"GEMINI 14"

"Gemini 14," a show band from Western Kentucky University in Bowling Green, will depart 6 January 1967 for a 4 week tour of military bases in the Caribbean area - Puerto Rico, Guantanamo Bay, Cuba, Bahama Islands, West Indies, Canal Zone and Down Range Islands and tracking stations. The group is composed of 13 students. (11 pretty and talented young girls and two lucky fellows.) Two faculty members are accompanying the group.

The band was started in the fall of 1965 and after many rehearsals and local appearances an application was made to USO and the National Music Council for an overseas tour. Western Kentucky University Show Band was one of the fourteen colleges in the NMC to be chosen to tour this year.

The "Gemini 14" group has prepared an interesting program of music, songs and dances including jazz, ballads and folk music. There are a number of very talented soloists in the group and their wide variety of numbers is sure to please everyone.
