Dear Miss Alburn:

Miss Lenroot has asked me to thank you most sincerely for your letter of February 17, enclosing a copy of Virginia Brainard's article on "Uncle Sam is Godfather to the Nation's Babies."

It is an excellent article, attractively illustrated and laid out, and does a most effective job of calling attention to the Bureau's booklets.

We are most grateful to you, Miss Brainard, your paper -- and to Paul Howard -- for the fine job you have all done in bringing these publications to the attention of your readers. It contributes importantly to the big job that the Bureau has of helping parents give their children a good start in life.

Sincerely yours,

Mary Taylor, Director
