

## Proceedings of the First International Workshop on Human Factors in Modeling (HuFaMo) - DTU Orbit (08/11/2017)

Proceedings of the First International Workshop on Human Factors in Modeling (HuFaMo): Co-located with ACM/IEEE 18th International Conference on Model Driven Engineering Languages and Systems (MODELS 2015)

### General information

State: Published

Organisations: Department of Applied Mathematics and Computer Science , Software Engineering, Universidade Nova de Lisboa, Chalmers University of Technology

Authors: Störrle, H. (ed.) (Intern), Amaral, V. (ed.) (Ekstern), Chaudron, M. (ed.) (Ekstern), Goulão, M. (ed.) (Ekstern)

Number of pages: 46

Publication date: 2015

### Publication information

Original language: English

Series: CEUR Workshop Proceedings

Volume: 1522

ISSN: 1613-0073

Main Research Area: Technical/natural sciences
