## RESULTS OF CARNEGIES

### PROVE VERY INTERESTING

Burkhart Has Highest Average in Examinations; Results Compared With Previous Tests

### FOUNDATION STUDY ENDED

by G. R. Tyson

Considerable interest is being displayed in the results of the Carnegie Foundation examination. Data is not available to compare Ursinus College with the rest of the colleges in Pennsylvania. We can, however, compare the record made by this year's senior class with the seniors of 1930 and the record of this year's seniors with that made by them as Sophomores.

The examinations given this year consisted of an intelligence test, and examinations in English, general science, mathematics and general culture. In each case the same examinations with slight changes were used this time as were used two years ago. The difference between the scores made in the two examinations is a measure of the development of the senior class during the past two years. A series of contrasts will bring out these differences. The data for the Sophomore class of the year 1930 will be given with that of the senior class of 1932. These will be contrasted with the seniors of 1930. The data will be stated in terms of the median which gives an idea of the performance of the group as a whole, and the 25 and 75 percentiles which will give you an idea of the way in which the performance is distributed within the class.

#### Total Common Subjects

	Sophomores	Seniors 1930	Seniors 1932
75 percentile	560	630	617
Median	477	570	546
25 percentile	397	490	460

The class of 1932 has, on the average, increased in total scores 93 points over their record as sophomores. They are superior to the seniors of 1930, on the average, by 24 points.

#### English

	Seniors 1930	Seniors 1932
75 percentile	242	262
Median	210	222
25 percentile	168	177

## TAU KAPPA ALPHA INITIATES

### Six Students Received Into National Organization; Officers Elected

Six new members were initiated into the Ursinus College chapter of Tau Kappa Alpha, national honorary debating fraternity. The exercises took place in the faculty room of the library Saturday morning and were followed by the annual luncheon at the Franklin House in Trappe.

Rena B. Grim '33, Frances Gray '33, Nadine Jones '34, Jane Price '32, Bernard B. Zamostein '33, and James E. Palm '33 were received into membership.

At the business meeting which followed the initiation ceremonies, Alfred C. Alspach '33 was elected president of the organization for the coming year. Rena B. Grim '33, was selected as vice-president and Nadine Jones '34, secretary-treasurer.

Approximately twenty guests attended the dinner. Prof. M. W. Witmer, sponsor of the chapter, Dr. E. B. White, coach of women's debate, Marion Styer '31, and Albert B. Scirica '32, the retiring president gave brief remarks.

Prof. Witmer spoke of physical vigor, a good voice, wide resources, good vocabulary, and broad culture as prime requisites of a good debater. "Public speaking challenges all the powers that a man or woman possesses."

Dr. White outlined the standards of Tau Kappa Alpha and welcomed the new members. Marion Styer '31 brought greeting from the alumni group. Albert B. Scirica '32 expressed his thanks for the cooperation of the past year and wished the incoming officers success. Alfred C. Alspach '33 acted as toastmaster.

## CURTAIN CLUB CHOOSES

New officers have been selected by the Curtain Club. Charles Gompert '33 is president; Edith Henderson '33, vice-president; Jeanette Baker '33, secretary; and Elmer Morris '33, treasurer.

## VALEDICTORIAN

BARTON LEROY BURKHART

Barton Leroy Burkhart, graduate of Terre Hill High School, has won the coveted valedictorian honor. Burkhart has taken an active part in the brotherhood of St. Paul and the Y. M. C. A. In the recent Carnegie examinations he placed first in the Senior class. He is a ministerial student and expects to continue his work at the University of Chicago Divinity School. The subject of his valedictory oration will be "Sentiment and Sentimentality."

## SALUTATORIAN

FLORENCE ELEANOR CORNELL

Florence Eleanor Cornell, graduate of Doylestown High School, has been awarded salutatorian honors. Miss Cornell has taken an active part in College activities. She has been a member of the debating club for four years, was manager of the freshman debating team in her junior year, and has taken an active part in dramatics. The subject of her salutatory oration will be "Democracy and Living."

## DR. MACFARLAND ADDRESSES STUDENTS AT CHAPEL SERVICE

### Executive Head of the Federal Council of Churches Delivers Address on Church Unity

Dr. Charles MacFarland, the executive head of the Federal Council of Churches of Christ in America, spoke at the chapel services Wednesday morning, May 18. His discussion was on the subject of, "The Possibility of Church Unity."

