CHRISTMAS CELEBRATIONS HELD BEFORE HOLIDAYS

Preceptresses' Annual Banquet And Entertainment in Gym Enjoyed By All

SENIORS WIN PRIZE

The annual Christmas banquet was held Thursday evening, Dec. 17, from 6 to 8 p. m. in the Freeland Hall rooms.

The girls were entertained in the upstairs dining room and the men in the downstairs dining room.

Committees appointed from each class had decorated the tables upstairs. The chairwomen of the different classes were: Virginia Mead-owcroft '35, Hermine Loos '34, Lueila Mullin '33, Margaret Miller '32, and Gladys Mayberry, preceptress. Each table displayed originality and individual effort. The senior table, for which the prize was awarded, depicted life at the North Pole. The prize, which was awarded by the preceptresses, was a large mirror. This mirror will be placed in a convenient spot for the use of all girls. Each senior girl was presented with a small box of candy for her individual help.

The freshman table was given honorable mention.

The preceptresses' table represented a snow village with miniature houses, sleighs, and reindeer.

During the banquet, song leaders, appointed from each class, led the classes in songs.

Scott Covert '32, president of Men's Student Council, gave a greeting to the girls from the boys downstairs.

Dr. White introduced Dr. and Mrs. Omwake. They both gave interesting talks to the girls.

In former years the girls entertained the preceptresses but this past year the program was arranged by the preceptresses. It was as follows:—"Song", by the preceptresses; (Continued on page 4)

Physical Directors Conference Attended by Prof. Guerne

Oscar E. Guerne, director of Physical education, attended the annual meeting of the College directors Association of the American Physical Directors Association, at Hotel Astor, New York City. This conference was held at the same time as the Football Coaches conclave, Dec. 29th and 30th, 1931.

Discussion of teacher training in health education occupied much of the attention of the gathering. Reports on the Detroit school system were heard. The belief was advanced that most schools have not met the demand for hygiene instruction. Prof. Guerne believes that this is not true of Ursinus. He was impressed with the high type of varsity coaches and the clean cut concise reports. Dr. R. Tate Mc Kenzie was made an honorary member of the association. William Ralph LaPorte, Dean of Physical Education at University of Southern California, presented an interesting survey. The Gates plan was also discussed, but this in essence has been operating at Ursinus for some time.

SOCIAL COUNCIL MEETS

At the meeting of the Council on Social Activities, Tuesday, permission was given to the Student Councils to hold a dance on February 6th. It was also decided that the one and only time there would be dancing following a basketball game would be after the Gettysburg Game on February 27th.

Y. M. - Y. W. SPEAKER NAMED

The speaker at a joint Y. M. - Y. W. meeting this Wednesday has been announced as Richard R. Wood, Secretary of the Peace Committee of Philadelphia Yearly Meeting of Friends, a member of the Executive committee of the council for prevention of War at Washington, as well as one of the special delegates to confer with the Japanese Ambassador to the U. S. about Manchuria.

STUDENTS ATTEND OPERA

Thursday evening, January 7, about seventy students traveled by bus to the Academy of Music in Philadelphia to hear the opera "Tosca". The leading roles were that of Floria Tosca, taken by Bianca Saroya; Mario Cavaradossi sung by Dimitri Priofrei; and Baron Scarpia, by John Charles Thomas. The vocal interpretation was splendid and very much enhanced by the colorful acting. It is one of the greatest operas of Puccini and the accompanying music of the orchestra is very rich and deep, giving a fine background for the singing.

WORTHWHILE SPEAKERS TO ADDRESS STUDENT BODY

Dr. William T. Ellis, Writer and Newspaper Correspondent, to Speak Tuesday at 11 O'clock

The chapel speaker for January is Doctor Wm. T. Ellis, the writer, who will appear at 11:00 o'clock on Tuesday, January 12. Dr. Ellis's newspaper career began back in the nineties when he was a reporter on Philadelphia dailies. For the three years following 1906 he toured the world writing articles for a syndicate of American newspapers, representing the same in 1910-11. During the war he was a correspondent on Persian, Caucasian, Roumanian and French fronts, and was the only newspaper representative present at the first all-American engagement of the war—the battle of Ayresmont. Following the war he was special correspondent for the New York Herald, the Chicago Daily News and the Saturday Evening Post, contributing articles for the latter on the Near East, in which part of the world he is one of the best informed-Americans living today. On one of his tours of Persia he had as a traveling companion the Rev. Pera Mirza, father of Joan Mirza, '30, then a resident of Baghdad. He received the degree of Doctor of Laws from Davidson College in 1913. Dr. Ellis's address will be on the subject: "What the Depression Means for Students."

