Mr. John Muir,

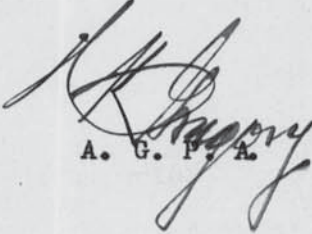

Martinez, Calif.

My dear Mr. Muir:-

Mr. Simpson advises me he wrote you August 28th. asking if you would give him the approximate weight and size of package containing the fossil wood which you desired to ship to Professor Balfour at Edinburgh, but he has an idea you did not receive the letter because he has not heard from you in reply.

If you have answered will you kindly duplicate the information to him so that he may get the necessary routing instructions and arrange to send the package through.

Yours truly,

A. G. P. A.
