The screenshot shows the desktop version of the MediaVault upload interface. At the top, there is a green navigation bar with the MediaVault logo and links for Home, My Posts, Explore, and Create Post. A notification bell icon shows 0 notifications. The main content area features a large dashed rectangular box for file upload, containing the text "Drop a file here" and a "Choose a file..." button. Below this, there are form fields for "Title" (with placeholder "Add title..."), "Description" (with placeholder "Description..."), and a "Topic" dropdown menu currently set to "LICEU". A "Tags" section includes an "Add tag..." input and an "Add" button. At the bottom, a blue "Submit" button is visible, and the text "No tags added yet" is displayed.

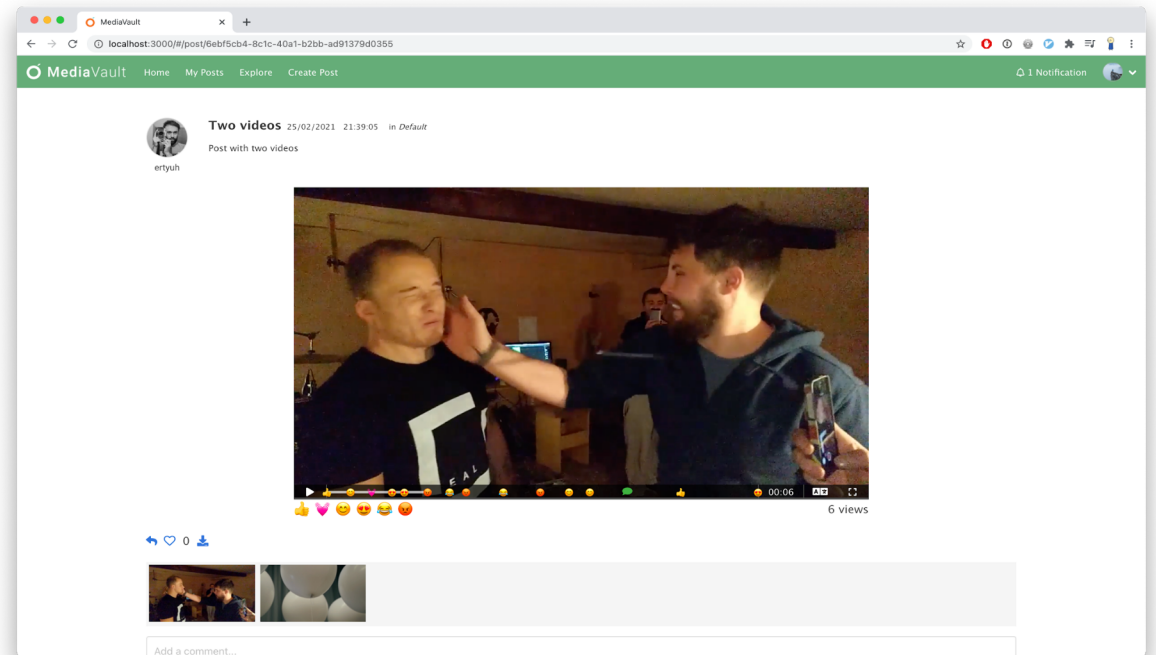

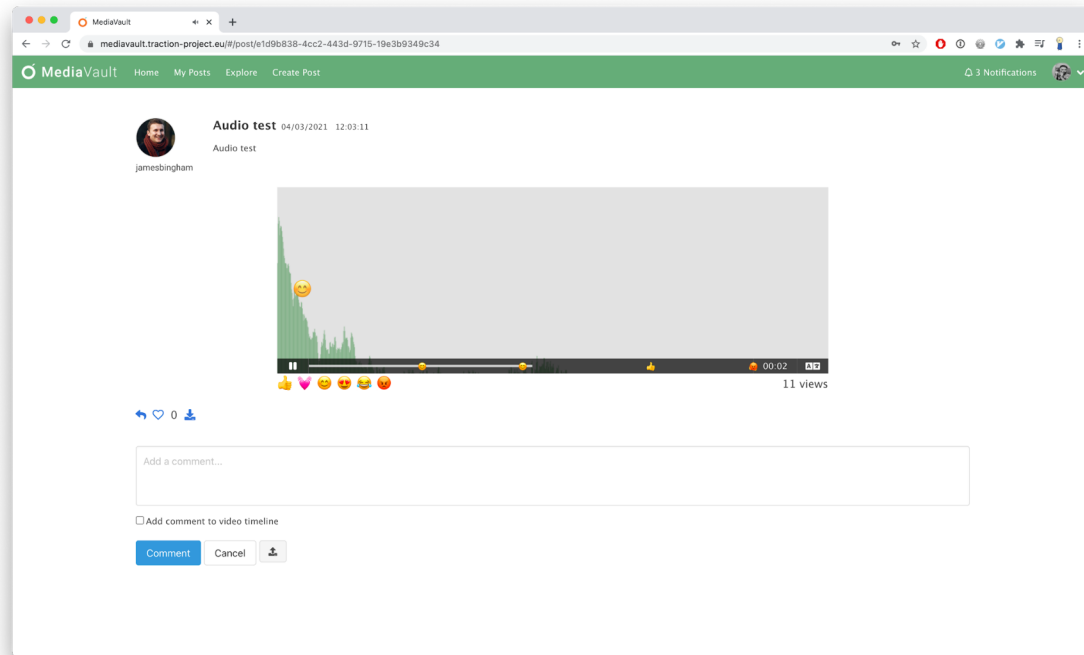

The screenshot shows the mobile version of the MediaVault upload interface. The layout is vertically oriented. The green navigation bar at the top contains the MediaVault logo and a hamburger menu icon. The file upload area is a large dashed box with "Drop a file here" text and a "Choose a file..." button. The form fields for "Title" (placeholder "Add title..."), "Description" (placeholder "Description..."), and "Topic" (dropdown set to "LICEU") are stacked vertically. The "Tags" section has an "Add tag..." input and an "Add" button. At the bottom, the text "No tags added yet" is shown.
