Dear Mr Nunn

On my way home  
I met Mr C. Knapp of  
Carpentua. and he has promised  
to send me branch and photo  
of an Oak tree at his place  
32 feet in cir. and he thinks  
it is the largest in this country.  
but it is not. Mr Mellick  
says he measured the one  
on the Beal Ranch and it  
is 49 feet around. as soon  
after the 4<sup>th</sup> as I can I will  
go up and photo it and  
get branches + acorns  
and send you

I send you some Photos