President Omwake, a friend of the speaker for many years, introduced him as a "lecturer, minister, and theologian of world-wide reputation." In his scholarly address Dr. MacFarland pointed out that most religious leaders now realize that there is no place for denominationalism among believers in Christ; definite differences in opinion have passed away to a great extent. The great difficulty in the way of unity is one of practical organization, which, in turn, is checked by differences in temperament.

The speaker then sketched a brief history of the movement, which is now world-wide in scope. He stated that, "The movement for Christian unity began in as simple a way as Christianity itself," and demonstrated that this movement could not be brought about on purely intellectual grounds. Intellectual unity must wait until after spiritual unity has been achieved.

In closing, Dr. MacFarland summarized the methods of attaining Christian unity. They were: first, through the oneness of religious experience; second, through the common spirit which animates us all; and third, through the humblest forms of Christian service.

## RACE RELATIONS DISCUSSION HELD WITH LINCOLN U. MEN

A very interesting discussion was held Friday evening, May 20, when a small group of Ursinus students listened to and then freely questioned a delegation of six negroes from Lincoln University, of Oxford, Pa. The subject discussed was race relations and race prejudices. These colored students, with two of their professors, are representatives of their school on this topic and travel about staging meetings of this sort, with the hope of lessening race prejudices and promoting closer relationships.

This meeting was largely made possible through the efforts of Jerry Wenner, '33, president of the Y. M. C. A., who met several of the Lincoln delegates at a recent "Y" conference.

## MEN'S STUDENT COUNCIL ELECTED FOR NEXT YEAR

The Men's Student Council for the year 1932-33 was elected by the different classes last Tuesday afternoon. The votes cast show that a large number of the men students participated and a representative council has been chosen.

The Junior Class was the only one in which a re-election had to be held. In the first election there were five men tied for the sixth place and two more elections had to be held before the sixth man could be decided upon. The class of '33 elected the following men: Paul, Diehl, Reese, Lodge, Alspach, and Robbins. Those representing the class of '34 are: Dresch, Hershey, Mabry, and Gregory. The representatives for the class of '35 are Williams and Gill.

## DR. AND MRS. G. L. OMWAKE HOSTS AT ANNUAL RECEPTION

The annual President's reception was tendered to the graduating class Wednesday evening at the Superhouse. As in former years the president and Mrs. George L. Omwake provided an evening of delightful entertainment for the seniors. Every member of the graduating class attended and the affair was a decided success.

The class of '32, realizing that this was probably one of the last times that they would get together as a group, spent the evening very pleasantly. During the course of the evening a very delightful luncheon was served.

The other guests attending the reception were: Prof. and Mrs. J. Harold Brownback, Mr. and Mrs. R. C. Johnson, Prof. and Mrs. F. I. Sheeder, and Dr. and Mrs. N. E. McClure.

## WOMEN'S CLUB BOARD MEETS

The Governing Board of the Ursinus Women's Club met at the home of Mrs. G. L. Omwake, Saturday afternoon, May 21. Josephine Xander Sheeder '21 presided. She called for reports of the chairmen of the different committees.

Special attention was paid to the dinner of June 3 with its three speakers: Mrs. Dorothy Miller Ogden of the Miller Conservatory of Dancing, Philadelphia, and instructor of dancing at Ursinus; Miss Eleanor Snell, instructor of physical education, and Mrs. Emily Weist Mertz '15.

An appeal is made that acceptances or regrets be sent before May 30. Reservations for rooms and meals can be secured by writing in advance to Dr. Whorton A. Kline, chairman of the Commencement Committee.

## LEHIGH VALLEY ALUMNI HOLD ANNUAL MEETING

### Meet at Hotel Traylor in Allentown; Helen Walbert Chosen President For Coming Year

Alumni and friends of Ursinus from the Lehigh Valley section gathered in annual session at the Hotel Traylor, Allentown, on Friday night, May 20, to renew acquaintances and hear of the progressive movements of the College during the past year. The retiring president of the Association, Dr. A. J. Kern, '85, assisted by Dr. E. M. Fogel, '94, Nettie B. Boyer, '25, and Helen M. Walbert, '26, presented a program which was characterized by its uniqueness and originality. Each guest was presented with a menu card that was artistically arranged and cleverly conceived.

