HARRY E. PAISLEY ADDRESSES PHILADELPHIA ALUMNI

President G. L. Omwake Also Speaks Before Large Gathering in City Friday Evening

MISS FERREE NEW PRESIDENT

Citing faith, courage, and action as main qualities needed to contribute to success in any phase of life's endeavor, Harry E. Paisley, treasurer of the Reading railroad company and president of the board of directors of the College, gave an inspirational talk Friday night at the annual banquet of the Philadelphia branch of the Ursinus Alumni.

The event was held at McCallister's in Philadelphia and 125 guests were present. H. B. Danehower, of Norristown, president of the organization, presided. Miss Grace Kauffman, soprano, sang an artistic group of numbers with piano accompaniment by Mrs. Nellie Ashenfelter. A quartet composed of Ronald Kichline, Purd Deitz, Russell C. Johnson, and Donald Helfrich also sang several selections. The theme of Mr. Paisley's talk was "Sowing and Reaping." He praised the graduates for the work that they have been doing for the college and paid tribute to the splendid leadership of Dr. George L. Omwake.

Dr. Omwake spoke on "Flashes from the Tower Window," speaking of the changed conditions in the College and thanked the graduates for the support which they were giving to the College.

The college colors were effectively brought out by having several bouquets of red carnations and yellow daffodils in black vases. The arrangement of the tables formed a large U.

At the close of the affair officers for the coming year were elected. They are: President, Miss Helen M. Ferree; vice president, Rev. H. B. Kerschner; secretary and treasurer, (Continued on page 4)

AFFIRMATIVE DEBATES

IN NEW YORK AREA

The Men's Negative Debating team met with a slight reverse on its New York trip, Wednesday, Thursday and Friday of last week. On Wednesday, March 4, the Ursinus debaters, Floyd E. Heller, Jr., '33, Alfred C. Alspach '33, and H. Ober Hess '33, met the affirmative team of Wagner College at Staten Island on the question "Resolved, that the nations of the world should adopt a policy of free trade." Arthur Kneutser, Gustav Wincke, and Albert Stauderman represented Wagner College.

On Thursday evening, March 5, the same Ursinus team debated the forensic artists of Rutgers University on the subject "Resolved, that the chain store system is detrimental to the interests of the American public." This debate was held in the Rahway High School before an audience of county high school debaters. Rutgers was represented by Francis C. Hillery, David M. Kaplan, and Jack J. Connell, and won on a close two-to-one decision.

The debate with New York University was broadcast over station W. B. N. X. with a radio audience decision as yet not known. Floyd Heller, Bernhard Stabert '34, and H. Ober Hess encountered Sidney Gettelson, Leon Gold, and Carlson D. Baker of N. Y. U.

GIRLS TEAM IN INFORMAL

DEBATE AT SWARTHMORE

A women's debate with Swarthmore was held Friday evening, March 6 at Swarthmore College concerning the question: "Resolved: That the Emergence of Women From the Home is an Active Menace." The Ursinus affirmative team, chaperoned by Mrs. Carter, left for Swarthmore early Friday afternoon, where, previous to the debate, they were lavishly entertained. At 8 p. m. the two teams met in Bond Hall where Miss Dorothy Cleigh presided over their very informal discussion. The Ursinus team consisted of Margaret Deger '33, Roberta Frantz '32 (captain) and Gladys Ulrich '33, while the Misses Eleanor Anthrim, Betty Shaeffer, and Lauree Marshall represented Swarthmore. No definite conclusions were made as to the decision of the debate. A very interesting open forum meeting was held afterward.

"DOVER ROAD" CHOSEN AS ANNUAL ZWING PLAY

Light Comedy Now Being Played on Broadway to be Presented on March 21

SETTING IN ENGLAND

"The Dover Road," a play now being enjoyed nightly by theatergoers on Broadway, has been chosen by the Curtain Club as the annual Zwing production. This interesting drama will be presented by the club in the gymnasium theatre on Saturday evening, March 21.

