Information About Western

Western Kentucky University welcomes groups and individuals who visit the campus daily for an ever-widening number of reasons: Prospective students and their families; persons interested in the Hilltop as a place of scenic beauty and historical importance; organizations seeking an ideal location for a convention or meeting; or, Western alumni returning to the campus. Organized tours are provided daily on weekdays at 10 a.m. by the Office of University-School Relations, or at other times by appointment. University-School Relations is located in room 207 of Wetherby Administration Building (14) and the telephone number is (502) 745-4656.

General information about Western and specific help in terms of arrangements for groups wishing to use campus facilities for meetings are available through the Office of Public Affairs and Public Relations in room 119 of the Wetherby Administration Building, or telephone 745-4295.

Parking On Campus

This Campus Tour Guide is provided for your use in visiting the Western campus and finding your way to your desired point of interest. Western, of course, is located on a large and beautiful campus of approximately 200 acres. The main campus is situated on a hill called College Heights. It is suggested that you drive directly to the Parking Structure (41) and obtain a visitor's parking permit from the Office of Public Safety located on the ground floor of that building. Visitor's parking is also available in front of the Wetherby Administration Building where there are metered parking spaces for relatively brief stops at this location.

The Office of Public Safety and its uniformed officers and student patrol members are circulating throughout the campus at almost all hours of the day and night. If you need guidance and direction these representatives will help. In the event of an emergency situation you may call the main campus number, 745-0111, or the emergency number, 745-3333.
