## LETTER FROM THE PRESIDENT

Dear Graduates,

Today, I join with family and friends in applauding you, our fall 2016 graduates.

Today is a marker in your life. I encourage you to stop and savor your achievement, and enjoy the celebration and joy that surround you, for your accomplishment says more than you may know.

Your Central diploma is an outward sign of your commitment and hard work. It says to the world, "I can make the appropriate sacrifices. I can learn. I can meet the challenge. I can succeed." Your graduation is a clear manifestation of your own empowerment. You did it, and we are truly proud of you.

Be encouraged by what you have accomplished. Now imagine what you are capable of doing.

We believe your Central education has given you more than certain skill sets. We believe that you leave here with

sharpened abilities to think and act creatively, critically and ethically. You can become the engaged citizens and leaders in whatever community you choose, whatever field you pursue.

More importantly, we hope your Central experience has instilled in you a passion for learning, a habit that will be part of you throughout your life. We hope that you leave knowing how to perceive problems and find solutions, and to meet a changing world with a culture of learning that will enrich your life.

With your graduation, you have changed your future and that of others who will be influenced by you. This is our hope for you.

Know, too, that you are always welcome here, either to further your learning experiences or as loyal alumni, members of a 126-year heritage. You are a member of the UCO community regardless of where your life takes you.

Finally, don't pass up this opportunity to thank those in your life whose encouragement and love helped you in countless ways to reach this plateau. Tell them today how much they mean to you.

You can make a difference; you can be the change you wish to see in the world around you.

**We believe in you.**

## THE HISTORY OF THE UNIVERSITY OF CENTRAL OKLAHOMA

For 126 years, the University of Central Oklahoma's bedrock mission has been developing leaders for Oklahoma and the nation.

The university began in 1890 when the Oklahoma Territorial Legislature created the Territorial Normal School.

Its mission was to educate teachers for the one-room schoolhouses being built across the growing territory.

Central's first students — a class of 23 — met in the basement of Edmond's Methodist Episcopal Church. In 1893, they moved into the school's first building, Old North, still standing today.

Five name changes later, UCO is a beautifully landscaped campus that welcomes around 16,500 students each semester. The university strives to meet the needs of those seeking a traditional campus atmosphere as well as the non-traditional student.

Central also welcomes the role of being Oklahoma's major metropolitan university, purposefully combining the needs of students with those of the larger area. No longer just an Edmond campus, Central enjoys a presence in several areas of the metro, including its Academy of Contemporary Music at UCO (ACM@UCO) in Bricktown, its downtown Oklahoma City campus

with classrooms in the Carnegie Centre and its CHK|Central Boathouse on the Oklahoma River. The university also has begun a relationship with the Oklahoma City Hispanic Chamber of Commerce as UCO works to meet the needs of many in the metropolitan area.

Others notice. *U.S. News & World Report* again has ranked Central as one of the top colleges and universities in the nation. Central again was the state's only higher education institution to be named to the "2016 Great Colleges to Work For" by *The Chronicle of Higher Education*.

As Oklahoma's third-largest state university, Central has evolved into six colleges, including the Jackson College of Graduate Studies, all with nationally recognized programs including Nursing, Forensic Science, Accounting, Physics, Graphic Design and more. The university offers 117 majors for bachelor's degrees and 70 for master's. It's accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools.

After 126 years, Central remains an institution where learning comes first and where students enjoy personal relationships with faculty and staff who are committed to transforming lives.

## SYMBOLS OF AUTHORITY

### THE GONFALON

Each college has its own gonfalon, or banner. The gonfalon is carried by an outstanding faculty member in that college. The bearer leads that college's students in the procession.

### THE MACE

Among ancient orders, the mace was a heavy staff or club made of wood and metal that was borne by, carried before or placed near a magistrate or other dignitary as an ensign of authority. The most senior member of the college carries the mace.

In 1975, students and faculty in Central's then Industrial Arts program constructed the university's mace. It is approximately 34 inches in length and

weighs 9.65 pounds. Near its top is a miniature replica of Old North, created in pecan wood and encompassed within a bronze crown. Thirteen pieces of solid walnut wood make up the majority of the mace. The base on which the bronze medallion sits is rosewood. A bronze band encircling the mace is inscribed "University of Central Oklahoma."

### THE MEDALLION

In keeping with tradition, UCO President Don Betz will be wearing a medallion that was created in 2011 with both past and future university presidents in mind.

