THANK YOU  
FOR USING  
THE POSTAL SERVICE

It takes alot sometimes to follow through on your beliefs. Congratulations on hanging in there. It will make sexual discrimination at Price Waterhouse a little more difficult and hopefully, it will pave the way for others in your field. After reading about your struggle, I wanted to write you and offer you the encouragement and praise that you deserve for going the extra distance. I am sure you will be successful regardless of where you decide to work. Your strength in this matter has been an inspiration to many of myself included.

Well done!

Thank you.
