## Ursinus Cross Country Runners Capture Conference Championship

### Rubin's Undefeated Team Conquers Dickinson and F. & M. to Take Second Leg on Cup

#### CAPTAIN SUTIN PLACES FIRST

A week ago the hard fighting Ursinus football team was acclaimed Eastern Intercollegiate Football Champions. Now another band of Grizzly athletes has joined the championship ranks. It is none other than Dr. Rubin's undefeated cross country team, which on Saturday decisively won the Eastern Intercollegiate Cross Country Championship in the most thrilling race seen here this year.

Dickinson and F. & M. were the only other contenders for the conference cup. Dickinson had previously won it in 1929 and 1930. A victory on Saturday meant permanent possession of the cup for them, but Captain Irv. Sutin and his mates saw to it that no such thing took place.

For three weeks the Grizzly harriers had been training diligently for the meet, and on Saturday they were in the proverbial "pink" of condition. Capt. Sutin ran like an "iron" man to finish the 4 1/4 mile course in the breath-taking time of 23 minutes and 54 seconds. Max Darlington, star F. & M. runner, clinched second place for his team.

Then the thrills started. Less than one-half mile from the finish mark two more F. & M. harriers and one Dickinson man were holding down the next positions, and things didn't look so bright for Ursinus. However, Mike Cotteta, star Norristown miler, shoved into high gear and passed all three men to capture third place in marvelous fashion. This feat practically saved the day for the Bears, although Pierson of F. & M. finished fourth, and Davis of Dickinson fifth. Clark Sautter, veteran Grizzly runner, beat Reynolds of F. & M. to the post for sixth position, and when By Heck and Bob Gibbel came in hand-in-hand for ninth and tenth positions, the meet was clinched for Ursinus.

This outstanding victory not only gives the Ursinus hill and dalers the championship, but also permits them to go as a team to the Middle Atlantic Cross Country Meet in New York City next week.

The summary: 1, Sutin, U.; 2, Darlington, F. & M.; 3, Cotteta, U.; 4, Pierson, F. & M.; 5, Davis, D.; 6, Sautter, U.; 7, Reynolds, F. & M.; 8, Yoder, F. & M.; 9, tie between Heck and Gibbel, U.; 11, Gregory, U.; 12, Bigelow, F. & M.; 13, Haigh, D.; 14, Kinzey, D.; 15, Isett, D.; 16, Palm, U.; 17, Holley, D.; 18, Atkinson, D.

Team score:  
1. Ursinus—1 3 6 9 10—29  
2. Fran'n & Marshall—2 4 7 8 11—32  
3. Dickinson—5 12 13 14 15—59

## FROSH DEFEATED BY

### ALLENTOWN PREP 20-0

Although fighting stubbornly, the Yearlings suffered a 20-0 reverse at the hands of the superior Allentown Prep gridsters.

In the second quarter, Meikel, halfback, accounted for the first score of the game when he smacked the left end for twenty-three yards and a touchdown. The ball was placed in scoring position after a series of line bucks and end runs.

The second score came shortly after the third quarter got under way when Pugh, halfback, took a fifteen yard pass from Meikel and dashed the remaining eighteen yards for a touchdown. Zaleski added the extra point on a line plunge.

With but a few minutes to go in the final period Toolin took a reverse pass from Pugh on the Frosh thirty yard line and ran for a score. The try for the extra point was blocked.

The line-up:  
Ursinus Position Allentown  
Tinney left end Toolin  
Cravitz left tackle Landis  
Gill left guard Ellsenberger  
Palumba center Koenig  
Kucinskis right guard Heard  
Shiele right tackle Epstein  
Petroski right end Kerstetter  
Carr quarterback Tello  
Taylor left halfback Meikel  
Friel right halfback Pugh  
Levin fullback Zaleski  
Allentown Prep 0 7 7 6—20  
Ursinus Frosh 0 0 0 0—0  
Touchdowns: Meikel, Pugh and Toolin.  
Points after touchdowns: Toolin (place kick) Zaleski (line plunge). Referee—Witwer. Umpire—Monahan. Head linesman—Marzoff. Twelve minute quarters.

