## MISS STRICKLER AWARDED ATHLETIC HONOR BLAZER

Gold Medal Presented to Anne Uhrich; Many Other Awards by Athletic Association

On Tuesday evening, September 30, the Women's Student Government Association held a mass meeting in Bomberger Hall for the purpose of conferring athletic awards for 1930-31. The meeting was opened by the President, Ann Uhrich, '32, who, before taking up the business of the evening, introduced the athletic coach and advisor, Miss Snell, and the other officers of the association. The most important presentation of the evening was an Ursinus blazer to Lois Strickler '32 for her ability in sports, outside activities, health, posture and all around leadership. Ann Uhrich, who ran a close second to Miss Strickler, was awarded a gold medal.

Hockey, basketball, tennis, hiking, and sportsmanship recognitions were as follows:

## MEN'S GLEE CLUB RESUMES ACTIVITIES

The first meeting of the Men's Glee Club was held last Thursday evening, October 1 in the Vocal Studio. Miss Hartenstine presided, and plans for the coming year were discussed.

Thus far a large number of students have turned out for practice. It is further urged that all other freshmen interested in this kind of work should get in touch with Miss Hartenstine as soon as possible.

Most of the plans are tentative as yet, although it has been definitely decided that a radio broadcast will be made from Philadelphia some time during the winter. It is hoped that the activities of the Men's Glee Club this year will surpass those of former years.

## URSINUS STUDENTS PLACE IN RADIO AUDITION CONTEST

On Tuesday evening, September 22, the local Atwater Kent Radio audition contest of Montgomery County was held at York Avenue School, Lansdale, Pa. Thirteen of the most talented persons of this section competed. Evelyn Glazier '32 was awarded first place. Her number "Break of Day" by Sanderson was rendered in her usual creditable manner. Marion Kepler '32 and Allen Boyer '34 also deserve much credit for the places they won in the contest as does Miss Hartenstine, the vocal instructor. Marion Kepler '32 was winner of the Pottstown contest.

## NORRISTOWN "Y" SECRETARY SPEAKS AT MEN'S MEETING

Mr. Gruber Explains the Relation of the City Organization to College Life

A meeting of the Y. M. C. A. was held in the chapel of Bomberger Hall. The prelude by Alfred C. Alspach '33 was followed by the hymns, "God Send Us Men" and "Dear Lord And Father of Mankind." The scripture was then read by Norman Shellenberger '34.

Jacob Weaver '32, president of the Y. M. C. A., introduced the speaker of the evening, Mr. Charles Gruber, the assistant secretary of the Norristown Y. M. C. A. He represented that organization in the place of Mr. Frank Whitehead, who was unable to be present. Mr. Gruber first explained the difference between the regular Y. M. C. A. and the student organization, showing how it is impossible to grant the full privileges of the regular member to the holder of a student card. In the past this fact has been very much misunderstood by the students. However, the Norristown Y. M. C. A. has consented to make an arrangement whereby the holders of student Y. M. C. A. cards may use the facilities of their building upon the payment of a small fee. For the sum of twenty-five cents the students may use the swimming pool, or gym, etc.

## HOCKEY SEASON OPENS WITH MANY CANDIDATES

From four until five-thirty every afternoon of the school week with the exception of Friday, the hockey field is a scene of great activity. This year more than in previous years the freshman girls seem to have obtained the right idea—that of coming out for sports at the very beginning of their college careers. The number of girls reporting for practice each day has ranged from forty to forty-five in number, and with the Varsity suffering the loss of only three of its members, the College can be assured that the team is going to have a very successful year. A new set of equipment will be used this year—those who have examined them know that the English-made barriers are excellent sticks.

## Y. W. C. A. SPONSORS HIKE TO LOST LAKE

About dusk on Wednesday, September 31 at 5:15 p. m., a large group of girls gathered at the east entrance of the Library to obtain lunches for the Big and Little Sister Hike to Lost Lake.