"The Dover Road" is a play whose scenes are laid in the "Lover's Lane" of England. In the United States newlyweds visit Niagara Falls, but in England they go down the Dover road; cross the English Channel; and then proceed to Paris. The play cannot be classed as a farce, but is a little lighter than most comedies. It will certainly help to make the Zwing week-end a success.

A couple are on their way to France, one of them a husband of three days, the other, a girl who has seen very little of the world and is attracted by a chance to travel. By prearrangement the automobile in which they are traveling breaks down in front of the home of an eccentric Englishman. Believing it to be a hotel, the couple stop for the night but soon realize that they are prisoners of a man who makes it his business to interfere with other people's plans. While they are guests in this strange house they meet another couple in the same predicament, one of them is the wife of three days, the other, just an Englishman.

These two couples must entertain themselves in the best way that they can and of course this brings about several strange and comical situations. (Continued on page 4)

MISS DECHANT SPEAKS

AT JOINT Y. MEETING

Miss Aliene Dechant, field worker of the Home Mission Board of the Reformed Church in the United States, addressed a joint Y. M.-Y. W. meeting last Wednesday evening in Bomberger. Miss Dechant, who spent two years in the Orient, professed a great liking for the young people of the East.

The speaker told of the varied activities of Asiatic youth. They take great interest in athletics, and are not only eager to attend their local schools, but are also anxious to study in America and England. Miss Dechant declared her admiration for the young Orientals' humor, philosophy, sympathy, ability to adjust themselves to modern conditions and, above all, their spirituality.

Vice-President of Board was Prominent in Banking, Insurance and Political Circles

DIRECTOR 25 YEARS

A. D. Fetterolf, Esq., for twenty-five years a director of Ursinus College, died at Montgomery Hospital, Norristown, on Saturday, March 7. He was in the eighty-first year of his age. Mr. Fetterolf was elected to the Board of Directors on June 5, 1906 and was immediately made a member of its Executive Committee. In 1913 he was elected chairman of the Executive Committee and in 1922, vice president of the Board. He also served on the committees on buildings and grounds and instruction. Not only as director but also as a neighbor, residing opposite the campus, he took a deep interest in the work of the institution. He followed closely the progress of the College and strongly supported with his influence and with his means, every forward step in its development.

Mr. Fetterolf was a lifelong resident of Collegeville and the vicinity. He received his education in the elementary schools of the community, having attended for a time, Todd's School, the first institution located on the present Ursinus campus. His advanced education was gotten in Freedland Seminary in which he was a student for several years.

He was elected Justice of the Peace in 1882 and was active in politics for twenty years. Much of this period he served in various clerkships in the State Legislature at Harrisburg, rising to the positions of Resident Clerk and Chief Clerk, positions of great responsibility in the enactment of legislation. In 1900 he retired from political activities and devoted himself wholly to his business and civic interests in Collegeville. In 1889 he became secretary of the Perkiomen Valley Mutual Fire Insurance Co., whose offices are located here. He was elected president of the Collegeville National Bank at its organization in 1906. He was elected president of the School Board in 1907. In all of these positions he served continuously until his death. He was regarded by his fellow townsmen and by the college community as Collegeville's leading citizen.

The freshmen will play a five-game schedule, one of which will be played at home—Valley Forge Military Academy.

The varsity track team is scheduled for six meets, including the Central Pennsylvania Track Conference meet at Susquehanna, and the Penn Relays. West Chester and Drexel will run on the local track. Four meets are scheduled for the yearlings, all away.

COEDS REGISTER SEVENTH WIN IN DOWNING BEAVER

Last Quarter Rally Gives Ursinus Sextette 32-22 Decision Over Strong Rivals

HEINLY STARS

The Beaver Basketball team was the seventh this season to receive defeat at the hands of the Ursinus Women's Team. The game was played on the home court, Tuesday, March 3, with a score of 32-22.

