You are invited to become a member of the PAST-PRESIDENT CLUB!
At the conclusion of each presidential term of AACD and Division
leaders, I write to them and request that they contribute to my
30-year professional life project. This study began in 1966
with my doctoral work at the University of Wyoming--the reason
for my addressing this letter to you today.

Please consider sending me a vita and a photo for your file?
The birthday card enclosed was sent during 1986-87 (to March)
to those who shared their birth dates with me in the past. If
you are willing to provide this vital statistic with or without
the "year" of birth indicated, I thank you.

Have a great year ahead!

Sincerely,

Vern

Vernon Lee Sheeley

P. S. Thanks for the "historian" certificate. You managed
the most complete file of any past president I have communi-
cated with in 21 years! Congratulations! Good wishes in
the AACD election!

Vern:
