Message from the Chief of Police
Robert Deane

Thank you for reading the Western Kentucky University 2009 Annual Campus Crime Awareness and Campus Security Report. This report is designed to provide students, potential students, parents, faculty and staff with crime statistics and information on university services and crime prevention programs. These programs are designed to help inform our campus communities about safety practices that will help you reduce the risk of being a crime

victim. I feel that these lessons can give people information that they can carry with them beyond college and will help keep them safe for the rest of their lives.

Campus safety and security is an important topic today. We recently learned how the actions of one person on a college campus can devastate the lives of so many and leave scars that will last a lifetime for others. I think that you will find our campus communities are a relatively safe environment. The officers of the Western Kentucky University Police Department are committed to making Western a safe place to study, live and work. WKU Police officers are committed to Community Oriented Policing. Officers work with the campus community to identify problems and develop new innovative ways to protect the campus. Our video surveillance system is one example of that innovation. We should all remember that your safety is a shared responsibility between you and the police. Please report crimes and suspicious activity to the police as soon as possible. We hope you will find this information helpful and informative, and that your stay at WKU will be safe and pleasant. If you have any questions visit our web site at www.wku.edu/police or contact us at 270-745-2548.

The Student Right-To-Know And Campus Security Act

In November 1990, the Student Right-to-Know and Campus Security Act was signed into law.

The law requires each institution receiving Title IV Student Aid Assistance to prepare and distribute an annual report which sets forth its policies on crime prevention issues and gives statistics on the number of specific crimes (murder, rape, robbery, aggravated assault, burglary and motor vehicle theft), which have occurred on campus and the number of arrests on campus for liquor law violations, drug abuse violations and weapons possessions.

WKU Police maintain crime statistic and prepare the annual Campus Crime Report in compliance with the “Jenny Clery Act”. The Campus Crime Report is published by October 1 each year. The report can be found on the WKU Police Web page at www.wku.edu/police under the Campus Crime Report tab. The crimes are reported for each of WKU’s campuses (Main Campus, South Campus, Brown Ag Center, The Center, and Radcliff). Campuses are further divided into “on Campus” in Residence Halls, Public areas, other buildings. The WKU Police obtain and is sent statistical information from other departments within the university regarding crimes committed, but not reported to the WKU Police. The WKU Police also obtains statistical crime information from the Bowling Green Police Department regarding areas adjacent to campus, and campus organizations located off campus.

This report from Western Kentucky University covers the period from **January 1, 2008 thru December 31, 2008**. In addition to publishing crime statistics, this act requires colleges and universities to provide timely warnings to the campus community about certain crimes reported to campus security or local law enforcement which may be considered a threat to other students and employees.

Western Kentucky University is committed to providing a safe, secure environment for its students, faculty, staff and visitors. The WKU’s Police Department is currently authorized 28 professionally trained full-time police officers.

The Mission of the Western Kentucky University Police Department is to provide a safe and secure atmosphere that is conducive to learning and teaching. Furthermore, the University Police Department is committed to providing a “Community Policing” philosophy in its approach to law enforcement, which is a partnership between faculty, staff, students, visitors and police officers that is predominately service and educationally oriented.

For purposes of this report, the campus is defined as “any building or property owned or controlled by the institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or related to its educational purposes; or any building or property owned or controlled by student organizations recognized by the institution.”

This Report Includes:

A statement of current campus policies regarding procedures for students and others to report criminal actions or other emergencies occurring on campus and policies concerning the institution’s response to such reports.

Campus Security Authority:

It should be noted that for reporting purposes “campus security authorities: includes (1) any individual or entity specified in an institution’s statement of campus security policy as the individual or entity to whom students and others should report criminal offenses, as well as (2) administration officials having primary responsibility for student and campus activities, such as student counselors, deans, campus residence hall directors and the police department.

