

Texas Society

Flag Certificate Presentation Report

Each Texas SAR chapter should present one or more flag certificates each year to qualify the Texas Society for the Admiral William F. Furlong Memorial Award. To qualify for the award more than half of the chapters must present at least one flag certificate. A special award will be given the Texas Society when all of our chapters participate. The Admiral Furlong Award will be presented to the state society at the National Congress the following year.

This report should be submitted to the Public Service/Flag Committee using the “Submit” button below when you present a flag certificate(s) to an individual, a business, a school, a city, or other organization. This report assists the Public Service/Flag committee in the timely submission of consolidated data to the national flag committee. A copy of this report can be retained by the chapter to help in completing the comprehensive Chapter Annual Report in January (use the “Certificates presented to non-SAR members” section).

Clicking this **Submit Report** button will automatically insert this pdf as an attachment into an Outlook email message. It can also save a similar message as a draft in Gmail, Yahoo mail, and some other email applications if you know the setup parameters for your email system. If the **Submit Report** button does not work for you, Save the filled out pdf form, then start an email addressed to the chairman of the Public Service/Flag Committee (Chris Courter at chris.courter@sbcglobal.net), add the pdf form as an attachment, complete your email, and send.
