Hon. William Langer
Senator from North Dakota
Senate Building
Washington, D. C.

Dear Mr. Langer:

Several weeks ago I sent you copies of the Dr. Martin Sandberger case who last year received the death sentence in the Nuernberg court. I am sending you herewith eleven other affidavits of honorable and trustworthy men of high standing in Europe. In the light of these affidavits it would seem a murder on the part of our Nuernberg court should the execution of this man be carried out.

I have not had the pleasure of receiving a word from you. Would you kindly allow yourself a half hour of your very valuable time for reading the inclosed documents written in English. With your vast experience and in your position as a leader in the committee dealing with these trials, you are in a position to advise as to what can be done to get a fair hearing or review of this case before the Supreme Court. I should be deeply grateful for any suggestion while there is yet time to save Sandberger's life.

Thanking you very kindly for whatever aid you can give to right this erroneous sentence, I remain

Very sincerely yours,

T. W. Strieter
