### ANNUAL ZWING PLAY

"Dover Road," an "Absurd Comedy" by A. A. Milne, Proves Well-played Production

#### ALEXANDER, MULDREW STAR

What seemed to be an elopement was the theme of A. A. Milne's play "The Dover Road," presented by the Curtain Club, Saturday evening, March 21. The Zwing anniversary play has been a favorite in New York and at the Haymarket in London. Called an "absurd comedy" by the author, "The Dover Road" action takes place in Mr. Latimer's house, a little way off the highway between London and Dover—where passage may be obtained to cross the channel into France.

Mr. Latimer (Kenneth Alexander '31), an English gentleman with philanthropic intentions, maintained his country home as a "testing ground" for eloping couples or rather runaway couples. Here he detained them until he was reasonably sure that they had not acted too rashly and were fully aware of their actions. Leonard (Walter Welsh '33) and Anne (Jeanette Baker '33) were fleeing to Paris when their highpowered motor car, driven by a chauffeur in league with the unwelcome host, broke down. They were forced to seek lodging at the quasi-hotel. Upon entering the large drawing room, which had the air of a private house rather than a public lobby, then were assisted by Dominic (Floyd Heller '33) the major-domo of the house and Mr. Latimer himself. Mr. Latimer thru some marvelous intuitive powers already knew the identity of the guests and knew that Leonard was running away from his wife, Eustasia (Dorothy E. Muldrew '31). He informed them that they were virtual prisoners until he chose to release them. They proceeded to make the best of a bad situation "under protest," meanwhile finding out unconsciously whether or not they were really compatible. After a short time, Mr. Latimer told the two that another couple was about to leave the house, having been there for the same purpose, and to Leonard's great astonishment, in walked none other than his own wife accompanied by Nicholas (Bernhardt Stabert '34). Due to a mixup in baggage, they were forced to stay a few days. In this time Leonard and his wife Eustasia became again reconciled because of the former's illness and the two gentlemen deemed it best to leave. The major-domo was assisted by his staff composed of Barbara Taylor '31, Mary Garrett '31, Clair Hubert '33 and Clarence Livingood '32.

Kenneth Alexander had a part well-suited to his histrionic abilities in Mr. Latimer, the host. He was easily the central figure in the production. As Leonard, Walter Welsh was especially good, requiring little acting to play his part. Floyd Heller did well as Dominic. With a portly build he was a true representation of an old country butler. Among the feminine leads, Dorothy Muldrew showed her stage proclivities to advantage. As Eustasia she was a typical fond and concerned wife, altogether too concerned. Jeanette Baker enacted the part of Anne very pleasingly as did Bernhardt Stabert the role of Nicholas. Both showed dramatic experience.

Between the acts, Marion Kepler and Donald Ottinger sang vocal solos. Miss Kepler chose "Villanelle" by Dell Acqua and Mr. Ottinger "Duna" by Josephine McGill. Helen Green accompanied at the piano. Much credit for the success of the play must be given to Miss Margaret Bookman '22 who coached the production.

#### Y. W. MEETING

The freshmen girls very ably took charge of the Y. W. meeting last Wednesday night. After several songs were sung Martha Moore read the scriptures, followed by a prayer by Evelyn Virgin.

The program consisted of the following: a violin solo, "Spring Song" by Betty Neast accompanied by Irene Takacs, a reading of selected poems by Sara Pfahler, an instrumental solo "Danish Song" by Helen Lewis, a talk on the young people of Germany given by Frances Carey, and in conclusion the singing of "The Barefoot Trail" by Marion Hageman, Dolores Quay, and Ruth Haines.

## SENIOR BALL EXTRA

Folks, listen! Do you know that the night of the Senior Ball is not far away? That Nick Nichols and his ten-piece band are to furnish the music? That for decorations, well, you'll never know that it is the gym, and as for favors, well that is the surprise of the evening.

The time is April 17, from 8 to 12. The place is the gym. The price is \$4.00 per couple. Tickets will be on sale from Tuesday, Mar. 24 on, but don't put off, for there is only a limited number, and after noon of April 16, the ante is raised to \$5.00 per couple. Alumni can get their invitations by writing to Edwin H. Krall, chairman.

