RADIO PROGRAM FEATURES

PRESIDENT HERBERT HOOVER

Dr. Omwke Regional Director of the Middle Atlantic States in Liberal Arts College Movement

NBC BROADCAST

The forces of higher education in this country, under the leadership of the Liberal Arts College Movement, have set up an elaborate radio program for Saturday evening, November 14. The National Broadcasting Company and associated stations have placed at the service of the colleges their entire system from coast to coast for one of the most valuable half-hours in the entire week, in order that the American public may be made acquainted with the contribution which these institutions have made and are making to our civilization. Their possibilities and needs for the future will also be presented.

First, there will be the local broadcast from Station W F I, Philadelphia, at 7:00 p. m., on the colleges of Pennsylvania. The three great racial influences that have been influential in the founding and development of these institutions, namely, the English, the Central European and the Scotch-Irish, will be treated respectively by President W. W. Comfort of Haverford College, Professor H. M. J. Klein of Franklin and Marshall College and President Ethelbert D. Warfield of Wilson College. The program will include songs by the Ursinus College Glee Club under the direction of Jeannette Douglass Hartenstein.

On the same evening at 9:00 o'clock, eastern standard time, will be broadcast from all NBC stations a national program in which the principal address will be delivered by President Herbert Hoover. This program will be in charge of Dr. John H. Finley, associate editor of the New York Times. Speakers in addition to President Hoover are:

ALUMNI TO HONOR

CYRUS H. K. CURTIS

Arrangements have been completed for a testimonial dinner to be given in honor of Cyrus H. K. Curtis, LL. D., by the hosts of Ursinus at the Benjamin Franklin Hotel, Ninth and Chestnut streets, Philadelphia, on Friday evening, November 20, at 7:00 o'clock. The dinner will be held in the ball-room of the hotel which will accommodate five hundred persons. The sponsors of the event are the members of the Philadelphia Alumni Association of which Helen M. Ferree, '14, the Ashby, Upper Darby, Pa., is president, and Mayne R. Longstreth '89, of 1420 Chestnut street, Philadelphia, is secretary-treasurer. It is requested that reservations be sent promptly to Mr. Longstreth.

Numerous men and women of distinction besides Mr. Curtis will grace the occasion. Mayor-elect, the Honorable J. Hampton Moore, will act as toastmaster. The list of speakers includes Col. Louis J. Kolb, LL. D., James M. Anders, M. D., Sc. D., LL. D., President George L. Omwake, LL. D., and Mr. Curtis.

HISTORY GROUP'S PROGRAM

INCLUDES PRIMITIVE SKIT

With Dr. White acting as master of ceremonies, the four History sections held a union class meeting Tuesday evening in Bomberger. In a short introductory, Dean White explained the gathering to be a visit "With Our Earliest Families"; the purpose was to bring forth topics and ideas which the classes, up to this time, had been unable to discuss to any great length.

The program, interspersed with pertinent slides and pictures, was as follows: A skit "With Our Earliest Families"—Sarah Pfahler '34, Stanley Kogut '35, Mario Farias '35, Howard Dovey '35, Craig Johnston '35, Edward Ellis '35; an illustrated talk on King Tutankhamen by Dorothy Wieand '35; a discussion of which civilization gave us the most, the Egyptian side presented by Jane Stephan '35; the Tyrio-Euphrates side by Helen Weitlauf '35; the Cretan side by David Bunham '35; and the final judgment that the Indo-European civilization has left the greatest imprint in its contribution of language to our present life, by Frederick Schiele '35.

SENIOR DANCE

The day of the Swarthmore game is approaching. With it comes also the date of the Senior pep dance, one of the dances sponsored by the Student Council. The gym will be artfully decorated to carry out a Thanksgiving effect. The committee has been fortunate indeed in obtaining Wally Spotts' orchestra from Reading to furnish the music for the evening. This will be the third time that these well-liked musicians have appeared on the campus.

