

Modelling the flexible stamp deformations during NIL on curved surfaces - DTU Orbit (08/11/2017)

Modelling the flexible stamp deformations during NIL on curved surfaces

General information

State: Published

Organisations: Department of Mechanical Engineering, Manufacturing Engineering

Authors: Sonne, M. R. (Intern), Hattel, J. H. (Intern)

Number of pages: 1

Publication date: 2016

Event: Abstract from NILindustrialday 2016, Vienna, Austria.

Main Research Area: Technical/natural sciences

Source: PublicationPreSubmission

Source-ID: 122242798

Publication: Research - peer-review › Conference abstract for conference – Annual report year: 2016