## MEN'S AFFIRMATIVE TEAM

### DEBATES THREE COLLEGES

Lose to Elizabethtown, No Decision at Gettysburg, Defeat Juniata; Girls Lose to Susquehanna

#### FREE TRADE ARGUED

The men's affirmative debating team completed a three day tour of Western Pennsylvania at Juniata on Friday night. The trip included a visit to Elizabethtown, Gettysburg, and Juniata. All of the debates were on the question: Resolved, "That the nations should adopt the policy of free trade."

On Wednesday night, Melvin Dillin '31, Albert Scirica '32, and Maxwell Kuebler '31 represented Ursinus against the negative team of Elizabethtown College. The debate was the first of the season for the affirmative debaters and consequently the delivery was not as smooth as it should have been. A decision was rendered in favor of Elizabethtown.

By mutual agreement, no decision was rendered at Gettysburg on Thursday night. The debaters were Melvin Dillin, Aram Parunak '33, and Maxwell Kuebler.

The last debate was held at Juniata on Friday night. The Oregon system of debate was used. Maxwell Kuebler presented the case, acted as witness, and delivered the plea for the affirmative and Aram Parunak cross-examined the negative witness. Ursinus gained the decision.

A women's debate was held at Susquehanna College, Saturday evening, March 21. Ursinus upheld the negative side of the question: Resolved: "That the nations of the world should adopt a policy of free trade." The Ursinus debaters in order as they spoke were: Muriel Ingram '32, Marion Styer '31, and Dorothy Sanderson '31. Susquehanna was represented by the Misses Jean Thomas, Lois Harvey, and Mae Chittendon. The judges decision was 2-1 in favor of Susquehanna. Miss Ruth Holt chaperoned the Ursinus team which spent a very entertaining week-end in Selinsgrove.

Between the acts, Marion Kepler and Donald Ottinger sang vocal solos. Miss Kepler chose "Villanelle" by Dell Acqua and Mr. Ottinger "Duna" by Josephine McGill. Helen Green accompanied at the piano. Much credit for the success of the play must be given to Miss Margaret Bookman '22 who coached the production.

## SOPHOMORES BEAT FROSH IN INTERCLASS STRUGGLE

The annual tilt between the Sophomores and Freshmen on the Basketball court resulted in an overwhelming victory for the Sophs. The game, played in the Field cage, Tuesday, March 17, ended with a final score of 34-19.

From the initial tap-off victory was certain for the Sophomores, Dottie Kehs and Rena Grim scoring in rapid succession. The Freshmen contingent lacked the basketball technique of which their opponents were past masters and the final score was indicative of their superiority. The Junior-Sophomore tilt promises to be the most exciting of the intramural games; both teams having excellent basketball material.

## E. EARLE STIBITZ '32

### ELECTED WEEKLY HEAD

J. P. Massey and J. R. Weaver to Hold Advertising and Circulation Posts Next Year

#### NEW STAFF PICKED

E. Earle Stibitz '32 of Dayton, O., was elected Editor-in-Chief of The Weekly for 1931-32 at a meeting of the Board of Control held Tuesday evening, March 17. Mr. Stibitz will take charge with the issue of April 13. He has been connected with the paper since his freshman year, serving as Sports Editor and Associate Editor. In these positions he has secured a well-rounded knowledge of the operations of the paper, and is thoroughly qualified for the office to which he has been elected. He has served on the Student Council for two years, was on the freshman football, basketball and track teams, played on the 1930 varsity basketball team, and is a member of Sigma Rho Lambda.

John Parker Massey '32, Drexel Hill, Pa., and Jacob R. Weaver '32, Terre Hill, Pa., have been elected Advertising and Circulation Managers respectively, to take office next September. Mr. Massey played freshman football and baseball, and was a member of the 1929 varsity football squad and the 1930 tennis team. He is a member of Student Council, the Council on Social Life, and Sigma Rho Lambda, and served as president of the 1932 class last year. Mr. Weaver was a member of the Y. M. C. A. Cabinet for 1929-30, and is serving as vice-president this year. He is a member of the Brotherhood of Saint Paul and has held various class offices.

## MOTION PICTURE FEATURES

### BIOLOGY CLUB MEETING

The Biology Club held a meeting on Thursday, March 19, in Hendricks Memorial Auditorium for the purpose of presenting a motion picture relative to the interests of the club. It was entitled "The Relation of Nutrition to Dental Hygiene."