Campus Police Authority:

The WKU Police Department is a professionally trained full service law enforcement agency observing the highest standards of professionalism. Officers of the WKU Police Department have full police powers including the power of arrest under KRS 164.955. The WKU Police is an accredited Law enforcement Agency by the Kentucky Association of Chiefs of Police. Western’s Police Department was the third Police Department in Kentucky to become a K.A.P.C. accredited agency. During the summer of 2009, WKU Police completed its fourth accreditation process. WKU Police was also the first accredited University Police Department in Kentucky. All law enforcement officers are trained at the Kentucky Department of Criminal Justice Training and

are Kentucky Police Officers Professional Standards (POPS) Certified. The mission of the WKU Police is to support the educational objectives of Western Kentucky University by preserving the peace, protecting life and property, and enforcing in a fair and impartial manner the regulations of the university, ordinances of the City of Bowling Green and statutes of the Commonwealth of Kentucky. The goals of the department are the prevention of crime and disorder and the preservation of life, property and individual freedom. The department strives to achieve these goals through conspicuous and covert patrol, apprehension of criminals, and education of the public and constant training of Police personnel.

Relation with Other Agencies:

The WKU Police has a strong professional working relationship with the Bowling Green Police Department, Warren County Sheriff Department, the Kentucky State Police, and the Warren County Drug Task Force. WKU police also works closely with and utilizes the services of federal police agencies including the FBI and ATF. The Bowling Green Police provides crime statistics for areas adjacent to campus for Clery and Minger reporting purposes.

How to Report a Crime:

Crimes or criminal activity should be reported immediately to the WKU Police. WKU Police utilize a number of methods of reporting criminal activity. Dialing 9-1-1 from a university phone will connect you to the WKU Police Communications Office. Calls made from cell phones or off campus phones by dialing 9-1-1 will connect you to the Bowling Green Police Emergency 9-1-1 Center. The 9-1-1 Center will connect you to WKU Police Emergency Communications. Non emergency request for service can be made by calling 745-2548. A TDD line has been established for the hearing impaired by dialing 745-2540. Currently there are a total of 72 emergency call boxes located throughout the main campus and South Campus to report emergencies. By pushing the call button on the emergency call box you are connected by phone to the WKU Police Communications Office. Also a flashing blue strobe light is activated. This draws attention to the area which can deter or stop criminal acts. WKU Police encourage the reporting of criminal or suspected criminal activity on campus. Safety is a shared responsibility between the police department and the community it serves. Anonymous tips about criminal activity can also be made to the Investigations section by phone or by email to lee.mckinney@wku.edu. The WKU Police also participates in the Bowling Green/Warren County Local Crime Stoppers program. Anonymous tips may also be made through that program by calling 781-CLUE (781-2583). WKU Police Department is a 24 hour a day, 7 day a week full service police department. Our mission is to

provide a safe and secure atmosphere that is conducive to learning and teaching.

Timely Warnings:

WKU Police will post “**Timely Warnings**” about events that pose a threat or a continued threat to the campus community. If a crime or a situation occurs on campus, or off campus that poses a threat to the Safety of students, faculty or staff, a timely warning will be issued by WKU Police. The Chief of Police or his designee, Major of Field Services, Captain of Communication, Captain of Patrol, Captain of Investigations, and Captain of Professional Standards may issue a “Timely Warning”. Several methods of delivery may be utilized by WKU Police to inform the campus community of a threat. These methods may include local newspapers, television and radio stations, and posters as well as mass email notifications. Threats to people on campus are also posted on the WKU Police website under Campus Crime Alerts: (www.wku.edu/police/CampusCrimeAlert.htm). WKU has developed several new warning systems for mass notification of imminent threats to campus. The first of these systems is SMS text messaging to cell phones. Students, faculty and staff may register for this service on TopNet. A voice command outdoor emergency alert system has been installed on main campus. This system will give voice instruction to people who are outdoors about immediate dangers or threats. Crime information is available to the public on a daily basis. You can view a list of crimes that have been reported by going to www.wku.edu/police and click on the campus crime report button. There you will see the Campus Crime Log along with the Annual Crime Report, Cleary Act and Minger Act statistics.