Among the visiting speakers who will appear next semester are Charles Stedman MacFarland, D. D., S. T. D., L. L. D., of New York, and Boyd Edwards, S. T. D., L. L. D., headmaster of the Mercersburg Academy. The dates of their appearance will be announced later.

SOPHOMORES PRESENT

FIRST ANNUAL DANCE

The annual New Year Dance, designated this year as the Sophomore "Hop", was held in the Thompson-Gay Gymnasium, Monday evening, January 5. The Parodians supplied the music. Programs in the form of red and green bells were given to the guests and cider was served for refreshment.

The committee consisted of Robert Dresh, chairman, Dolores Quay, Ruth Haines, Walter Tropp, Richard Henschel, James Wharton and Florence Froesch.

Dr. and Mrs. Marcus Old, Miss Gladys Mayberry and Blair Egge were chaperones. Because of illness, Dr. and Mrs. James Barnard were unable to attend.

CARLETON'S WRESTLING TEAM WILL JOURNEY TO BROOKLYN

The Bear Matmen will journey to Brooklyn this coming Saturday to grapple with the strong Brooklyn Polytechnic Institute aggregations. This meet was originally scheduled to be held at home but, because of the antagonistic attitude taken by the State Athletic Commission toward Amateur wrestling, was transferred to New York State.

Coach Carleton and his proteges are priming for the engagement. All the men are in the pink of condition and eager to mix with the Poly grunt and groan artists. The exact personnel of the team making the trip has not yet been fully decided.

RUMMAGE SALE

The Women's Dormitory Committee will hold a rummage sale some time in February. Anyone who has anything to donate must hand it to Mrs. Sheeder or any member of the committee on or before January 16.

ALUMNI FINANCIAL DRIVE TO BE STARTED AT ONCE

Committee Chosen to Raise Money For Final Expenses of Science Building

OBJECTS LISTED

The Alumni Representatives of the Board of Directors are busily engaged in securing the sum of \$63,000 to cover the incidental expenses incurred in the erection of the Science Building. The money is being raised through an appeal to the alumni and former students of the College. While it will be some months before the final results are all in, it is hoped that it will be possible to report the greater number of responses on Founders' Day, February 25.

The specific objects for which the money is being raised are three in number: (1) the servicing of the building with heat, water, electricity and gas; (2) the grading and planting of the grounds surrounding the building; and (3) the renovating and reconditioning of Bomberger Hall after the old laboratories shall have been removed. These are all items made necessary by the erection of the building but which cannot be included in the actual cost of the building itself.

Besides its provision for an actual need, an added reason for making the appeal is the opportunity given every alumnus to demonstrate in a tangible way his appreciation for what Cyrus H. K. Curtis has done for the College. Mr. Curtis has shown his confidence in the institution and his appreciation of the work it is doing by gifts amounting to almost a half-million dollars. Through those gifts Ursinus has taken high rank among the liberal arts colleges of the nation, and the value of every diploma has been increased thereby. It is felt that this is an opportune time for the alumni to show Mr. Curtis that they do not look to him to finance the College alone.

The Committee of Alumni Representatives and its secretarial staff held two meetings early in December, when plans were laid for conducting (Continued on page 4)

REV. GROTON SPEAKER AT JOINT "Y" MEETING

The Reverend Groton of White-marsh, Pa., was the speaker at the joint Y. M. and Y. W. C. A. meeting held in Bomberger Hall on Wednesday, January 6, at 7:45 P. M. Two organ selections were rendered by Alfred C. Alspach '33 and were followed by the singing of two hymns. Paul Wagner '32 read a passage of scripture and Ruth Haines '34 offered prayer. The Reverend Groton then spoke on the subject "How Tall Are You?" The substance of his address was that spiritual tallness may be estimated just as any kind of height may be measured. We are as tall as our patience and endurance are great, and as wide as our life is broad and all-encompassing.

STUDENTS COMMUNE AT CANDLELIGHT SERVICE

An impressive Candlelight Communion Service under the auspices of the Y. W. C. A. and Y. M. C. A. was held Wednesday evening, December 16, in Bomberger Hall, which was transformed into a miniature cathedral as the candlelight cast its gleam and shadow over all.