The committee responsible for these arrangements consists of William Beddall, chairman, Evelyn Henricks, Marjorie Rittenhouse, Vivian Davies, Ruth Beddow, Benjamin Scirica, and Wilbur Applegate.

DR. SCHMUCKER SPEAKER

AT Y. M. C. A. MEETING

Former Biology Professor at West Chester State Teachers' College Discusses Sex Problem

The college Y. M. C. A. gave the male students of Ursinus another treat on Wednesday evening when it brought Dr. Samuel C. Schmucker, Emeritus Professor of Sciences at the West Chester State Teachers' College, to the campus.

Dr. Schmucker is a nationally known figure in the Biological field and has been delivering a series of lectures throughout Pennsylvania and neighboring states.

Dr. Wharton A. Kline, Dean, introduced the speaker to the assembled students as a personal friend; this at once brought the students closer to Dr. Schmucker.

He delivered a very interesting and educational talk on the social problems of the day and, contrary to the usual run of speakers, he did not attempt to say that the present generation is ruined.

Beginning with the lowest forms of animal life he gave a brief outline of the life habits of the various representatives of the animal kingdom until he reached the human being. It is in this highest animal form that a state of perfection is reached and Dr. Schmucker pointed out the many benefits that can be derived from the intelligent and scientific social relationship between men and women.

The "Y" feels it was fortunate in obtaining this speaker for he presented his subject of importance in an efficient manner. The large group of fellows who were present felt doubly repaid for attending this meeting.

URSINUS HOCKEY TEAM

BOWS TO BEAVER, 4-2

The Ursinus co-eds lost their first game of the season on Friday afternoon, November 6, when they played Beaver College at Jenkintown. The final score of 4-2 was no real indication of the game played. Both teams played a hard, fast game. The Ursinus girls worked under difficult conditions. The field was small and sloped at one end where the Ursinus girls first defended the goal which made it quite discouraging. Most of the sub-varsity girls started in order to save the regulars for a hard game against Bryn Mawr sub-varsity on Monday, November 9, at Bryn Mawr. Polly Grove and Bertha Francis scored the points for Ursinus.

Ursinus	Position	Beaver

The Committee on Social Activities wishes to call the attention of College organizations that all meetings or gatherings must be recorded in the office calendar. No group is excused from this duty.

DEBATING LEAGUE HOLDS CONFERENCE AT URSINUS

Representatives From Thirty-five High Schools Attend Largest Session of the League

PROF. WITMER PRESIDES

The Twelfth Annual Conference of the Ursinus Inter-scholastic Debating League was held in Bomberger Hall, Saturday, November 7. Representatives from thirty-five high schools throughout twelve counties of Eastern Pennsylvania were present. Altogether there were two hundred and sixty delegates forming by far the largest conference ever held.

The first session opened at 10:30 A. M. with two selections by the Boys' Chorus of Norristown Senior High School. After an address of welcome by Professor F. I. Sheeder, a member of the Debating Council, the rest of the morning was devoted to the discussion of the topic for next year's debate. Many suggestions were offered, and the one finally chosen was, Resolved: "That Pennsylvania should enact a law providing for compulsory unemployment insurance."

After dinner in the College dining room, the group assembled on Freedland steps to have its picture taken.

In the afternoon the assemblage had the privilege of hearing Frank Stehman, boy soprano from Norristown High School. The election of the Vice-President of the League took place immediately after. Herman L. Bishop, principal of Lansdale High School, was chosen from among the nominees. Then followed the outstanding event of the Conference—a demonstration debate between the Senior High School, of Reading, and Wm. Penn Senior High School, of York, on the question, Resolved "That extra-curricular activities are over-stressed in Pennsylvania High Schools." Professor Donald W. Strickler, director of Debating at the University of Pennsylvania and the critic-judge, gave his decision in favor of the negative upheld by Wm. Penn Senior High School.

Professor Witmer, as head of the League, wishes to extend his profound thanks to all those in college who helped make the Conference a success.