The meeting was opened by the president, Robert Miller '31, who introduced Professor Brownback as sponsor of the evening's program. Professor Brownback gave a short talk on the purpose and general characteristics of the film to be shown.

There are many dental diseases which are little known to the general public and which can be prevented only when their causes are known. This production showed the many different ways in which mouth diseases affect various individuals. It showed the teeth of American Indians and explained that because of their primitive foods and general outdoor life disease had little chance to attack them. It then illustrated the various dental maladies which modern civilized people are prey to. The cause for the larger number of these ailments is a lack of oranges and other fruit in our diet, technically termed Vitamin C. Experiments have been conducted with small animals and it has been found that Vitamin C is a very important necessity in our food. The film also showed the manner in which diseases of the teeth are being combated in modern dental clinics.

## PHILOSOPHY CLUB HOLDS

### MEETING AT DR. BARNARD'S

The Philosophy Club held a meeting at the home of Dr. Barnard, on Sixth avenue, on Thursday evening, March 19, at 8.00 o'clock.

The topic for the evening was "Books." Many different types of books, both ancient and modern, were brought under discussion. One of the ideas brought out in the discussion of the topic was whether or not the literature being produced at the present time will survive very long. Another point brought out in the consideration of the question was whether or not, contrary to present practices, any books should be suppressed or censored.

It was announced that the next meeting of the organization would be held on the evening of April 9, the first Thursday after the return from the Easter recess. The topic to be discussed at that time will be "Honor." The discussion lasted until about 10.00 p. m. when the meeting was adjourned.

## STERNER HIGH SCORER

### OF BASKETBALL TEAM

Check-up Shows Grizzly Captain Tallied Even 200 Points in Past Season; Lodge Runner-up

#### 7 GAMES WON, 14 LOST

Winning but a third of the games played, the 1931 basketball season cannot be considered very successful. Seven games were won and fourteen lost, the opponents scoring 742 points to 572 for Ursinus. Some ray of comfort may be found in the fact that the victors included such worthy foes as C. C. N. Y. and Temple, two of the outstanding quintets in eastern collegiate basketball this year, and Princeton. The defeat of Muhlenberg and the splitting of the F. and M. and Albright series should also give us some consolation.

Captain Sterner was high scorer for the season with 200 points, which is a little better than 9½ points per game. All in all, the diminutive forward was the most consistently outstanding man on the team. Claude Lodge, second highest with 162 points, showed flashes of brilliant play throughout the season which mark him for a comer in local court circles. Spiegel Dotterer, playing his last season, outdid all previous efforts, and turned out to be a fast, hard-fighting guard, who was there in the pinches. Ray Coble and Blair Egge, the remaining seniors, also put up creditable games in the guard berth.

The individual scoring record and comparative scores for the season follow:

Individual scoring:	FeG.	FIG.	Pts.
Sterner, forward .....	74	52	200
Lodge, forward .....	65	32	162
Miller, center .....	16	17	49
Coble, guard .....	15	12	42
Eachus, guard .....	11	10	32
Dotterer, guard .....	8	14	30

## LARGE CROWD ATTENDS

### SAINT PATTY'S DANCE

An unusually large crowd attended the Saint Patty's Dance held in the Thompson-Gay Gymnasium, Friday evening, March 20. A great many alumni and visitors added to the number of those present, and to the general festivity of the occasion.

The committee in charge, headed by James Russo '34, made the appropriate shamrock very much in evidence, and bridge lamps furnished the approved soft glow. Carl Thompson '27 and his Lansdale Parodians, a very well known local orchestra, set the pace for a most enjoyable evening. Guests of the dance were Dr. and Mrs. J. L. Barnard and Prof. and Mrs. F. I. Sheeder.

## STUDENT CRITIC RECITAL

### GIVEN ON TUESDAY LAST

Another of the series of student critic recitals was given by Jeanette Douglas Hartenstine in the Vocal Studio last Tuesday afternoon. The program included: "Valley of Laughter" (Sanderson), Marion Kepler '32; "Bendemeer's Stream" (Gatly), Frances Carey '34; "A Little While" (Briggs), Harry Baldwin '34; "I Love You Truly" (Bond), Helen Van Setver '33; "April Rain" (Speaks), and "When We're Together" (James), Harriette Blanche Drysdale '31; "Sleepy Hollow Tune" (Kountz), Thomas Satterthwaite '31; "The Day is Ended" (Bartlett), Esther McClure '33; "Smilin' Through" (Penn) and "Duna" (McGill) Donald Ottinger '32.

