

JOSHUA HARMON'S *THE SOFT PATH* (UNIVERSITY OF AKRON PRESS, 2019) REVIEWED IN *MID-AMERICAN REVIEW*

Joshua Harmon's first collection of poetry, *The Soft Path*, was reviewed by Turner Wilson in the latest issue of *Mid-American Review* (vol. XL, no. 1).

Wilson praises the book as "a vision of the future of American pastoral poetry," reading the "spare and fragmented style" as a comment on our broken "understanding and exploitation of wilderness" (169).