## CHRISTIAN WORKERS CONVENE AT URSINUS

A group of 135 people, ministers and consistory members of the Reformed Churches in Montgomery and Chester counties, enjoyed a banquet in the Freeland Hall dining room, last Thursday evening.

The main speaker for the evening was the Rev. Dr. Charles E. Schaeffer, President of the General Synod of the Reformed Church; who chose as the subject of his address, "Rallying With a Purpose." He pleaded the needs of the church and of the Home Mission Board. A lively round table discussion followed.

Rev. A. A. Hartman, of Phoenixville, was in charge of the Conference, while Rev. Ohl, of Trappe, presided at the banquet.

## ELWYN C. PARLIN TO SPEAK IN CHAPEL, WEDNESDAY

### Former Missionary and Educator in China Will Also Address Classes IN THE ORIENT 12 YEARS

Elwyn C. Parlin, Candidate Secretary of the Student Volunteer Movement for Foreign Missions, former missionary and educator in China, it has been announced, will be the regular monthly chapel speaker for November. Mr. Parlin will address the student body and faculty members at the usual chapel hour, Wednesday morning, November 18.

Of equal importance is the fact that the speaker will be on the campus all day Wednesday and will be glad to come to any classes which are along the line of his interests: namely, History, Economics, Sociology, Philosophy and Education. Professors who are interested should arrange with Mr. Sheeder for their respective classes. It is Mr. Parlin's aim in these individual subjects to try to relate the class room matter to the history and present conditions of the country from which he comes, that is, China.

Mr. Parlin is a graduate of Wesleyan University where he received his B. S. and M. S. degrees. After teaching in a private school and at Northwestern University for several years, he went, in 1917 to Yungchun, China. Here for 12 years he had a rich and varied experience which included educational supervision, publication work, and administration of a missionary district. Being forced to retire from China in 1931 because of trouble there Mr. Parlin became the Candidate Secretary of the Student Volunteer Movement. His years of experience in China enable him to interpret the amazingly complex and changing situation there and to help the people of the United States to see the contribution which Christianity is making in that country.

## DR. STURGIS STRESSES PEACE IN ARMISTICE DAY TALK

Dr. Sturgis spoke to the students in chapel on the thirteenth anniversary of Armistice Day on the problem, "Has the war to end war been a success?" He pointed out the fact that the youth of our land went to war believing in this—being willing to sacrifice their lives and future chances for happiness for the sake of this great ideal—a world henceforth living in peace.

Dr. Sturgis reminded his audience that although we are still suffering from the effects of the war, our sons and daughters will be having their share in its payment. Therefore, for the sake of future generations, it is our duty to see that peace becomes the watchword of the hour. Only when this condition has come about will the nations beat their swords into ploughshares and their spears into pruning hooks, and the Bible verse be fulfilled.

## WM. TEMPEST '35 LED VESPERS

William Tempest '35 was in charge of the vesper service last Sunday evening. He gave a short talk on student ideals. The service was brought to a close by the singing of "Saviour, Again to Thy Dear Name We Rise."

President Hoover delivered the principal address in a national program broadcast over the N. B. C. stations at 9:00 o'clock. The program was in charge of Dr. John H. Finley, associate editor of the New York Times. Speakers in addition to the President and Dr. Finley were; Robert L. Kelly, secretary of the Association of American Colleges, Mrs. Thomas J. Preston and Albert Norman Ward, chairman of the Liberal Arts College movement.

The Ursinus College Glee Club made its seasonal debut in the local broadcast over station W. F. I. at 7:00 p. m. Under the leadership of Miss Hartenstine the songsters opened the program with the "Winter Song," followed by a rendition of "The Mulligan Musketeers." Short addresses were given by Pes. W. W. Comfort of Haverford College, Prof. H. M. J. Klein of Franklin and Marshall College, and Pres. Ethelbert D. Warfield of Wilson College. The Glee Club sang "The Song of the Jolly Roger" and then concluded the broadcast with the "Ursinus Campus Song."

Ursinus was further honored in having Dr. Omwake as regional director for the Middle States.

