert.

'32—Raymond Jamison is teaching science in the Danville High School.

'32—Donald Ottinger, in charge of the Evansburg Methodist church for the last two years, has left for Drew seminary where he will be secretary to the dean of the school and will also pursue his course of study.

Following alumni received degrees at the Commencement of the University of Pennsylvania in June: Master of Arts—Leah Gingrich, '20, Ruth Hassler, '21, Wesley Detwiler, '22, George Kirkpatrick, '26, George Erb, '27, Calvin Yost, '30, Raye Ash, '30; Doctor of Medicine—Huston Spangler, '28.

*Keep a Regular*  
**TELEPHONE**  
*Date with Home*

**H**ERE'S A TIP for Freshman! Now you're at college, you can always "go home by telephone."

Regularly, or whenever you like, give Mother and Dad a call.

Tonight, for instance, pay them a "voice visit." Tell them how you're settling down. What a thrill they'll have to hear your voice—and maybe you won't enjoy it, too!

But, best of all, arrange to call home each week. That's a joy they'll look forward to as much as you.

**FOR THE LOWEST COST AND GREATEST EASE**

Set your "date" for after 8.30 P. M. and take advantage of the low Night Rates. (A dollar call is 60c at night; a 50c call is 35c.)

By making a date the folks will be at home. Thus you can make a Station to Station call rather than a more expensive Person to Person call.

Just give the operator your home telephone number. If you like, the charges can be reversed!

#### EXTENSIVE CHANGES MADE IN BOMBERGER HALL

(Continued from page 1)

Eventually further changes will be made in the large spaces vacated by the chemistry department in the basement. Bomberger Hall, now becomes the liberal arts building of the college. The congestion of former years will no longer exist, the building will be free from the noxious odors arising from the old laboratories. It will become a quieter place and will be wholly adopted to the pursuit of the humanities and other liberal studies for which congenial surroundings are so necessary.

#### URSINUS STUDENTS WIN RADIO AUDITION CONTEST

Students in the voice department of Ursinus have made very creditable showings in the A. Atwater Kent district radio audition contests. Frank Tinney, '35 and Marian Kepler, '32 will represent this district in the state finals to be held over station WFI on October 12. Both are students of Jeanette Douglas Hartenstine, instructor of voice. Tinney sang "The Publican" (Vanderworter) and Miss Kepler favored with "April Morn" (Batten). Iris Lutz, '33 was runner-up in the women's contest. Miss Hartenstine's students took the first four places in both divisions. Esther McClure, '33 accompanied the singers.

#### LIBRARY RULES

1. Persons in the library must not engage in continuous conversations, nor talk aloud.
2. Persons borrowing books from the library may retain them two weeks and may have them renewed for one week.
3. A student may not have more than two books at any time.
4. A fine of one cent a day must be paid for each volume kept overtime, and until all fines are paid a borrower cannot take books from the library.
5. Books placed on reference for the use of the special department can be taken from the library only when it closes, and must be returned at or before 9 o'clock the next morning. Persons failing to comply with this rule will be charged twenty-five cents an hour until the book is returned.
6. Books returned to the library must be placed on the charging desk, not on the shelves.

#### LIBRARY HOURS

Weekdays from 8 A. M. until 10 P. M. Not open from 6 P. M. to 7 P. M. Open Saturday morning from 9 to 12. Open Sunday afternoons from 2 to 4.

## GRID PRACTICE BEGUN BY

## McAVOY'S CHAMPION BEARS

(Continued from page 1)

The rest of the line is adequately cared for with many seasoned veterans plus a few additions from Frosh ranks battling for berths. Among the tackles are Breisch, H. Levin, Deibler, Henschel, Kravitz, and Schiele. Smeigh and Parunak, the heavenly twins, have the guard positions well in hand. Those who are trying to oust them are Farias, Gill, and Sommers. The center position is also well taken care of with "Bob" Bennett back in harness. "Tom" Price and Mowrey are furnishing the main competition for this important post.

Now for the backfield. It was rather hard put by the losses of ex-captain Miller and Soeder. However, Tropp and Lodge, the other members of the quartet are back and form a good nucleus, Shuman, Seiple, Eachus, a converted end, Reese, Tolomio, Peterson, a converted tackle, W. Price, S. Levin, Tinney, and Harvey fighting it out for the other positions. Peterson, 190 pound fullback candidate, has impressed the mentors by his strength and speed and at present holds the inside track for that position.

The first game, with Villanova, will be fought on September 24th. In the interim the tutors will do their utmost to have a fighting aggregation whipped together.