## GRIZZLY COURT-WOMEN

### DOWN DREXEL SEXTETTE

Victory Over Philadelphians Marks Ninth Win of Season; Bears Always Ahead

#### STRICKLER, HEINLY SHINE

Another victory for Ursinus was chalked up by the girls' basketball team when they defeated Drexel with a score of 37-17. The game was played Wednesday, March 18, in the Thompson-Gay Gymnasium.

From the first period, the fate of the game appeared to be in the hands of the Ursinus girls. "Lib" Heinly's intercepting was of great aid in keeping the ball in the possession of the home team. The Drexel girls were given a chance to score only five points in the first quarter and none at all in the second. The period ended 16-5 in favor of Ursinus.

The second half continued favorably for the Collegeville team. "Billie" Strickler kept up her scoring streak and added several more points to the Ursinus credit. Substitutions were made for the positions of forwards and side-centers. "Dot" Kehs, as right forward, did her part towards keeping the score high.

There was considerable fouling in the game on the part of both teams and toward the end both became excited without much gain to either side. However, on the whole, the playing was clean and fast. The contest with Philadelphia Normal School next Tuesday should be another victory for Ursinus.

## Y SECRETARY ADDRESSES

### BROTHERHOOD OF ST. PAUL

A meeting of the Brotherhood of St. Paul was held at 8:00 o'clock on Thursday evening, March 19, in Trinity Reformed Church. The devotions were led by Harry Maurer. The secretary read the notes of the previous meeting and the treasurer's report was presented.

Four new members were admitted into the organization. They were Kenneth Masteller '34, Ernest Noll '34, Norman Shellenberger '34 and Louis Mitchell '33.

The announcement was made that the Rev. Mr. Felworth of the Third Presbyterian Church of Elizabeth, N. J., had been obtained as the speaker at the banquet to be held on April 23.

Refreshments were served and everyone participated in an informal discussion of the topic, "Personal Evangelism." After a prayer had been offered by Mr. Catron, the meeting was adjourned.

### Editorial Comment

#### FAREWELL TO ARMS

The time has come when we must lay down the editorial pencil and retire from the management of this paper. We do this with considerable relief. Not that the work has not had its pleasant side, but the constant responsibility, not only of getting an issue off the press, but of maintaining the standards of the paper, upon an editor who has no one to whom he can pass the buck becomes rather wearisome after a time.

Nearly a year ago we set forth in this column our policies and plans for the year. We have constantly tried to follow them through, although circumstances have, at times, thwarted our best-meant efforts. We have at all times tried to give our readers the best paper possible to give with the material at hand, and we feel that we have achieved a modest success. The credit must go to the staff, which has done its work remarkably well, and especially to the Associate Editors, without whose cooperation, given sometimes with great personal inconvenience but always with willingness, we could have accomplished next to nothing.

With some regret, but in all fairness, we are compelled to state that the co-operation we have received from our nominal owners, the Alumni, has not been as great as we had a right to expect. The difficulty that the Alumni Editor has encountered leads us to believe that it is easier to get messages from the dead than it is to secure news of the various alumni. The faithful few have, as usual, kept the paper informed as to their activities, but in our attempt to cover the doings of the larger circle, some of whom are really doing big things, and news of whom really is news, we have been unable to pierce the wall of silence with which they are surrounded. The only excuse which can be offered is indifference, and for this we can see no excuse.

This lack of cooperation on the part of our owners has extended to the business board. The number of unpaid subscriptions to date is, we believe, less than that of former years. This is not due to any particular effort on the part of the alumni but rather to the constant activity of a capable and energetic circulation manager. In spite of his best efforts, too large a number are still delinquent. These are debts of honor that should be paid, or notice given to discontinue sending the paper. It is rather distasteful to think that in a few months we shall join a group which contains so many dead-beats and pikers. We might also suggest that when a subscriber changes his address, it is only courtesy that the Circulation Manager be notified by the subscriber, rather than by the post office department. In the matter of advertising, there has also been a lack of cooperation. As we said in this column last year, there are alumni who are in a position to throw advertising our way, and who could easily do so, if only they would. The Advertising Manager has kept his space pretty well filled, but not by means of very much alumni aid. Here there is surely room for improvement.