## DEAN KLINE SPEAKS AT JOINT "Y" MEETING

### Address on "Some of the Things That Make for a Successful Life."

#### FUNDAMENTALS STRESSED

The joint meeting of the "Y," held in Bomberger, last Wednesday evening, was featured by Dr. Kline's excellent address on "Some of the Things That Make For a Successful Life." There are many things which make for a successful life. A few of these are fundamental. We ask: "What is the secret of success?" The answer is: "There is none." For a secret is something known to only a few, while the way to success is open to all of us.

The first fundamental of a successful life is a good start. A good start has the freedom of vision which makes progress inevitable. In order to have a good start in life, we must choose a definite aim and purpose in life. Once having chosen a career we are inexorably bound to it—therefore the necessity for a good start. The second fundamental of a successful life is confidence. One must have faith and confidence in one's ability to succeed. A time comes in every man's life when he is entirely dependent on himself for guidance and advice.

The third and most important fundamental of a successful life is the will and determination to put into effect one's choices. All reformations and revolutions in the history of the world have called forth displays of remarkable will-power on the part of leaders. In celebrating Armistice Day, we commemorate the struggles for moral principles which took place on battlefields; but the truly great wars which have occurred in the world's history, the struggles in which the greatest problems were solved and the greatest issues determined were waged on the battlefield of the human mind!

## URSINUS SOCCERITES LOSE TO WEST CHESTER TEACHERS

The Ursinus booters lost their third inter-collegiate game to West Chester State Teachers College by the score of 4 to 0. The contest was played on the home field last Friday afternoon.

The Red and Black soccerites fought hard to hold the strong, undefeated West Chester team to a low score. The defense of the Ursinus men again worked well. Captain Massey's guarding was outstanding, preventing a larger score.

Horn scored two points for the visitors while Genner and Koomar chalked up the other two markers.

Ursinus	Position	West Chester
Massey	goal	Kerr
George	right fullback	Styer
Stratton	left fullback	Camp

## PLAY PRESENTED AT TRINITY

A large congregation saw the Day Students repeat their dramatization of the Book of Ruth in Trinity Church on Sunday evening.

## Tropp and Lodge Run Wild Against Game Garnet Team in Bears' Sixth Win

### VISITORS CLEARLY OUTPLAYED

Displaying its most powerful and sustained offensive since the Lehigh game, a relentless and devastating Ursinus machine swept Swarthmore off its feet by a 27-0 score. Four touchdowns and three extra points from the trusty foot of "Charlie" Soeder accounted for the victors' points.

McAvoy presented a somewhat revamped line-up. "Hy" Miller did not start the game due to a bad "Charleyhorse" On the line "Don" Breisch and "Bob" Bennett played their first games since F. & M. And in the backfield appeared "Wally" Tropp for the first time since the Gettysburg fracas. Claude Lodge was moved to the other halfback position.

What Tropp and Lodge didn't do to that Garnet line isn't worth mentioning. They bore the brunt of the attack, sweeping off tackle or around end for substantial gains. Both tallied twice. Tropp had the more sensational runs, however.

The "sophomore sensation" or "masked marvel," as you will, galloped thirty yards for one of his six-pointers, flashing a brilliant display of speed, change of pace, and shiftness in eluding the secondary defense. He carried one man across the final white stripe on his back. "Wally" scored his other touchdown on a five yard dash around end.

However, in picking out the stars, the work of the rest of the team must not be slighted. The blocking was a sight to behold, even bordering on Notre Dame greatness at times. The line opened up holes big enough for a truck to drive through. In the backfield Shuman ran back punts expertly, while Soeder called plays flawlessly.

The game started when Shuman kicked off to Swarthmore. The teams dug themselves "in" then and a punting duel between Funke and Soeder ensued with the latter gaining an advantage every time. Then Tropp and Lodge, with some fine assistance by the other two backs began to click. A steady march carried the ball down the field for sixty yards with Lodge bucking it over. Soeder, as usual, made the "seven" count.

Swarthmore kicked off and again the Bears charged down the field with Tropp finally lugging the leather across on an end run. Quarterback Soeder again punched the extra point. Thus ended the first quarter.

(Continued on page 4)

### THE PICTURESQUE IN FOOTBALL

The football season at Ursinus is almost ended. What was its appeal and what was its significance? Gorgeous weather favored us and victory crowned us. We met with our friends on our own grandstand and we travelled miles to sit on the stands of other colleges.