HOWELLS ADDRESSES

BROTHERHOOD OF ST. PAUL

The Rev. Herbert Howells addressed the Brotherhood of St. Paul last Thursday evening in the recreation room of the library. His interesting message on "Four Peas in a Pod," which held the steadfast attention of the ministerial students, portrayed the vital aspects of the ecclesiastical realm which all those students must sooner or later encounter.

The meeting was opened by the singing of several songs led by Louis Mitchell '34. George Herbert '34 read the scripture after which Iredell Clark '35 offered the prayer. A short business meeting ensued. The group took action on the matter of acknowledging the hospitality of the Seminary of the Eastern Synod at Lancaster, which entertained the organization three weeks ago. Refreshments served by Norman Shollenberger '34 and Richard Shaffer '34 consisted of cider and cakes, an appetizing fare. It was announced that the speaker for the next meeting would be Rev. Edwin Faye, pastor of Trinity Reformed Church, Norristown.

Y. W. PRESENTS "RUTH"

The day students presented a very interesting program to the members of the Y. W. C. A. in the recreation room of the library Wednesday evening, November 4. Each year it is the custom for the day students to present such a program.

Alice Richard '35 played a violin solo and was accompanied on the piano by May Krauss '35. A dramatization entitled "Ruth" was next given by members of Mrs. Sheeder's drama class. It portrayed an incident of the Bible. Marea Ashe '33 recited during the play. Those taking part were Virginia Meyers '33, Cecyl Walters '32, Francis Gray '33, Edith Walter '33, Evelyn Omwake '33, Bertha Francis '35, Harriet Styer '34, Grace Thomas '35, and Freda Shindler '35. Following this, "The Rosary" was sung by Marion Kepler '32.

URSINUS WINS CONFERENCE CHAMPIONSHIP

A bright ray of sunshine pierced Saturday's gloom when Dickinson battled Gettysburg to a stalemate at Carlisle. This ruined the latter's chances of contesting the Bears' championship record as they were the only club who had a chance to even tie the Grizzlies' slate. Thus, the Conference Championship is awarded to Coach McAvoy's fighting Bears for the second consecutive year.

CONFERENCE CROSS COUNTRY MEET TO BE RUN HERE SAT.

Grizzly Harriers, Captained by Sutin, out to Take Cup From Dickinson Foe

The supreme test of the Rubin-coached Ursinus cross country team comes next Saturday in the conference meet when the Grizzlies will compete with harriers from F. & M. and Dickinson. The race will be run at home over a four-mile course. The start will be at 11 o'clock from Patterson field.

With Dickinson holding two successive legs for the Conference Cup, those boys are going to make a strong bid for the third victory which will give them permanent possession.

The Grizzly runners have not run in competition since the meet with Johns Hopkins two weeks ago. Strenuous practices are keeping them in shape, however. Captain Irv Sutin does such things as overcome a two-minute handicap in a four mile run. Sutin is a Sophomore. Pope Gregory and Mike Cotteta, a Norristown boy, are likewise Sophomores. Gregory has been suffering from a leg injury for the past week. Cotteta seldom practices with the team but his performances attest his ability.

There are three Juniors—Sautter, Gibbel, and Palm. Sautter has a stride all his own but one that carries him well up with the leaders. Gibbel is a newcomer who has shown some consistent running. Palm is running much better than last year. Two Frosh have crashed the squad. They are By Heck and Harry Brian. Brian has been handicapped by injuries but Heck has shown up quite well.

FROSH HELD BY DREXEL

YEARLINGS TO SCORELESS TIE

A fighting Drexel Jayvee held the Ursinus Frosh to a stalemate at Philadelphia on Saturday. The Cubs completely outrushed, outsmashed, outpassed and outkicked the Dragon Jayvees, but lacked the necessary punch to score.

