Dear Mrs Hooker & Marian:

I was very glad to see your kind letter - about the only cheer bright thing I've seen the last week of constant severe headache. But I'm better - wet cloth across my brow makes the pain tolerable. That some of that brain stuff didn't break under such pressure seems wonderful. I was alone now know anything serious ailed me. But by Providence & scotch radium I've pulled thru. By next Sunday I hope to be able to speak. my throat is clearing & the cold has ceased to strike deeper. If the weather holds good wouldn't you enjoy a little look at our valley & vineyards? I'm glad you escaped the show. It was mostly a dollar commercial scum. Remember to the South half of the family ever gratefully
Your Grand. John Miner