Crime Prevention Programs:

Safety and Crime Prevention is a shared responsibility between the WKU Police and the campus community. The WKU Police Crime Prevention section uses handouts, programs, and personal contacts to inform students, faculty and staff on measures that can be taken to reduce the likelihood of becoming a crime victim. WKU Police also provides safety tips on our web site at www.wku.edu/police. Crime Prevention programs are presented in residence halls during the academic year and an advertised Crime Prevention Week is conducted each fall. Topics covered in the Crime Prevention program include Operation ID, date rape awareness, theft prevention, escort services, drugs and narcotics, general safety and security, and alcohol awareness. Films, guest speakers and handouts are used to illustrate procedures and to assist in the educational process. A ‘representative of the WKU Police often serves as

guest lecturer in many class projects throughout the year. In addition to programs presented on by the WKU Police and Residence Life: information relating to drugs and alcohol is provided by Student Health Services. Presentations are also made to parents and students during the orientation, advisement and registration program.

***Security and access to campus facilities,
including campus residence,
and the
maintenance of campus facilities***

Western Kentucky University is an open campus within the city limits of Bowling Green. As such there are numerous streets entering onto campus. A student enrolling at WKU assumes the obligation for conduct in a manner compatible with the university's function as an educational institution. Students are subject to discipline for acts or misconduct. Registered students and student organizations may use campus facilities, provided the facilities are used for the purpose contracted and subject to the regulations of the university. Each student has the right to a campus environment characterized by safety and order. Campus classroom buildings are locked at various times of the evening depending on class occupancy.

Campus Administrators and Student Government Association hold a "Campus Safety Walk" each fall. The purpose of this walk is to access safety issues on campus. The walk often locates dark area where additional lighting is needed to improve the safety of the area. The walk identifies areas with heavy bushes where trimming could reduce possible hazards, lights that are burned out.

Lighting - Western Kentucky University is a well-lit campus. This is a major factor in creating a safer, more inviting environment for students, faculty, staff and visitors. Over one million dollars worth of improved lighting has been installed in the last few years.

Facilities Management - is responsible for the maintenance and operation of campus buildings, grounds, and utilities.

Housing Report - a list of items that need to be repaired, is submitted to the Facilities Management Office every Monday morning by the residence hall directors. Students, who find any maintenance problems in their rooms, should report them to their resident assistant or resident hall

director by Sunday so they may be turned in on Monday to the Facilities Management Office. It is the responsibility of Facilities Management to repair roofs, paint buildings, and maintain heating/cooling, plumbing, electric, and other utilities. In addition, Facilities Management also cleans the public areas of the buildings.

Residence Hall Security - Residence hall desks are staffed 24 hours a day. Residence halls are locked 24 hours per day, 7 days a week. Closed circuit cameras are used to monitor each door. ID's of residents are required and checked upon entering the resident hall.

Visitors - must meet a resident in the lobby to further access the building and begin the visitation process. A phone is provided in the vestibule or at the front door for visitors to contact a resident of that hall.

Night Clerk - A student is employed by the Office of Residence Life to manage the desk operations and maintain order in the lobby area at night.

Key - Room keys must be used to unlock lobby doors of residence halls and mailboxes.

Room Entry - to the living quarters of a student may be conducted by the following people for the purposes listed below:

1. By law enforcement officers in the line of duty in accordance with legally defined procedures governing search and seizure.
2. By authorized custodial and maintenance personnel to make improvements, repairs and to provide routine maintenance.
3. By authorized university personnel in order to ensure that health, fire and safety standards are maintained.
4. By authorized university personnel in emergency situations to protect the health, comfort and welfare of a student or to make emergency repairs.

Unauthorized Guests - Non-students who are visiting in a residence hall need to be authorized by the hall director of that particular hall. For any WKU student to be considered an authorized guest they must adhere to all visitation procedures of the hall in which they are visiting including visitation hours, check-in/out procedures and proper escort. Students may visit residents of the same sex at any time. Residents are responsible for the actions of their guests whether they are authorized or unauthorized. Unruly guests or violators of this policy will be subject to disciplinary action.