The group, upon its arrival, found that a nice bonfire was being prepared for them by several hard working college boys.

The girls roasted their "doggies" and hugely enjoyed minced ham sandwiches, coffee, apples, and apple pie. After this refreshing food they formed a large circle about the fire and sang songs suitable for the occasion. The group concluded the few peaceful hours in the College woods by singing the Campus Song. Regretfully, the girls left the warm glow of the bonfire and returned home.

## Varsity Downs Haverford 24-0; Frosh in 0-0 Tie with Perkiomen

### Powerful Second Half Offensive Overcomes Game Main-line Team

#### TROPP OUTSTANDING

The powerful Ursinus juggernaut annexed its second consecutive victory when Haverford fell before it by a 24-0 count. The Bears completely outclassed the home forces, Haverford threatening their goal but once during the whole hot afternoon.

Coach McAvoy borrowed some of the late Knute Rockne's strategy by starting the second team or shock troops. Defensively the reserves held their own against the Main Liners but showed signs of nervousness on the offense, which resulted in frequent fumbles and misplays. Pleasants and Shuman engaged in a punting duel during the entire first quarters.

After several minutes of the second quarter had been spent, Capt. Miller led his band of regulars on the field. Immediately an offensive drive was launched but their efforts were frustrated and the first half ended in a scoreless tie. The most appreciable gain during the otherwise slow first half was made when Parunak stole the ball from the Haverford safety man as he juggled the oval after receiving Miller's kick.

However, the Grizzlies came out for the third quarter with blood in their eyes and pushed over two touchdowns in a jiffy. After Miller had kicked off Haverford was held for downs and the Bears received the ball in midfield. Here the first big drive of the game was started which eventually led to a touchdown. Wally Tropp and Hy Miller pulled off several long runs during this march down the field, and Wally finally galloped 14 yds. around end for the initial six pointer. Lodge missed the try for point.

The Bears lost no time in putting over touchdown No. 2. Johnny Julo, scrappy center, recovered a Haverford fumble on their own 32 yd. line. Here Tropp again reeled off some startling gains, and, aided by Hy Miller, carried the ball to the 4 yd. line from where the captain lugged it over on another end run. This time Miller missed the try for point.

After the teams had changed goals to start the final quarter, Ursinus again seized a Haverford fumble and proceeded to make the most of it. The Bears launched an air attack for the sake of variety. One pass from Soeder to "Al" Paul carried the ball to the seven yd. line. After several line thrusts had failed, Soeder again flicked the oval, this time to Miller and "Hy" stepped over the last white stripe for the third six pointer. After Lodge again missed the try for point, Coach McAvoy inserted his starting eleven.

This time the reserves set out to score some points of their own. Pleasants, Haverford fullback, was forced

#### ATTENTION ALUMNI!

For the past two weeks we have been reminding you of Saturday, October 10th, the date of Old Timers' Day at Ursinus. The first home game of the season with Dickinson, which is also the first Eastern Pennsylvania Conference game, will be played at that time.

We are inviting the Alumni to come back to the campus and see the boys fight to keep their championship for another year. Make it a real homecoming.

Don't forget the big luncheon in the "gym" right after the game. Plenty of eats, plenty of "snappy" numbers by a 10-piece "jazz" orchestra from Phoenixville High School—thanks to the kindness of Edgar Robinson, class of 1914. Speeches and entertainment from the coaching staff will round out the "peppy" program. Meet the new coaching staff after the game in the "gym." Step on it, alumni, and make October 10th a big day in our history.

When you come, buy your five dollar season booklet for all the succeeding games of the year. Make the membership of the Athletic Club bigger than any preceding year.

### Yearlings Surprise by Fine Showing Against Strong Prep Crew

#### SUPERB DEFENSE

The Ursinus freshman football team held the strong Perkiomen Prep team to a scoreless tie on Saturday, in a game marked by brilliant defensive play by both teams.