The chief appeal of football, we think, lies in its picturesqueness and its exemplification of the spirit of youth. This theory is demonstrated at every game. The environment is youthful. The very air breathes excited anticipation. Youth asks only a cause upon which to exercise its "upsurging spirit". In a football game that cause is present. The field is a shimmering green, the surrounding country is dyed with the gold and red of autumn's painting, and the benches glow with the animated colors of the opposing teams. Bands, in gay uniforms, led by an impressive, decorative drum major, play their lively and sentimental airs. Cheers thunder from the stands. Anticipation, expectancy, color and sound combine to make football picturesque.

At dusk, the haze on the far horizon, the old college bell ringing for victory, the sun setting in a blaze of glory, or the after glow lingering in the western sky while the bands plays the Alma Mater—these are the things which lend undying significance to football. "Forty years on when afar and asunder parted are those who are singing to-day," we shall envisage the football field with its gallant players the grandstand with its enthusiastic rooters, the band with its striking leader, and our thoughts in the twilight, at the close of the football game.

Do we love victory? Do we exult in championship? We do emphatically. We honor our grid-iron heroes and we believe that football should be promoted for all the material things it accomplishes for a college. We also contend that the strong appeal football makes to the imagination and to our liking for the picturesque is one secret of its continued popularity. E. H. M., '33.

## ENGLISH CLUB

### REVIEWS RECENT PLAYS

The English Club convened at Fir-croft Monday, November 9. Reviews of three recent plays, "Elizabeth, the Queen," "The Barretts of Wimpole Street," and "House Beautiful" were presented by Misses Beatrice Trattner '32, Eleanor Mengel '32, and Katherine Hand '32. Dr. Smith commented briefly on these papers. Five new members were welcomed into the club.

## REPORT OF THE URSINUS

### TEACHER PLACEMENT SERVICE

This article deals chiefly with statistics of the members of the class of 1931 who completed their work in practice teaching, and who thus became eligible to accept teaching positions.

The report for the class of 1931 follows: Number completing course in practice teaching, 64. I. Number in teaching position, 28. II. Number in other fields of activity, as follows: (Medical School, 1; Business, 5; Dental School, 1; Girl Reserve Work, 1; Graduate School (Science), 1; Music, 1; Library School, 2; other activities, 3; Total 15. III. Number who have no positions or who are not attending graduate schools, 21. Total 64. Percentage of 64, having teaching positions, 43.8. Percentage of 49 placed (subtracting 15 otherwise engaged from original 64) 57.3. Adding groups I and II, shows 43 out of 64 engaged in some activity. Percentage, in this case is 67.2.

Note: There may be more than 28 who are teaching, but who have not informed the Bureau of it. Information would be appreciated as to the members of '31 who have not communicated with the Bureau. In that case a more complete report can be made, and one that may show even better results.

By no means, is it to be construed that the Placement Bureau placed all of the 28 teachers. Some secured positions without the aid of this service; others received indirect aid; and in another group were numbered those who received their positions by direct aid of the Bureau.

## EDDIE FAYE TALKS

### AT PEP MEETING

A rousing Pep Meeting for the Swarthmore game was held in Bomberger Hall, Friday night, November 13. Jack Massey '32, chairman of the Booster Committee, was in charge. He introduced our captain, "Hi" Miller '32 and head coach McAvoy, who both expressed an optimistic attitude toward the game provided that the student body would give the team the proper support.

"Jing" Johnson, Graduate Manager of Athletics, presented the speaker of the meeting, Rev. Edwin N. Faye '24, of Norristown, who was formerly a member of the Ursinus football and baseball teams. The theme of his address was a quotation from Edward Everett Hale: "Look up, not down; look out not in; look forward not backward." Eddie Faye's good humor was evidenced by the manner in which he moved his audience to mirth.

The Band, as usual, greatly aided in making the Pep Meeting more than a figure of speech.

## INT. RELATIONS CLUB DISCUSSES MANCHURIA

The International Relations Club met at Shreiner Hall, Tuesday evening, November 10. An interesting talk on the financial crisis in Great Britain was given by Floyd Heller '33. Eugene Miller '33 discussed the recent English election. Following these papers, two vital topics, "The Manchurian Affair," and "How America is Involved in Manchuria" were presented by Louis Mitchell '33 and Clark Sauter '33. A lively open forum followed the formal discussion.

