GARBÌNODA PÕRE MÕRE

Rina Repanić Gotal

Nikako ne fermoje
Somo žešće forcoje
Puk izvije, lòmi, kido, guli bòre
Síce, razdire, komadò, pøre
Mõre pøre, utròbu mu vadi, privàrće
Ludi tânac trisko bõrke
Rašentile se purtèle i pajòle
Jer kotlenka je mòdro pobìsnila, uzavřila
Glògoj na glògoj nasàrće
Pìski po sikima klàpju
Pùrić se po vāli razgàrće...

I plišći pìna kako lušija, stènje stinja u Stenjālo
Bòte su kako Vèlò gomila, nebo je na zemju pālo
Ni mròva ni na sterālo!

Izbili se judi u kućicu kol komīna
Uz trinoge i komoštra
Kol kògomi i lopīži i bronzina
Parangòli, mezaròli, damijòni
I kol mriž i kol vorši, kòl bùdeli i špurtèli
Na barilce, na kađete i škanjèle

Svi zasèli
Zaudòro friškin! U kòsti se ćùti umidèca...

Izgriženì ol sòli, raspùkli ol tùnj i konopi
Rastecenì pàrsti reumon iskrivjeni
Cigarjèru pùnidu trćin dilon španjulèta
Bevònda izglèdo kako fèca
Krez debèli, zamùćeni žmùl
Na žerāvu...popraženo feta
Paverùšu na ulje uza vròta zaklonila je jaketa.
Carnjenkasto - žuto svitlost lize
Libi se, igro, trepèće po zidu

SOUTH-WEST GALE / STORM

trans. by Mirna Čudić Žgela

Never stopping, never abating
Gaining force incessantly
Twisting, breaking, wrenching, tearing, peeling pine-trees
Cutting, tearing up, cleaving, dismembering,
Rending, disemboweling the sea,
Overthrowing, toppling, rolling
Crazy dance is battering, slapping boats
Ports and floorings come apart, torn asunder
For the blue kettle is boiling, furious, enraged,
Boiling bubbles in a crazed chase
Sands clapping over crags
Spreading, scattering weeds over the pebbled shore....

The foam fizzling, sizzling, hissing,
Spluttering like buck-water,
Crags moaning
Waves as high as stone piles, as high as tumuli
The sky has collapsed onto land
Not an ant to be seen about!

People squeezed together round the hearth
Close to tripods, close to kettles,
Close to pans, and to pots, and to bowls
Close to fishing lines and nets

All have sat down
Onto barrels, casks, crates, boxes, stools, and chairs
Chests, coffers, bins....

The odour of fish, brine, and salt!
The humidity permeating the bones....

Bitten by salt, cracked, splintered, cleft by fishing-lines and ropes
Swollen fingers, twisted and disfigured by rheumatism
Filling the holder with one third of a cigarette

Ispod frontini ol bêriti
Još sômo salâcon ispijene ôci vîridu
Natmûreni obrâzi, istisnuta justa mûceć govoridu.

U Môtetovu kućicu u Tâlešku pâla je bûnaca

...a garbin vônka pôre môre.

Diluted wine looking like lees
Through a thick, muddled glass
An ember-toasted slice of bread
By the door the oil-lamp hidden by a jacket.
A reddish-yellow light creeping
Hesitating, flickering, twinkling on the wall
From beneath the cap shades
Only eyes, salt-corroded are peering
Frowning, gloomy cheeks, lips, squeezed tight, speaking
through silence.

Upon Matthew's house, in the Cove of Talež, dead calm has
descended

...and out there, the south-west gale is tearing up the sea.