Drexel kicked off to the Cubs' 24 yard line. W. Price ripped off 5 yards and after a line buck failed, Taylor kicked to the Dragon's 20 yard line. Drexel could not penetrate the strong defensive Cub line and was forced to kick. A poor punt was the result, traveling but 9 yards. W. Price skirted the end for 3 yards. Two unsuccessful line bucks followed, and a pass, Taylor to Tinney netted 10 yds. and a first down. Here the Dragons

URSINUS CO-EDS DEBATED

A delightful uproar featured the Men's Debating Club meeting last Monday night. It arose from an informal debate on the question, "Resolved, That Women be Banned From the Ursinus Campus."

After the business meeting, the topic was announced, and immediately the calm atmosphere was charged with blazing oratory. Tongues wagged fiercely, arms flayed about, and Vice-President Floyd Heller called vainly again and again for order. The affirmative opened with the contention that women are a distracting influence, a pestiferous nuisance, etc., etc., and hence should be utterly abolished from the campus. The negative re-

The Grizzly is disconsolately licking his wounds today. He had emerged from his cave on Saturday and met the fierce Dragon of Drexel, and for the first time this year came out on the short end of the brawl. For when the smoke and dust of battle had cleared away the Bear saw a 12-7 defeat chalked up against him.

For a time, in fact, until the last quarter it seemed as though Ursinus would once again win on a 7-6 advantage, but Drexel rallied gamely and pushed over a close touchdown to nail victory to the mast.

Approximately 8,000 people witnessed the titanic struggle, inaugurated when Miller kicked off. Drexel set to work and threatened the Ursinus goal four times during the initial period. However, all their efforts were repulsed, twice when aerials were intercepted, once when they fumbled, and once when the Ursinus line braced and held for downs. Ursinus started a belated drive itself in a rally that was as surprising as it was sudden. Seiple, who cavorted in the injured Tropp's place, broke away for 28 yards around right end, after which a pass Soeder to Paul netted 25 more advancing the ball to Drexel's 33-yard line as the quarter ended. Ursinus then lost the ball on downs.

After an exchange of kicks, Eckelmeyer intercepted Soeder's pass and Drexel opened up from Ursinus' 45 yard line. Schoeller got 20 yards around end, Potter added 11 more, Schoeller again got 11 and this put the ball on the 9 yard line, first down. La Bove then hit the line three times for the score. His kick was blocked.

Again punts were exchanged until "Al" Paul, playing his first game in five weeks, broke thru and blocked one of Marsh's kicks on Drexel's 16 yard line. Two line plays failed, but an aerial tossed by Soeder settled in "Hy" Miller's arms over the goal line.

URSINUS DRIBBLERS TRIUMPH OVER PHILA NORMAL SCHOOL

The Ursinus soccer team secured its first victory of the season by defeating Philadelphia Normal by the score of 2 to 0. The boys in red and black completely outplayed their opponents throughout the entire conflict.

Rapp scored the first goal which was followed by a penalty kick by Ellis, who successfully executed a similar one against Gettysburg last week Stibitz worked well.

The defense for the Ursinus dribblers was practically impregnable. Stratton and George at fullback positions worked very smoothly while Fisher on the forward line displayed wonderful offensive work.

Ursinus	Pos.	Phila. Normal
Massey	goal	Montague
Stratton	right fullback	Wilson
George	left fullback	McNally

EDITOR OF THIS ISSUE ANN M. BRADY

Editorial Comment

BLAME TO WHOM BLAME—

We are indeed loathe to re-open a subject, which, if all things were equal, we would much rather allow to remain untouched; the subject in question is that of inter-collegiate sport as commented upon in an editorial appearing in the last issue of this paper. There have been certain reactions to this editorial that make it seem necessary to reaffirm what has been said, and to add perhaps an official flavor to those remarks; by official we mean as regards this publication. The sentiments expressed were not the "ravings of an irresponsible student" but the feelings of an editor of the Weekly, expressing the opinion of the editorial department of the paper. All editorial comment appearing in the Weekly has among other sanctions the approval and agreement of the editor-in-chief. It might be also said, with some enlightenment, that such comment does in no official way represent the College or any department of its administration. Therefore, if any remarks adverse or otherwise are forthcoming they should be leveled at the Weekly and at no other person or institution.