The Club accepted an invitation to the Model Disarmament Conference which is to be held at Bucknell, December 4-6.

It is also known, that, at least, ten members of the class of 1930, who had no teaching positions last year, are teaching this year. Assistance was given to some of these graduates in securing their positions, as well as to a member of the class of 1929 in securing a better position.

## GAFF FROM THE GRIZZLY

After considerable debate, the Men's Glee Club decided that it was safer to give its initial performance over the radio instead of at the pep meeting.

Is the real purpose of those violent horns on Stan. Omwake's new Oakland to scare mice?

The latest dope is that the Dean has ordered a much larger bulletin board to put outside of his office.

"And let me tell you, he's the tightest man in Collegeville. But I'd sure like to find the guy that stole almost a full box of matches last week."—Doc. Winkler.

It is reported that the Ursinus Circle, after a recent trip to the city, is going to establish a course in dramatic appreciation, perhaps to take our minds off the late foul weather.

## SORORITY REUNION AT TRAPPE

The Chi Alpha Tau sorority enjoyed an informal get-together in the form of a dinner at the Franklin House in Trappe, Saturday evening, November 14. The guests of the sorority, including alumnae, were as follows: Mary Oberlin '29, Florence Benjamin '30, Clara Riley '30, Claire Mac Namee '30, and Amanda Druckenmiller.

 Date with Home

SET THE DAY and hour and ... throughout the college year ... pay Mother and Dad a regular weekly "voice visit" by telephone.

They'll be thrilled to hear the latest campus news ... to share the fun ... to know you're well. It's a safe bet you'll enjoy it, too! Make it a habit ... as much as your weekly letter!

The cost is low ... particularly at night. Just look at these figures! After 8.30 P. M., points a hundred miles away can be reached for 35c ... nearly two hundred miles away for 60c! And, of course (Dad will O. K. this), you can always reverse the charge!

Now for the call ...

FOR THE LOWEST COST AND GREATEST EASE

Set your "date" for after 8.30 P. M., and take advantage of the low Night Rates. (A dollar call is 60c at night; a 50c call is 35c.) Just give the operator your home telephone number. If you like, charges can be reversed.

By making a date the folks will be at home. Thus you can make a Station to Station call rather than the more expensive Person to Person call.

The Tower Window

IN one of the addresses in the Liberal Arts College broadcast last Saturday evening this gem of a definition of a college came to light: "A college is a group of young people and their instructors living in a close community organized for the study of the arts and sciences under conditions of mutual friendship and helpfulness."

The "high spots" in this definition are indicated in the terms "close community," "study," and "mutual friendship and helpfulness." By close community is meant a residential college—one in which both students and instructors live within a circle of short radius—a community in which private life is not unduly trespassed upon and yet in which the contacts are sufficiently frequent and inevitable as to guarantee intimate acquaintance, and to yield the fruits in character which the interplay of human influence is certain to bear.

This idea is extended further by the terms of the definition in which the community is represented as existing under conditions of "mutual friendship and helpfulness." Members of the college community have a responsibility in this regard which is too often overlooked. Friendship and helpfulness are not merely by-products—the incidental results of association. They are blessings to be consciously sought and actively cultivated. The ideal instructor and the ideal student are persons who seek to be friendly and helpful to all, not merely cherishing these virtues as may be convenient or selfishly desirable. Indeed one of the characteristics of a liberal education is the capacity for friendliness and helpfulness to fellow beings, and another is the disposition to practice these accomplishments without respect to self-interest.

The central idea in the definition is represented in the word "study." Close community of life, friendship and helpfulness may be the characteristics of any kind of social institution—They are essential features but not the exclusively distinguishing features of a college. But in the idea represented by the word "study" we have the sine qua non of the college. The main effort of college folk lies in the field of intelligence. Real intellectual effort is work of the most exhausting kind, but it is also the most rewarding. It is a great thing to command knowledge—to know much and to use the elements of knowledge in a masterful way.

Community life, friendly and helpful, in which all are engaged in successful study—this is the ideal college life. G. L. O.