The chain features at its center a 3.5-inch antiqued-bronze medallion

showing the official UCO seal. On the flip side are the names of Central's first 15 presidents, from Richard Thatcher, who served from 1891-93, through W. Max Chambers, 1949-60.

Curved metal banners on each side of the medallion help form the chain. Each banner bears the name of one of the next five Central presidents, including President Betz who began his service in August 2011 as Central's 20th president. The chain is designed with blank metal banners, evenly spaced among smaller official UCO seal medallions. These blank banners are for the names of all future presidents, symbolizing the chain of university leadership.

## GRADUATION WITH HONORS

### BACCALAUREATE DEGREES

- Summa Cum Laude to graduating seniors with a 3.90 GPA or higher; gold honor cords
- Magna Cum Laude to graduating seniors with a 3.80 - 3.89 GPA; silver honor cords
- Cum Laude to graduating seniors with a 3.70 - 3.79 GPA; white honor cords

### GRADUATE DEGREES

Graduation with Honors graduate degrees are conferred to those with a 4.0 GPA in all graduate coursework. These students wear blue and gold honor cords.

### ASSOCIATE DEGREES

Graduation with Honors to those with a 4.0 GPA; gray cords

### MINIMUM FOR HONORS

To be eligible to graduate with honors, baccalaureate candidates must have completed at least 45 hours at the University of Central Oklahoma.

*Graduation with honors and degrees are pending a final check by Graduation Services. Only those who are cleared for graduation by November 9 are listed in the program.*

## STUDENT TRANSFORMATIVE LEARNING RECORD (STLR)

Some fall 2016 graduates will be wearing color-coded cords for achieving the highest level of transformation in one or more of five UCO tenets. These five tenets are represented as following: Global and Cultural Competencies (orange), Health and Wellness (green), Leadership (blue), Research, Creative and Scholarly Activities (magenta), and Service Learning and Civic Engagement (purple).

STLR is an award-winning concept, developed here at UCO and recognized by the U.S. Department of Education with a \$7.8 million grant. The program has gained national and international recognition for its ability to document student success with transformative learning that parallels an academic transcript, showing mastery in employability and citizenship skills.

Students build and enhance their record through submitting STLR-tagged assignments, attending STLR-tagged campus events, serving in STLR-tagged student groups, and/or participating in outside-of-class projects. Their levels of achievements are assessed and validated by a UCO faculty or staff member.

Through STLR, students graduate with more than an academic degree. Students can show they've taken their education to a transformative level, gaining skills that can be applied in areas identified as being needed in today's workforce and in our metropolitan communities.

*Note: UCO's sixth tenet, Discipline Knowledge, is recognized by students completing their academic degrees.*

## THE TRADITION OF ACADEMIC DRESS

The precise origins of the several parts of academic dress still remain a matter of conjecture. The unheated buildings which medieval scholars frequented may have necessitated the wearing of gowns for comfort's sake. Gowns and hoods were common at British universities before the 14th century; the square cap is thought to be a 16th century import from the University of Paris. European universities continue to use a wide variety in the cut and color of gowns and the type of headwear worn.

Academic attire began to appear on United States campuses in the late 1890s. Since that time, its use has become universal for solemn university functions, and its pattern is highly uniform. From the color and cut of the American academic attire, one may determine the institution from which the wearer received the degree and the degree earned.

### THE CAP

The mortarboard has become the universally accepted style in United States colleges and universities. The standard tassel worn by faculty is black. However those with doctoral degrees

may wear a gold tassel. Candidates for degrees have colored tassels that identify the student's college as follows:

Business.....	Drab
Education & Professional Studies .....	Light Blue
Fine Arts & Design ...	Chocolate Brown
Liberal Arts .....	Kelly Green
Mathematics & Science .....	Golden Yellow
Graduate .....	Bronze and Blue
Associate .....	Gray

### THE GOWN

The bachelor's gown has a long, pleated front with shirring across the shoulders and back. With flowing sleeves, the gown is almost knee length.

The master's gown has oblong sleeves that reach well below the knees. The sleeves are cut so that the forearm comes through a slit just above the elbow.

The doctor's gown has broad, velvet panels down the front, and three velvet bars on full, round sleeves. This velvet trimming may be either black or a color distinctive of the degree.