The vested choir, bearing lighted candles, sang the Processional hymn, "Adeste Fideles", as they entered the chapel from both sides and took their places upon the platform. After the Christmas lesson was read by Dean Kline, the Rev. Lentz led the school in worship, which culminated in the consecration and distribution of the elements.

Following Dean Kline's thoughtful prayer, the choir offered an anthem, "Te Deum," "Joy to The World," was sung as the Recessional hymn. Rev. Lentz concluded this inspiring service with the Benediction.

SHRINER LEADS VESPERS

Vespers was led by the girls of Shreiner Hall, Sunday evening, January 10 in Bomberger Hall. Evelyn Glazier '32 was in charge.

W. S. G. A. MASS MEETING

A mass meeting of all women students was held Monday evening, December 15, in Bomberger Hall. Lois Strickler '32, president of the women's student council, was in charge of the meeting.

Plans for the Christmas banquet were discussed.

The chairman of each committee of the student council gave a resume of the work done this semester. Miss Strickler congratulated the Freshmen on their hearty cooperation with the Sophomore Rules Committee.

Dr. White then gave an interesting account on "Trained Women and Economic Study."

STUDENT VOLUNTEER MOVEMENT AT BUFFALO

Eight Attended N. Y. Conference Held to Create Interest in Foreign Missions

Every four years since 1886 the United States, Canada, and other countries have been holding a Student Volunteer Christian Movement for the purpose of creating interest in the young people towards foreign Missions.

Mr. Sheeder and Dr. Lentz attended during their college years and now eight students of Ursinus have attended this conference. This is the largest delegation ever representing Ursinus College at a Student Volunteer Convention.

Among the important projects brought back to his campus, the vital question of disarmament is to be studied in detail. Disarmament was an important feature of the Conference in that it will be a great step towards expanding Christianity.

Among the outstanding leaders were Kirby Page, editor of "The World's Tomorrow," publicist, extensive world traveler and author, Dr. John R. Mott, a creator of the Student Christian Federation, T. Z. Koo, a leader of Chinese students who is vice-president of the World Student Christian Federation and literature and educator and social server of Bantu in South Africa.

Missions from all parts of the world were represented.

MRS. OMWAKE ENTERTAINS "Y" GIRLS AT SUPPERHOUSE

Gaily lighted red candles and Christmas greens greeted the girls as they were ushered into Super-house Tuesday evening, December 15 for the annual Y. W. C. A. Christmas party. The girls seated on the floor made a most attractive picture in the candlelight. The following girls sang Christmas hymns: Ann Uhrich '32, Iris Lutz '33, Kathryn Inman '32, Eveline Omwake '33, Evelyn Glazier '32, Marian Hageman '34, Ruth Haines '34, and Ruth White '33. The musical note was continued by Muriel Ingram '33 who, accompanied by Mary Stamm '32, favored the group with a violin selection, "Contique de Noel". Evelyn Hendricks '32, president of the Y. W. C. A., read the Christmas story of the birth of the Christ child.

Dr. White gave an interesting talk concerning the significance and origin of Christmas customs and songs.

As a fitting conclusion, Muriel Ingram '33 played a number of favorite Christmas carols while the girls sang. Refreshments of punch and cakes were served.

BEARS FALL TWICE IN LAST TWO ENCOUNTERS

Swarthmore Wins Friday 37-33; Home Court Scene of Slaughter By Albright, 46-24

LODGE, BREISCH HIGH SCORERS

The effects of a strenuous game, the preceding night, and a smooth working machine were the outstanding factors leading to the defeat of the Ursinus Courtmen by Albright, 24-46, in a game inaugurating the newly formed Eastern Pennsylvania College Basketball league at Collegeville Saturday night.

The Ursinus cohorts started off with a bang with Joe Diehl scoring a field goal from the tapoff. The Bear's lead was booted two more points when Hy Miller made a neat follow shot beneath the basket. It was at this stage of the game, and then only that the red, old gold, and black might hope to emerge from the contest victorious.

After missing many easy shots, the Albrightians slowly found themselves, when Smythe was successful on one the field, and Charlie Haines dropped the ball through the net. This put the visitors in the lead, and from then on they were never headed. Although the Ursinusites battled the Lions on even terms the remainder of the first half, their failure to convert foul tries during this period found the home team on the short end of a 17-8 score as the whistle sounded.