We honestly believe that good can be done and perhaps has been done by the expression of our views on inter-collegiate sport, if only to call attention to existing evils. They were not "sour grape" statements, the win or loss is of no consideration when the status of a sport is in question. It is not useless wailing about something that is past and gone, for sport as regards colleges is always with us in one form or other. As a paper and as individuals we are glad to have taken a stand which we feel is beyond reproach. May we say in closing that we sincerely hope no ill feeling has been aroused by anything said by this publication. It is evident that if colleges are agreed in a high level of sport and try to live up to it, there is no need of an outcry.

CURTAIN CLUB COMMITTEE TO SELECT ANNUAL PLAY

At a meeting of the Curtain Club on Monday evening, November 2, a committee was appointed to select a play for presentation December 11. Katherine Hand '32 was appointed chairman, and Edward Kottcamp '32, Walter Welsh '33 will cooperate with her. Rebecca Price '31 was chosen as coach. Tryouts will be held in the near future and practice will begin as soon as possible.

An opportunity will be given later for tryouts for Freshmen and others desiring to become members.

SOPHOMORE CLASS MEETING

At a class meeting of the Sophomores on November 2nd, the decision concerning the class ring was made. This year there will be a radical change in the ring. It is to be of a military style with a plain black onyx for a stone. Around the stone will be inscribed in English letters "Ursinus College 1934", and on each side of the shank there will be a "U" with a bear's head looking through. The traditional "U" on the top of the stone has been done away with as far as the class of 1934 is concerned.

It may be interesting to upper classmen to know that they may obtain the ring with their own numerals inscribed on it.

WRESTLING FEATURES SMOKER

The football team had a good send-off Thursday night in the Thompson-Gay Memorial Gymnasium. "Pop" Hendricks, a member of the Board of Directors, was the main speaker of the evening. He remarked that people admired heroes when he was a boy, but if he was not mistaken, the men of Ursinus College have been winning games on account of the co-educational influence (believe it or not). Nevertheless games cannot be won without hard work and taking advantage of opportunities.

The results of the wrestling bouts were as follows: "Battling" Stoudt threw "Kid" Porter; Livingood tossed Johnson; Citta "chased" Harris; Kucinkas floored Levin; and finally some of the spectators were floored—by those two-by-four corn-cob pipes.

DR. KLINE WILL SPEAK AT JOINT "Y" MEETING

Dr. Kline will speak at the joint Y. W. and Y. M. C. A. meeting in Bomberger Hall next Wednesday, November 11 at 6:45. His subject will be "Some of the Things That Make For a Successful Life."

This meeting will be a continuance of a program of joint Y. W. and Y. M. C. A. meetings in which the attempt is made to obtain speakers who will bring worth-while messages to the students.

HOCKEY CAPTAINS ELECTED

A meeting of the Inter-class Hockey teams was called by Miss Snell last Thursday at four o'clock for the purpose of electing class captains and arranging schedules. The following were elected to represent their respective classes: Senior, Katherine Inman; Junior, Rhea Wheatley; Sophomore, Sarah Pfahler; and Freshman, Myrtle Farrell.

COUNCIL ON SOCIAL

ACTIVITIES MEETS TUES.

The council for social activities held a meeting Tuesday evening, November 3, in Bomberger Hall.

The idea of purchasing a radio for "Rec" Hall was abandoned. It was agreed that a student pianist should be obtained instead and a committee to investigate this matter was chosen. It is as follows: Lois Strickler '32, chairman, Jane Price '32, and Alfred Alspach '33.

Arrangements for the Christmas party, which will be held on the Thursday before the Christmas vacation commences, will be made by the following committee: Alfred Alspach '33, chairman, Albert Scirica '32, Aram Parunak '32, Rena Grim '32 and Anna Uhrich '32.

Katherine Hand '32 was made chairman of a committee to select two people each week who will act as host and hostess at "Rec" Hall.

