By: Mia Galdamez

Ms. Galdamez still enjoys everyday of her life and loves to just spend time being outside.

In 2020, Ms. Galdamez loved to play soccer, go to school and spend time with friends and family

Ms. Galdamez has been focusing on school and spending a lot of time with family. She's been very cautious when going out because she never wanted to experience Covid-19 again.

One day, the world was shut down due to a virus, called Corona-19. This sickness would get people really sick

Thankfully, Ms. Galdamez recovered and wore a mask and has been very cautious about her health

A lot of people got sick by corona, including Ms. Galdamez and everyone had to stay home and rest for a long time.

Ms. Galdamez had a sore throat, headaches, coughs and lost taste.