As the second half opened the Lion appeared invigorated, the Bear tired. Led by Haines, the visitors spurred, never to be headed. The demoralized Ursinus aggregation became too unorganized to offer resistance as a team. Substitutions from the bench to relieve the wearied grizzly warriors were of no avail. Only the (Continued on page 4)

Johnson Attended Annual Meet of Football Coaches

Russell C. "Jing" Johnson, Ursinus Athletic director, represented the College at the eleventh Annual meeting of the American Football Coaches Association held in the Grand Ball room of the Hotel Pennsylvania, New York City, December 29 and 30, 1931.

Among the items discussed were the suggestions for rule changes and the investigation concerning the supposedly serious number of football fatalities.

Over two hundred coaches heard the report of Lou Little, head coach at Columbia on the overemphasis of football in the colleges. The report showed that the grid sport ranks in time required with an average of 109 hours. Student publications heads the list with 24 hours. All the coaches expressed confidence that the game is here to stay. Dr. M. A. "Mal" Stevens of Yale, was elected president to succeed J. F. "Chick" Meehan, retiring head.

It was agreed that there are to be no change in rules as far as fatalities are concerned until the exact courses are ascertained.

On Monday evening, Johnson attended the meeting of the Association for selection of football officials. This is the parent organization of the Eastern Penna. Association.

MUSICAL PROGRAM

President Omwake has secured the promise of Professor William S. Thunder and his associate in the Music Department, Dr. Philip Goepf, to give a free musical program on an evening early in the next semester. The date will be announced later.

Editorial Comment

CHANGE IN WEEKLY MANAGEMENT

The first number of the Ursinus Weekly was issued September 26, 1902. It was published "by the Student Editorial Staff". It was entered at the Collegeville Pa., Post Office as Second Class Matter, December 18, 1902. In 1903 the Alumni Association of Ursinus College presumably by request, assumed proprietorship of the paper. The management was vested in a Board of Control "Consisting of three Alumni representatives, one member of the Editorial Committee of the Faculty and the Editor-in-chief." In 1914 a constitution was adopted by the Board of Control, for its own government in the maintenance of the publication. At this time the editorial staff was augmented by the addition of a Managing Editor later changed into an advisory Editor. By the provision of this Constitution the Board of Control was constituted as follows: "the President of the College, three members of the Alumni Association, the Advisory Editor and one member who shall represent the Student Body." The representative from the student body was always the editor-in-chief, who served also as secretary of the board.

The Alumni Association at its annual meeting in June, 1931 adopted a revised constitution omitting the section which provided for the proprietorship of the The Ursinus Weekly. The Association then voluntarily relinquished its right to the ownership of the paper, and it voted "that the Faculty of the College be requested to devise plans for the continuation of the Weekly." By an action of the Board of Directors of the College at the recent meeting it assumes proprietary rights and ordered that the Weekly shall be published by a Board of Managers. The constitution under which the Board of Control formerly acted was accordingly revised so as to comply with the new status. The former Board of Control is now the Board of Managers. This new Board is constituted as follows: it consists of the President of the College, three members from the College faculty and three representatives from the student body. The members from the faculty are appointed by the faculty. The student representatives are the editor-in-chief, the president of the Men's Student Council, and the president of the Women's Student Government Association. This gives the student body a larger representation in the management of the paper.

The cost of publishing the Weekly increased very materially in the past fifteen years and there has been a deficit each year with few exceptions. This deficit, however, has been due to the fact that many Alumni do not subscribe to the paper and many subscriptions are left unpaid. If all who receive the Weekly would pay for it annually there would be no deficit. The Alumni Association in the past always paid a part of the deficit. The remainder was assumed by the College. Last year there was no deficit and the management hopes that the support of the paper may be adequate so that it will carry itself and there will be no more deficits.

C. D. Y.

WHAT THE CHANGE MEANS

The change of the control of the Weekly explained in the above comment, we feel is of interest to our readers in regards to its possible affect upon the publication and its constituents. The change from the old Board of Control to the present Board of Managers and the new ownership it represents will not, as we see it, visibly affect the issue as it now appears. Some change is possible, though not likely, in the policy or general standards of the paper. What is more important, though, is how the groups which are connected with the Weekly will be affected. The only two bodies which seem to be influenced by this new system are the Alumni and the students. And whatever this influence may be upon either or both of these groups we hope it will be for their individual advantage and the betterment of the Weekly.

