

Ushus Journal of Business Management

Notice of Retraction: Palil, M. R. (2013). Adaptive Bands Z-Test-Statistics in Futures Markets: A New Technical Analysis Indicator. Ushus Journal of Business Management, 12(3), 19-47. <https://doi.org/10.12725/ujbm.24.2>

After careful and considered investigation and extensive review of the above paper by a duly constituted expert committee, the above paper has been found to be published in Ushus Journal of Business Management after a technical error in the publishing process from the side of the Journal. The article was retracted because there was a discrepancy between the manuscript published, the receipt of the consent of the published author in Ushus Journal of Business Management and another article which had similar content and was written by another author. We would like to put on record that none of the authors had any role to play in this error. The technical concern was taken with seriousness by the expert committee.

As per the editorial policy and ethical principles of Ushus Journal of Business Management and as per COPE guidelines, this requires that the article be retracted. We hereby retract this paper.

We would like to thank Dr Jacinta Chan Phooi M'ng, University of Malaya, Kuala Lumpur (UM) and Dr Mohd Rizal Palil, Universiti Kebangsaan Malaysia for bringing this regrettable error to our notice and the inconvenience this has caused.

We would like to reiterate that Ushus Journal of Business Management stands for ethical publication policies according to COPE guidelines.