Underage Guest - The following policies exist concerning underage guests in the resident hall:

- Guests of the same sex under the age 18 may be checked into the residence halls for the purpose of short term visitation.
- These guests should be supervised closely at all times by the resident. The resident's ID shall be used to check in an underage guest of the same sex.
- No guests of the opposite sex under the age of 18 will be checked in unless they are a WKU student with a valid ID. Guests who are violators of this policy will be asked to leave immediately; residents will be subject to disciplinary action.

Escort Service - The Escort Service is an on-campus service provided by the WKU Police Explorers for the protection of students, faculty, staff and visitors of the Western Kentucky University Campus. Escorts will be provided from dusk until dawn by calling WKU Police Department at 745-2548 or 745-3333.

Emergency Phones - The University has 72 emergency phones located strategically around the University. Push the red button and the phone dials the police department automatically, provides the location of the caller. In addition to calling the police department a blue flashing strobe light is activated on top of the call box. This draws attention to the area and provides another safety feature for the caller. If you are on campus and need emergency assistance, just go to an emergency phone and you are connected directly to the WKU Police Department. If you are not near an Emergency Phone use a campus phone and dial 911 or call 745-2548 and you will be immediately connected to the WKU Police.

The Rape Aggression Defense Systems (R.A.D.) - Is a program of realistic self-defense tactics and techniques for women. The R.A.D. System is a comprehensive, women-only course that begins with awareness prevention, risk reduction and risk avoidance, while progressing on to the basics of hands-on defense training. R.A.D. is not a Martial Arts program. Our courses are taught by nationally certified R.A.D. Instructors and provide each student with a workbook/reference manual. This manual outlines the entire Physical Defense Program for reference and continuous personal growth, and is the key to our free lifetime return and practice policy for R.A.D. graduates. This R.A.D. policy allows graduates the chance to take the class free of charge at any R.A.D. training location.

Police Explore Post 825 - The Western Kentucky University Police Explorer Program is designed to educate students in various police operations and to begin building a foundation for a career in law enforcement. This intense course of study will prepare students with decision making and leadership skills, as well as, re-enforce community involvement by assisting with Special and Athletic Events on campus. Western Kentucky University Police Explorers will have the opportunity to learn similar skills of police personnel through contact with those officers. Explorers will learn to make informed decisions and take responsibilities that make the campus conducive to a learning atmosphere.

University Police Academy - The Western Kentucky University Police Department offers a University Police Academy to all students, faculty and staff. The purpose of the University Police Academy is to develop mutual respect between the public and law enforcement officers. The University Police Academy is taught by officers from the WKU Police Department. The courses range from Patrol Procedures, where students have opportunity to role play and simulate conducting traffic stops, criminal investigations, where students learn about finger prints and interview techniques. Students also have the opportunity to take a tour of the Warren County Regional Jail and attend a Firearms Session where you get hands on experience with a duty weapon and police issue shotgun. The University Police Academy is **not** designed to train you to be a police officer but to give you basic information about law enforcement. This class is offered in the Spring only. If you have any question and/or would like to join call 745-2548.

WKU Police Leadership Academy - The Western Kentucky University Police Leadership Academy is designed to educate students in various police operations and to begin building a foundation for Police Exploring that provides an opportunity for a career in law enforcement. The course of study during the Leadership Academy will prepare students to develop decision making and leadership skills, as well as, re-enforce community involvement. The Leadership Academy consists of classroom studies, where they learn about the WKU Police Department Operations and Directives, basic report writing, and interview and interrogation techniques, to practical exercises where they learn handcuffing techniques, how to conduct high risk traffic stops, building searches and active shooter scenarios to firearms safety with a live fire practical exercise. The Western Kentucky University Police Leadership Academy's goal is preparing young men and women to enter a career in law enforcement and to make them aware of the complex nature and personal responsibility associated with the profession. This is offered in the Summer only. To sign up or if you have any question call 745-2548.