"Of course I smoke Luckies—I thought everybody did. They're kind to my throat—you don't hear them in the microphone. And that's a very neat little handle on your new Cellophane wrapper."

Ina Claire

Ina Claire wasn't content with being an acknowledged ruler of the American stage—now she's capturing Hollywood, too! Here she is in one of those stunning Chanel creations she wears in Samuel Goldwyn's production, "The Greeks Had A Word For It," a United Artists' picture. Don't miss that picture.

Made of the finest tobaccos—The Cream of many Crops—LUCKY STRIKE alone offers the throat protection of the exclusive "TOASTING" Process which includes the use of modern Ultra Violet Rays—the process that expels certain harsh, biting irritants naturally present in every tobacco leaf. These expelled irritants are not present in your LUCKY STRIKE. "They're out—so they can't be in!" No wonder LUCKIES are always kind to your throat.

BEARS ROUT SWARTHMORE 27-0

(Continued from page 1)

The Little Quakers never threatened the Ursinus goal. At the start of the second quarter punts were again in order until finally a Swarthmore boot went outside on their own forty yard line. Soeder opened his bag of tricks and tossed an aerial to "Swede" Paul for a twenty yard gain. Lodge reeled off two first downs and then scored from the six yard line. Strange as it may seem, Soeder missed the point. The second and third stringers played the latter few minutes for Ursinus.

At the start of the second half Shuman kicked off again, Swarthmore gained ground momentarily but were again forced to punt. Soeder returned the boot with one of his own and again Swarthmore punted. Then the Bears set to work again from mid-field. Tropp and Lodge bit off a first down. Lodge tossed a pass to "Rugged" Thoroughgood for a 10 yard gain, bringing the ball to the thirty yard mark. Then the inimitable Tropp cut off tackle, sidestepped several opponents and set sail for the goal, making it in a final lunge. Soeder again added goal. This brought the score to 27-0 and a host of reserves dashed on the field from the Ursinus bench.

"Hy" Miller got in the game as the

minutes waned and tossed several lengthy aerials, but none was completed. The last quarter was scoreless. Seiple got some nice runs for the Conference champs but never was able to get within the 30 yard line.

SIDELINE SALLIES

For the first time (with the exception of the Drexel nightmare) the Phila. pulps did not have a plucky Ursinus team outfighting a better-trained (insert name of team) to eke out a (insert score) verdict.

In the final lair game of the season Dartmouth's dimpled darling worked every Bear but Red Riding Hood's grandmother and Goldilock's hosts... thus doing his bit to end unemploy-

ment.

Wally Tropp is no longer a mere Tom River sensation. Now he has reached the acme of Barnumity and may be truthfully dubbed Green Knight or Masked Marvel. Suggested trop: Fast as a green streak.

Aside to Stoney McLinn, distinguished scribe of the Ledger: The failure of the synthetic Garnets to best Ursinus doubtless cost them a national championship on the second sports page.

Kickoff. A brace of touchdowns in Dr. Barnard's well known one, two order... and we curled up with a copy of the Congressional Record for and interesting afternoon.

Isaac Newton Klingaman, Jr., served as head linesman.

FROSH RESERVES DEFEAT

DARBY HIGH GRIDDERS 6-0

The Frosh reserve team handed the Darby High School gridders a decisive 6-0 defeat Thursday, on Patterson field. The Darbyites could not cope with the hard charging line and plunging backs of the Ursinus Cubs. The entire game boiled down to a point where the Cubs carried the ball to the visitors 10 or 20 yard line, where the fight of the high school boys prevented a score, except on one occasion, when after a sustained drive down the field in the third quarter of the game, Taylor scored on an off-tackle thrust from the 19-yd. line.

"They keep tasting better and better to me!"

Every Chesterfield is like every other one. No matter how many you smoke, the last Chesterfield of the day is just as smooth and sweet—as cool and comfortable—as the first.

They're milder, too! Chesterfield uses only mild, ripe, sweet tobaccos—the smoothest and ripest that grow.

Notice, too, how white and fine the paper is. It's the purest that money can buy.

All this care...to make Chesterfields taste better—to make them milder. And millions of Chesterfield smokers say it in their own way—"They Satisfy!"

GOOD...they've got to be good!