The alumni as members of their association are affected in as much as it is no longer the owner of the Weekly. This change should not influence the relationship of the individual alumnus to the paper. The chief interests of both the Weekly and of the Alumni is the College and together something worth while can be accomplished. We want to thank the Alumni for the support we have received in the past and only ask that it may be continued and increased in the weeks to come.

The students of the college we think, should be especially interested in the new plan for it affects them more than any other group. The Weekly is now owned by the College—which includes the students. The student representation in the management of the paper is greater than at any time in its history. With this increased membership on the Board the students have a larger part in the selection of the staff and in deciding the general policy or the publication. We believe, therefore, that the College men and women should feel now, if they did not before, that the Weekly is theirs, too; and feeling that way cooperate for its greater success. In closing we say that we believe that the present change is a step forward. The Ursinus Weekly remains in actuality just as much an alumni paper as ever, and, at the same time becomes more of a student publication.

'24—Charles H. Miller spent a day on the campus during the Christmas recess. Mr. Miller is employed by the Bureau of Labor and is pursuing graduate work in Literary Science at George Washington University.

'29—The engagement of Miss Catherine Smith to Mr. Walter Buchert '29 has been announced. Mr. Buchert is attending medical school at the University of Pennsylvania.

'11—Dr. R. W. Schlosser, president of Elizabethtown College, has recently translated some works of Shakespeare into Pennsylvania Dutch. Since Pennsylvania Dutch is a dialect rather than a language, the translation offered much difficulty in retaining the richness of grammatical figure. The "Courtroom Scene" was presented in Dutch by a group of student players at the college.

STUDENT COMMENT FAVORS STAND TAKEN BY EDITORIAL

Editor Ursinus Weekly
 Dear sir;
 The editorial in the Weekly of Dec. 14, urging the establishment of a publicity bureau at Ursinus College is one that should not be allowed to take its course as just another editorial. I, for one, believe that it is worthy of further consideration.

The era of leaving the college's publicity to mere chance is passe. Practically every school of any note has an organized bureau for supplying the outside world with the doings at that institution, and there certainly is nothing unethical in that practice, as some might be inclined to think. The College owes to its students, faculty, and alumni the service of informing them and others of its existence.

When a student attains distinction on the campus whether it be literary, athletic, or social, information to that effect would be readily accepted by the home town paper from where that person comes, if it were informed.

And why not inform it? That same student may after his college days seek a job in his home town. Prospective employers have a very faint idea as to what the young man did during his four years at college, unless these employers happened to read the Ursinus Weekly.

In reading the sport pages of the New York Times, it may be noticed that many of the notes concerning numerous colleges are very insignificant for their content, but are especially worthy for they bring the name of those colleges before the public eye, which is much. Whatever the public learns of a college it learns through the press. It seems that we at Ursinus have been rather slow in recognizing this. When our football team won the Conference championship last season, very little effort if any was made to supply the newspapers of the fact. The notice that we received in the papers at the close of the season was negligible. Is not a championship team worthy of recognition beyond the campus?

The need of an organized publicity bureau is self evident, and ought to be acted upon by the proper authorities. No doubt there are some connected with the College who would be willing and capable of serving in the needed capacities. There certainly is much to be gained by the College with comparatively little effort by such an organization and nothing to loose.

Yours truly,
Irving E. Suttin

SELECTIONS FROM OPERAS PRESENTED BY MUSIC CLUB

A novel program was presented by members of the Music Club for their last meeting before Christmas on Tuesday, December 15.

Several extracts from famous operas were dramatized. The Sailor's Chorus from Pinafore by Gilbert and Sullivan, led by Louis Mitchell '33, led the program. After the chorus of the Queen's Navy, Iris Lutz sang "I'm Called Little Buttercup."

Evelyn Glazier '32 played the part of a gypsy girl in Mignon. She sang "Dost Thou Know That Fair Land?" Marion Kepler '32 sang the "Page Song." This was followed with a solo "Then You'll Remember Me," from the "Bohemian Girl" by John Yergat '34.

The next scene in a Vienna Cabaret was taken from "Viennese Nights" and portrayed by a selected chorus from the club. The selections were "Moonlight Meadows" by Czibulka and Strauss, "The Blue Danube Waltz" and "The Vienna Drink Song."

GAFF FROM THE GRIZZLY

Realizing the mental incapacity of those mentioned below, GAFF considers it a duty as well as a privilege to offer the following (somewhat belated) New Year's resolutions.

