

## Principles of Systems Biology, No. 2 - DTU Orbit (08/11/2017)

### Principles of Systems Biology, No. 2

#### General information

State: Published

Organisations: Novo Nordisk Foundation Center for Biosustainability, Bacterial Synthetic Biology

Authors: Klausen, M. S. (Intern), Sommer, M. O. A. (Intern)

Number of pages: 2

Pages: 60-61

Publication date: 2016

Main Research Area: Technical/natural sciences

#### Publication information

Journal: Cell Systems

Volume: 2

Issue number: 2

Ratings:

Web of Science (2017): Indexed yes

Scopus rating (2016): CiteScore 4.31

Original language: English

Cell Biology, Histology, Pathology and Forensic Medicine

Electronic versions:

Principles\_of\_Systems\_Biology\_No.\_2.pdf

DOIs:

10.1016/j.cels.2016.02.008

#### Bibliographical note
