Abstract

The Survey Research Center (SRC) is an interdisciplinary survey research center that is part of the IU School of Liberal Arts Institute for Research on Social Issues (IRSI). The SRC's mission is to assist patrons to collect, manage, and analyze valid and reliable data for use in decision making, academic scholarship, and policy efforts. The Center engages in three principal activities: consultation, data collection, and education. Some current projects include the Social Immersive Media Project, The Girlhood Health Study, Adult Tobacco Survey and The Marion County Community Health Needs Assessment.