The associate's gown is the same style as a bachelor's, but dark gray.

### THE HOOD

The Master's Hooding Ceremony focuses on advanced degree candidates and their accomplishments, while adding visual meaning. The colors of the hood's silk lining represent university colors, which for Central are Bronze and Blue. The color of the hood's velvet border represents the field of learning, such as light blue for education or golden yellow for science.

### THE COLORS

The fields of learning identified by the color of the velvet panels and sleeve bars on the gown or the edging of the hood include the following:

Arts and Letters.....	White
Business.....	Drab
Education.....	Light Blue
Engineering.....	Orange
Fine Arts .....	Brown
Law .....	Purple
Medicine .....	Green
Music .....	Pink
Nursing.....	Apricot
Philosophy .....	Dark Blue
Physical Education .....	Sage Yellow
Science .....	Golden Yellow
Social Science.....	Citron
Theology.....	Scarlet

## CLASS MARSHALS - FALL 2016

Each of the University of Central Oklahoma's five undergraduate colleges awards a graduating senior the title of "Class Marshal." These five students have the highest grade point averages and number of Central credit hours in their respective colleges.

The honorees each receive a Class Marshal stole, signifying the highest degree of academic excellence. First presented in 1994, the stoles have become a UCO tradition, later enhanced by the bronze Class Marshal gown.

The following are the fall 2016 Class Marshals:

**Jennifer P. Carter** is a Nursing major with a 4.0 GPA in the College of Mathematics and Science. She has served as the treasurer for UCO's Student Nurses Association since January 2016 and was named 2016 Outstanding Senior in Clinical Nursing. Carter also was named to the President's Honor Roll. Originally from Edmond, Oklahoma, and a graduate of Edmond North High School, Carter accepted a post-graduation position as a neonatal intensive care unit nurse at Mercy Hospital.

**Candice M. Garza** is a Special Education – Mild-Moderate Disabilities major with a 3.92 GPA in the College of Education and Professional Studies. A native of Norwalk, California, and a graduate of El Camino High School, Garza now lives in Midwest City, Oklahoma, with her husband, Shawn, and children Alyssa, Gage, Ethan and Alexander. After graduation, Garza hopes to use her degree to serve students with special needs in her home district, Mid-Del Schools.

**Steven Brian Lanham** is a Marketing and Management major with a 4.0 GPA in the College of Business. Lanham is involved with the Baptist Collegiate Ministry, the Outdoor Activity Recreation Center and the Business Advantage – Elevate Certificate Program. He also is a member of the Sigma Alpha Lambda, Alpha Lambda Delta, Delta Epsilon Iota and Delta Mu Delta honor societies. He received the 2B Leaders, Dr. Ralph H. and Jessie M. Mengel Endowed, Dr. Charles and Louise Rickman Endowed and Business Excellence scholarships. He has been named to the President's Honor Roll each of his eight semesters at Central. Originally from Fort Gibson, Oklahoma, and a graduate of Fort Gibson High School, Lanham plans to open his own gym after graduation, drawing from his marketing and management education.

**Kenzi N. Lockwood** is a Criminal Justice and Forensic Science major with a 4.0 GPA in the College of Liberal Arts. She is a recipient of several criminal justice tuition waivers. A native of Mustang, Oklahoma, Lockwood will continue her education through Central's crime and intelligence master's program and is passionate about helping others beyond graduation.

**Abigail M. Pappas** is an Instrumental Music Education major with a 4.0 GPA in the College of Fine Arts and Design. Pappas is a member of Sigma Alpha Iota and the National Association for Music Education (NAfME) Collegiate. She received the Presser and Melvin Lee scholarships and attended the National Convention for Undergraduate Research. She also has performed as part of Central's School of Music Honors Recital, and NewsOK.com featured one of her UCO Chamber Music performances. A native of Oklahoma City and a graduate of Western Heights High School, Pappas hopes to become a band director following graduation. ## STAR-SPANGLED BANNER

O say, can you see, by the dawn's early light,  
 What so proudly we hailed at the twilight's last gleaming,  
 Whose broad stripes and bright stars, through the perilous fight  
 O'er the ramparts we watched were so gallantly streaming?  
 And the rocket's red glare, the bombs bursting in air,  
 Gave proof through the night that our flag was still there.  
 O say, does that Star-spangled Banner yet wave  
 O'er the land of the free and the home of the brave?