We have a reason for dwelling so much upon the financial side. For years The Weekly has run at a loss, last year one of several hundred dollars. Contrary to the belief of many, the College, not the Alumni Association, has borne this loss. When criticism of these deficits has been made, it has always been showered upon the business managers of the paper, some of whom have been inefficient, but most of them not. The present managers have been untiring in their efforts to avoid a deficit this year, and we wish them protected from blame in case we should once more show a red balance, which, unless quite a few more subscriptions are paid, we shall do. It is impossible to collect money when people refuse to pay, and we do not want to see the managers of the paper held for the delinquencies of the owners. That is only just.

The Board of Control has picked a staff to succeed us composed of those whom it believes to be the most competent material available. We extend to them our congratulations and our sincere wish for success. We commend them to our owners, the alumni, with confidence, and most earnestly request that they be given the fullest cooperation possible in the performance of their difficult and responsible duties.

S. O., '31.

Persons interested should consult the newly-elected Editor-in-Chief, Mr. Stibitz.

'28—Rebecca Engel Smith, head of the English department in Perry Township High School, has had a most successful year as coach of debating in that high school. Notable among the schools which the Perry teams have defeated were Muhlenberg and Fleetwood schools, institutions having many more students than Perry Township. Mrs. Smith is also faculty advisor to the "Perry Pathfinder," the school publication.

## The Tower Window

I speak for the whole college when I lament the loss of A. D. Fetterolf. Personally I mourn the passing of this neighbor and fellow director of Ursinus very deeply. We came into the Board of Directors in the same year—the only two members dating our connection from 1906. Six years later he joined his associates in the call to me to accept the presidency, and from that day until the day of his death he was a safe counsellor and a loyal supporter.

During his twenty-five years service on the Board of Ursinus, it became Mr. Fetterolf's duty to attend more than 375 meetings of that body and of its subcommittees. At more than 200 of these meetings it was his duty to preside, having been made chairman of the Executive Committee in 1913. The monthly meetings of the Executive Committee, no less than the regular meetings of the Board itself, were given precedence over other engagements on his calendar. He had a wonderful record for regularity of attendance and especially for punctuality. It was his rule to be in his place before a meeting was to begin.

The latter years of his incumbency as a director seemed to be especially pleasant to him. He shared in the forward look and the optimistic spirit which has characterized our Board as a whole. One might expect a person so far advanced in years to react unfavorably on new measures and advanced steps or at least to be indifferent toward them, but not so the "Squire," as he was familiarly called by his friends. He strongly supported the building program of 1926 and hailed with manifest satisfaction the coming of the new science building, even though it became apparent to him that he might not live to see it as a reality.

It brings joy to his fellow directors to know that he left a perpetual testimonial to his interest in Ursinus by bequeathing to the College a fund of \$2,000 for the endowment of a scholarship. His bequest to this particular purpose indicated also the practical interest which he felt in student welfare. It cannot be said that Ursinus "is not without honor save in its own country," when one who knew the institution as familiarly as did A. D. Fetterolf, takes part of his estate and dedicates it forever to the work to be conducted on the very campus over which he looked every day of his long residence and with the character of whose students he was fully acquainted.

His presence in the councils of the College will be sadly missed, yet he would be one, were he here, to close up the ranks and proceed with the work. G. L. O.

ARTICLE III Section 3. Any person entitled to membership, who is a member of a local Ursinus College Association may become an active member of this Association upon receipt of annual dues by the Treasurer of this Association, as provided for in Article VII, Section 3. This section is to be omitted.

ARTICLE IV. Section 1. The officers of this Association shall be a President, a Vice-President, a Secretary-Treasurer and an Historian. The Historian shall hold office for five years, other officers for one year, or until their successors are elected. No person shall be eligible to the office of President for two consecutive years, and no person living beyond one mile from the College buildings shall be eligible to the office of Secretary-Treasurer. The expression "one mile" is to be changed to "twenty-five miles."