The Ursinus Cubs played well on the defense, and at times, flashes of potential offense were observed. The first three quarters of the game were practically even. It was in the last quarter that Perkiomen, aroused at being held to a stalemate, by a team they were favored to defeat, threw caution to the winds, and by a series of forward passes, brought the ball down to the Ursinus 7 yard line.

Here the Ursinus line showed its true worth. On first down, Kucinskas, who played through the entire game seriously injured, broke through to throw the ball carrier for a loss. On the following play, Petrowsky, red headed left end, again threw Perkiomen for a loss with a beautiful lunge tackle. The Perkiomen team was held for downs, and Ursinus kicked out of danger.

The team played brilliantly as a unit. Levin's line bucking and punting, coupled with Taylor's fine running were especially noticeable. The

## STRING ENSEMBLE AGAIN DIRECTED BY DR. STURGIS

The String Ensemble under the direction of Dr. Sturgis is beginning its third year. Dr. Sturgis joined the group in its infancy and when Mr. J. F. Stock, former music instructor at Ursinus and founder of the Ensemble, left, the pleasure and responsibility of directing the organization fell upon Dr. Sturgis. The Ensemble has one weekly rehearsal but frequently on Sunday afternoon the members go to the Sturgis home for another meeting. Last year the ensemble furnished the music for numerous play, college functions, vespers, and Junior oratorical contest. Several of the members play each Sunday in the Trinity Reformed Sunday School of Collegedale. The organization is limited in membership to approximately eight violins, two cellos, and a piano. This year there are three candidates for pianist. Among those who play in the Ensemble are the Misses Ingram, Labor, Neast, Messrs. Alspach, Baker, Clark, Williams, and Givant. The members are planning to give a concert this year if possible. Sufficient money to enlarge the musical repertoire is the most pressing need.

All students playing stringed instruments and desiring to join the ensemble are requested to report at the next practice to be held this week.

## GRACE LIVINGSTON HILL WILL SPEAK AT JOINT "Y" MEETING

The Y. M. and Y. W. C. A. have been very fortunate in securing Mrs. Grace Livingston Hill, the author of "The Witness," "The Tryst," "Crimson Roses," "A Voice In the Wilderness" and many other religious fiction books for their joint meeting at 6:45 in Bomberger, Wednesday.

## WOMEN CANDIDATES REPORT FOR FRESHMAN DEBATING

Margaret Deger '33, manager and coach of Freshmen girls debating, called a meeting of all candidates for the purpose of preliminary organization. A number responded and arrangements were made for regular debates to start about the first of December. Tryouts for the team will take place at a later date. Debates will be held with nearby High Schools.

## DEBATE ECONOMIC QUESTION

The subject chosen for debate this year by the Intercollegiate Debating Association of Pennsylvania is—Resolved: That capitalism as a system of economic organization is unsound in principle.

## SENIORS WILL REPRODUCE "CHILDREN OF THE MOON"

Experiences of Psychologically Affected Family Again to be Presented to Ursinus Audience

A reproduction of last year's Junior Play, "Children of the Moon" by Martin Flavin, will take place in the Thompson-Gay Gymnasium Saturday evening, October 24. With the exception of one character, that of Judge Atherton, the original cast whose first performance was such a success will again be available. The role of the judge will be fulfilled by J. Boyd Coates, a new actor to the Ursinus stage.

The story of the play centers around a peculiar family, the Athertons, the members of which are psychologically affected by the different phases of the moon. Judge Atherton, who is the eldest member of the line, believes that we are all "Children of the Moon." Madame Atherton, played by Katherine Hand, is a philosophical and admirable character. Laura Atherton, her daughter-in-law, is the object of many unfortunate happenings. This difficult role will be played by Eleanor Mengel. Her husband and son die when the moon is full, an airplane crash being the cause of the latter's death. After these misfortunes she naturally assumes an attitude that centers only around her daughter Jane. Naturally, when Jane falls in love, her mother tries not to lose her. Jane's fiance, Major Bannister (Richard Albebach), an aviator, portrays excellently the part of the hero. Edward Kottcamp as Walter Higgs is the major's flying partner. The servant (Ray Williams) and the doctor (Clarence Livingood) are minor characters essential to the play.