Until the last quarter, the fracas looked to be Beaver's. They put up the best opposition that Ursinus has thus far met. In the last quarter, however, the co-eds broke forth with a vigorous fighting spirit and got a ten-point advantage over the Jenkintown sextet. In the first period Billy Strickler seemed to have a jinx on her shooting luck, and the Beaver guards interfered with the passing. Elizabeth Heinely starred, playing an excellent defensive game. Beaver's side center, Dot Sterner, was one of the best players Ursinus has met and in spite of the height advantage of Peg Swartz, she made the center play exciting and fast. The Ursinus team showed the ability to turn what seemed to be a defeat into a certain victory. The return game on Tuesday will find a sextet actively opposed to the co-eds chalking up another victory on their yet unsullied record. As the record now stands, Ursinus has 274 points to the opponents' 145.

Line-up:

Ursinus	Beaver
Connor	R. F. Hall
Strickler	L. F. Parry
Wismer	J. C. Edgar
Swartz	S. C. Sterner
Heinely	R. G. Cashil
Uhrich	L. G. Walper

Referee—Mrs. Masson. Umpire—Martha Gable. Scorers—Washburn, Hedrick. Field goals—Connor 4, Strickler 10, Hall 7, Parry 2. Foul goals—Connor 1, Strickler 3, Hall 3, Parry 1.

INTRA-MURAL WRESTLING

Four classes—those from the 118 lb. division to the 145 lb. class—will be wrestled on this night with the preliminaries of the four remaining divisions coming on Wednesday. The semi-finals will be held Thursday evening, with those who drew byes in preliminaries wrestling for the first time. The grand finale will come off Friday. For this latter affair a large crowd is expected to be on hand.

As has been previously announced medals will be awarded to the winner in each division. The meet is being sponsored by Coach Carleton with Bill Bedall acting as promoter. BEAR TOSSERS WIN ONE; LOSE TWO DURING WEEK

Grizzlies Down Drexel in Overtime Thriller, but Drop Close Ones to F. and M. and Temple

STERNER OUTSTANDING

Drexel-Ursinus Varsity Game

The Bears came thru with eight points in an extra five-minute period and defeated Drexel in one of the most exciting basketball games seen here this season. The final score was 35-31, and the score at the end of the regulation time was 27-27.

The Dragons proved to be formidable foes, but the sustained offensive attack launched by the Bears in the second half overcame a nine point lead which Drexel had at the half, and dead-locked the score.

In the extra period, Egge came thru with two field goals, and Dotterer and Miller each accounted for a two-pointer. Egge's shots were, both long shots and all four field goals came at a most opportune time.

Don Sterner, captain of the Bears, was again an outstanding star. He flashed brilliantly in the Ursinus offense, and accounted for 16 points—almost half of the 35 registered by the Bears. The score at half time was 17-8 and Sterner scored six of these eight points, and then came back in the second half to register four field goals.

Play in the first half was rather ragged but the entire team came back strong in the second half to overcome the Dragons. Lodge was second high scorer for the Bears with seven points, all of which came in the second half. Dotterer, Miller, and Egge each registered four points.

Dotterer played a very good defensive game and twice tied the score with a foul shot near the end of the regulation time. He scored his field goal in the extra period. Egge dropped in his two field goals in the extra period, (Continued on page 4)

THE CHURCH AND COLLEGE LIFE

Few people today realize the importance of the church and its teachings in the life of a college. Few people realize or are aware of the present need for a closer union between the church and college. It seems also that those, who do consider this problem, dismiss it for some reason or other without going very deeply into it. Therefore, it is about this need of the church in student life as a whole and in the life of the individual student that we wish to speak.