ARTICLE IV. Section 2. All officers of the Association shall be elected by ballot. Candidates for office shall be nominated in a preliminary ballot from a list of eligibles mailed to the members of the Association by the Secretary-Treasurer at least sixty days prior to the Annual Meeting, each member voting for one person for each office. The names of the five members receiving the largest number of votes for each office on the preliminary ballot shall be printed on the final ballot, which shall be mailed to all members of the Association thirty days before the Annual Meeting. The candidates having received the largest number of votes at the opening of the annual meeting are thereby elected to the offices for which they were nominated. The Secretary-Treasurer and one member of the Executive Committee from the College Faculty shall count the votes. In case a vacancy occurs, or in case of a tie vote, the Executive Committee shall appoint a member to fill the office until the next Annual Meeting. The following is to take the place of Section 2, as it now stands.

Article IV. Section 2. All officers of the Association shall be elected by ballot. Candidates for office shall be nominated in a preliminary ballot from a list of eligibles mailed to the members of the Association by the Secretary-Treasurer at least sixty days prior to the Annual Meeting, each member voting for one person for each office. The names of the five members receiving the largest number of votes for each office on the preliminary ballot shall be printed on the final ballot, which shall be mailed to all members of the Association thirty days before the Annual Meeting. The final ballot shall be signed, sealed and returned to the Secretary-Treasurer. The Secretary-Treasurer shall deliver final sealed ballots to an election board. It shall consist of at least one judge of election, and two tellers. The Secretary-Treasurer shall be present when the ballots are counted and certify the eligibility of the electors. Balloting shall cease ten days prior to Commencement Day. Any member who has paid dues on or before ten days prior to the closing of the polls is entitled to vote. In case a vacancy occurs, or in case of a tie vote, the Executive Committee shall appoint a member to fill the office until the next Annual Meeting.

ARTICLE VI. Section 2. Special meetings of the Association may be called at any time by the Executive Committee, ten days notice whereof shall be given to each member.

Add to this section, "The time, place and object of these meetings must be announced in the notice."

ARTICLE VII. Section 2. Each local association shall adopt a Constitution, and shall have full powers of organization and administration within the territory defined by the Executive Committee, in so far as is consistent with this constitution.

The word "shall" in the first line to be changed to "may."

Section 3. Each constituent or local association shall hold at least one social and business meeting a year.

The word "shall" to be changed to "should."

Section 4. On or before April 1st of each year the Secretary of each constituent association shall report to the Secretary-Treasurer the names of all persons on its rolls for the current year who are eligible to membership in this Association and who have paid their dues, or who already hold life membership in this Association.

Change the latter part of this section to "who have paid general alumni dues to said secretary and shall remit the same."

Section 5. The officers of each constituent association shall be responsible for the conduct of its affairs; for the collection of annual dues of members, and the proper disbursement of the same. They shall also co-operate with all committees of this Association, and carry out any functions properly delegated to them by the officers and committees of this Association.

This section (Section 5) is to be omitted.

ARTICLE VIII. Section 1. Every member of this Association shall pay at least One Dollar annually for the support of the work of the Association. A member who omits payments any year thereby forfeits the privileges of the Association, but he may again become active by resuming his payments.

Change "One Dollar" to "Two Dollars."

Section 2. Any member who shall pay Twenty Dollars, or who shall have made payments to the amount of Twenty Dollars, or who shall add to the payments he has made an amount sufficient to make his total payments Twenty Dollars, shall be enrolled as a life member.

In the first instance change "Twenty Dollars" to "Twenty-five dollars in a lump sum." In the second and third instances change "Twenty Dollars" to "forty dollars."

Section 3. Local associations may fix their annual dues at any rate that is agreeable to their membership, providing the amount is not less than One Dollar. The Secretaries of the local associations shall remit to the Secretary-Treasurer One Dollar for each of their paid up members in accordance with Article VII. Section 4, except in case of life members.

This section is to be omitted.

ARTICLE IX. Section 1. The Executive Committee shall consist of the officers, of all the members of the Association on the College Faculty, of the Secretary of each local Ursinus College Association, of one member nominated by the graduating class of each year (to serve one year), and three members elected at the Annual Meeting of the Association. The Secretary-Treasurer of the Association may call a meeting of the Committee upon his own initiative or at the request of five members of the Association, by giving members three days' notice of the time and place of meeting. Five members shall constitute a quorum to transact business.

For the phrase "all members of the Association upon the College Faculty" substitute, "Two graduates, members of the Association upon the College Faculty, other than officers of the Association, elected annually." For "three" substitute "five." In the phrase "time and place of meeting" add the word "object" making it read "time, place, and object of the meeting."

