Dear Dick

I know

very little about the  
value of the land I

was a part of Jayrell  
Jones Estate and called  
the Hix tract Revere

Andersm sold Willie  
Hoard 100 acres of the  
Jay Jones home place with  
all the buildings for 25000

I think he bought it of  
your father some 8 or  
10 years ago If you can  
get the same price  
for this as he did for that  
I think I would sell

This is better land but  
there is no buildings  
and not much timber  
Charley McGraw sold

Early Wooten some land  
adjoining this tract and  
that is the reason that

Phil and his Father want  
to buy so they may be close  
to each other the Old Man

has a place near Wiggins  
he has been offered a price  
for it and will sell so  
Phil tells me if he  
can buy this place.

Look at your Tax tickets  
see what the land is appraised  
I think they are overvalued  
and about buying

your Tract
