ANNUAL COMMENCEMENT.

The examinations are so arranged as to permit the commencement for conferring degrees to be held early in March.

There is also an examination of candidates for graduation during the first week in July. The degrees are conferred on those who are successful at this examination at the annual commencement following.

F E E S .

The fee for admission to each course of lectures is fifteen dollars.

The matriculation fee is five dollars. The Student is only required to pay this for the first session which he attends in the College.

The fee for the diploma is thirty dollars.

The price of boarding, and all the personal expenses of the Student, are at least as reasonable in Philadelphia as in the other large cities of the Union. Good boarding—fire and lights included—can be had for three dollars per week.