It was decided that the evening of December 11 would be kept open for the presentation of a play which will be given by the dramatic club. On the succeeding night, December 12, the Inter-Fraternity-Inter-Sorority Ball will be held.

WOMEN'S DEBATING CLUB

HOLDS MEETING AT MAPLES

Four new members were admitted to the Women's Debating Club at the meeting held Monday, November 2, at 8 o'clock in Maples.

The main part of the program consisted of a breach of promise suit in which Nadine Jones '34 and Margaret Fiamingo '33 portrayed the main characters. Esther Lightner '34 acted as the plaintiff's judge while Gladys Uhrich '33 upheld the defendant's case. Witnesses and jurors served to make the case interesting.

Gladys Uhrich entertained the group with several piano selections.

Refreshments were served at the close of the meeting.

SORORITY SPENDS

WEEK-END AT ARCOLA

Early Saturday afternoon, November 7, the Phi Alpha Psi sisters left Collegeville to attend their week-end party at the Y. W. Camp at Arcola. President Vivian Davies '32 reports that the reunion was a success, there being about thirty members—alumni and students—present. Evelyn Hendricks '32 was in charge of the arrangements for the week-end trip. Gladys Barnes '30 and Alice Cassel '30 acted as alumni sponsors of the party.

WOMEN'S GLEE CLUB

TO PRESENT CANTATA

The Women's Glee Club directed by Miss Hartenstine, held its first rehearsal last Monday noon, November 2, in the West Music Studio. Most of the plans are tentative as yet, although the club intends to present "Sir Oluf," a cantata by Ware, in the near future. Esther McClure '33 will be the club's accompanist.

PHYS. ED. GROUP MEETS

Dr. Sewarg, of Germantown High School, was the speaker at the Physical Education Group meeting at 8.30 P. M., Friday, November 6.

Dr. Sewarg, who was introduced by Mr. Gerney, spoke about "The Advantages of Apparatus Work." This interesting and beneficial talk was supplemented by a general discussion with the entire group participating.

Sara Mary Ouderkerk '34, Sara Pfahler '34, and Marion Blew '34 entertained with a short skit.

Refreshments were served to the group at the conclusion of the meeting.

SORORITY RUSHING RULES

The following rules apply to the rushing season which will be held for upper class women, excluding transferred students, on Nov. 1 to Nov. 15 and are as follows:

1. After the close of the rushing period on Nov. 15, no sorority women shall communicate with any pledge for a period of two days or until all bids have been returned to the several sororities.

2. Bids must be sent out within two days after the close of rushing season.

3. Declination or acceptance of these bids must be made in the rusher's own handwriting, on the day after receiving the bid, after which no bid shall be offered.

A committee was appointed to discuss the Inter-sorority and Inter-fraternity dance with the Inter-fraternity Council committee, at a meeting held on October 28. The committee consists of Carolyn Everingham '32 chairman; Eva Seiple '32 and Thelma Cooper '32.

GAFF FROM THE GRIZZLY

A certain Mr. Hummel, who is evidently very important, asserts that he will vindicate his team. Ten to one says that he pronounces its "vindicate".

But we're getting on dangerous ground. Even Alspach got called "wild" for talking about Gettysburg.

The Soccer team captured number one on Thursday. Business Manager Massey scintillated.

Lost, strayed or stolen: The Temple University Cross Country Team.

Gaff has had several requests for further details about where Herron and Livingood went after the Gettysburg game. All we know is that on the way out Jim completely forgot his dignified limp and Clarence set up a new unofficial record for the hundred.

Some people suggest that Alspach be made president of the 5-H Club.

We suppose that the minority meeting of the Weekly Staff was postponed Friday because of the Hockey Game.

INTER-SORORITY TEA

Dr. White gave a very delightful tea to the Inter-Sorority Council Wednesday afternoon at Shreiner Hall. At this time preferential bidding was discussed. The Dean offered many valuable suggestions concerning this subject and others of current interest.