This play will again be coached by Miss Price '31, who was responsible for the first successful production. She will be assisted by Roberta Frantz '32.

## COLLEGE DEPARTMENT MEETS SOCIALLY AT TRINITY CHURCH

The College department of Trinity Reformed Sunday School held an informal social and get-together last Friday evening in the banquet rooms of the church. More than forty members were present to enjoy games and ever-popular refreshments. Prof. and Mrs. F. I. Sheeder were guests.

The committee in charge included Clair Hubert '33, chairman, Vivian Davies '32, Marion Hageman '34, Jerome A. Wenner '33, and Norman Shollenberger '34. The next social event will be in the form of a Halloween party to be held the last Friday in October.

## SOPHOMORE COMMITTEE TO SELECT CLASS RING

A committee has been selected to aid the Sophomore class in the selection of a new Ursinus ring. "Ed" Hershey will act as chairman of this committee with Betty Luther, Sarah Pfahler, Robert Cunningham, and Maurice Shuman as other members. The big question regarding the ring is: To have or not to have the traditional "U".

## HUBERT LEADS VESPERS

The Vesper services on Sunday evening, under the leadership of Clair Hubert '33, were opened with an organ selection by Alfred Alspach '33. Several old hymns were sung and an interesting story concerning the origin of each one was told. Clair Hubert read the scripture and offered a prayer, after which a short poem was read by William Tempest '35. The services were closed by the Mizpah benediction.

### THE URSINUS WOMEN'S CLUB

One of the most active and yet comparatively unfamiliar organizations on the Ursinus campus is that of the Women's Club. For many years this club has been functioning as an indispensable unit in Collegeville, although very few of us have been aware of its numerous activities or realize to what extent we are indebted to its members for the advancement of co-education at Ursinus. When it was originally organized in 1914, its membership was confined solely to the Alumnae. In 1917, however, it included not only graduates, but also other women who were interested in the welfare of the institution.

As the size of the club gradually increased, the women became more actively interested in providing for the needs of the College. One of the very first ideals the women had in mind was that Ursinus should become a member of the organization which is now called the American Association of University Women. In order to attain this end it was necessary to accomplish among other things the following: Ursinus must have a dean of women, a woman professor, and a woman member on the Board of Directors. The first step made in this direction eliminated two of these obstacles—when Dr. White came to Ursinus, we had a dean of women who was also a professor of history. In 1928, Mrs. Rhea Duryea Johnson became a member of the Board of Directors. Finally in 1930, the ideal for which the Women's Club had so earnestly striven became a reality—Ursinus was admitted to the American Association of University Women.

Beside having a great interest in the proposed Women's Dormitory, the Founders' Day program, the annual meeting in June, and the club dinner—activities with which we are all familiar—the club has done many other things for the girls of Ursinus. For example, it was through this organization that social hour became a custom. In 1924 the Day Study was rearranged and refurnished. Here again the Women's Club was responsible. In 1916, a proposal regarding athletics for women was made by Dr. Omwake in a speech to the club. Until recently it paid the salary of the physical training instructress.

So many of us have never realized how much these women have allied themselves with our interests. As evidence of appreciation, we can only give them a hearty vote of commendation. A. M. B., '33.

### AN ANNOUNCEMENT

At a recent meeting, the Board of Control of the Weekly approved the Executive Council's nominations for staff positions. Harry Pote '33 was elevated to the position of Special Feature Writer. New members of the staff are as follows: Beatrice Lesser '32, Rebecca Romberger '33, Marion Hageman '34, Ruth Haines '34, Violet Wintersteen '34, Miriam McFadden '34, Evelyn Virgin '34, Chester Albright '34, Dwight Gregory '34, Harold Houck '34, all of whom have been chosen as reporters. E. E. S., '32.

