## PS447 Environmental Politics – Awareness Projects - session #1 and #2

Over the spring quarter 2021, students from PS447 Environmental Politics and Policy have been researching a substantial environmental issue of their choice, defining a problem found within the issue, and devising and implementing an awareness campaign focused on a solution to the problem. During the Academic Excellence Showcase zoom presentation they will be presenting their environmental issue, creating awareness and proposing a solution for the audience. Students will present on a wide range of environmental themes such plastic waste, air pollution, deforestation and climate change.