## FACULTY MEMBERS SPEND

## INTERESTING VACATIONS

(Continued from page 1)

Hall, Trappe, Pa. He also spent some time in Ocean City.

Dean Whorten A. Kline took care of his Adams County summer home and did extensive reading.

Dr. Foster E. Klingaman worked on the Science Building and chaperoned a party of scientists to the New England States to see the phenomenon.

Dr. Norman Egbert McClure remained at Collegeville and did research work in connection with the completion of his new book.

Mr. John C. McAvoy attended the coaching school at Villanova.

Prof. F. L. Manning spent the summer in Collegeville and was favored with the birth of a son.

Prof. Eugene B. Michael passed the vacation in Philadelphia.

Mrs. Ben Ogden vacationed in Maine.

Dr. M. C. Old taught at the State Teachers' College at Fredericksburg, Va.

Prof. F. I. Sheeder attended the Hazen Foundation conference on student counselling at Happy Valley, Lisle, New York. Mrs. Sheeder taught at a students' leadership training conference at Shadyside Academy, Pittsburgh.

Mr. Reginald Sibbald visited his home in Boulder, Colorado and did extensive work in the study of the miniature theatre.

Dr. Homer Smith journeyed to New England to view the eclipse.

Miss Eleanor Snell motored to her home in Lincoln, Nebraska.

Dr. Russell D. Sturgis worked on the Science Building and found time to motor through western Pennsylvania and Delaware.

Dr. Carl V. Tower took a trip to Baltimore and spent the rest of the summer in study and research.

Prof. George Russell Tyson visited his home at Ocean City.

Mr. Philip Wilauer assisted Dr. Young of the University of Pennsylvania with his new book which is about to come off the press.

Prof. M. W. Wtmer went to New Hampshire to see the eclipse. He also took several fishing trips.

Dr. Elizabeth B. White taught at Camp Merroviata, Center Ossipee, N. H., and also spent a month in the Poconos.

Dr. Calvin D. Yost went to Boston, Mass., and Norfolk, Va.

Mrs. Grace Cordry passed the summer in and about Philadelphia.

Miss Sara E. Ermold remained in Collegeville.

Miss Gladys Mayberry spent the summer nursing in Frackville, Pa.

Mrs. May Rauch vacationed at her summer home at Pocono Pines.

Mr. James Rue took several trips, including excursions to Binghamton, N. Y., and Frenchtown, N. J.

## The Collegiate Spotlight

By M. L. H.

The University of California now offers an elementary course in fishing. Practice is held in the University's swimming pool.

At the University of Omaha the registrar's office ran out of their supply of failure notices after the mid-term exams.

At Ohio State the physical education department has recently announced that the incoming co-eds are thinner since the depression.

A student at the University of Alabama took a course entitled "How to Study," flunked it and passed all his other subjects with an average of B.

Beginning this fall, two of the smaller dormitories at Mount Holyoke College will be operated on a co-operative basis, with the students living in them doing all the housework with the exception of cooking. In return the girls will receive a reduction of \$200 in their annual tuition and board fees.

## NEW SCIENCE BUILDING

## READY FOR OCCUPANCY

(Continued from page 1)

ing Company of Youngstown, Ohio. The auditorium seating which is being put in place this week is from the American Seating Company and the tablet arm chairs for class-rooms have been supplied by the Allied Equipment Corporation. The servicing of the building with water, gas, electricity and steam is by the J. F. Boyer Plumbing, Heating and Electrical Company of Norristown. R. J. Guthridge constructed the tunnel leading to the new building. The campus lights and telephone ducts were installed by Breckman and Smedley of Collegeville. Henkels and McCoy of Germantown are grading the grounds and building the drives and paths. The entire operation represents an expenditure of \$512,000.

Visitors to the building, including representatives of commercial concerns and supply houses, whose activities make them acquainted with college and university buildings, have pronounced this the most complete and up-to-date building of its kind in the United States.

# URSINUS COLLEGE

## Collegeville, Pennsylvania

George L. Omwake, LL. D.

President

A residential college for young men and young women devoted to the liberal arts and sciences. URSINUS is accredited by the leading standardizing agencies, including the Association of American Universities and the Association of Colleges and Secondary Schools of the Middle States and Maryland.

The curriculum offerings are of a pre-professional and professional nature, and lead to the A. B. and B. S. degrees. Courses are arranged for students who desire to prepare themselves for positions in the following fields: Teaching, Business, Laboratory Research, and Physical Education. Students interested in Medicine, Religion, Law, Journalism, Social Service and Library work will find URSINUS offerings adapted to their needs.
