- Learning management system (Moodle, Edmodo)
- Hub for files and assessment
- Auto-grading

The screenshot displays the Schoology interface for a course titled 'Media Grade 3: Bell' and 'Unit 1 - Digital Citizenship'. The main content area shows the '3rd Grade Digital Citizenship Assessment' results, with tabs for 'Questions', 'Settings', 'Preview', 'Results', and 'Comments'. The 'Results' tab is active, showing a table of student performance. The table includes columns for 'Name', 'Submissions/ Attempts', 'Latest Attempt', and 'Final Score' (with 'Gradebook Grade' in green). A sidebar on the left contains a large blue number '3' and a list of course options: Materials, Updates (4), Gradebook, Mastery, Badges, Attendance, Members, Analytics, and Workload Planning.

TRAILS Introduction

TRAILS is a self-administered, nationally normed, assessment tool designed for use by librarians and teachers to determine the information literacy competencies of their students.

Test development was originally provided through both a Jennings Foundation Grant and Library Services Technology Act Grant, it targets information literacy skills based on 3rd, 6th, 9th, and 12th grade standards.