### VARSAITY CLUB HOLDS

#### FIRST MEETING OF YEAR

The newly organized Varsity Club held its first meeting of the year Thursday at noon. James Herron, president of the organization, was in charge of the meeting. Unfinished business of last year was discussed.

Last spring the president appointed a committee, consisting of Aram Parunak '33, Benjamin Scirica '32, and Claude Lodge '33, to draw up a constitution. Since the committee had completed this task, the constitution was read to the club by Mr. Parunak. Various changes were made and it will probably be adopted at the next meeting. Monthly meetings are to be held whenever the president chooses to call them. The club is planning to have a banquet sometime near Easter. Every student who has earned a letter in either a major or minor sport is eligible to become a member of the club.

### COLLEGE PHYSICIAN SPEAKS AT LIVELY PEP MEETING

Bomberger was the seat of more activity on Friday evening than Sportsman Park was the same afternoon. What, with missing class presidents, the Freshman banquet only a few days off, the team's victory over Lehigh, and the prospects for both the Varsity and Freshman squads on Saturday, the chapel was a scene of much excitement. The speakers for the evening were Coach McAvoy, who is always a popular orator, and Dr. Price, former Ursinus coach and present college physician.

Class and organization pictures were taken on the Library steps on Tuesday afternoon for future use in the 1932 "Ruby".

### NEW RECRUITS REPORT

#### FOR WRESTLING SQUAD

In response to the call given by Coach Carleton, quite a number of matmen reported to the gymnasium on Tuesday evening, September 29. Most of those present, however, turned out to be new candidates for the team as most of the men from last year's first stringers are engaged at the present time in football, track, cross-country, and the like.

Several of the new men received their first taste of the sport last year in the intra-mural contests which, it will be remembered, aroused much interest and enthusiasm on the campus. It has been further decided to feature another intra-mural schedule this year. Coach Carleton is very well pleased with the material.

Managers Bill Beddall, Benny Lee, Larry Shear, and Harry Pote have up until this time arranged for three wrestling meets but within the next few weeks it is expected that they will negotiate about four more. As announced before, Jack Robbins will be the captain of the Grizzly matmen.

A tentative list of the new candidates for the wrestling squad follows: Bill Buchanan, Jim Palm, Allen Peiffer, Richard Shaffer, Blair Hunter, Lee Porter, Clyde Straub, George Stoudt, Thos. Hepner, Arthur Kucinskis, Howard Dovey, Alexander Kravitz, Frank Tinney, Samuel Levin, Abraham Harris.

Mrs. Catherine Keplinger Pfahl and Barbara Taylor, both of '31, were recent visitors on the campus.

Tau Sigma Gamma will hold its first reunion of the year on Old Timers' Day, October 10. The event will take place in the form of a tea immediately following the football game.

**TELEPHONE**  
Date with Home

NUCKLING DOWN to this new college year? It's the life—and a busy one! But with all the

rush of classes and campus fun there are Mother and Dad to remember!

Pay them a "voice visit"—once a week at least! Have a regular Telephone Date with home. News about the family—news about yourself—that's a fair exchange and a lasting pleasure shared by all concerned.

Easy? There's nothing easier! Cheap? Surprisingly so!

FOR THE LOWEST COST  
AND GREATEST EASE

Set your "date" for after 8.30 P. M. and take advantage of the low Night Rates. (A dollar call is 60c at night; a 50c call is 35c.)

By making a date the folks will be at home. Thus you can make a Station to Station call rather than a more expensive Person to Person call.

Just give the operator your home telephone number. If you like, charges can be reversed.