To some, and perhaps to a majority of those who read this, the discussion of such a question may seem out of place here. The very fact that a religious or church matter does seem inappropriate (if such a thing is possible) illustrates to what extent our college people are lacking in development along this line. It does seem more strange when one considers that the aim and purpose of those who founded Ursinus was to foster the growth of this side of human nature. It is chiefly, though not entirely, the student body that is to blame for this falling away from the original objective. In the pursuit of studies at college it is perhaps natural that the student, absorbed in his work, should get away from the spirit of religion. With the exception of a few courses here at college the emphasis is not, and perhaps should not be, on this religious aspect. There should be, however, a desire on the part of the men and women in college to supply and feed, so to speak, this spiritual side of their nature; and this desire should be fostered by those in a position to do so. No education at all, would be better than one in which there is only intellectual development. Only a few can get away from the analytical and intellectual side of college life and advance spiritually developing their own religious life. The great majority need some help outside of that of divine nature which aid is taken for granted; and that need the church plies. The church offers to everyone several phases of religious life, chief of which is worship. It is largely through this essential office of religion that a much neglected part of our life is attended to and built up, and it is generally acknowledged that to obtain the greatest satisfaction in life this is necessary.

The great difficulty at Ursinus seems to be that the pursuit of some of the higher things in life, including the religious, is considered something to be ashamed of—something which may be classed under the term effeminate in its derogatory sense. Nothing it seems could be further from the truth, for what is more manly or truly womanly than a well-developed life in all its phases and not least among them the religious and spiritual side? It is due to a misconstrued idea of what religion and the church is that many people feel the way they do. The teachings of the church, as a whole, are a real and fundamental—something which should be recognized by the skeptical college student.

Finally, as regards the college as a whole, this question is one of great interest. Nothing would be finer, or speak so well for the College, than that the student body should be, in actuality, as well as in name, a christian group, in which a religious atmosphere would be an outstanding characteristic. This may seem to some a rather high aim, even approaching impossibility, while on the other hand it may seem to some simply foolish. But, in an age such as the present when the trend at times seems away from the principles mentioned, it is necessary to take a stand and what group would be more fitted to do this than a body of college students? Especially should this be so of a college with the background that Ursinus has.

STEPHENSON ADDRESSES

BIOLOGISTS ON GLANDS

The Biology Club held a meeting Thursday evening, March 5 in room 5 at 7.30 o'clock. As a result of the semi-annual election, Robert Miller '31 becomes the new president of the club for the second semester.

Clifford Thoroughgood '32 received the appointment as next chairman of the program committee. The committee was further augmented by the appointment of Raymond Todd '31 as a new member. The installation of Harold Kerper '31 added another member to the ranks of the organization.

The high point of the meeting was an address by Daniel Stephenson '31 on "Endocrine Glands." Following this address the meeting was adjourned.

INTERCOLLEGIATE COMMENT

Juniata boasts a wood-wind quintet, which was organized on the campus last year and has been playing this year. A group of this nature is unique as most similar organizations are composed of professional musicians.

Students of Colorado University are insured against being called upon to recite. This certainly puts a premium on either modesty or laziness.

Statistics have been gathered which show that the average college man at the University of Washington spends approximately \$29 per year on his "looks." A tube of shaving cream every five weeks amounts to about \$3.50 per year. Razor blades come to \$5, shaving lotion at \$3.50, talcum powder \$2, and haircuts and occasional shampoos to \$15.

The book store at Washington and Jefferson is acting as agent in aiding students to dispose of old textbooks. The books are taken to the store, the price named, and duplicate receipts issued. When sold, the money is forwarded to the student by check, and unsold books may be reclaimed by the student upon presentation of receipt.

A movement has been set on foot to have Congress erect a stadium in Washington for the use of the Naval Academy.

Harvard University refuses to allow Rudy Vallee, famous crooner, to sing any Crimson songs over the radio.

Law students at the University of Denver recently "ducked" in a nearby lake a co-ed who desecrated the steps of the Law School by walking up them, a thing never done by a woman before. The co-ed said that she suffered no ill effects and that the ducking was worth it.