The program consisted of musical selections by Evelyn Z. Wetzel, '30, of Allentown; a student quartet composed of Scott V. Covert, Walter Welsh, Clair Hubert and Elmer Morris; and solos by Floyd E. Heller, Jr., accompanied by Paul Wagner. Professor Brownback showed stereopticon slides illustrative of the new Science Building, and brief addresses were given by President Omwake and Professor Sheeder.

Election of officers for the new year resulted as follows: Helen M. Walbert, '26, president; Ruth M. Kistler, '25, 1st vice-president; Cyril C. Helfrich, '24, 2nd vice-president; Nettie B. Boyer, '25, secretary; and Floyd E. Heller, '07, treasurer.

## TRACKSTERS PLACE THIRD IN CONFERENCE MEET

The Ursinus track team finished in third place in the annual Central Pennsylvania Collegiate Track Conference in the Bucknell University Stadium Saturday, May 21. The conference team title went to Albright, a team that was not considered a serious threat before the meet. The final score: Albright, 44; Drexel, 30; Ursinus, 28; Juniata, 26; Susquehanna, 26.

Ursinus men were involved in the two meet records that were broken. When Reis of Albright ran the mile in 4:36.5, he bettered the time of 4:45 set by Conover of Ursinus in 1929. Captain Alvin Paul made the other new mark of the day when he leaped 21 feet 6 1/4 inches for a new broad jump mark.

Bill Steele, with 10 points, was high scorer for the "U" men. He easily took first place in both the 100 and 220 yard dashes. Paul accounted for 6 points; Miller, 5; Tropp, 5; Shade, 3.

## VARSIITY STICKMEN SCORE

### FIRST VICTORY OF SEASON

Bucknell Defeated, 10-7; Juniata Takes Tiff, 15-5; Temple Annexes Slugfest, 18-12

### JOHNSON PLEASED WITH WIN

#### Bucknell Game

The Ursinus baseball team turned in its first victory of the season, defeating Bucknell University on Friday by the score of 10-7. The game was replete with the unexpected, and was won only by a great rally in the eighth and ninth innings.

Trudnak pitching for Bucknell immediately got into trouble in the first inning, when hits by Diehl, Scholl, Lodge and Reese were responsible for 4 runs. Scholl's hit was a home run, scoring Diehl ahead of him. Bucknell in turn landed on Eachus and 5 runs scored as a result of three hits, a hit batter and a wild pitch.

Trudnak then settled down and held the Bears scoreless for the next six innings while his teammates continued to peck away at Eachus scoring one run in the second and a run in the fourth. Then Eachus tightened, and yielded but one hit to the opposition during the remainder of the game.

In the eighth stanza, Shuman led off with a single, Massey walked and Eachus was hit by a pitched ball filling the bases. Paris then cleared them when he slashed out a hot single which the outfielder failed to field until he reposed on third. He scored with the winning run when Lodge hoisted a long fly.

#### Juniata Game

On Saturday the Bears fell back into their old ways and Juniata defeated them by the score of 15-5. Coates, Weisenflue, and Weis took turns pitching.

The Bears scored one run in the first inning when Scholl singled and Lodge tripled. In the third inning Juniata scored 2 runs on hits by Hummel and Flanagan, coupled with an error. In the fourth they added 3 more runs, and it was not, until the fifth that the Bears were able to score again and they tallied a run on Shuman's homer.

## FROSH KEEP CLEAN SLATE

### Close Undefeated Season, Trouncing National Farm School, 11-6

The Ursinus Freshman team completed a most successful season by defeating the strong National Farm School team by the score of 11-6. This victory gave the Frosh a clean slate, having chalked up 5 victories previously without once having to accept defeat.

The Cubs started early in the game to accumulate their runs. Heck and Fisher banged out singles and Taylor slammed a home run to give the Frosh 3 runs for the first inning. The Farm Schoolers retaliated by equalizing the score. In the second stanza the Frosh garnered another run, while Mowrey held the opposition scoreless.

The Frosh scored again in the third. In the sixth the Farm school boys scored a run on two successive

### CHAPEL—TWICE A WEEK

At the present time there is some talk to have chapel services only twice a week. In view of the fact that student opinion has often expressed itself unfavorably toward compulsory chapel attendance we feel that a movement in this direction should be encouraged. We feel that there are several important reasons for this change in the regular schedule.

In the first place, chapel services break up class work considerably in the morning. The classes that are scheduled from 9 to 10 o'clock are the ones that are always hard hit because, even if the chapel service takes only the minimum length of time, five or ten minutes are cut off of this period. And, as it so happens, in many cases chapel is much longer. The result is that the professors who have classes scheduled for this period can never depend on any set length of time for class work or examinations.

