CELEBRATING 10 YEARS OF SUPPORT TO KC/ACTF

This production is entered in the Kennedy Center American College Theater Festival (KC/ACTF). The aims of this national theater education program are to identify and promote quality in college-level theater production. To this end, each production entered is eligible for adjudication by a regional KC/ACTF representative, and certain students are selected to participate in KC/ACTF programs involving awards, scholarships, and special grants for actors, playwrights, designers, and critics at both the regional and national levels.

Productions entered on the Participating level are eligible for inclusion at the KC/ACTF regional festival and can also be considered for invitation to the non-competitive KC/ACTF national festival at the John F. Kennedy Center for the Performing Arts in Washington, DC, in the spring of 1996.

Last year more than 900 productions and 18,000 students participated in the American College Theater Festival nationwide. By entering this production, our department is sharing in the KC/ACTF goals to help college theater grow and to focus attention on the exemplary work produced in college and university theaters across the nation.