Snagg--to study Italian so that he can have an even greater appreciation of the opera.

Hill--to refrain from future suggestions to "Anna's" escorts.

Bennett--to try to reach a happy medium with Miss Bunn, in the matter of "words per minute."

Burhans--during the next five months, to sleep only at home or in the dormitories.

Baker--to show Diebler who's who around here.

GAFF has had several requests to mention Mr. Super's recent appearance on the campus. (The requests all came from Mr. Super.)

Keep a Regular TELEPHONE Date with Home

WHAT'S THE USE of making a team—winning the election—passing a test—if Mother and Dad don't

hear of it? Half the fun of college success is sharing it with home.

Here's where the telephone plays its part linking campus and home together!

Make it a habit to call up home each week. Mother and Dad will be thrilled to hear your voice—to share your news—to know all's well! Each week they'll be waiting with family news, cheery greetings, sound advice.

They're a lasting pleasure—these Telephone Dates with Home—inexpensive and easy to make.

FOR THE LOWEST COST AND GREATEST EASE

Set your "date" for after 8.30 P. M., and take advantage of the low Night Rates. (A dollar call is 60c at night; a 50c call is 35c.)

By making a date the folks will be at home. Thus you can make a Station to Station call rather than the more expensive Person to Person call.

Just give the operator your home telephone number. If you like, charges can be reversed.

The Tower Window

URSINUS College looks out on the new year with hopes and plans which, if realized, will mark an epoch in the history of the institution. Gradually there has been looming up on the west campus the form of a great monumental building — a structure of such proportions and substantial character as to indicate clearly the purpose of this college to take a great step forward and upward. Ere another New Year comes around the Science Building — dream of a decade, will be finished, equipped and in use. Departments that have been hampered and handicapped for years will be enjoying their new freedom. Professors and students alike working within its walls will feel the elevating effect of the new and modern quarters.

Surrounding the building the newly graded grounds will be starting a green sward no less attractive than that of the East Campus, and hard dry paths will lead to and from the building in various directions. Young trees and shrubs of appropriate varieties will grace the open spaces. Hither will be going scores of students now crowding the class-rooms and corridors of Bomberger. The stately pile which has looked down on forty college classes will be enjoying well-earned release from over-work.

What will we find on entering Bomberger? First we shall enjoy a new physical atmosphere. The noxious gases from chemical laboratories will have gone for ever. The air will be pure and sweet. The crowds on the stairways and about class-room doors will be reduced by from a half to a third. There will be no rushing from room to room to find one's class. Each teacher will have his own class room where he will always be found at the appointed time. At other times he will be found in one of the new studies or conference rooms which it is intended shall be constructed. For it is our design that professors working in this building shall have the same facilities for private study, conference with students, and class-room teaching as shall those who move to the new building.

In this building the humanities will be expected to flourish. It will naturally take on a new academic atmosphere. Due to the more restricted field and devotion to a more uniform type of work, there will be the possibility of developing a spiritual character more or less unique, and to this character the very architecture embodying it will constitute in a definite way. Bomberger will be a quieter place not because it will have been deserted, but because within its walls will reign those more benign elements of the curriculum around which cling the traditions of the liberal arts.

The "New Ursinus" of which we have long been hearing is due to arrive in 1932. God bless all those who speed her on her way.

G. L. O.

"There are no better cigarettes"

HE BOBBED UP SMILING
Bob Montgomery has been an iron worker, deck hand, railroad mechanic and a bood-at extra in Hollywood . . . He zoomed to the top in noise-reels because the gals were cuh-rasy over his grin . . . And they'll go completely zoey when they see him in his latest M-G-M, "PRIVATE LIVES" . . . He's stuck to LUCKIES these last 7 years . . . Not a buffalo nickel was paid for his statement . . . He gave it just for a pleasant "Thank You."

"I have always used LUCKIES—as far as I am concerned there are no better cigarettes—congratulations also on your improved Cellophane wrapper with that little tab that opens your package so easily."

SWARTHMORE GAME

Too much Abrams was the downfall of the Bear Court representatives at Swarthmore Friday night. The diminutive Garnet forward scored 20 of his teams 37 points, 3 in excess of the Ursinus total.

The game was anybody's from start to finish. There was at no time in the game a difference greater than 5 points between the totals of both teams.

The second half found the lead changing hands back and forth with short notice. Scoring by Lodge, Diehl, and Sommers in this period was counteracted by the registering of points by Abrams.
