Due to spatial conditions and cultural rigidity owned Dersim geography has established that a distance Rapport between the government, in this case Turkish nationalism that started to plant 20 until the beginning of the Yüzyıl etmiştir.dersim my people the majority of the Kurdish / ZaZa have the ethnic identity of the original sample of people Anatolian Alevism Kızılbaş be having my lesson alaevileg and traditional social structure gave rise to no problem in terms of Turkish nationalism. Turkish nationalism ethnic sense of Turkishness centered top / national / single identity, implicitly in the Sunni Hanafi the intensity of the style touch my class to the nation-state include the Islam has shaped significantly geography at levels not seen much on the intensity of the political, lead to the occurrence of social and militarist violence., shoot and assimilation processes have produced refkelsif results, Kurdish nationalism and Kurdish regions of political movement and a wide range açmıştır.siyasal violence will take place and be strengthened as a politics concerning force against Tunceli and fight etnisty, religious and cultural foundations in the body to find the identity of a political subject in the center of the forehead to, and politicization of identity-based discourse in the political sphere of action gave rise to problems linked and piratik conversion. As a result of this case it has been subject to tunceliy into two different political power-struggle perspective nation nationalism-field. Identity in Tunceli city center politicization style, identity-based in order to detect the nature of the conflict, identity, siysal attitude, intellectual quest we have made in memory and political climate context, two-way polarization to trace our possible kılmıştır.farkl define the identity of the individuals who have the political attitudes and way of interpretation of where they live geography naming and meaning formats, to build the kolektive memory of individuals and editing forms of politics concerning the actuator of the actuators of the attitude, attitude, tell piratik of up to style influence the political climate has shaped many indicators identity and as cultural shows based conflicts and polarization