DR. LEARNED ADDRESSES

FACULTY ON CARNEGIE STUDY

Dr. William S. Learned, representing the Carnegie Foundation for the Advancement of Teaching, addressed the faculty Wednesday evening in the faculty room. He displayed charts and graphs showing the progress that is being made in the survey of Pennsylvania colleges and secondary schools under the auspices of the Foundation. The purpose of the survey is to discover why there is no correlation between these two classes of educational institutions. The facts established by this work are to be used as a basis for co-operation between secondary schools and colleges in regard to such problems as curriculum and examinations.

VESPER SERVICES

The regular weekly vesper services were held in Bomberger Sunday evening with C. R. Bigelow leading. The meeting consisted chiefly of song service, scripture reading by Kathryn Inman '32 and prayer by the leader. The singing of hymns also concluded the service.

The Daily Nebraskan finds that women students have higher grades than men. They give every reason for this except superior intelligence.

The Tower Window

IN a recent address before the Association of College Presidents of Pennsylvania, Governor Pinchot expressed the hope that a thorough investigation of the forces and factors composing the educational system of our state might soon be worked out.

The liberal arts colleges of Pennsylvania have an interest in this project. Confusion as to field and function has arisen because of the institution of junior colleges in the western part of the State, and because of the elevation of the state normal schools to the status of teachers' colleges. Another problem is presented in the ambitions of Pennsylvania State College to raise itself into the state university class, emulating the large state universities of certain middle western states.

It would seem that the business of higher education is going to be overworked. It would be helpful at this juncture if the state authorities would establish a competent commission to study the whole problem of higher education and plot out the specific fields in which the different types of institutions should aim to function in order that the educational needs of the people of Pennsylvania might be most economically met.

The variety of opinion existing at present might thus be wrought into a consensus that would be fair and just to all interests concerned and that would be normative for the further development of each.

Recent information is to the effect that the State Council of Education is about to set up such a commission. Selection of persons actually qualified to serve in such capacity will be difficult but the ends to be sought fully warrant the attempt. G. L. O.

"GREEN PASTURES" DISCUSSED BY DRAMATIC SOCIETY

A meeting of the Curtain Club was held in Zwing Hall, Thursday, March 5, with Mildred Hahn '31 presiding as chairman of the program committee.

The program consisted of discussions and interpretations of the play, "Green Pastures," the long-running Broadway success. The play is acted by a negro cast. As the first number on the program Jane Price '32 read a paper on "The Origins of Negro Drama." Mrs. Whitman then gave a very interesting talk on her impressions of the play from personal observation. Mildred Hahn '31 and Louella Mullen '33 gave some entertaining interpretations of the Prelude. Margaret Deger '33 related several interesting sidelights on the characterization of the drama. The program was well organized and the various topics were combined in making an enjoyable meeting.

COEDUCATION ARGUED BY WOMEN'S DEBATING CLUB

A meeting of the Women's Debating Club was held at Shreiner Hall on Monday evening. In the absence of the president, the regular business meeting was in charge of the vice president, Marguerite Reimert '31. The following were received into the membership of the club: Jane Price '32, Ruth Haines '34, Esther Lightner '34, and Jane Evans '34.

A very interesting debate was held on the question, "Resolved: That Coeducation is a Better System Than Segregated Education." The affirmative side was upheld by Carolyn Ozias '31 and Arlette Hetler '31, and the negative side consisted of Elsie Kerth '32 and Roberta Frantz '32. The affirmative side won the decision, 2-1. The judges were Rhona Lawrence '32, Marion Styer '31, and Margaret Fiamingo '33, while the time-keepers were Ruth Haines '34 and Esther Lightner '34. Both sides were very efficiently supported and there was a most interesting discussion. Refreshments were served to those present.

PHILOSOPHY CLUB MEETS

The regular meeting of the Philosophy Club was held Thursday evening at the home of Dr. C. V. Tower.

As usual, interesting discussions ensued during the evening. The main topics for discussion at the last meeting were: Advancement of Civilization, and Concepts of Heaven.

In addition to the full regular membership, the club entertained four visitors. At the close of the meeting Mrs. Tower entertained the group with delicious refreshments.