In the second place, we feel that chapel services on the whole are often rather drab and uninteresting. There is no real reverent attitude of worship expressed and in many cases the service often becomes dull and monotonous. More time should be spent in preparing programs. To a large extent limiting the number of services to two a week would correct this unsatisfactory situation. Chapel services would be planned with greater care and an attractive program would displace the dull one that is operative at present.

Finally, we maintain that religion cannot be forced upon anyone against his free will. It is something that must emanate from the individual himself. Certainly very little if any good ever results from forcing an individual to do certain things against his will. Such is the case with compulsory chapel services five days a week. To quote a prominent professor on the Ursinus campus, "Whenever you have an institution where every one, from president to janitor, seeks to live up to the ideals of Christ, then and then only will we have a Christian institution and this cannot be achieved by compulsory chapel attendance five days a week."

### IT'S ALL OVER

It is all over but the cramming! The remaining week of College will be devoted to finding out how much we know. The idea of cramming leaves a bad taste in our mouths. Why is this considered necessary by the majority of students?

There has not been enough systematic study during the year. The attitude is "just to get by." To the person who has conscientiously applied himself day in and day out there will be no qualms and quakings. It is he who has neglected that will heat the coffee-pot to get some of the sleep-dispelling brew.

Many of us have never learned how to study. To do anything more this year is impossible, but much can be done with incoming classes along this line.

We believe that a compulsory class in "How to Study" should find its place in the curriculum of Ursinus College. Such a course would be given to all freshmen without credit but would help them to get started and learn how to derive the most out of the allotted study time.

Most of us do not really study, or know how to scientifically study. We sit down and read the assignment and then with a sigh of relief, close the book with complete satisfaction. If every one knew how to study, we could achieve much greater success with the same amount of time.

No one wants to be a bookworm, but if this problem were attacked in a systematic way, Dean Kline would have very few candidates for his quarterly "distinguished list."

### HANDBOOK STAFF COMPLETED

The staff has been selected and plans have been made for the publication of the "U" Handbook to be issued for the use of the class of '36. The book will differ in a few respects from that of last year but the general style will remain unchanged. The most outstanding new feature will be variation of design on the title pages and a slight rearrangement of material. As usual, the Handbook will include letters of greeting from the heads of the various organizations, descriptions of the College social functions, directories, who's who at Ursinus, College songs and cheers, and other items of interest to the new student.

Alfred Creager '33 has been elected Business Manager and has chosen William Tempest '35, as assistant.

The editor has selected as associates: Mary Francis '33, Marian Garrett '34, Martha Moore '34, Helene Myers '35. The book will go to press in the early summer and be distributed to the incoming Freshmen before their arrival at Ursinus.

### MATH. GROUP "DOGGIE ROAST"

Lost Lake was the scene of great merriment when the Mathematics group held their "doggie roast" on Monday evening, May 16. There were approximately twenty members of the group present.

Carol Lipman, the president, was in charge of a short business meeting during which elections for officers of the 1932-33 term were held. The results were: president, Gerald Smeigh '33; secretary-treasurer, Louise Gruber '34.

The main feature of the evening was the "doggie roast" which included not only "doggies," but rolls, cheese, pickles, toasted marshmallows, and ginger ale. No entertainment had been planned, so the group engaged in anything that proved interesting to them.

The chaperons were: Mrs. Edith F. Harper, Dr. John Clawson, Dr. Foster Klingaman, and Professor Frank Manning.

### COLLEGE IS HOST TO HI-Y AND TRI-HI-Y CONFERENCE

A Hi-Y and Tri-Hi-Y Conference was held in Bomberger Hall, Sunday afternoon and evening, May 22. Representatives from fifteen high schools of South-eastern Pennsylvania were present.

The afternoon exercises were in charge of Rev. John Lentz, College pastor. After the reading of the Scripture, and the singing of several hymns, Prof. F. I. Sheeder, as "official greeter" welcomed the assembly to Ursinus. The boys and girls then divided into three discussion groups. One group for girls was in charge of Mrs. Holsopple of Royersford who discussed "Boy and Girl Relationships," and "Girl's Problems." The second group in charge of Dr. Carmen Ross, superintendent of schools in Doylestown, had "Habits" as the topic. The third group, with Mr. Jack Catron, the student secretary of the Y. M. C. A., as leader, discussed "Boy and Girl Relationships" and "Boy's Problems."