**The Tower Window**

AS I write these lines I am being sped westward over the crest of the Alleghenies. Tomorrow, I am expected to spend the day with others from various parts of the country in the consideration of nationwide problems of collegiate education. What can a dozen men gathered in a hotel room by the shore of Lake Michigan do to enable the colleges of America to better perform their task? Well, that is the problem of the morrow. Today my thoughts turn back to the institution, the enchantment of which is being lent increasingly to the view as I lengthen my distance from it. It is a good thing for one to get away from the scene of his labors and contemplate his task from afar.

Two impressions gotten during the brief hour I spent at the College this morning give buoyancy to my spirit. The first is that created by the students into whose happy faces I looked during the chapel service. The mood of that group seemed just the opposite of what one finds today in the outside world. This gathering of college youth bore no index of depression, but rather of elation—a term employed recently by President Hibben of Princeton in characterizing the student disposition toward life even in these hard times, and whose remark inspired an elate editorial in the New York Times which, I suspect was written by Dr. John Finley. The editorial thinks "it cannot be doubted that this is to be a wholesome period for the colleges and universities, when the higher purposes of education will have become an opportunity to become dominant." Elation—"a state of exultant, unceasing struggle for the highest things of the human mind and soul"—does not this define the true Ursinus spirit as it prevails in this tragic year in human affairs?

The other impression that has been encouraging in the day's thought is the word which came to me as I cleared up my desk before leaving, from representatives of the Treasurer's Office where the work of auditing the accounts of the year just closed is being finished. This encouraging word is that again the College will balance its account in black ink—the accountant's way of saying that the balance is on the right side of the ledger. Thus the elation characterized above, is not confined to the students alone, and I congratulate my associates on the administrative staff who have helped bring the institution through with a gain in a year when even the most sanguine among us were fearing a loss.

to punt from behind his own goal line. Shuman received his kick on Haverford's 45 yd. line and was thrown on their 38. The Cubs then filled the air with passes. After several had fallen to the ground incomplete a triple pass play was instituted, Sumpman receiving the ball. He was downed on the 20 yd. line. Seiple then ran to the 6 yd. line and after several bucks, Shuman carried the leather over. "Mickey" then failed to add the point after touchdown when his attempt went wide.

With almost two minutes to play Haverford rooters were given something to cheer about. Pleasants got away for a 35 yd. gain, carrying the oval to the Ursinus 40 yd. line. On the next play, the same man stepped back and hurled a long aerial to Foley and the receiver was not downed until he reached the one yard line. Here the Cubs showed their defensive strength by taking the ball from Haverford on downs after four unsuccessful line plunges had failed. The game ended shortly thereafter.

"Wally" Tropp, sophomore sensation, proved to be the best ground gainer on the field, although Hy Miller was not far behind. Time after

time these boys would gallop through the Haverford line for six and eight yard gains. Tropp had most of the longer runs. Pleasants was the only Haverfordian who could gain consistently, while his punting and passing were also of the highest order.

Ursinus opens its home season on October 10 when Dickinson will furnish the opposition on Old-Timers' Day.

**T**hat bully old slogan hits me just right—

... no bamboozlin' about that!"

**S**URE! When a word fits, you know it! "Satisfy" just fits CHESTERFIELD. A smoker picks up a package, and he likes its neat appearance — no heavy inks or odors from ink. That satisfies him.

Then he examines a Chesterfield. It is well-filled; it is neat in appearance; the paper is pure white. And that satisfies him.

He lights up. At the very first puff he likes the flavor and the rich aroma. He decides that it tastes better—neither raw nor over-sweet; just

pleasing and satisfying.

Then he learns it is milder. That's another way of saying that there is nothing irritating about it. And again he's satisfied!

Satisfy — they've got to satisfy! The right tobaccos, the CHESTERFIELD kind, cured and aged, blended and cross-blended, to a taste that's right. Everything that goes into CHESTERFIELD is the best that money can buy and that science knows about. CHESTERFIELDS do a complete job of it. They Satisfy!