FRESHMEN GIRLS RECEIVE COLORS AT SERVICES MONDAY

The Annual Color Day Service was held in Bomberger Hall Monday evening. This was given under the auspices of the W. S. G. A. and it was during that time that the freshmen girls received the Ursinus colors.

The service was very solemn and impressive. The members of the Student Council, headed by Dr. Elizabeth B. White and Anne Connor '31 marched into the auditorium to the processional played on the organ by Coreta Nagle '33. They were followed by the girls of the freshman class.

The program consisted of a brief talk by Anne Connor, president of the W. S. G. A., commending the freshman class and stressing upon them the fact that they were now full fledged Ursinus women. Speeches were given on the value of Ursinus colors. After Eleanor Usinger '31 spoke on red she presented Sara Pfahler '33 in behalf of the freshman class, a bouquet of roses. Gertrude Lawton '31 and Elmina Brant '31 spoke respectively on gold and black and ribbons of these two colors were tied around the roses. Anne Turner '32 and Kathryn Inman '32 presented the colors to the freshman girls. This having been performed Sara Pfahler '33, freshman representative, accepted the challenge in the name of the first year girls.

Dr. White concluded the program with a brief talk on the requirements needed in a life position; she dwelt also on the aims here at college which she stated as being scholarship and personality. The campus song was sung before the meeting adjourned.

PHYSICS CLUB MEETING

The regular meeting of the Ursinus Physics Club was held at 6.30 Thursday evening in the Physics laboratory. The program of the evening consisted of a talk by C. R. Bigelow '33 on "Gyroscopes and their Applications." Mr. Bigelow explained the precession of the gyroscope and dwelt upon the use of the instrument in the gyrocompass.

Dr. Klingaman also told of a practical application of the machine.

F. and M.-Ursinus Varsity Game

Fate was unkind to the Ursinus basketball quintet which invaded the F. and M. domain on Friday night. With the score 29-27 in favor of the Blue and White, the whistle blew as Coble was breaking for the basket, with a "peep" in sight which would have tied the score and might have given the Bears another chance to defeat their ancient rivals.

Half time found F. and M., leading 19-13, and in the first part of the second half, the Roses outscored their opponents and when Coble came in with less than five minutes to go, F. and M. was ahead 29-16. The South Jersey lad scored six points and the team registered five more to make the final score 29-27.

Claude Lodge was outstanding in the Ursinus offensive attack with ten markers. The Bear forward registered three field goals and scored four fouls out of four attempts.

Brubaker, Franklin and Marshall right forward, with twelve points, was high scorer for the evening.

Temple-Ursinus Varsity

The Ursinus basketball team rang down the curtain on the current cage season when they fell before a polished Temple combination 32-42 in a game played in the Thompson-Gay gymnasium. The defeat was by no means inglorious, for Van Why's cagers extended to the utmost the best basketball team Temple has ever produced—a team that has won 17 out of 20 games played with some of the best court combinations in the East.

Beron of Temple scored first and Lodge evened matters a moment later with a goal from the field. Sterner's two pointer sent Ursinus into the lead and the audience into pandemonium. The Bears held the advantage for the greater part of the first canto, but Temple spurred in the closing minutes to assume a 28-17 edge.

Ursinus opened the second stanza with a bang and sent the score skyrocketing to gain the lead 28-29. It is here that Mr. "Obie" O'Brien, diminutive acting-captain of the Owls, enters the picture; he dashed the Ursinus' hopes with three mighty tosses. Tribute is here paid to one of the cleverest basketball players ever seen in action in the local gym.

As the score grew, the game became fast—and rough. The decisions of Referee Abrams, while possibly made with the best of intentions, took on a decidedly partial tinge, and merited the cries of favoritism from the crowd, and made the game even wilder.

Lodge, with 14 points, topped O'Brien and Gudd, who tallied 11 markers, to gain scoring honors.

Four seniors, Captain Sterner, Coble, Dotterer, and Egge, wrote finis to their basketball career at Ursinus.