A secretary was chosen in each division who summed up the topics in order that all the high schools might have a printed copy of the discussion which took place in each group.

The evening exercises were conducted by the College Y. W. and Y. M. presidents. Dr. Omwake gave the address. His subject was "Life's Challenge To Youth." He used the four-fold plan of life; mental, physical, social and spiritual, as the challenge of the present. He also added the challenge for the future, showing that the new age which we are entering calls for leadership. He stated that the following age will bring forth the real great men and women of the world.

Following the main address, three of the representatives showed how the Hi-Y and Tri-Hi-Y challenged them, giving interesting discussions on what they do in their clubs.

### GAFF FROM THE GRIZZLY

The feature section of the Ruby has been criticized as not being particularly prim. The logical answer seems to be "To the Pure all things are Pure."

Jake Fink wants to know if you could call the battery, in a case like this, a two-bagger.

By the way, it would seem that one of our boys is getting taken for a ride. They say that a Glenwood Ave. lady has a pair of spurs and Jay Boid had scratches on his back.

And let it be understood that GAFF isn't trying to emulate the above-mentioned equestrian, but the gentleman in the case is also reported to have been spiked during the Temple game. That seems a little like rubbing it in, when one looks at the box-score.

It's just as well for some members of the Public Speaking course that Prof. Bone was the second proctor at the Final exam, instead of Mr. Tyson.

Who said Jack Robbins and Floyd Heller were politicians?

There was a fine attendance for the baseball game after dinner Wednesday evening. The hitting was unusual—in fact there was danger of a lost ball several times.

Because of the lack of experienced pitchers on the girls' baseball team, J. B. Coates asked to sign for the game against Beaver.

Mr. George Givant has at last let us in on his famous past. He was modest in those days and went under the name of "Oxie."

Dean White was seen leaving Collegeville with her car. She planned to stop at Jeffersonville and then continue her trip to Norristown in the morning.—Bon voyage!

**The Tower Window**

THE invitations to the sixty-second annual commencement of Ursinus have gone forth. They carry with them the announcement of a most interesting program beginning with the exercises of Class Day on Friday, June 3rd and ending with the conferring of degrees on Commencement Day, June 6th.

Due to lack of public interest in the Junior Oratorical Contest that exercise has been discontinued. In its place the Senior class will present a play on the evening of Friday, May 3rd. This makes Class Day, a day of Senior celebrations throughout. Otherwise there are no innovations.

I wish to use this column to heartily second the College's invitation to alumni, friends and patrons to be present. All exercises except the Senior Play will be free, and it is doubtless true that more pleasurable entertainment can be gotten at a college commencement for less cost than at any other place. I mention this because in these times the financial outlay is something to be considered. This reference to the hard times suggests the further fact that a college commencement is about the best panacea one can find for depression. A few days on the old campus, the meeting of good people, the irrepressible hopefulness and determination of college youth, the inspiring addresses of the speakers—all serve to brighten the outlook and give fresh ambition to people suffering under disappointment or seeming defeat.

Each day of the commencement program has its distinctive merit. Persons who can spare only a day can choose as the limitations on their time or their chief interests may dictate, but it will be well worth while, where possible, to spend the entire week-end from Friday until Monday in Collegeville. The town and the college unite in tendering a hearty welcome to all commencement visitors.

The new science building will be open to visitors on Saturday and on Monday afternoon.

**"Y" HIKES TO LOST LAKE**

May 19 the Y. M. and Y. W. enjoyed a doggie roast at Lost Lake. Most of the participants hiked out to find that some of the men had built a huge fire over which to roast hot dogs and marshmallows. Coffee was also made.

The company spent an interesting evening talking and singing. The night was ideal for such an affair and everyone enjoyed it to the utmost.

Before leaving all joined hands in the traditional friendship circle and sang "Blessed Be the Tie that Binds," after which Jerry Wenner led in prayer.

**ENGLISH GROUP CHOOSES**

On May 18 the English Group elected its officers. Gladys Urlick '33 was elected president and Betty Neast '34 was elected secretary-treasurer.

**WOMEN'S TENNIS TEAM**

**LOSES TO SWARTHMORE, 3-2**

The Ursinus tennis team suffered its first defeat of the season on the Swarthmore courts last Tuesday. The Swarthmore lassies managed to eke out a 3-2 victory after losing the first two single matches.

