Student Loan Repayment Program

A ghost
hisses, "Get out."
But two more nights in this
haunted house and the cash's mine, so
get bent.

Allee Mead

Allee Mead is a web writer for the Rural Health Information Hub and a PhD candidate in English at UND. Her cinquain was inspired by a *Country Living* article describing a haunted house in which pianos can be heard playing themselves. Her brain went from "Well, that doesn't sound so bad" to realizing that many young adults would gladly put up with the paranormal if it meant chipping away at their debt—or home ownership.