The Tower Window

A short time ago a gentleman from the state of Ohio was in conversation with a professor from one of the large universities of this country. Said the former to the latter, "I am interested in the education of a boy, where shall I send him to college?" Without hesitation the university man replied, "There is a

most excellent small college in eastern Pennsylvania. Send the boy to Ursinus." This was told me by the Ohio man himself.

Recently a graduate of Ursinus sat in an audience of more than a thousand persons in a session of the New York State Teachers' Association. A superintendent of schools from one of the large cities of the United States was lecturing on "Some Unsolved Problems." "One of these," he said "is the problem of size of school or college for most effective work." In elaboration, he declared that many a parent is seriously questioning whether it would not be better to send his boy to "a good, well equipped small college like Ursinus College rather than to a large institution like Harvard University." This was a pleasing remark to the Ursinus man and I pass the story on as he gave it to me.

Last commencement a school principal from a thriving district in southern Pennsylvania called on me in my office. It was his first visit to Ursinus. He said he had wanted to visit the college ever since last winter when he heard it mentioned in a lecture at the Johns Hopkins University. He was attending a class in education which was addressed frequently by prominent educators from outside the University. On this particular occasion the speaker was the chairman of the commission appointed by President Hoover to study the relation of the federal government to education. He was speaking on the colleges of the United States, and on coming to Pennsylvania, said "this state has a number of very fine small colleges. I would mention just one—that is Ursinus College at Collegeville."

It is not to boast, that I relate these incidents, but rather to impress upon us all here at home the responsibilities that go with a good reputation. When eminent educators are thinking and speaking of us in such high terms it behooves us to see to it that the estimate they place upon us is fully warranted in the quality of work and the standards of character maintained by those who constitute this "small college."

"I insist on Lucky Strike"

"There's nothing like a microphone to show up the voice in its true colors. So I insist on Lucky Strike—the cigarette that I know will be kind to my throat. And you've certainly scored another hit with your new style Cellophane wrapper that opens so easily."

Sally Eilers

Sally Eilers will always call this her big year. First, she learned to fly a plane. Then she married and found domestic bliss. Then she made a smashing success in "Bad Girl." As a reward Fox is co-starring her in "Over the Hill."

Made of the finest tobaccos—The Cream of many Crops—LUCKY STRIKE alone offers the throat protection of the exclusive "TOASTING" Process which includes the use of modern Ultra Violet Rays—the process that expels certain harsh, biting irritants naturally present in every tobacco leaf. These expelled irritants are not present in your LUCKY STRIKE. "They're out—so they can't be in!" No wonder LUCKIES are always kind to your throat.

BEARS RECEIVE FIRST SETBACK OF SEASON AT DREXEL 12-7

Soeder mechanically added that extra point. The half ended shortly thereafter.

The third period was devoid of much action, with Ursinus having the ball in foreign territory constantly but never being able to push it over. Seiple had galloped to the 11 yd. line on one instance but the play was called back because of a penalty. A strong aerial attack featured Ursinus' things were bound to happen in the fourth and they did. The "break" came when an Ursinus back fumbled on his own 40 yard line and Hoff recovered for the home club. A combined air and land attack with Knapp and Potter carrying the ball, and the latter throwing a pass to Hoff carried the ball to the 10 yd. line. The Bears here put up one of their famous last stands. Knapp got 4 yards and Potter got five. The Chase-coached line braced and held on the third down. On the last chance Knapp took the ball, and it appeared as if he had been stopped dead at the line of scrimmage, but not so. The try for point was again blocked.

After this Ursinus threw caution to the winds and filled the air with passes but none of them connected and the game ended in midfield.

tightened up their defense and took the ball on downs. Kravitz and Levin threw the Jayvees for two successive losses of 3 and 4 yards respectively. After Drexel kicked from behind their own goal line a succession of end runs and off tackle trusts by W. Price and Levin carried the ball to the Dragons' 2 yard line, where once again they were repulsed. Drexel kicked out of danger, and again the Cubs' offense functioned perfectly carrying the ball to the 6 yard line, where once again Drexel held for downs.