BEARS TIE HAVERFORD IN PRACTICE WRESTLING MEET

The practice wrestling meet between the Ursinus and Haverford grapplers resulted in a 21-21 tie. The bout was staged in the gymnasium Friday afternoon. Highlights of the bout were—the crowd, and Fields, the human mountain from Haverford. The wrestlers were paired by match weights. Ten bouts featured the card, out of which each team scored three falls and two time advantages.

The Grizzlies took an early lead after dropping the first tussle. In the 120 pound class, Desjardins, Haverford, pinned Williams in 5:00 using a half nelson and crotch hold. The next three bouts were victories via the fall route. Livingood threw Watkins of Haverford with a crotch hold and half nelson in 4:22. In the 140 Ziccardi pinned Stokes of Haverford in 2:30. Ziccardi used a body hold. In the second bout in the 140 class, the veteran Citta downed Hardhan of Haverford with a half nelson and arm bar in 4:08.

In the 150 Hager of Haverford scored a time advantage of 1:26 over Kraft. In the 155, Haverford again came thru when Foley pinned Stibitz in 6:30 with a body hold. Ursinus won one and lost one of the two bouts in the 170 pound class. Troppe won on a time advantage of 4:30 against Moos of Haverford. Scherberg gained a time decision of 2:08 over Hallman. Alspach in the 180 conquered Durham with a time advantage of 2:22. The heavyweight match followed. Fields of Haverford who weighs 279 pounds threw Nicholas with a body hold in 1:04. Score—Ursinus 21, Haverford 21. Referee—Kraft, Ursinus. Time of periods—seven minutes.

MUSIC CLUB AT POTTSTOWN

A number of members of the Ursinus College Music Club assisted in the presentation of Mendelssohn's "Athalie" at the Covenant Methodist Episcopal Church of Reading, Thursday evening, March 5. It will be remembered that this famous oratorio was sung in January in Bomberger Hall, the Haydn Choral Society of Pottstown assisting. Jeanette Douglas Hartenstine, of the vocal department conducted the oratorio.

F. & M. FROSH FALL BEFORE CUBS 31-28

The Frosh again defeated the Franklin and Marshall Freshman quintet, in a preliminary before the F. and M., Ursinus varsity game, played at Lancaster last Friday night. The game was bitterly contested thruout and the final score was 31-28.

Don Briesch, big Frosh center, was the offensive star for the Little Bears. He had four buckets and as many fouls to score twelve points. Somers was second high scorer with five field goals. Black also came thru with six points which helped plenty. Ursinus played a good defensive game and only two of the opponents gained more than one field goal. However they fouled quite a bit, and Haller, F. and M. right guard, dropped in seven out of eight.

"DOVER ROAD" CHOSEN AS ANNUAL ZWING PLAY

(Continued from page 1)

tions. In the end—the best way to find this out is to go to the Thompson-Gay Gymnasium on Saturday evening, March 21.

The cast includes Dorothy Muldrew '31 as Eustacia, a young wife whose only failing is a deep sympathy for anyone who is ill; Jeanette Baker '33 as Anne, a very brilliant and carefree girl; Walter Welsh '33 as Leonard, an English Peer of limited means who is rather doltish; Nicholas, an English gentleman, played by Bernhardt Stabert '34. In the household of the home on Dover road is Mr. Lattimer, the eccentric owner, Kenneth Alexander '31; Dominick, the major-domo of the establishment, Floyd Heller '33; maids, Barbara Taylor '31 and Mary Garrett '31; servants, Clarence Liven-good '32 and Clair Hubert '33.

The play is being coached by Miss Margaret F. Bookman '22, a teacher in the Norristown High School, and Mr. Eugene B. Michael '27. The ability of these two coaches is already known; Miss Bookman coached "The Thirteenth Chair" and Mr. Michael helped to coach "Disraeli." If past performances mean anything, "The Dover Road" should certainly be worth seeing.