Billie Strickler, versatile senior athlete, won her last game for Ursinus when she proved her superiority over Miss Tomlinson in straight sets 6-1; 6-3.

In the second singles Monty Blew found little difficulty in defeating her opponent, Miss Seaman 6-1; 6-2.

The third singles went to Swarthmore as "Bups" Francis succumbed to Miss Geddes 6-2; 6-2.

The most interesting match of the afternoon was the first doubles in which Rhea Wheatley and Barney Barnett finally bowed to Miss Cresson and Miss Stubbs of Swarthmore 6-2; 8-10; 6-1. The Ursinus pair made a splendid rally to win the second set after trailing 4-1. The brand of tennis in this match was particularly fine.

Dottie Kehs and Toot Wismer playing second doubles for Ursinus lost their match to Misses Sonneborn and Voltmar, 6-2; 6-3.

**PROF. J. H. BROWNBACK HEADS COUNCIL ON SOCIAL ACTIVITIES**

Prof. J. Harold Brownback will again head the Council on Social Activities. Approximately twenty members met Tuesday evening for the reorganization of the group. Rhea Wheatley '33 was elected secretary-treasurer and Gladys Urlick '33 representative on the Executive Council.

This is the last meeting of the group during the present College year. The council is composed of representatives of all the organizations on the campus and has taken the place of the old Board of Control which formerly regulated all student social activities.

**FRESHMEN ESSAY CONTEST**

The competition for the Havilah McCurdy-Bennett Essay Contest took place Tuesday evening, May 17. The winner of this contest, which is open only to freshmen, will be awarded twenty dollars in gold on Commencement Day.

The contestants, numbering about eighteen, had their choice of two subjects: "College—Now and a Year Ago," or "The Responsibility of a College Student." Dr. N. E. McClure, of the English department was in charge of the event.

**INT. REL. CLUB WEINER ROAST**

With a "doggie roast" in the College woods last Tuesday evening, the International Relations Club brought the term's activities to a close. Mrs. Edith Fetters Harper '24 was the guest.

**Keep a Regular TELEPHONE Date with Home**

SUPPOSE you "dropped in" on Mother and Dad tonight . . . just walked right in with a hearty "Hello, folks!" Wouldn't they be surprised and thrilled? Wouldn't it be fun?

Then get to a telephone this evening and give your home number to the Operator. (It will be "Hello, folks," in a few seconds.) Tell them the latest campus news . . . find out what the family is doing. Next to being there in person, a "voice visit" with home is best.

Try it once . . . if you've never tried it before. You'll soon have the habit of calling home each week for a regular Telephone Date.

**FOR THE LOWEST COST AND GREATEST EASE**

Set your "date" for after 8.30 P. M., and take advantage of the low Night Rates. (A dollar call is 60c at night; a 50c call is 35c.)

By making a date the folks will be at home. Thus you can make a Station to Station call rather than a more expensive Person to Person call.

Just give the operator your home telephone number. If you like, charges can be reversed.

**Varsity Baseball**

(Continued from page 1)

In the sixth, Juniata added 5 more runs to their total which put the game on the ice.

The loss was recorded due to very erratic pitching, along with some poor fielding. There remains but one more game on the schedule and that on June 4, with Lebanon Valley at home.

**Temple Game**

In a slugfest, Temple University defeated Ursinus by the score of 18-12. Twenty seven blows were recorded by both teams, and when the smoke cleared, Temple earned 18 runs to 12 of the Bears. The Grizzlies thus continued the losing streak.

Eachus started on the mound but was shelled off, Weisenflew relieving him. The sun greatly hampered the outfielders, thus accounting for many errors. The hitting of Reese, O'Donnell, and Lodge featured. Paris had a home run to his credit.

ence, and became interested in their work.

The meeting was opened by a short introductory talk delivered by Mr. Mitchell, of the visitors. He stated the modern American negro's problem, how economic and social life affect him, and how he must strive for a place for himself. Then the open house discussion started, in which Messrs. Wright, Smith, Davis, and Shelton answered and also asked many questions concerning race amalgamation (the favorite), race animosity, social and educational equality for the negro. Following this, short talks were given by Dr. Labaree and Prof. James, both of the University faculty, and Mr. Templeton, president of the Y. M. C. A. at Lincoln, all of which concerned different race problems. The interest of the audience was easily seen by a tendency to linger long after the meeting had adjourned and discuss privately many personal race questions with the colored students.
