

Danish Experiences in Biomass Corrosion and the Way Forward - DTU Orbit (08/11/2017)

Danish Experiences in Biomass Corrosion and the Way Forward

General information

State: Published

Organisations: Department of Mechanical Engineering, Materials and Surface Engineering

Authors: Montgomery, M. (Intern), Kiamehr, S. (Intern), Dahl, K. V. (Intern)

Pages: 8-78 - 8-89

Publication date: 2015

Host publication information

Title of host publication: Proceedings: EPRI International Conference on Corrosion in Power Plants

Place of publication: Palo Alto, CA

Publisher: EPRI

Main Research Area: Technical/natural sciences

Conference: EPRI International Conference on Corrosion in Power Plants, San Diego, CA, United States, 13/10/2015 - 13/10/2015

Publication: Research › Article in proceedings – Annual report year: 2016