ARTICLE X. Section 1. In order to realize more fully the objects of the Association as set forth in Article II, the Executive Committee shall annually elect a Chairman for each of the following Committees, who shall inaugurate measures for the best interests of the Association and of the College along the lines designated by the committee name.

Omit to the word "Article II." Begin the section at that point, "The Executive Committee shall" etc.

Section 2. These committees shall be (1) Finance; (2) Publicity; (3) Athletics; (4) New Student and Undergraduate Organizations; (5) Reunion and Class Organizations; (6) Women Student Activities; (7) Religious Activities; (8) Local Alumni Associations.

Section 3. The chairman and members of the Executive Committees of the Alumni Athletic Club and the Ursinus Women's Club, respectively, shall act as the Athletic and Women Student Activities Committees, in so far as their membership is composed of members of this Association.

Section 4. Each Committee Chairman shall upon notice of election, name the other members of his committee in such a way as to include those who are best fitted for the special work of the Committee.

Sections 2, 3 and 4 are to be omitted and the following substitutions made:

Section 2. These committees shall be 1. Finance; 2. Publicity and Publications; 3. Under Graduate Activities; 4. Graduate Activities. All committees shall have five members appointed by the President, unless otherwise provided.

Section 3. The Finance Committee shall consider all matters of revenue and expense, and prepare an annual budget. The President and Secretary-Treasurer shall be members of this committee. The Secretary-Treasurer shall serve as chairman.

Section 4. The Publicity and Publications Committee shall consider and publish proper information and operate all organization organs.

Section 5. The Committee on Under Graduate Activities shall in an advisory capacity promote and foster the interests of the College among the student body.

Section 6. The Committee on Graduate Activities shall promote and coordinate the activities of the General Alumni Association, the local associations and the various class organizations.

ARTICLE X. Section 5. These Committees shall be responsible to the Executive Committee of the Association for the proper performance of their duties. They shall co-operate with the officers of the College in carrying out appropriate functions. The chairman of each committee shall render a report to the Association at the Annual Meeting.

This section will be Section 7 and will follow Section 6 as above. The word "written" is to be inserted before "report" reading "a written report." The following sentence is to be added at the end of the section: "The report shall be in such form as prescribed by the Executive Committee."

Section 6 (as was) The President of this Association may appoint Chairmen of other Committees as he may from time to time deem advisable.

This section is to be omitted.

ARTICLE XII. Section 1. The URSINUS WEEKLY shall be the property of the Alumni Association, which assumes all rights and privileges accorded a publication of its class under the laws of the United States, and accepts such responsibilities as rightfully devolve upon it in its proprietary capacity.

Section 2. The interest of the Alumni Association in THE URSINUS WEEKLY shall be represented by three members of the Association, nominated by the Executive Committee and elected by the Association to the Board of Control of the WEEKLY for three years, one being elected annually. Article XII is to be omitted.

ARTICLE XIII. Section 1. Candidates for Alumni Directorships of the College shall be nominated for a term of five years from Commencement Day. Vacancies occurring within such term shall be filled for the balance of the term only.

Add to this Section, "The Executive Committee shall have this power of appointment."

Section 2. The selection of a nominee for the Alumni Directorship shall be in the same manner as the choice of officers as provided for in Article IV, Section 2. The final vote shall be canvassed and certified to the Board of Directors of the College, the one receiving the highest number of votes being first certified. If such person is not elected by the Board, the second highest shall be certified, and so in regular succession.

Omit the words "canvassed and."

Section 3. To be voted for a person must be (1) a member of the Association for three years, and (2) his dues must be paid in full. No member of the College faculty shall be eligible for nomination as Alumni Director. No Alumni Director shall be eligible for election to more than two consecutive terms of five years each.

Change the word "three" to "five."

Article XIII becomes Article XII.

ARTICLE XIII. All monies paid into the Treasury as Life Membership dues when paid in a lump sum, one dollar from all annual dues paid and such other income as so designated shall be set aside as a General Alumni Association Fund. This fund with accrued interest shall be invested by the Finance Committee. The fund shall be used eventually for such purposes as recommended by the Executive Committee and agreed upon at a regular meeting of this Association by a three-quarters vote of the members present.