The second half was a replica of the first half, Ursinus twice penetrating beyond the 10 yard line, but always with the same result. Levin and W. Price stood out on the offensive, while the Cubs' line played brilliantly defensively, holding Drexel to one first down. Van Hour, Bear and Goheen played best for the home team.

"I liked Chesterfield right from the start"

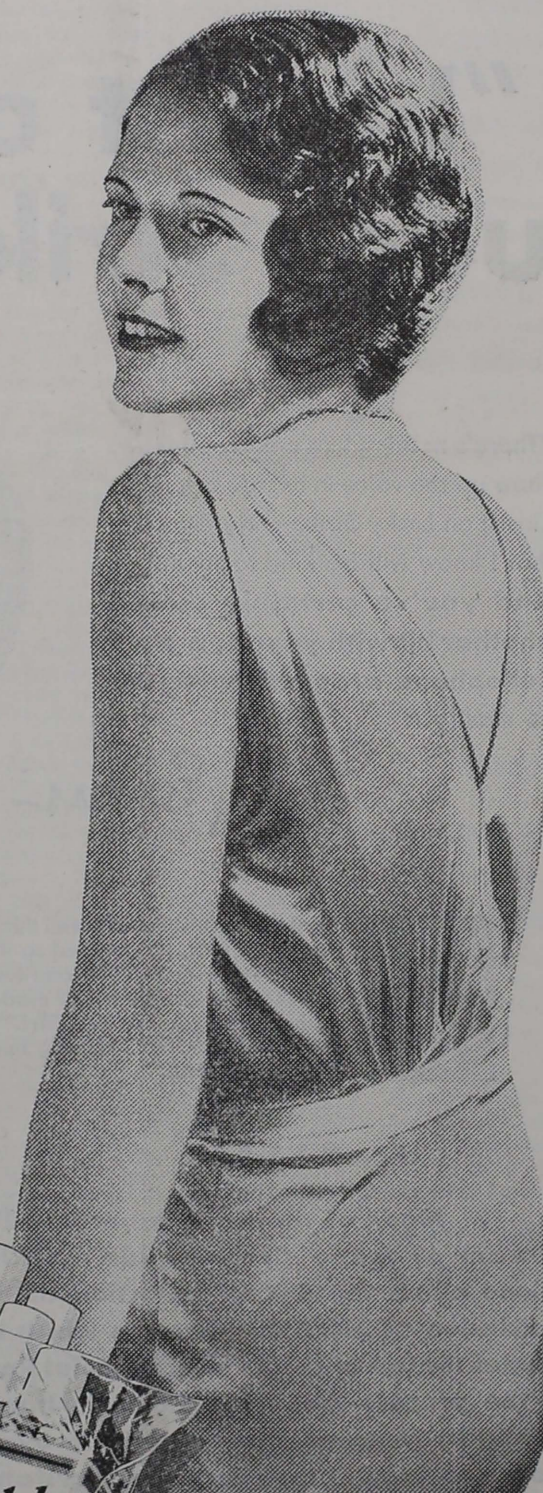

"NO, I don't know a blessed thing about how cigarettes are made. But, of course, I would want the tobacco to be PURE. And then I've heard that the blending is very important. I'd want that to be done just right.

"Then the paper. I don't like paper that you can taste—or smell when it's burning. I'd want that pure too.

"Another thing. I want to smoke whenever I feel like it—without worrying about smoking too many. So I want my cigarettes MILD.

"But the main thing, of course, is TASTE. I don't care for over-sweetened cigarettes. I much prefer those that are just sweet enough.

"Chesterfield seems to satisfy in every one of these ways. That is why I'd rather have a Chesterfield."

SMOKERS tire of too much sweetness in a cigarette, and they don't like rawness. For a steady diet, they want a cigarette like CHESTERFIELD — a mild and mellow smoke, free from any over-sweetness or any harshness or bitterness. That's why more and more smokers every day are changing to CHESTERFIELD. Good . . . they've got to be good.
